## Don't Tell Mom I'm Dead

Isabel Dreary's life is about to end. Repeatedly. How do you know if you're dead? No pulse? Check. Decomposing? Check check. Falling for the hot vampire who is responsible for the whole mess? Well, maybe. After Isabel is sacrificed in a dark witch's circle, she doesn't believe she's dead. Her school headmistress sends her to Dead Academy, where dead and undead things roam the crypts beneath the marble halls. Isabel has to adapt to poltergeist paper tornados, cranky gargoyles, fashion-challenged vampires, and Vlad, the boy who liked her before she died and he turned undead, but now can't stand the sight or smell of her. Being sixteen has never been so tough. When the demon inside her starts hunting down the witches who sacrificed her, it's a race to find out who killed her, again, before the demon takes over her soul and the world. Once upon a time... No, this isn't that kind of story. There isn't really a happily Ever After, because who can be happy when they're dead, but still have to go to school? Amiright? I wasn't always dead. Yeah, not much better, but at least it's factual. Let's run with it. Ahem. Chapter One. I wasn't always dead.

## When I Stop Talking, You'll Know I'm Dead

Here is the story of Jerry Weintraub: the self-made, Brooklyn-born, Bronx-raised impresario, Hollywood producer, legendary deal maker, and friend of politicians and stars. No matter where nature has placed him--the club rooms of Brooklyn, the Mafia dives of New York's Lower East Side, the wilds of Alaska, or the hills of Hollywood--he has found a way to put on a show and sell tickets at the door. "All life was a theater and I wanted to put it up on a stage," he writes. "I wanted to set the world under a marquee that read: 'Jerry Weintraub Presents.'" In When I Stop Talking, You'll Know I'm Dead, we follow Weintraub from his first great success at age twenty-six with Elvis Presley, whom he took on the road with the help of Colonel Tom Parker; to the immortal days with Sinatra and Rat Pack glory; to his crowning hits as a movie producer, starting with Robert Altman and Nashville, continuing with Oh, God!, The Karate Kid movies, and Diner, among others, and summing with Steven Soderbergh and Ocean's Eleven, Twelve, and Thirteen. Along the way, we'll watch as Jerry moves from the poker tables of Palm Springs (the games went on for days), to the power rooms of Hollywood, to the halls of the White House, to Red Square in Moscow and the Great Palace in Beijing--all the while counseling potentates, poets,

and kings, with clients and confidants like George Clooney, Bruce Willis, George H. W. Bush, Armand Hammer, Brad Pitt, Matt Damon, Bob Dylan, Led Zeppelin, John Denver, Bobby Fischer . . . well, the list goes on forever. And of course, the story is not yet over . . . as the old-timers say, "The best is yet to come." As Weintraub says, "When I stop talking, you'll know I'm dead." With wit, wisdom, and the cool confidence that has colored his remarkable career, Jerry chronicles a quintessentially American journey, one marked by luck, love, and improvisation. The stories he tells and the lessons we learn are essential, not just for those who love movies and music, but for businessmen, entrepreneurs, artists . . . everyone.

#### Tell Me When I'm Dead

Thanks to his wife, Holly, recovering alcoholic Dave Pulaski is getting his life back. Then a contagion decimates the town, turning its victims into shrieking flesh-eaters. Now Dave and Holly must find a way to survive. But Dave is THIS CLOSE to drinking again. A woman he cheated with--and no longer human--is after him. The hordes of undead are growing and security forces are outnumbered. Hell has arrived in Tres Marias. **TELL ME WHEN I'M DEAD** (Book One of **TELL ME WHEN I'M DEAD**) is about an antihero haunted by all the mistakes of his life. Facing a terrifying future, Dave must decide whether to die drunk or fight for those he cares about most. And strength alone won't be enough--he'll need Faith. If you like your thrillers dark and fast-paced, then follow Dave and Holly as they fight against looters, paramilitary crazies and the undead. "A hard-hitting splattergore zombie thriller, told by the ultimate antihero" (Travis Luedke).

#### Tell Me When I'm Dead

Cheryl tries hard to make the most out of the life she chose with her husband, Jerry. But it's not easy. Not when Jerry thinks he's smarter than everyone else. Including Cheryl. At least she has her gin and tonics and HGTV. But when Jerry comes up with a scheme to cash-in on his life insurance policy, Cheryl comes up with a plan of her own.

