The Hidden Secret Power of Freemasonry

It is entertaining to be anti-Masonic and perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society. The Masonic term "making good men better" is the desire of the craft concerning all people living in a multicultural society to better themselves. This is masonry in a nutshell. To achieve this betterment takes a great deal of work and self-inspection, which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft. This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world. Contained herein are chapters on women in Freemasonry, the Catholic Church, and Freemasonry (which contains an addendum relating to over one hundred cardinals and bishops who, under pseudonyms, were Freemasons), a chapter on the 133rd Psalm (providing a line-by-line interpretation of a work which provides the important ideological, humanistic basis for both society and Freemasonry) with an important chapter analyzing the final end-period of a man's life as it related to Ecclesiastes Chapter 12. Men join Freemasonry because in their hearts, they seek to improve themselves. In a reality, any can start living as principled individuals, exercising the same values without being a Freemason. All that is required is desire and work effort, with a foundation from the Holy Bible to betterment of himself. However, the Masonic Craft assists an individual in this journey by providing defined structure, support, and a roadmap that helps focus the advancement and, as such, increases the probability of a successful outcome. Freemasonry centers on learning how to charge one's self with thought and physical conduct. However, in order to improve, one must read, study, and understand the true nature of reality in life, buttressed by the role of oneself and those with which one socializes. This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans. Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion. The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected, just as other holy books around the world are central to their Freemason organizations. Much of Masonry's

symbolism is taken from biblical sources, especially Genesis and the stories surrounding the building of King Solomon's temples. Great emphasis is placed on the development of moral and ethical virtues and the building of character, with truth being the guiding principle of our lives. Thus, brotherhood and charity are natural outcomes and further define one of Masonry's major tenets. Masonry uses proven methods to enhance the lives and spirits of members in a tangible way. In every Masonic lodge, upon its altar, there is a Holy Bible supporting the square and compasses. This old familiar book, so beloved by so many generations, is our Volume of the Sacred Law and represents the Great Light in Freemasonry. The Bible is open when the lodge opens; the Bible is closed when the lodge closes. No lodge can transact its own business, much less initiate candidates into the mysteries of the craft, unless the Book of Holy Law lies open upon its altar. It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft. The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message. So mote it be. May the mystery begin

Sacred Secrets

Who were Tubalcain, Aholiab and Zabud and what is their significance for the Freemason? There is a general interest in the rituals of Freemasonry, generated in part by the apparently obscure references they contain. This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity. The new Mason is directed to a 'serious contemplation of the Volume of the Sacred Law' — but that is easier said than done without a grounding in the Scriptures, something that fewer and fewer people have. The historical and geographical setting of the Bible is explained here, making such contemplation easier for Mason and non-Mason alike. Mike Neville has systematically cross-referenced the most influential Chapters of the Bible to the ceremonies. It is his intention to get Freemasons to understand the ritual — not just to memorise and regurgitate — as well as to elucidate for the non-Mason. Sacred Secrets will aid the clergy, theologians and any other person interested in Freemasonry to see the links between ritual and scripture.

Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry

The Blue Lodge and Holy Bible Reference Guide is the definitive manual for understanding the mysteries of the Masonic Order through Scripture. It helps develop the constructive vocabulary and terminology for masonry dialogue and communication.

The Master's Carpet, Or Masonry and Baal-worship Identical

Is there anything wrong with a Christian being a member of the Lodge? Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself? Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership? In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths. Masons are promised that nothing in Masonry's teachings will ever conflict with their own Christian belief. Has Masonry lied to or deceived Christians? In this book you will find answers to all these questions from the Masonic ritual and the Bible itself.

