This is the only comprehensive guide to getting ready to pass the Project Management Professional (PMP(R)) Certification Exam. This third edition is current and complete with 60 more pages and over 600 changes from the last edition. Tells you what to study and how to study and helps increase your confidence. This book has been selected by Project Management Institute (PMI(R)) for their only PMP review class in 1999 and by many PMI chapters for the chapter PMP review classes.

PMP Exam Prep

Real-world project management tools and techniques you can start using today! IT professionals are often faced with extremely challenging project deployments, as well as initiatives that are mission-critical to their organizations. For IT project managers, a strong understanding of the discipline of project management can be invaluable—both to success with individual projects and to their overall careers.

However, most books and training materials on project management pay little or no attention to the unique challenges IT project managers face. PM Crash Course™ for IT Professionals is full of project management tools that you can apply immediately to your IT projects—to deliver them on time, on budget, and with fewer headaches. Authored by world-renowned project management trainer Rita Mulcahy, this book will help you get your IT projects back on track using proven, real-world project management tools and techniques. This revolutionary Course in a Book® covers the basics of project management, including planning, scheduling, budgeting, and more. It also moves beyond the basics to cover a number of real-world project management tools and techniques for IT initiatives. The authors provide indispensable practical checklists, templates, and exercises to reinforce your learning of these concepts. The book includes dozens of tricks, insights, and contributions from real project managers sharing what has made a difference for them when managing real-world projects. If you are looking for easy-to-use tools and processes to make an immediate impact on your current IT project, PM Crash Course™ for IT Professionals is the resource for you. Rita Mulcahy, PMP, founder and CEO of RMC Project Management, is the most popular project management author in the world. Since 1991, hundreds of thousands of project managers have utilized her 30+ best-selling books and resources to expand their project management knowledge and further their careers. Real-World Issues Covered:

- Understanding why IT projects fail—and preventing failure
- Defining effective IT project charters and requirements
- Organizing IT roadmaps into manageable projects
- Capturing, creating, and using historical data
- Establishing “soft” and “hard” project metrics and milestones
- Defining project scope, and avoiding scope creep
- Identifying and managing stakeholders and expectations
- Choosing the right PM tools for your needs—including in-house, hosted, and cloud-based solutions

PMI-ACP Exam Prep

13 comprehension lessons ; Concepts and study material ; Games and exercises ; Tricks of the trade ; Practice exams and questions.

PM Crash Course for IT Professionals

Do you want to earn the #1 Certification for Project Management globally? Are you in possession of numerous resources yet clueless on how you could organise yourself to be fully prepared to take on the PMP exam? Does the thought of attempting the PMP exam scare you? Roji Abraham, a successful project manager in a \$4 Billion firm, a certified PMP, and an MBA graduate from one of Europe's best business schools, writes in his unique style about his 30 day journey to PMP certification and gives step-by-step guidance on how you could effectively utilise your time while preparing for the exam. 'Be a PMP ace in 30 days' isn't a full-fledged guide with a truckload of information on each section but rather, a companion book, that shows you, how in 30 days, you could use your resources effectively, and be ready for the PMP exam and succeed. That too, without having to take even a day off from work! Here's what you get from this book that will oversee your personal journey to PMP certification:

1. Guidance on the necessary tools and resources you need while preparing for the PMP exam and how to use them effectively.
2. Website links to a downloadable weekly calendar with suggested daily and hourly schedules for covering each topic and reviewing them effectively over 30 days
3. Website link to a print-friendly downloadable process chart
4. Key notes for each day that highlights the most important topics for that day.
5. Information on some great free/budget online resources
6. Useful tips for the exam day.
7. Five interviews with successful PMP candidates, from around the globe, with their suggestions on how to conquer the PMP exam.

