Lavender Morning

Jocelyn Minton is a woman torn between two worlds. Her mother grew up in a world of private schools and afternoon tea, but she married the local handyman. After her mother died when Joce was only five, her father remarried into his own class, and Joce was an outsider -- until she met Edilean Harcourt, sixty years her senior, but a kindred soul. When Miss Edi dies, she leaves Jocelyn all her worldly possessions, which include clues to a mystery that began in 1941, set in a small town in Virginia that Joce has never heard of. But, because of her benefactor's notorious past, the townspeople know who Joce is, and they've plotted out her entire future, including who she is meant to marry. But Jocelyn has her own ideas about men -- and secrets that no one wants revealed.

Jude Deveraux Collectors' Edition Box Set

Rediscover all of the magic and romance of Edilean in this special collector's edition box set of Jude Deveraux's New York Times bestsellers: *Lavender Morning*, *Days of Gold*, and *Scarlet Nights*—plus a sneak peek at her latest, *Heartwishes*. In *Lavender Morning*, Jocelyn Minton is a woman torn between two worlds. Her mother grew up wealthy, but she married the local handyman. After her mother died, her father remarried and Joce became an outsider—until she met Edilean Harcourt. When Miss Edi passes away, she leaves Jocelyn all her worldly possessions and clues to a mystery that began in 1941, set in a small town in Virginia. But the townspeople have plotted out Joce's entire future, including whom she is meant to marry. In *Days of Gold*, Angus McTern is respected by the men of his clan and adored by the women. He takes his duties as laird seriously and has everything he wants in life—until Edilean Talbot shows up. Edilean needs Angus's help to reclaim the gold she inherited from her father. The treasure is bound for America, but when Angus tries to seize it, he's accused of kidnapping and theft and has to escape with Edilean to the new country. There they discover almost insurmountable obstacles, and a love as wild and free as the land itself. In *Scarlet Nights*, Sara Shaw is happily anticipating her wedding in Edilean, Virginia. The date has been set, the flowers ordered, even her heirloom dress is ready. But just three weeks before the wedding, her fiancé Greg gets a telephone call during the night and leaves without explanation. Two days later, a man climbs up through a trapdoor in the floor of Sara's apartment. He's an undercover detective, and his assignment is to use Sara to track down a woman who is one of the most notorious criminals in the United States—and also happens to be the mother of the man Sara plans to marry.

Moonlight in the Morning

In an all-new trilogy set in blissful Edilean, Virginia, Jude Deveraux weaves together the tales of three young women, best friends since college, and the lives, loves, and dreams that await them. Sparks are flying between Jecca Layton and Dr. Tristan Aldredge. At the urging of her dear friend Kim, Jecca put the ruthless New York City art world on hold to spend the summer pursuing her passion for painting while enjoying Edilean's tightly knit artistic community. For years, Kim's cousin Tris—the town's handsome and dedicated doctor—felt a deep connection to Kim's college "sister" Jecca, though they had met only once before; now, Jecca is swept off her feet by this strong, sensitive man in a summer of sensual delights. But when long shadows announce Jecca's return to "real life" and the big city, the lovers must decide: Can they survive the distance? And who will sacrifice the life they've created for themselves to be together?

Days of Gold

When the young heiress Edilean Talbot turns up at her uncle's castle in Scotland, she may easily win over the members of the local clans with her great beauty and charm, but Laird Angus McTern is not so easily impressed. However, when Edilean's inheritance is stolen from her, Angus swallows his pride and sets off to recapture the pilfered gold. What he doesn't realise is that one of the trunks on the wagon actually contains Edilean, and he finds himself accused of kidnapping and theft. To avoid prosecution, the two of them board a ship to America and, during the course of the voyage, fall in love. But when they do arrive in the new country, Edilean is forced to return home by her fortune-hunting fiancé and the two lovers must endure a long separation. In the end, Edilean and Angus overcome every obstacle standing in their way, and they can finally begin their life together.

Heartwishes

Determinedly pursuing a job cataloging the documents of the old and prestigious Frazier family, Gemma Ranford stumbles upon a reference to a legendary stone reputed to grant wishes to family members, and as she seeks the aid of eldest son Colin Frazier, she realizes she is falling in love with him.