The Bible, the Great Source of Masonic Secrets and Observances; a Sermon Preached in Saint James's Church, Louth ... Before a Provincial Grand Lodge of Free and Accepted Masons, Etc

Freemasonry: astonishing answers to unspoken questions revealed! Freemasonry continuously promotes itself as a noble and godly institution, and many sincere Christians have been deceived into becoming members. When questioned, many masons will adamantly refuse to divulge the "secrets" of the order. They claim that the "secrets" can only be divulged to members. This, of course, is a gross lie, in that, many "tell all" books written by masons and non-masons are now available in your local book store or the public library. Most importantly, Christians who are invited to join a "lodge" should pray for guidance from the Holy Spirit. The Bible strongly forbids Christians from having "fellowship," "communion," "concord," "part" or "agreement" with those who do not profess a lasting faith in the Almighty God. Freemasonry is described as "A moral Order, instituted by virtuous men with the praise worthy design of the most innocent and social pleasures, founded on liberty, brotherly love and charity. These noble sentiments are couched in words with biblical connotations; however, they do not address important Christian principles such as, the forgiveness of sin and salvation. In the lodge hall the Bible is but a piece of furniture with the same significance as any other book. Freemasonry's influence in American history is evident in a multitude of ways; The Great Seal of the United States, the Official Seal of the Supreme Court of California, the Cornerstone of the Capitol Building, and the American Dollar Bill. This influence is due, in part, to the fact that several past Presidents, members of the Supreme Court of the United States, and high ranking officers of the Military have been Freemasons.

The Blue Lodge & Holy Bible Reference Guide

Many good Catholic men have been deceived into becoming Masons. In this powerful little book, a Catholic attorney and former 32nd degree Mason, John Salza, clearly shows why joining Masonry (including the Shriners) means embracing a false religion. Explains Masonic doctrines, history, rituals, oaths and curses, showing that Masonry is totally incompatible with Christianity and the Catholic Faith. Who is the god of Freemasonry? How does Freemasonry view the Holy Bible? What are the self-curses of Freemasonry? Why does Freemasonry appear to be compatible with the Christian Faith? What have the Popes said about Freemasonry? Are "Catholic Masons" excommunicated? How does a Catholic exit Freemasonry? Packed with facts and very well documented, Why Catholics Cannot Be Masons is a brief but potent revelation by a man who has been there - and then returned to the One True Faith.

The Masonic Trowel

Masonry is a beautiful system of morality, veiled in allegory, illustrated by signs and symbols, and embodying ideals that transcend most human barriers. The work of masonry is based upon and filled with scripture, with beauty, and with God's love, irrespective of any one individual's relationship with God. The one requirement of a man who would like to join masonry is that he believes in God. As an evangelist, I want to hear the blessed name of Jesus on people's lips, but as a Mason, my duty is to help men make those decisions for themselves. This volume is designed to help masons and their families to seek light from scripture, whether they have a church or not, whether they are Christian or not. If I have written these scripture studies well, the readers should walk away from this book being better informed and challenged to read more and more scripture, seeking more about God within their traditions, and be more confident believers. People who are more confident in what they believe can have discussions that do not turn to bad arguments, and are not easily offended. Those who can discuss any topic can best work together and best agree. In most instances of this book, I have used the lines from ritual in full context, as too often Masons do not follow through and see where lines come from. At other times, the same Chapter of scripture might contain two or three different passages that are of special import to the Craft, thus are better served integrating them. There are many times when an entire chapter is important to read in order to get one short line that is used in a lecture or prayer or degree. Since not all masonic traditions use the same scriptures, I have endeavored to select scriptures from various masonic jurisdictions around the world, both in the "Blue Lodges" of the first three degrees and those of the Appendant Bodies. I do not identify which degree or source that each scripture reading comes from, as that is for each mason to learn if they do not immediately recognize the verses. All scripture used throughout this book is from the King James Version of the Bible unless otherwise noted. There are times when other translations give a better sense of the intentions of why we use the lines in Lodges. It is highly recommended that in any serious study of the Bible, several

