### Answers to Your Bible Questions

Can we trust the Bible's claims of truth? Does it really make sense? How do we know where it actually came from? Get clear, easy-to-read answers here! Most of us have wondered about something in the Bible--and our world is only too happy to turn those legitimate questions into doubts. In *Answers to Your Bible Questions*, you'll find 75 of those tough questions--the kind raised by skeptics--along with clear, intellectually and spiritually satisfying answers. Yes, you can trust the Bible. Find out why here!

### Why Should I Believe the Bible?

Can you really trust the Bible? And if so, and you really understand it? The answer to both questions is yes--as this book makes plain. Here, under one cover, are two powerful titles that make God's Word accessible to any reader: *Answers to Your Bible Questions*, providing clear, concise, encouraging responses to 75 questions skeptics raise about scripture; and *Understand Your Bible*, which explains just how to read God's Word--from the perspective of its historic, geographic, literary, and other contexts. This powerful book will start you on a journey of understanding that can truly change your life!

### Is the Bible for Real? Can I Trust It? Is It True?

Do you question how real and truthful the Bible is in its scripture and prophecies? Do you find it hard to truly believe in the Word of God breathed through the prophets, patriarchs, and apostles of the New Testament? Do you find it hard to believe this could all be compiled through them in completing a book for all humanity to learn from, receive instruction, and be guided by? After all, the Bible says His Word is a lamp unto our feet, a light unto our path. Open this book to gain the confidence, peace, and affirmation that the Word of God is very real, more real than anything we can see or touch.

### Reinventing Jesus

*Reinventing Jesus* cuts through the rhetoric of extreme doubt to reveal the profound credibility of historic Christianity. Meticulously researched yet eminently readable, this book invites a wide audience to take a firsthand look at the primary evidence for Christianity's origins.

### Why I Trust the Bible

A Clear Guide to Help Readers Understand Why They Can Trust the Bible We are often told we can no longer assume that the Bible is trustworthy. From social media memes to popular scholarship, so many attacks have been launched on the believability of Scripture that many have serious questions about the Bible, such as: Did Jesus actually live? Did the biblical writers invent their message? How can we trust the gospels since they were written so long after Jesus lived? How can we believe a Bible that is full of internal contradictions with itself and external contradictions with science? Aren't the biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote? Why should we believe the books that are in the Bible, since many good ones were left out, like the Gospel of Thomas? Why trust the Bible when there are so many contradictory translations of it? If you find yourself unable to answer questions such as these, but wanting to, *Why I Trust the Bible* by eminent Bible scholar and translator William Mounce is for you. These questions and more are discussed and answered in a reasoned, definitive, and winsome way. The truth is that the Bible is better attested and more defensible today than it ever has been. Questions about the Bible are perhaps the most significant challenge confronting Christian faith today, but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the Bible.

### Biblical Counsel

The Bible stands at the heart of the Christian faith. But this leads to an inescapable question: why should we trust the Bible? Written to help non-Christians, longtime Christians, and everyone in between better understand why God's Word is reliable, this short book explores the historical and theological arguments that have helped lead millions of believers through the centuries to trust the Bible, from Genesis to Revelation. Written by pastor Greg Gilbert, author of the popular books *What Is the Gospel?*

and Who Is Jesus?, this volume will help Christians articulate why they trust the Bible when it comes to who God is, who we are, and how we're supposed to live.

### Why Trust the Bible?

Cliffe Knechtle offers clear, reasoned and compassionate responses to the tough questions skeptics ask.

### Give Me an Answer

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

### I Love Jesus, But I Want to Die

Matthew Volume 1: Chapters 1-7 is a book written with the purpose of helping people engage the Word of God, whether they are already a Christian or if they are a pre-Christian. It will eventually be part of a four-volume set, completing the book of Matthew. It was written in a format to be used as a daily devotional, commentary, or study guide. There are 145 entries that can be read with a partner, in a small group, or individually. Simply read the book however it works best for you and your schedule; there is no wrong way to read it. The overall intent and goal is for the reader to come to know the triune God more, no matter where he or she is at in their personal journey with the heavenly Father.

### Bible Answers for Almost All Your Questions

'In a society where relativism is the most acclaimed philosophy, it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God.' Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask. In his readable, yet profound style, Lutzer critically examines proof that will determine supernatural authenticity of the Bible.

## Why Do You Believe That

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

## The Christian Union

The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

## The Watchman

As the pastor of an inner-city church in New York City, Timothy Keller has compiled a list of the most frequently voiced 'doubts' sceptics bring to his church, as well as the most important reasons for faith. In *THE REASON FOR GOD*, he addresses each doubt and explains each reason. Keller uses literature, philosophy, real-life conversations, and reasoning to explain how faith in a Christian God is a soundly rational belief, held by thoughtful people of intellectual integrity with a deep compassion for those who truly want to know the truth.