CAPM Exam Prep

Prepare for PMP certification exam success with this fully updated and comprehensive study guide This study guide serves as a comprehensive resource for those who plan on taking the Project Management Professional (PMP) certification exam administered by PMI. The book helps you prepare for the exam, and it will continue to serve project managers as an on-the-job reference book. The PMP Project Management Professional Exam Study Guide, Tenth Edition is fully updated to include recent changes to the exam. New content covers the integral role that Agile and other iterative practices have in project management. Updates also address the pivotal responsibilities of the project manager and the skill sets required for this position. The study guide was written to reflect the Project Management Process and Procedures found in the revised A Guide to the Project Management Body of Knowledge -- PMBOK® Guide, 6th Edition. Well-known author and expert Kim Heldman, PMP, helps to prepare you for the exam with in-depth coverage of topics, concepts, and key terms. Learn more about the

three main domain areas of people, process, and business environment, plus the predictive, agile, and hybrid approaches to project management. This guide is an effective learning aid that will take your understanding to the next level. Provides comprehensive material, covering the complete exam outline Lists chapter objectives and offers detailed discussions of these objectives Reflects differences in project management environments and approaches Effectively presents real world scenarios, project application sidebars, and chapter review questions You'll also connect to a beneficial, on-the-go resource: an interactive online learning environment and test bank. This environment includes an assessment test, chapter tests, practice exams, electronic flashcards, and a glossary of key terms. A thorough review is the best prep for a challenging certification exam. So, get ready with this essential PMP study guide.

Be a Pmp Ace in 30 Days

Now updated for the 2016 PMP exam Learn the latest principles and certification objectives in The PMBOK® Guide, (Fifth Version), in a unique and inspiring way with Head First PMP. This book helps you prepare for the PMP certification exam using a visually rich format designed for the way your brain works. You'll find a full-length sample exam included inside the book. More than just proof of passing a test, a PMP certification means that you have the knowledge to solve most common project problems. But studying for a difficult four-hour exam on project management isn't easy, even for experienced project managers. Drawing on the latest research in neurobiology, cognitive science, and learning theory, Head First PMP offers you a multi-sensory experience that helps the material stick, not a text-heavy approach that puts you to sleep. This book will help you: Learn PMP's underlying concepts to help you understand the PMBOK principles and pass the certification exam with flying colors Get 100% coverage of the latest principles and certification objectives in The PMBOK Guide, Fifth Edition Make use of a thorough and effective preparation guide with hundreds of practice questions and exam strategies Explore the material through puzzles, games, problems, and exercises that make learning easy and entertaining Head First PMP puts project management principles into context to help you understand, remember, and apply them—not just on the exam, but also on the job.

PMP Project Management Professional Exam Study Guide

If you are looking for a way to prepare for the PMP exam that fits into your busy schedule, these flashcards are it. Now you can study at the office, on a plane or even in your car with RMC's portable and extremely valuable Hot Topics Exam Flashcards in spiral-bound flip book format. Over 350 of the most important and difficult to recall PMP exam-related terms and concepts are now available for study as you drive, fly or take your lunch break.

Head First PMP

Hi, there! If you are looking at this book, it means that you are serious to pass PMP as soon as possible. This book is written keeping people like you in mind. The objective of the book is to make you familiar to PMP pattern of questions and help you understand the concepts by explaining the rationale arriving to answer. I've ensured that the questions are as per PMP requirements and make you learn, apply the knowledge to break down the scenario (analyze), and arrive to the best possible answer (evaluate). These are the knowledge domains PMP exam tests you on. I wish you best of luck! Feel free to reach out to me in case of any queries at Kavitasharma.net.

HOT TOPICS PMP EXAM FLASHCARDS

A quick reference guide for the PMP Exam, this sturdy, laminated card accompanies The PMP Exam: How To Pass On Your First Try, 6th Edition. Presenting all 49 processes along with the key inputs, tools, and outputs, this helpful tool also depicts techniques, tables, and graphs to highlight the most important information at a glance. Common formulas are organized for rapid look-up, bringing relevant information for the PMP Exam together in one resource.

PMP Exam Prep

This guide will cover the 2021 PMP Exam. This guide includes access to our e-learning course with over 35 hours of project management education. This e-learning course will grant you a certificate you can use to apply for your PMP exam. This guide has over 500 questions and the e-learning course has

over 1000 more questions with over 430 videos. This guide and course are all you will need to apply and pass your PMP on the first try.

