# The Boy Who Lost His Face

**CURSED!** David was only trying to be cool when he helped some other boys steal an old lady's cane. But when the plan backfires, he is the one whom she 'curses'. Now David can't seem to do anything right. The cool kids taunt him and his only friends are weirdos. He even walks into Spanish class with his fly unzipped! And when he finally gets his nerve up to ask out a cute girl, his trousers fall down midway! But is this the curse at work or is David turning into a total loser? Another witty and very clever tale by the master storyteller Louis Sachar.

After getting separated from his young owner, Ready the puppy goes on a magical adventure to find his way back to him in an adventure that sucks you in from the first to the last pages.

#### Little Dog Ready: How He Lost Himself in the Big World

Boy built a wall to keep himself safe. Behind it he felt strong and more protected. Then Someone Kind came along. She bounced a ball, sang and painted on the other side of the wall, and Boy began to wonder if life on the other side might be better after all. Written for children aged 4 to 9, this gentle full-colour picture book uses a simple metaphor to explain how children who have had painful or traumatic experiences can build barriers between themselves and other people. It will help children explore their feelings and encourage communication.

#### Little Boy Lost...

Joao Costa takes us from his childhood through the twelve years he spent in the bush during the Angolan civil war from 1985 to 1997 to his life thereafter. From a teenager to captain in the army, and back to a civilian. From Angola to South Africa, Costa tells us the story of how he lost himself as a boy in the civil war and how he found himself again over the years. Love, politics, war, relationships, loss and fear vs. the determination and the will to conquer, to live, to be successful and to serve others are the lessons that Costa share with us in his impressively diverse and intensive memoir full of passion.

Following the breakout success of his instant festive classic, *The Night I Met Father Christmas*, get ready for the brilliant new novel from comedian, actor and bestselling author, Ben Miller! 'Stories are often about a good person who does a Bad Thing, and this is no exception...' Harrison tries his best to be good. He doesn't steal, he always shares with his sister and he never cheats at board games, but Harrison also has a BIG flaw ... He can't control his temper! So when he's given a black hole instead

of a balloon at a party, Harrison jumps at the chance to get rid of everything that makes him cross. But when it's not just things he hates that are disappearing into the black hole but things he loves, too, Harrison starts to realise that sometimes you should be careful what you wish for... An out-of-this-world adventure about twists of fate, time travel and troublesome black holes, Ben Miller's stunning storytelling is brought to life with beautiful illustrations from emerging talent Daniela Jaglenka Terrazzini. ### Journey of the Lost Boy

It's bad news when you wake up in the morning and find you've lost your head, especially if it's an especially agreeable and handsome head, but there you go, such things happen. In any case, the man who loses his head in *The Man Who Lost His Head* isn't about to grin (that is, if he could grin) and bear it. No, he'll make himself a new one, and starting with a pumpkin and moving on to a parsnip and finally picking up a block of wood, he sets about getting it just right. Still, for all his efforts, it somehow isn't right. It isn't the head he had before. It turns out that only a brash bold boy can save the man who lost his head from losing it altogether. Claire Huchet Bishop's charming parable is illustrated by the great Robert McCloskey, whose books for children include *One Morning in Maine*, *Blueberries for Sal*, and the Caldecott Medal-winning *Make Way for Ducklings*.

### The Boy Who Reversed Himself

In this classic work of developmental psychology, renowned psychiatrist and the coauthor of the #1 New York Times bestseller *What Happened to You?* reveals how trauma affects children—and outlines the path to recovery "Fascinating and upbeat...Dr. Perry is both a world-class creative scientist and a compassionate therapist."—Mary Pipher, PhD, author of *Reviving Ophelia* How does trauma affect a child's mind—and how can that mind recover? Child psychiatrist Dr. Bruce D. Perry has helped children faced with unimaginable horror: genocide survivors, murder witnesses, kidnapped teenagers, and victims of family violence. In the classic *The Boy Who Was Raised as a Dog*, Dr. Perry tells their stories of trauma and transformation and shares their lessons of courage, humanity, and hope. Deftly combining unforgettable case histories with his own compassionate, insightful strategies for rehabilitation, Perry explains what happens to children's brains when they are exposed to extreme stress—and reveals the unexpected measures that can be taken to ease such pain and help them grow into healthy adults. Only when we understand the science of the mind and the power of love and nurturing can we hope to heal the spirit of even the most wounded child.

### The Boy Who Made the World Disappear

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

### St. Nicholas

When Nathan discovered a job lot of the first 106 adventures for sale on eBay, there was never any question that he would place a bid. When the books arrived, he lost himself in the old adventures. Yet, as he flicked through the pages, there was another story being written. In the margins of each book were the scribbles of the little boy who had once owned them, a little boy by the name of Terence John Prendergast. Terence wrote jokes and hints for adventurers following the same stories as him.

More troubling, among the notes were intimations of a tormented childhood: of the boys and teachers who bullied him; of the things he hated about himself and had to improve; of his thoughts of suicide and his desperate need to find friends, be liked, and find somebody - anybody - to confide in. **THE BOY IN THE BOOK** is Nathan's poignant recreation of the discovery of the fragments of Terence Prendergast's diary, his quest to find the lost boy, and the friendship that resulted from their first meeting. In doing so, Nathan is forced to examine his own childhood - and, as his relationship with Terence deepens, he begins to believe that the two men are not so different, and to reflect on the darkness that can exist in childhood.