translations are used. For those interested, there are several websites of note, including BibleHub.com and BibleGateway.com. I often used these two sites to assist in my studies during the construction of this book. If you are interested in Biblical languages, I recommend using the BibleHub.com resources, clicking on Hebrew or Greek to take you to the original languages and helping you see where else each particular word is used as per Englishman's Concordance, Strong's, and several other major reference works. Where I have translated from Hebrew or Greek, it should be stated that the translations are mine, and any errors made are mine and not those of any source from which I sought assistance. I have tried to be faithful to scripture and modern English (American) language. While I had several brilliant Hebrew professors in both Seminaries I graduated from, my abilities do not show their great skill teaching, only my poor abilities learning. Several other works informed the discussions here, including The Anchor Bible Series of Commentaries, the Exegetical Guide to the Greek New Testament, the Story of God Bible Commentary, and many others. I have attempted to bring the benefit of scholarship without the burdens thereof so that this book might be easier to read and use.

Christianity and the Secret Teachings of the Masonic Lodge

Reprint of the original, first published in 1872.

Freemasonry

The Master Mason Edition features a Bonded Blue Leather cover with the square and compass. The page edges are gold gilded and the content is King James Version of the Holy Bible with these added Masonic References: Presentation Page, Masonic Record Pages for Blue Lodge, Scottish Rite and York Rite, Graphic Representation of the Plan of the Order, Progressive steps of Masonry, Questions and Answers Relating to Characters, Places, Words and Phrases Used in Symbolic Masonry, Fifty-four page Biblical Index to Freemasonry.

Freemasonry in the Holy Land

In this work, George Oliver uses testimonies from other Masonic writers along with historic and moral examples in the Masonic lectures to attempt proof at a connection and complete compatibility between Christianity and Freemasonry.

Why Catholics Cannot Be Masons

The UK's only Masonic Bible, with bespoke presentation page and special introduction to Freemasonry and the Bible. With a beautiful imitation leather flexible binding, coloured page edges and its own slipcase, this is the ideal gift for a new Mason.

The Symbol of Glory ; Shewing the Object and End of Freemasonry

Masonic Family Bible

Millions Deceived in a Secret Cult A former "Worshipful Master" of a Masonic lodge, Jack Harris authoritatively speaks about one of the most deceptive cults in the United States today. This secret organization has entangled ministers, elders, deacons, trustees, Sunday school teachers, and people all over the world in a web of lies and satanic rituals--all of which are veiled with the language of the Bible! Revealed in this book are... The origins and history of Freemasonry Its basic doctrines and goals The secret of passwords and oaths The "supreme Masonic word" The satanic symbolism and rituals Freemasonry is a false religion. It teaches that men can approach God, not through the finished work of Jesus Christ, but through their own abilities. Discover how you can share the light of Christ with those living in the darkness of Freemasonry, and how they can be set free from its deception.

Bible Study for Freemasons

A Christian should not be a Freemason, for the Scripture command to him is, "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? and what concord hath Christ with Belial? or what part hath he that believeth with an infidel?" (2 Cor. 6:14, 15). This is a command that all Christians are bound to

obey, if they are to be consistent with their Christian profession. The contrast in this verse is sharp and well-defined. Can it be sustained in our present inquiry? "What fellowship hath Christ with Belial?"

Freemasonry in the Holy Land

In this second edition of "On The Masons And Their Lies," ex-Mason Michael Witcoff breaks down Masonic philosophy line-by-line and point-by-point. Drawing from Albert Pike's "Morals And Dogma" and the thoughts of other 33rd Degree Scottish Rite Masons, Witcoff compares Masonic Ideology, Theology, Christology, Soteriology, sacraments and more to what is found and transmitted through the ages by the Holy Orthodox Church of Jesus Christ. Beginning with the story of his joining Freemasonry - and how the Holy Spirit eventually guided him out of it - Witcoff details the "4 Satanic Deceptions" which Masonic philosophy uses to draw the mind, heart, and soul of man away from the light of Jesus Christ. If you are a Mason concerned with the state of your soul and your place in the Kingdom Of God, then it is the author's sincerest hope and prayer that this book reveals God's truth and helps you untangle the web of Masonic deceit. It is written as a resource for priests, pastors, Christians and Masons who seek a fuller understanding of what each system teaches - and whether the two are truly compatible. By the time you're done reading this book, you'll know far more about Freemasonry than most of its own members do...and if you're a Christian buying this for someone you love, it just might be exactly what they need to see in order to save them from falling into grave sin and error.