#### Tell Pa I'm Dead

"With unflinching honesty, E. Dolores Johnson shares an enthralling story of identity, independence, family, and love. This timely and beautifully written memoir ends on a complicated yet hopeful note, something we need in this time of racial strife." —De'Shawn Charles Winslow, author of *In West Mills Say I'm Dead* is the true story of family secrets, separation, courage, and transformation through five generations of interracial relationships. Fearful of prison time—or lynching—for violating Indiana's antimiscegenation laws in the 1940s, E. Dolores Johnson's Black father and White mother fled Indianapolis to secretly marry in Buffalo, New York. When Johnson was born, social norms and her government-issued birth certificate said she was Negro, nullifying her mother's white blood in her identity. Later, as a Harvard-educated business executive feeling too far from her black roots, she searched her father's black genealogy. But in the process, Johnson suddenly realized that her mother's whole white family was—and always had been—missing. When she began to pry, her mother's 36-year-old secret spilled out. Her mother had simply vanished from Indiana, evading an FBI and police search that had ended with the conclusion that she had been the victim of foul play.

#### Tell Them I'm Dead

A place to write any information your family might need after your death. You can leave your family your thoughts and speak to them after you are gone. Write insurance information, passwords, jokes, reminders, funeral arrangements and wishes or just a funny story or family moment you would like to remind loved ones about. Let your life live on through written word. This journal would be a nice surprise for your family and friends to find and read. 120 lined pages

#### Say I'm Dead

He was wearing a pair of leather pants that clung like terrified orphans to his muscular thighs, and a revealing black mesh t-shirt. The outfit seemed at odds with the cream-coloured settee and floral print curtains. From stalking and eventually meeting her Young Talent Time idol when she was twelve, to a particularly abhorrent encounter at a high-quality swingers night, and a mildly perverse obsession with Bob Ellis, there is nothing Marieke Hardy won't write about. Welcome to a chronicle of broken hearts, fervid pursuits, passionate friendships, deranged letter-writing, the allure of the bot

#### Shit to Know When Im Dead

This book divides into two parts. The first is a personal narrative of the impact of the death of the author's son Ralph on him and his family and his efforts to see if there was any evidence for his continued existence (generated largely through visits to mediums) that a thinking person could take seriously. The second is an attempt to evaluate that evidence objectively (based on an extensive survey of current and past scientific research in the UK and the USA). The title reflects the inevitable tension between emotion and intellect in such an enquiry.

### You'll Be Sorry When I'm Dead

After months of fighting the undead ravaging the town of Tres Marias, Dave Pulaski and his wife, Holly, catch a break when Black Dragon Security suddenly shows up to rescue them. But things are about to get worse. The virus is mutating. Now, driven to discover the truth behind the contagion while struggling to protect Holly and those closest to him, Dave is pushed beyond the limits of faith and reason. **DEAD IS ALL YOU GET** (Book Two of **TELL ME WHEN I'M DEAD**) combines the best elements of horror, dark fantasy and sci-fi, taking the reader on a relentless, tortured journey of survival that tests the strength of one man's character and delves into the role Faith plays when he is confronted by the worst kind of evil--the evil in humans. If you like your thrillers dark and fast-paced, then read this mind-blowing sequel. And leave the lights on. "A shoot first then shoot again horror thriller of the highest order" (Simon Oneill).

### Tell My Mother I'm Not Dead

Dave Pulaski is headed to Los Angeles to kill Walt Freeman, the person responsible for devastating Tres Marias. But everything changes when he rescues Sasha, a Russian girl who escaped the facility where Walt was holding her. Pursued by a relentless ex-military sociopath working for Walt and by scientifically engineered humans who flay their victims alive, chances are that Dave will die before he can save Sasha. **EVEN THE DEAD WILL BLEED** (Book Three of **TELL ME WHEN I'M DEAD**) is a dark fantasy, sci-fi thriller a nonstop horror train that will deliver Dave to the brink of Hell. Revenge is a powerful drug that can drive a man to do unspeakable things. But as he will learn, Faith can give him the courage to face death without fear. If you like your thrillers dark and fast-paced, then don't miss the heart-pounding conclusion to this trilogy. Faith and bravery band together to fight a horrific world turned upside down and inside out? (S.R. Mallery).