### The Boy Who Was Raised as a Dog

What is the What is Dave Eggers's astonishing novel about one of the world's most brutal civil wars Valentino Achak Deng is just a boy when conflict separates him from his family and forces him to leave his small Sudanese village, joining thousands of other orphans on their long, long walk to Ethiopia, where they find safety - for a time. Along the way Valentino encounters enemy soldiers, liberation rebels and deadly militias, hyenas and lions, disease and starvation. But there are experiences ahead that will test his spirit in even greater ways than these . . . Truly epic in scope, and told with expansive humanity, deep compassion and unexpected humour, What is the What is an eye-opening account of life amid the madness of war and an unforgettable tale of tragedy and triumph. 'If there was ever any doubt that Dave Eggers is one of our most important storytellers, What Is the What should put it to rest... [A] strange, beautiful and unforgettable work' *San Francisco Chronicle* 'A remarkable book: harrowing, witty, wretched, delightful; and always compelling, always surprising' *London Review of Books* All of the author's proceeds from this book will go to the Valentino Achak Deng Foundation. OVER 14M OF THE NEAPOLITAN QUARTET SOLD WORLDWIDE Nothing quite like this has ever been published before."— The Guardian "This is high stakes, subversive literature."— The Daily Telegraph "With the publication of her Neapolitan Novels, (Ferrante) has established herself as the foremost writer in Italy—and the world."— The Sunday Times "An unconditional masterpiece . . . I was totally enthralled."—Jhumpa Lahiri "An extraordinary epic."—Michiko Kakutani, The New York Times "To the uninitiated, Elena Ferrante is best described as Balzac meets The Sopranos and rewrites feminist theory."— The Times "Ferrante's writing seems to say something that hasn't been said before, in a way so compelling its readers forget where they are, abandon friends and disdain sleep."— London Review of Books "Stunning. An intense, forensic exploration of friendship."— The Times Literary Supplement The Story of the Lost Child is the concluding volume in the dazzling saga of two women— the brilliant, bookish Elena, and the fiery, uncontainable Lila. Both are now adults, with husbands, lovers, aging parents, and children. Their friendship has been the gravitational center of their lives. Both women fought to escape the neighborhood in which they grew up—a prison of conformity, violence, and inviolable taboos. Elena married, moved to Florence, started a family, and published several well-received books. In this final novel she has returned to Naples, drawn back as if responding to the city's obscure magnetism. Lila, on the other hand, could never free herself from the city of her birth. She has become a successful entrepreneur, but her success draws her into closer proximity with the nepotism, chauvinism, and criminal violence that infect the neighborhood. Proximity to the world she has always rejected only brings her role as its unacknowledged leader into relief. For Lila is unstoppable, unmanageable, unforgettable. Against the backdrop of a Naples that is as seductive as it is perilous and a world undergoing epochal change, Elena Ferrante tells the story of a lifelong friendship between two women with unmatched honesty and brilliance.

#### The Boy's Own Annual

William Kamkwamba was born in Malawi, a land withered by drought and hunger, a place where hope and opportunity were hard to find. But William had read about windmills and dreamed of building one that would bring his family electricity and running water, luxuries that only two percent of Malawians could afford. He used scrap metal, tractor parts, and bicycle halves to forge a crude machine that eventually powered four lights, complete with homemade switches and a circuit breaker made from nails and wire. A second windmill turned a water pump that could battle the drought and famine looming with every season. The Boy Who Harnessed the Wind will inspire anyone who doubts the power of one individual's ability to change his community and better the lives of those on an entire continent.

#### What is the What

The sea has sent Leilani and Keanu back to Hibiscus Island. This is where it all began. And where it all will end. They soon become the people's hope for defeating the false Queen poisoning their ocean, their island, and even their children, but Leilani and Keanu both know that this battle is different from the one they fought against the Twins. This has become a war. One they cannot hope to win on their own. But even as familiar and unexpected allies arrive, Leilani and Keanu soon realize nothing is as it seems, and that they'll have to look with more than their eyes in order to see through the games that are played and the masks that are worn. As Yuka opens the hunt for the fourth Ocean Spirit in order to prevent Leilani and Keanu from awakening him, time is quickly slipping as shadows gather between the walls of the fallen castle where he resides. Even with their pasts and true identities unraveled, Leilani

and Keanu both still have demons to conquer and choices to make. It brings them closer and deepens their love— but will it last, will the outcome to this war bind them together forever... or tear them apart instead?

#### Lost among the Affghans, the adventures of J. Campbell, related by himself to H.O. Fry

An experience of the fragility of conventional images of masculinity is something many modern men share. Psychoanalyst Guy Corneau traces this experience to an even deeper feeling men have of their fathers' silence or absence—sometimes literal, but especially emotional and spiritual. Why is this feeling so profound in the lives of the postwar "baby boom" generation—men who are now approaching middle age? Because, he says, this generation marks a critical phase in the loss of the masculine initiation rituals that in the past ensured a boy's passage into manhood. In his engaging examination of the many different ways this missing link manifests in men's lives, Corneau shows that, for men today, regaining the essential "second birth" into manhood lies in gaining the ability to be a father to themselves—not only as a means of healing psychological pain, but as a necessary step in the process of becoming whole.

#### My Side of the Mountain

Do you want your children to understand the power and the success salah brings in our life? Do you want your children to understand the reasons we pray, so they are even more motivated to pray? Do you want your children to love their salah even more and look forward to the incredible blessings it brings in our lives? Then this is the book you MUST give your child. Why do we have to pray? Why do we have to wake up so early for fajr? Why pray everyday? How will my salah help me? Why do I have to pray early? Don't just tell your children to pray but strengthen their emaan and love for it, by helping them understand "Why" we pray. This book is not like the multitudes of great books out there, on the topic of "HOW we pray" or to simply to tell children that they must pray. Rather this is a book that goes DEEP into reasons, uses exciting and relatable anecdotes, engaging stories to help children understand the various benefits they will enjoy from praying. Page count: 201 Age group: 7 to 15 Parents can read to children younger than 7 and help them in understanding the concepts.