CISA Review Questions, Answers and Explanations Manual, 12th Edition

This book constitutes the refereed proceedings of the 9th International Conference on Games and Learning Alliance, GALA 2020, held in Laval, France, in December 2020. The 35 full papers and 10 short papers were carefully reviewed and selected from 77 submissions. The papers cover a broad spectrum of topics: Serious Game Design; Serious Game Analytics; Virtual and Mixed Reality Applications; Gamification Theory; Gamification Applications; Serious Games for Instruction; and Serious Game Applications and Studies.

Pass Pmp in 21 Days

Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

The Pmp Exam

Prepare for the PMP certification exam in a unique and inspiring way with Head First PMP. The second edition of this book provides 100% coverage of the latest principles and certification objectives offered in The PMBOK Guide, 4th edition, with a visually rich format is designed for the way your brain works. You'll find a full-length sample exam included inside the book. Using the latest research in neurobiology, cognitive science, and learning theory, Head First PMP offers you a multi-sensory experience that helps the material stick, not a text-heavy approach that puts you to sleep. You get a thorough and effective preparation guide with hundreds of practice questions and exam strategies, along with puzzles, games, problems, and exercises that make learning easy and entertaining. More than just passing a test, a PMP certification means that you have the knowledge to solve most common project problems, but studying for a difficult four-hour exam on project management isn't easy, even for experienced project managers. The book teaches underlying concepts so that you can understand the PMBOK principles and pass the certification exam with flying colors. Head First PMP puts project management principles into context to help you understand, remember, and apply them -- not just on the exam, but also on the job.

PMP Exam Prep Simplified

Focus on the fundamental principles and practices of effective management today with DuBrin's comprehensive, yet concise, MANAGEMENT ESSENTIALS, 9E, International Edition. This brief but thorough new edition functions both as a solid introduction for new students or an in-depth review of core concepts and the latest research and applications for working professionals. Written from the first edition as an essentials text, this book is not a condensation of a larger text, but provides concise, complete coverage that clearly translates the latest research, theories, and management experiences into actual practice. The author's proven functional approach introduces the role of a manager and today's managerial environment before exploring critical topics in planning, organizing, leading, and control. This edition addresses emerging issues, such as sustainability and environmental concerns, management in difficult times, employee morale, diverse workforces, and teamwork. New coverage of ethics, personal productivity, the latest information technology, and decision making are also included. Compelling, memorable examples show how leaders effectively apply principles of management in a wide variety of business settings. New action features, new online skill builders, new cases and video cases work with proven exercises and self-assessment quizzes to help readers develop the managerial, interpersonal, and technical skills necessary for outstanding career success. Help your students acquire the knowledge and skills to manage, lead, and successfully compete in today's rapidly changing business environment with DuBrin's MANAGEMENT ESSENTIALS, 9E, International Edition.

PM Crash Course

Did you know that the best time to learn something new is during the first two hours after you wake up and the last two hours before you go to sleep? Did you know that stressing key points in color can boost memory retention by 25 percent? Author Laura Erlauer has studied brain research and applied it to classroom teaching in a way that is both intuitive and scientific. Synthesizing recent research exploring how the brain works, she explains how students' emotions and stress affect their ability to learn, how the physical classroom environment influences learning, and what forms of assessment work best. Drawing on her experience as a teacher and principal, Erlauer summarizes current brain research and shows how teachers can use this knowledge in the classroom every day. The book covers a wide variety of topics, including * The most effective use of collaborative learning; * Simple ways to keep the attention of your students for the whole class period; * Keys to involving students in decision making to increase their engagement and achievement; * Ways to make lesson content relevant to motivate students; and * Things every teacher can do to limit stress in the classroom and school environment. Each chapter provides examples from real classrooms, showing how the research can be used to improve student learning. The ideas and strategies presented are from a variety of grade levels and subject areas and can be used immediately to create a classroom where students can reach their full potential. Note: This product listing is for the Adobe Acrobat (PDF) version of the book.