### Dead Is All You Get

The year is 2019 in Mirror City, a man-made island off the coast of Georgia. Jax Kourt, along with the few surviving members of his former Bloodrunner gang, discover that the most popular president in United States history is a deep cover terrorist set on reshaping the world the way he sees fit. Fresh off a five-year prison sentence for armed robbery, and seeing an opportunity for one last score before retiring from the streets, Jax and his split personality alter ego ghost, along with the remains of his former gang strike a deal with a DOD agent who believes their story to expose the president for what he is in exchange for clean records. He and the rest of his friends will be forced to battle the mob, the United States government, a phantom terrorist organization, along with demons from their past that still haunt them if they're to come out on top. Jax has never been one to do anything unless it involves a big payday or protecting the ones he loves but soon realizes he's undertaken a project that will push him and his team to their physical, mental, and emotional limits and well beyond to stand for something far greater than money or power.

### Even The Dead Will Bleed

Kathleen Whelan writes with one of the most unique voices in Canadian literature I've ever heard. These stories are surreal and yet they don't fit cleanly into the surrealist genre. These stories are also real without being realist and, at the same time, absurd in the tradition of Kafka and Beckett. They are absurdly real. Perhaps, the best description of Whelan's style is absurd-realism, but the truth is **Things I Will Tell You When I'm Dead** is so original it defies all genre categories; it surprises and unsettles like a strange, yet somehow beautifully crafted dream. Jacob Scheier, Governor General Award winning author of *'More to Keep us Warm'* (ECW Press, 2007) Kathleen Whelan's distinctive voice shines through in **Things I Will Tell You When I am Dead**, her first book of stories. Readers of Whelan's work have been waiting for her debut collection, and the waiting is finally over. The appealing directness of Whelan's prose, her startling images and irreverence--Whelan's stories both wrench the heart and clench the gut in often hilarious stories that are relayed in a wildly entertaining and startling,

moving style that is uniquely Kathleen Whelan's. J. Jill Robinson author of the novel 'More in Anger' and four collections of short stories. Kathleen Whelan lives in her own, strangely slanted world - much like the rest of us. The difference is, she knows how to open the door to her world, even if only a crack, and invite you to peek in. If you're brave enough, you might actually enter. But don't enter if you're looking for some kind of redemption. Do it with an open mind and you'll encounter a fear that borders on elation and that will tear you open and make you cry, either with sorrow, or with joy, and often with both simultaneously. Kathleen's sentences are ragged at the edges, like strips of cloth flapping in the wind, they twine together, then shiver apart, suggesting a chaos that never quite materializes, but also never ceases to threaten the narrative. I read a lot of these stories years ago and was awestruck and mystified by Kathleen's way. I didn't know exactly how she did it, but I wanted more... and she was kind enough to share more with me. Reading these stories again now, I am still mystified. Kathleen reminds me that it is still possible for me to be lost. It's okay to be lost. Lost is a valid, and often wondrous place to be. Ken Sparling is the author of six novels, has been shortlisted for the Trillium Award.

## Ghost

Part of Faber's critically acclaimed Poet to Poet series

## Things I Will Tell You When I Am Dead

From the afterlife—a new perspective on your life "I know this may come as a shock, and you know I'm not fond of using stale one-liners, but—'reports of my death have been greatly exaggerated.' I'm as alive now as I was on the day we met, except, maybe, more so." If the dead could speak, don't you wonder what they would say to those of us they've left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? In pages filled with wisdom, humor, and, yes, joy, New York Times best-selling author Mike Dooley explores our most pressing and profound questions about the afterlife—and this life—from the fresh perspective of those who have made the transition to the next phase. Among the revelations and insights they share: · We were ready; you are not. · There's no such thing as a devil or hell. · We're sorry for any pain we may have caused. · Your pets are just as crazy, brilliant, and loving here as they were there. · Nothing we say can prepare you for the beauty of the moment you arrive. You'll learn that our loved ones are not lost to us; that our time on earth is both a school and an adventure; that, all appearances to the contrary, life truly is fair; and that we have it in us to reshape our own fortunes, starting today.