Scarlet Nights

What if you learned that your fiancé was not who he claimed to be? Engaged to charming, seductive Greg Anders, Sara Shaw is happily anticipating her wedding in Edilean, Virginia. The date has been set, the flowers ordered; even her heirloom dress is ready. But just three weeks before the wedding, Greg gets a call during the night and leaves without explanation. Two days later a strange man turns up at her apartment . . . Mike Newland is an undercover detective. His assignment is to use Sara to track down a woman who is one of the most notorious criminals in the country, and who also happens to be the mother of the man Sara plans to marry. Mike thinks the job will be easy - if he can figure out how to make Sara trust him. But Mike has no idea what this mission has in store for him. He has connections to Edilean dating back to his grandmother's time there in 1941, but he's worked hard to keep them private. As Mike and Sara get to know each other, he can't help but share secrets that he's told no one else. And in return, Sara opens up to Mike about things she could never reveal to Greg. As they work together to solve two mysteries, will Mike and Sara's growing love for each other be enough to heal the wounds of the past?

Return to Summerhouse

With her shining gift for "exquisite and enchanting" (Bookpage) storytelling, Jude Deveraux sweeps readers away in a breathtaking follow-up to her beloved New York Times bestseller, *The Summerhouse*—where a marvelous new adventure awaits. Magic most definitely resides in the Maine summerhouse where the mysterious Madame Zoya has granted the innermost wishes of its visitors. Now, three women have come to this special place with one thing in common: a painful past they would each like to rewrite. Amy, who hides a heartbreaking loss behind her seemingly perfect marriage and family...Faith, a widow in her thirties whose deepest grief is for a man from years ago...and Zoe, an artist shunned by her hometown for reasons she doesn't know, after a traumatic night erased her memory. With their mystical powers, Madame Zoya and her sister Primrose are about to transport the trio to eighteenth-century England to alter Amy's ancestry. But although surprises await each of them, will stepping back in time bring the women the happy endings they seek?

A Knight in Shining Armor

From a "New York Times"-bestselling author and today's most admired storyteller, here is an unforgettable tale of a most miraculous love affair: a meeting of passion, wit, and true romance between a thoroughly modern woman--and a man who lived 400 years before.

Stranger in the Moonlight

In the second novel in her bestselling Edilean trilogy, Jude Deveraux returns to the idyllic Virginia town where three best girlfriends joyfully reunite as they each seek out their heartfelt dreams and desires. Kim Aldredge is delighted that her dear college "sister" Jecca has found lasting love with Kim's cousin Tristan. But despite her flourishing jewelry-making career, Kim's own happiness seems as distant as the childhood summer when she played the hours away with young Travis Merritt, who came to Edilean with his mother under mysterious circumstances. At the end of that innocent season, he promised Kim he would return one day . . . and then vanished without even a goodbye. Years later, a worn photo is Kim's only proof of the perfect joy they shared. But when she least expects it, Travis, now a savvy Manhattan attorney, will crash into her life once more. Will Kim see the boy she knew under the man he's become?

Moonlight Masquerade

After being abruptly jilted, Sophie Kincaid flees to the place her friend Kim Aldredge calls heaven on earth. But Sophie's first taste of Edilean is far from heavenly: after her car breaks down on a country road, she is nearly run over by a speeding sports car. A small act of revenge brings some satisfaction, and word quickly spreads that a gorgeous newcomer gave the driver, the notoriously bitter Dr. Reede Aldredge, a dressing down! But it isn't the first time the fiery artist has gone too far for payback; a secret possession she carries with her could shatter her ex-boyfriend's future. Reede Aldredge has secrets, too, including a desire to get closer to the beauty who is turning his dark world upside-down. Under the night skies, their masquerade is magic-but will it turn to stardust by the light of day?

Remembrance

Bestselling romance writer Hayden Lane has never been so obsessed with one of her fictional heroes before so entranced that she barely notices when her fiancé breaks their engagement. Desperate to discover more about him, she visits a psychic who tells her that in a past life, Hayden was Lady de Grey, a promiscuous woman of Edwardian England whose ghost is said to haunt her husband's home. Warned not to investigate further, Hayden is more intrigued than ever and can't resist being subject to a hypnotist's magic. But the trick goes wrong, and instead of merely remembering her past as Lady de Grey, Hayden is living it right down to her too-tight corset. Now, Hayden will discover quite a different story about a woman history considered a trollop, a spectacular, brooding man, and the rapturous love that would be hers if she dared open her heart to the most mysterious adventure of all....

Days of Gold

"Angus McTern is respected by the men of his clan and adored by the women. He takes his duties as laird seriously and has everything he wants in life--until Edilean Talbot shows up. Breathtakingly beautiful and born of privilege, Edilean needs Angus's help to reclaim the gold she inherited from her father. The treasure is bound for America, but when Angus tries to seize it, he's accused of kidnapping and theft and has to leave behind all that he knows to escape with Edilean to the new country. There they discover almost insurmountable obstacles, and a love as wild and free as the land itself." -- Amazon.