Agile Practice Guide

CAPM/PMP Project Management Certification All-In-One Exam Guide, Fourth Edition

A review for the book from another world renown author. Rita Mulcahy, PMP, is an author, consultant and member of the Project Management Institute's Risk Management Special Interest Group. Either through frustration at the lack of good, practical risk management reference materials, or because she is bubbling over with ideas on the subject, Rita has written a comprehensive book: "Risk Management - Tricks of the Trade? for Project Managers." The book is structured according to the Institute's view of project risk management and is therefore supportive of the Project Management Professional certification exam. It even has a 50-question Final Exam in the certification examination mode. However, Rita's book is much more than that. It provides a very clear and down-to-earth explanation of what project risk management is all about. I was particularly pleased to see an emphasis on things going right (opportunities enhancement) as well as going wrong (risks). The book is lavishly endowed with bulleted lists of explanation for rapid absorption of content by busy project people. It also has very practical quick-read "Tricks of the Trade" sidebars (e.g. How to interview an expert), check lists, charts, forms and how to use them with worked examples. It is even topped off with quiz games to make it a fun encounter. For University instructors and training workshop leaders there are plenty of "Questions for discussion". In an appendix there is a long list of potential risks, their cause and effect in various industries. No doubt that list has been culled from the brainstorming efforts of many of Rita's workshop attendees over the years. Still, I could not help but empathize with chagrin the construction risk-cause entry "Local politicians, unruly elements, etc." Well said! Armed with this book, there should be no excuse any longer for anyone to declare that they don't know how to apply risk management to their projects, however large or small their projects may be. Nor should there be any question of how to get started or even why they should get started and when. The real benefit of the book is that it demonstrates very clearly that project risk management does not have to be difficult, nor academically challenging. I have always held that project risk management is really very simple. When you are gearing up for your next project, the best advice I can give is "Don't leave home without it!" R. Max Wideman, P.Eng. FCSCE, FEIC, FICE, FPMI

Pmp Exam Prep: Questions, Answers, & Explanations: 1000+ Practice Questions with Detailed Solutions

When a father reveals his haunting past, a daughter takes an incredible journey of self-discovery . . . Emmy® award-winning journalist, TV host, and New York Times bestselling author Rita Cosby has always asked the tough questions in her interviews with the world's top newsmakers. Now, in a compelling and powerful memoir, she reveals how she uncovered an amazing personal story of heroism and courage, the untold secrets of a man she has known all her life: her father. Years after her mother's tragic death, Rita finally nerved herself to sort through her mother's stored belongings, never dreaming what a dramatic story was waiting for her. Opening a battered tan suitcase, she discovered it belonged to her father—the enigmatic man who had divorced her mother and left when Rita was still a teenager. Rita knew little of her father's past: just that he had left Poland after World War II, and that his many scars, visible and not, bore mute witness to some past tragedy. He had always refused to answer questions. Now, however, she held in her hand stark mementos from the youth of the man she knew only as Richard Cosby, proud American: a worn Polish Resistance armband; rusted tags bearing a prisoner number and the words Stalag IVB; and an identity card for an ex-POW bearing the name Ryszard Kossobudzki. Gazing at these profoundly telling relics, the well-known journalist realized that her father's story was one she could not allow him to keep secret any longer. When she finally did persuade him to break his silence, she heard of a harrowing past that filled her with immense pride . . . and chilled her to the bone. At the age of thirteen, barely even adolescent, her father had seen his hometown decimated by bombs. By the time he was fifteen, he was covertly distributing anti-Nazi propaganda a few blocks from the Warsaw Ghetto. Before the Warsaw Uprising, he lied about his age to join the Resistance and actively fight the enemy to the last bullet. After being nearly fatally wounded, he was taken into captivity and sent to a German POW camp near Dresden, finally escaping in a daring plan and ultimately rescued by American forces. All this before he had left his teens. This is Richard Cosby's story, but it is also Rita's. It is the story of a daughter coming to understand a father whose past was too painful to share with those he loved the most, too terrible to share with a child . . . but one that he eventually revealed to the journalist. In turn, Rita convinced her father to join her in a dramatic

return to his battered homeland for the first time in sixty-five years. As Rita drew these stories from her father and uncovered secrets and emotions long kept hidden, father and daughter forged a new and precious bond, deeper than either could have ever imagined.