## Simplify Me When I'm Dead

**\* #1 NEW YORK TIMES BESTSELLER \* #1 INTERNATIONAL BESTSELLER \* MORE THAN 2 MILLION COPIES SOLD!** A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

## The Top Ten Things Dead People Want to Tell YOU

When Warren Zevon died in 2003, he left behind a rich catalog of dark, witty rock 'n' roll classics, including "Lawyers, Guns and Money," "Excitable Boy," and the immortal "Werewolves of London." He

also left behind a fanatical cult following and veritable rock opera of drugs, women, celebrity, genius, and epic bad behavior. As Warren once said, "I got to be Jim Morrison a lot longer than he did." Narrated by his former wife and longtime co-conspirator, Crystal Zevon, this intimate and unusual oral history draws on interviews with Bruce Springsteen, Stephen King, Bonnie Raitt, and numerous others who fell under Warren's mischievous spell. Told in the words and images of the friends, lovers, and legends who knew him best, *I'll Sleep When I'm Dead* captures Warren Zevon in all his turbulent glory.

#### I'm Glad My Mom Died

A new play by the award-winning writer, which premiered at the Birmingham Rep in 2000 and transferred to London's Tricycle theatre "Yu gwan on about love, you can't even si love when it right under yer nose" Since their childhood, when Heather left Jamaica to start a new life in England, her half-sister Bernice always claimed to have 'the gift' of raising spirits from the dead. Thirty years later, when Heather returns to the island after the murder of her much-loved son, she offers Bernice the deeds to the family house - if she can bring him back... "Roy Williams shows himself to be a sassy, sophisticated diviner of the human heart" (Evening Standard)

#### I'll Sleep When I'm Dead

Unlike the author's first book, *It's Hard to Die! "Do I Hold On or Do I Let Go?"* which focuses on the practical and clinical aspects of the dying process—this book presents the subject from a metaphysical and transcendental approach. It addresses issues that impact the mental, emotional, and spiritual dimensions of the dying person, their family, and friends. It is difficult to step outside our comfort zone—our place of refuge, that little corner in our minds that offers solitude and protection from the unfamiliar. Our comfort zone is our reality, and we protect it from intrusion—especially when it comes to thoughts of death and dying. If you or a loved one are facing end-of-life issues, this book may help to alleviate the uncertainties and anguish felt during this most heart-rending time. As distressing questions and situations arise you may be forced to make difficult decisions regarding some various issues: Am I playing God? | Letting go or hanging on | What happens during the dying process? | Fear of dying | Grief and bereavement | Funeral? Burial? Cremation? | Being at peace with your religious and spiritual beliefs | What happens after death? Perhaps embracing new ideas will open our minds and hearts to myriad possibilities. A deeper understanding of the viewpoints of other religions, cultures, and ethnicities will help us become more understanding, compassionate, and respectful of the needs and wishes of the dying person. Are you ready to journey beyond your comfort zone?

#### The Gift

Roy Williams has a deserved reputation as one of the most exciting young writers whose plays have electrified the sort of audiences most theatres rarely see: streetwise urban youth. 'His plays have brought the experience of black urban youth onto the stage' (Observer). This third collection of plays, introduced by the author, showcases the diversity, the moral probing and the fine ear for authentic dialogue characteristic of his writing: *Fallout*: first produced in 2003 the play focuses on the aftermath of the killing of a teenager. *Slow Time* was commissioned and developed by the National Theatre's Education Department and toured to London schools. Set in a young offender's institution the play depicts three young men and their fight to survive. *Days of Significance* was produced by the RSC in 2007 and is revived at the Tricycle Theatre, London in March 2008. It was described by the Daily Telegraph as 'the best new play of the year ... that powerfully caught the debased spirit of our times.' *Absolute Beginners* - a stage adaptation of the seminal novel of adolescence set in 1958 London - produced at the Lyric Hammersmith May 07: 'bags of energy and highly watchable' Daily Mail.