Freemasonry in the Holy Land. Or, Handmarks of Hiram's Builders. ... Fifth Edition

Here we are again, Dear Hearts, with knowledge that shall hold you in good stead for the changes to come. And what are those changes? You, Dear One; yes you and the multitude of Light Workers who stand ready to implement their agreements. Agreements that shall take you from aging backwards, to gracing the Earth with your love, humour and youthful enthusiasm.

Deluxe Master Mason Edition

What is it about Freemasonry that would cause churches to forbid or openly discourage seventy million Americans from membership? Why have eight popes condemned the Lodge? Why has the relationship between the Catholic Church and the Masonic order been strained for centuries? Christianity and American Freemasonry answers these and many other questions and describes why Christianity and Freemasonry are incompatible. Today over two million American men belong to the Masonic order, the largest and oldest secret fraternal society. In earlier history the Freemasons boasted a prestigious membership, including fourteen American presidents and such founding fathers as Ben Franklin, Paul Revere, and Alexander Hamilton. This is the most complete reference book available on the subject. Chapters discuss the rituals and oaths, the Scottish and York rites, allied organizations such as the Shriners, and the historic antagonism of Christianity toward Masonry. It is thoroughly documented with facts from: • the three most noted experts on Masonry in America • Masonic ritual books, encyclopedias, and histories • three former Masons, now active Catholics, who contributed firsthand knowledge of Masonic ritual and structure. William Whalen is a nationally known expert on comparative religion, and an author of 15 books and numerous magazine articles.

The Star in the East

Using the same texts on which Carlson bases his accusations, Dr. Thorn demonstrates, point by point, how the material has been deliberately manipulated and misquoted to denounce the Order. Thorn proves that conflicts between Freemasonry and religious beliefs are pure fabrication.

The Masonic Bible

Specifics include: King James Version; Blue Bonded Leather Padded Cover; Words of Christ in Red; Eight Color Pages of King Solomon's Temple Illustrations from the John Wesley Kelchner Collection; Gold Gilded Page Edges; Family Record Pages; Masonic, York Rite, Scottish Rite & Eastern Star Membership Pages; Center Reference Columns; Biblical Index to Freemasonry; Questions & Answers on Freemasonry; and many more.

The Book of the Ancient and Accepted Scottish Rite of Freemasonry

The Truth Revealed Freemasons have been connected to the all-seeing eye on the dollar bill, the French Revolution, the Knights Templar, and the pyramids of Egypt. They have been rumored to be everything

from a cabal of elite power brokers ruling the world to a covert network of occultists and pagans intent on creating a new world order, to a millennia-old brotherhood perpetuating ancient wisdom through esoteric teachings. Their secret symbols, rituals, and organization have remained shrouded for centuries and spawned theory after theory. The Masonic Myth sets the record straight about the Freemasons and reveals a truth that is far more compelling than the myths.

The Master Mason's Guide

In The Complete Idiot's Guide to Freemasonry, an expert author reveals the truths and dispels the myths that have surrounded the Freemasons for hundreds of years- Were the first masons 14th-century stone masons and cathedral builders, or can Freemasonry really be traced back as far as Egypt, Babylon, and Palestine? The Masonic insistence on the belief in a Supreme Being The Masons and the Knights Templar True or false- the Masons coordinated the Boston Tea Party and the American Revolution. How are Masons initiated, and exactly what goes on in a Masonic lodge? What s the difference between the York Rite and the Scottish Rite, and are there women and African American Freemasons?