Abnormal Child and Adolescent Psychology

Hi, there! If you are looking at this book, it means that you are serious to pass PMP as soon as possible. This book is written keeping people like you in mind. The objective of the book is to make you familiar to PMP pattern of questions and help you understand the concepts by explaining the rationale arriving to answer. I've ensured that the questions are as per PMP requirements and make you learn, apply the knowledge to break down the scenario (analyze), and arrive to the best possible answer (evaluate). These are the knowledge domains PMP exam tests you on. I wish you best of luck! Feel free to reach out to me in case of any queries at Kavitasharma.net.

Tintinalli's Emergency Medicine Manual, Eighth Edition

Common formulas are organized for rapid look-up, bringing relevant information for the PMP Exam together in one resource.

Quiet Hero

In this Newbery Honor novel, New York Times bestselling author Rita Williams-Garcia tells the story of three sisters who travel to Oakland, California, in 1968 to meet the mother who abandoned them. A strong option for summer reading—take this book along on a family road trip or enjoy it at home. This moving, funny novel won the Scott O'Dell Award for Historical Fiction and the Coretta Scott King Award and was a National Book Award Finalist. Delphine, Vonetta, and Fern's story continues in *P.S. Be Eleven* and *Gone Crazy in Alabama*. Readers who enjoy Christopher Paul Curtis's *The Watsons Go to Birmingham* and Jacqueline Woodson's *Brown Girl Dreaming* will find much to love in *One Crazy Summer*. Rita Williams-Garcia's books about Delphine, Vonetta, and Fern can also be read alongside nonfiction explorations of American history such as Jason Reynolds's and Ibram X. Kendi's books. In *One Crazy Summer*, eleven-year-old Delphine is like a mother to her two younger sisters, Vonetta and Fern. She's had to be, ever since their mother, Cecile, left them seven years ago for a radical new life in California. But when the sisters arrive from Brooklyn to spend the summer with their mother, Cecile is nothing like they imagined. While the girls hope to go to Disneyland and meet Tinker Bell, their mother sends them to a day camp run by the Black Panthers. Unexpectedly, Delphine, Vonetta, and Fern learn much about their family, their country, and themselves during one truly crazy summer. This novel was the first featured title for Marley D's Reading Party, launched after the success of #1000BlackGirlBooks. Maria Russo, in a New York Times list of "great kids' books with diverse characters," called it "witty and original." "This vibrant and moving award-winning novel has heart to spare," commented Olugbemisola Rhuday-Perkovich in her *Brightly* article "Knowing Our History to Build a Brighter Future: Books to Help Kids Understand the Fight for Racial Equality."

Pass Pmp in 21 Days

Rev. ed. of: *Behavior disorders of childhood*. c2006.

The Pmp Exam

The most widely used and highly regarded textbook and reference of emergency medicine -- Endorsed by the American College of Emergency Physicians The 8th edition of Tintinalli's *Emergency Medicine* provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine successfully in today's fast-paced environments. It is an important contemporary clinical emergency care resource for physicians, NPs, and PAs who practice emergency medicine and for emergency medicine and pediatric emergency medicine fellows. It remains the preferred study guide for in-training and board examinations and recertification. NEW to this edition:

- Full-color design with more tables than ever to succinctly present key information
- Extensive updates to all sections, incorporating the latest guidelines, evidence-based protocols, and relevant research
- Expanded pediatric section, with complete clinical information for general and pediatric

emergency physicians • Expanded coverage of common emergency department procedures, with improved illustrations • Online access to more than 30 videos, covering a wide range of procedural and diagnostic topics and focusing on the latest ultrasound-guided techniques From the reviews of the seventh edition: "Collectively, they have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and practical resource....Last, for the inevitable comparison of this current edition of Tintinalli's Emergency Medicine with other available emergency medicine textbooks available: in my opinion, Tintinalli's still comes out on top. It is more concise and easier to read than some, yet it covers the breadth of emergency medicine practice more comprehensively than others....Just as previous editions did, the seventh presents all of the most pertinent and up-to-date information in a well-organized format that is comprehensive yet easy to read. That and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come."—JAMA