#### Broke City

Set in modern-day Jamaica, *Kingston 14* follows the story of James, a black British police officer, who is sent to Kingston to investigate the murder of an English tourist in a local hotel. Tied to Jamaica by his father who was born there, James struggles to lead a proper investigation when gang leader, Joker, is brought into custody. The play comes to a climax when two police officers are kidnapped, uncovering corruption hidden in a corner of the sun-bleached island. Roy Williams's police-corruption drama received its world premiere at Theatre Royal Stratford East, London - where Williams's first play, *The No Boys Cricket Club*, was produced in 1996 - on 28 March 2014, starring Goldie as Joker.

#### Now That I Am Dead

Damn...I'm Dead. Give your family the ability to properly grieve your loss and honor your wishes. This end of life workbook will help your loved ones quickly access important information that they will need when you die. I created this personal organizer for you so that everything that your family and friends will need to know is in one place. You will be able to record the following information: Basic Information: - Personal records - Important contacts - Important documents - Property information - Financial information - Insurance information - Internet information, emails and profiles - My Personal Wishes - Letters to family and friends - My apologies - Funeral wishes - Extra notes Scroll To The Top to Order Your Copy Today! This planner is not a legal document and does not replace a valid will.

#### Williams Plays: 3

This Too Shall Pass is a collection of short stories based on the premise that goodness and spirituality will always prevail. The collection opens with Dignity, a take on Paradise Lost and moves forward with two stories born in the Garden of Eden-And the Earth Cries, the Fall of the Garden told from the Garden's point of view-And the Earth Cries Part II, a story of the events of 9/11 from a dog's point of view. The story I.M. is a complex story of two fathers going in the wrong direction who are redeemed by the love of their daughters. Circles is a modern take on Dante's Inferno with an ending that leaves one with a feeling of hope. The next three stories: The Watermelon Patch..., The Wish, and The Catalyst are short, feel good stories of the world around us. The last story, Jackie, is a story of true love. So, whenever you feel down and life's stresses and strains are collapsing upon you, have faith, believe in goodness, strengthen your spirit, and always remember This Too Shall Pass, and all is right with the world.

#### Tell Pa I'm Dead

Jamaican Sayings - Character is the second in a series of three books that capture Jamaican adages used to communicate ideas about human nature, behaviour, relationships, aspirations, health hope and survival. Jamaican Sayings - Life and Jamaican Sayings - Success complement the series. The adages represent an archive of the wit and wisdom of many generations and aim to trigger reflection and thought. In their use they are never fully explained but those to whom they are directed usually understand their meaning based on the context in which they are used. They utilise imagery and draw upon a variety of flora and fauna to enrich their content. They hold valuable lessons, inspiration and wisdom that link Jamaican culture to its African past. The sayings are presented in three parts: i)the original saying; ii)the literal English translation and iii)the meaning it aims to convey.

### This Too Shall Pass

"Gilda, a twenty-something, atheist, animal-loving lesbian, cannot stop ruminating about death. Desperate for relief from her panicky mind and alienated from her repressive family, she responds to a flyer for free therapy at a local Catholic church, and finds herself being greeted by Father Jeff, who assumes she's there for a job interview. Too embarrassed to correct him, Gilda is abruptly hired to replace the recently deceased receptionist Grace. In between trying to memorize the lines to Catholic mass, hiding the fact that she has a new girlfriend, and erecting a dirty dish tower in her crumbling apartment, Gilda strikes up an email correspondence with Grace's old friend. She can't bear to ignore the kindly old woman, who has been trying to reach her friend through the church inbox, but she also can't bring herself to break the bad news. Desperate, she begins impersonating Grace via email. But when the police discover suspicious circumstances surrounding Grace's death, Gilda may have to finally reveal the truth of her mortifying existence."--Amazon.

### Long Way Down

The first Christmas after their mother dies is especially difficult when nine-year-old Jenny receives a message and a gift from Momma and writes her a letter .