The Summerhouse

Jude Deveraux's marvelous New York Times bestseller is a touching and delightful exploration of the longings that live deep inside every woman's heart, featuring three friends who get a once-in-a-lifetime chance to find out what might have been... The note is dated the day before her death. Possessed by the opportunity to possibly understand Stacy's suicide, Jace seeks out the property on the front of the clipping - Priory House, a big brick fortress in Margate - and buys it. But Jace soon discovers that the house is haunted by a headstrong ghost, Ann Stuart. High Tide

Fiona is the creator of fashion doll sensation Kimberley, and is quite satisfied with her career-focused life. Yet when her boss informs her that she must win over a new account by going camping with the creator of a hit children's TV show, she is extremely reluctant. Nevertheless, she goes to Florida to meet Roy and his Guide Ace Montgomery. When Roy is found dead with Fiona holding the bloody knife, she becomes the prime suspect - though she has no recollection of what happened. Things get worse when she learns that Roy, until now a stranger to her, left her all the proceeds from his new TV show, giving her a strong motive for murder. Suddenly, she and Ace find themselves on the run, and being condemned by the press for murder. They must prove their innocence by discovering the true motive and murderer of Roy. Fiona and Ace figure out they are linked through her father, and it is then that Fiona learns the secrets of her family's past, turning her world upside down.

Velvet Angel

She came to him as a precious gift, a naked angel rolled in a rug. Once he gazed into her green eyes, saw her tangle of honey blonde hair, he was undone with passion. Elizabeth would never surrender. He was a hated Montgomery -- she was a Chatworth -- and the blood war between their families raged on, a wildfire of rape, murder, and betrayal. Elizabeth vowed to fight the handsome lord, to resist the burning desire in his eyes -- no matter how great the temptation.

Scarlet Nights

What if you learned that your fiancé was not who he claimed to be? Engaged to the charming and seductive Greg Anders, Sara Shaw is happily anticipating her wedding in Edilean, Virginia. The date has been set, the flowers ordered, even her heirloom dress is ready. But just three weeks before the wedding, Greg gets a telephone call during the night and leaves without explanation. Two days later, a man climbs up through a trapdoor in the floor of Sara's apartment, claiming that he is the brother of her best friend and that he's moving in. While Mike Newland is indeed telling the truth about his identity, his reason for being there reaches far deeper. He's an undercover detective, and his assignment is to use Sara to track down a woman who is one of the most notorious criminals in the United States—and also happens to be the mother of the man Sara plans to marry. Mike thinks the job will be easy—if he can figure out how to make a “good” girl like Sara trust him, that is. But Mike has no idea what this mission has in store for him. He's worked hard to keep private his connections to Edilean, which date back to his grandmother's time there in 1941. But as Mike and Sara get to know each other, he can't help but share secrets about himself that he's told no one else. And in return, Sara opens up to Mike about things she could never reveal to Greg. As the pair work together to solve two mysteries, their growing love begins to heal each of them in ways they never could have imagined.

Her father-in-law is threatening to take custody of the baby she carries, but Alanna knows she can't lose the only piece of Liam she has left. Alanna's manager offers her a marriage of convenience to obtain U.S. citizenship and allow her to escape her father-in-law's control. It seems like

Just Curious

Temptation

It is 1909 and Temperance O'Neil is a woman ahead of her time. She's happy and devoted to helping single mothers on the streets of New York. But her new stepfather, Angus McCairn, does not approve and insists she quit her career and, as a respectable unmarried daughter should, live in his house in Edinburgh. Furious, but with no other choice, Temperance heads for Scotland determined to drive Angus crazy. Soon, an exasperated Angus makes her an unlikely offer: to pose as housekeeper to his nephew James, and find him a wife, secretly. If she succeeds, he'll allow her back to New York. Temperance, smart, passionate, as stubborn as her stepfather, is determined at any cost to win her return passage. But she has taken on far more than she expected. James McCairn, Laird of Clan McCairn, is no cultured gentleman but a strapping, rough-mannered farmer, rude and brusque. There are pigeons roosting in the kitchen and chickens in the bedroom. Marriage is the last thing on his mind.