One Crazy Summer

The sequel to I KNOW WHY THE CAGED BIRD SINGS 'A brilliant writer, a fierce friend and a truly phenomenal woman' Barack Obama Maya Angelou's volumes of autobiography are a testament to the talents and resilience of this extraordinary writer. Loving the world, she also knows its cruelty. As a black woman she has known discrimination and extreme poverty, but also hope, joy, achievement and celebration. In the sequel to her bestselling I Know Why The Caged Bird Sings, Maya Angelou is a young mother in California, unemployed, embarking on brief affairs and transient jobs in shops and night-clubs, turning to prostitution and the world of narcotics. Maya Angelou powerfully captures the struggles and triumphs of her passionate life with dignity, wisdom, humour and humanity. 'She moved through the world with unshakeable calm, confidence and a fierce grace . . . She will always be the rainbow in my clouds' OPRAH WINFREY 'She was important in so many ways. She launched African American women writing in the United States. She was generous to a fault. She had nineteen talents - used ten. And was a real original. There is no duplicate' TONI MORRISON

Abnormal Child and Adolescent Psychology

The significant challenges faced by English Language Learners (ELLs) become greater during the middle and high school years, when they must learn more abstract academic concepts with emergent English language skills and differing levels of background knowledge. To meet these challenges, ELLs need immediate feedback about how the development of their language abilities interacts with their academic performance; and teachers need practical strategies to help ELLs develop the specific content and language abilities necessary for success. In Formative Language Assessment for English Learners, the research team of Rita MacDonald, Timothy Boals, Mariana Castro, H. Gary Cook, Todd Lundberg, and Paula A. White demonstrates what good language assessment for formative purposes is, explains the cycle of formative language assessment, and shows how it unfolds stage by stage in a school setting. Based on a five-year collaborative project with middle and high school teachers in three major school districts, the book presents a process for: Weaving a language focus into content lessons Analyzing students' language from writing samples to help them broaden their linguistic choices Creating active partnerships with students as they learn and practice new ways to use English. When classrooms are defined by effective language assessment for formative purposes, they become dynamic spaces in which teachers can use that information to plan clear, attainable steps to increase student learning, and students develop deeper understandings of both academic content and academic language. Formative Language Assessment for English Learners provides practical strategies to implement a unique process for formative assessment that can truly change classroom practice. This team of authors works together at the Wisconsin Center for Education Research (WCER) at the University of Wisconsin-Madison and have collaborated on formative language assessment for English Language Learners through their work for WIDA (World-Class Instructional Design and Assessment), a 36-state consortium that supports academic language development for linguistically diverse students through standards, assessment, research, and professional development.

Tintinalli's Emergency Medicine: A Comprehensive Study Guide, 8th edition

Discover the classic coming of age novel that confronts prejudice and injustice with power and humanity. WITH AN INTRODUCTION BY RITA MAE BROWN Molly Bolt is a young lady with a big character. Beautiful, funny and bright, Molly figures out at a young age that she will have to be tough to stay true to herself in 1950s America. In her dealings with boyfriends and girlfriends, in the rocky relationship

with her mother and in her determination to pursue her career, she will fight for her right to happiness. Charming, proud and inspiring, Molly is the girl who refuses to be put in a box.

National Occupational Therapy Certification Exam Review and Study Guide

Hue Boy is small - smaller than all his friends, and he doesn't seem to grow at all, no matter what his mother gives him to eat, or how much he runs and jumps and plays. His mother takes him first to the doctor, and then to the Wise Man of the village. But nothing seems to help Hue Boy to grow. Then Hue Boy's father comes home from working overseas, and at last Hue starts to grow. With his dad back, he feels comfortable with himself, and his size doesn't worry him any more.