### Jamaican Sayings - Character

### I'm Dead, Now What?

DigiCat Publishing presents to you this special edition of "Tramping with Tramps: Studies and Sketches of Vagabond Life" by Josiah Flynt. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

### Everyone in This Room Will Someday Be Dead

Melbourne during the depression. A seedy, corrupt city. Someone has struck at the heart of Australia's soul: they have killed the horse that would have won the Melbourne Cup. For what motive? Profit, blackmail, a betting scam? Only Tom Pink, the rider of the murdered horse can find out. Tom, born into the underworld he now tries to defeat, exposes graft and blackmail that reaches to the upper echelons of Melbourne society. His life and the lives of those he holds close will never be the same again. The Great Melbourne Cup Mystery, written in 1933, a year after the mysterious death of Phar Lap (winner of the 1930 Melbourne Cup) is a previously lost classic of Australian crime fiction.

### Remember Me When I Am Dead

Mona is twenty-three, emotionally adrift and cleaning houses to get by. While handing out clean needles to drug addicts, she falls for a man she calls Mr Disgusting, who proceeds to break her heart in unimaginable ways. In search of healing, she decamps to New Mexico for a fresh start, but always lurking just beneath the surface are the ghosts of her past, and the crushing legacy of a chaotic, destructive childhood. It seems running further away from her problems could just leave more inventive ways for them to find her.

### Technicians of the Sacred, Third Edition

After a failed suicide attempt, Ayden Kosacov discovers that there is more to life than just being alive.

### Tramping with Tramps: Studies and Sketches of Vagabond Life

First published in 1996. This new book gives voice to an emerging consensus among bereavement scholars that our understanding of the grief process needs to be expanded. The dominant 20th century model holds that the function of grief and mourning is to cut bonds with the deceased, thereby freeing the survivor to reinvest in new relationships in the present. Pathological grief has been defined in terms of holding on to the deceased. Close examination reveals that this model is based more on the cultural values of modernity than on any substantial data of what people actually do. Presenting data from several populations, 22 authors - among the most respected in their fields - demonstrate that the health resolution of grief enables one to maintain a continuing bond with the deceased. Despite cultural disapproval and lack of validation by professionals, survivors find places for the dead in their on-going lives and even in their communities. Such bonds are not denial: the deceased can provide resources for enriched functioning in the present. Chapters examine widows and widowers, bereaved children, parents and siblings, and a population previously excluded from bereavement research: adoptees and their birth parents. Bereavement in Japanese culture is also discussed, as are meanings and implications of this new model of grief. Opening new areas of research and scholarly dialogue, this work provides the basis for significant developments in clinical practice in the field.

### The Great Melbourne Cup Mystery

The gripping story of two families struggling to overcome their own destinies. A mosaic of treachery and revenge, of possible and impossible loves, and of the great adventure that is living and surviving in a land marked by intolerance and outrage. Marian Miller, an NGO aid worker, is asked to write a report on illegal Jewish settlements on Palestinian territories. In order to do so, she wants to make sure she understands both sides of the story. Marian arranges a meeting in Israel with Ezekiel Zucker, an elderly man who, like many others, has a lot to tell and also, a secret to hide. Ezekiel will narrate his story as if it were a massive jigsaw puzzle with many complex pieces and Marian will tell him the version she's familiar with: the Arab one. At the twilight of the 19th century, the Zuckers are banned from their homeland of Russia because they are Jewish. After undergoing unspeakable horrors and injustices under the tsar's rule, they set out for the Promised Land and buy land owned by the Ziads, an Arab family headed by a man named Ahmed. The two men, Ahmed Ziad and Samuel Zucker, will establish a strong bond, a friendship that can overcome religious and political differences and that will continue on for generations. This riveting family saga that culminates in 1948 is not only Julia Navarro's best and most ambitious novel yet, it's a tale filled with real people taking responsibility for their own destinies by following their dreams and fighting for their lives. An unforgettable novel that, like all of history's greatest books, conceals many novels within.

### Pretend I'm Dead

Reproduction of the original.

### The Orphaned Anything's

Up in Mahaica: Stories from the Market People is a collection of short stories about unusual characters in an oil refinery in southern Trinidad. They scheme against each other and resort to obeah to win affection or to avenge real or imagined offenses. And through it all, most residents secretly want to abandon the poverty of their post colonial existence and escape to the middleclass mirage the oil company created up in Mahaica. The open-air market vendors, the only ones not beholden to the British company, hold the community's secrets.

### Continuing Bonds

Shoot Me, I m Already Dead