Secrets

At age twelve, Cassandra Madden fell in love with Jefferson Ames, a young man she met at one of her mother's business conferences. Over the years, during periods of loneliness and struggle, Cassandra held on to this unrequited love in order to cope with her isolated heart and the pain of a cold mother. Even when Cassandra grew up, went off to college, and met a man she thought she'd marry, her heart yearned for Jeff. In a decisive moment, she breaks off her pending engagement and travels to Williamsburg, Virginia, where the now-widowed Jeff lives with his young daughter. Cassandra becomes the child's nanny but, even though she sees the object of her desire every day, Jeff has yet to even notice her. Then, one day, she hears shots coming from the mansion of Althea Fairmont, an eccentric woman who is thought of as the world's greatest living actress. Cassie runs to investigate and, in an instant, her safe little life is turned upside down. She begins to learn that all the people around her aren't who they claim to be. Everyone has secrets - and until Cassie unravels those secrets, she and Jeff will never have a chance to be happy together.

Wild Orchids

Straight from the heart of New York Times bestselling author Jude Deveraux comes a story of love, tragedy, and mystery in a small North Carolina town brimming with secrets. Have you ever lost someone who meant more to you than your own soul? Ford Newcombe has. For years, he loved his wife, Pat, more than anyone -- and anything -- in the world. She came into his life when he was just an

inexperienced college student with big dreams of becoming a published author. With love and humor, she guided him down the path that would eventually lead him to more success than he ever dreamed possible. Since Pat's death six years ago, Ford has lived a life of solitude, barely able to put pen to paper, and rumors are flying that it was Pat who actually created the books the world so loved. If there's one thing that Ford needs it's inspiration, and it finally comes in the guise of Jackie Maxwell -- a smart, sassy university researcher with just enough attitude to match Ford's sharp intellect. But it's her intimate knowledge of the story of a young woman's friendship with the devil -- and what the townspeople did to her -- that persuades Ford to hire Jackie as his assistant and to move to Cole Creek, North Carolina, where the story is said to have taken place. They soon learn that even though the inhabitants of Cole Creek try to deny it, they are still plagued by the consequences of the otherworldly tale of passion and death. As Ford and Jackie work to unravel the truth, they discover a connection between their lives and the past, a connection that not only helps them solve a long-ago crime but offers the promise of new love. Loved by readers and critics alike for her "golden touch" (Publishers Weekly), Jude Deveraux has once again created a story that pulls at readers' heartstrings, titillates their imaginations, and uncovers a long-buried passion that far surpasses the boundary between life and death.

Holly

The New York Times bestselling author of the beloved Summerhouse and James River series brings her signature "enchanted and exquisite" (BookPage) writing to this charming and tender yuletide tale of love and passion. When Hollander Latham's parents purchase Spring Hill—a beautiful North Carolina plantation—she's thrilled that she can finally return to the gorgeous estate where she spent a memorable thirteenth summer. Now a successful architect, she fantasizes about reuniting with Spring Hill's neighbor, the wealthy heir Laurence Beaumont, whom she fell in love with during that long-ago summer. But as Christmas fast approaches, her plans for a romantic reconnection turn upside down with the arrival of Nick Taggart, a mysterious stranger who makes her laugh and tempts her with a surprising passion. One man can seduce her with fortune and privilege; the other can promise her the simple gift of love. And on a frost-covered Christmas night, Holly's choice will unmask astonishing truths and hidden dangers that will forever change her charmed life and her vulnerable heart.

The Duchess

Jude Deveraux captures the thrill of an American beauty's Highlands wedding, where a royal title is at stake -- and where love wins the day. The Duchess Claire Willoughby risked losing millions in her inheritance if, as decreed by her grandfather, she did not wed an "acceptable" man. Harry Montgomery, the eleventh Duke of MacArran, seemed perfect. He owned a historic castle, he looked manly in a kilt, and he was as much a titled Scotsman as Bonnie Prince Charlie himself. Their engagement announced, Claire's future as a duchess was assured -- and she set off with her family to meet the Montgomery clan in Scotland. Bramley Castle was a damp, chill place, overpowering with eccentric relatives. But there was also Trevelyan, a secretive, brooding man who lived in Bramley's ancient halls. Whoever he was, he wasn't at all like Harry: Trevelyan was the most exasperating, arrogant, know-it-all of a man Claire had ever met. And the most fascinating...

First Impressions

In the aftermath of her beloved daughter's wedding, forty-five-year-old single mother Eden Palmer endeavors to transition into solitary life in a North Carolina small town, where she unexpectedly finds passion, intrigue, and betrayal.

But the object of her desire barely notices her. That is, until the day she hears shots coming from the mansion of an eccentric neighbor, a world-renowned actress. Does having once been a teacher inspire your writing?

Why did you make the ghosts in Ever After funny rather than spooky?

Are you more inspired by historical research or character?