Gather Together In My Name

The second edition of this source book contains essays and annotations on a number of issues related to multicultural education. The authors define multicultural education as a process-oriented creation of learning experiences that foster an awareness of, respect for, and enjoyment of the diversity of our society and world. Inherent in this definition of multicultural education is a commitment to create a more just and equitable society for all people. This book, then, offers suggestions relevant to the teaching of all children, all teaching and curricular decisions, and every aspect of educational policy.

Formative Language Assessment for English Learners

Today, spend time with God that will fill your spirit with strength. The One Year Daily Moments of Strength will help you experience a deeper and more powerful connection with the Lord each day. Complete with Bible verses, helpful explanations, and practical applications, these short daily devotions, covering a variety of everyday issues, will help strengthen your commitment to faith and your walk with God. Through showing up to meet with God every day, you'll be inspired to go deeper with him all year long. "Those who trust in the Lord will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint." (Isaiah 40:31)

Saving Paradise examines the effects of the crucifixion becoming Christianity's defining image when, for the first ten Christian centuries it was never depicted. It explores what this shift in focus has done to our understanding and practice of faith, and raises deeply significant questions for the church today. Beginning with a masterly survey of Christian imagery in early art, church architecture and spiritual writing, Saving Paradise reveals a rich visual world filled with images of Christ as shepherd, guide and healer, and of the earth as paradise once again. When the crucified Jesus appears, the history of Christianity in the world takes a dramatically different turn and violence and sacrifice in God's name is sanctioned. This profoundly challenging book examines the consequences of this for us today and asks how we can rediscover our lost spiritual heritage.

Prepare for the PMP certification exam in a unique and inspiring way with Head First PMP. The second edition of this book provides 100% coverage of the latest principles and certification objectives offered in The PMBOK Guide, 4th edition, with a visually rich format is designed for the way your brain works. You'll find a full-length sample exam included inside the book. Using the latest research in neurobiology, cognitive science, and learning theory, Head First PMP offers you a multi-sensory experience that helps the material stick, not a text-heavy approach that puts you to sleep. You get a thorough and effective preparation guide with hundreds of practice questions and exam strategies, along with puzzles, games, problems, and exercises that make learning easy and entertaining. More than just passing a test, a PMP certification means that you have the knowledge to solve most common project problems, but studying for a difficult four-hour exam on project management isn't easy, even for experienced project managers. The book teaches underlying concepts so that you can understand the PMBOK principles and pass the certification exam with flying colors. Head First PMP puts project management principles into context to help you understand, remember, and apply them -- not just on the exam, but also on the job.

Multicultural Education

Agile Practice Guide – First Edition has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

The One Year Daily Moments of Strength

The Globalization of World Politics, the bestselling introduction to international relations, offers the most comprehensive coverage of the key theories and global issues in world politics. The eighth edition engages with contemporary global challenges, featuring a brand new chapter on Refugees and Forced Migration and updated coverage of decolonization to ensure the book continues to cover those topics that will define the key issues in IR into the future. Tailored pedagogical features help readers to evaluate key IR debates and apply theory and concepts to real world events. A fully updated Opposing Opinions feature facilitates critical and reflective debate on contemporary policy challenges, from decolonising universities to debates over migration and the state. Leading scholars in the field introduce readers to the history, theory, structures and key issues in IR, providing students with an ideal introduction and a constant guide throughout their studies. Students and lecturers are further supported by extensive online resources to encourage deeper engagement with content: Student resources: International relations simulations encourage students to develop negotiation and problem solving skills by engaging with topical events and processes IR theory in practice case studies encourage students to apply theories to current and evolving global events Video podcasts from contributors help students to engage with key issues and cases in IR Guidance on how to evaluate the Opposing Opinions feature, supporting students to engage in nuanced debate over key policy challenges Interactive library of links to journal articles, blogs and video content to deepen students' understanding of key topics and explore their research interests Flashcard glossary to reinforce understanding of key terms Multiple choice questions for self-study help students to reinforce their understanding of the key points of each chapter Revision guide to consolidate understanding and revise key terms and themes Instructor Resources: Case studies help to contextualise and deepen theoretical understanding Test bank - fully customisable assessment questions to test and reinforce students' understanding of key concepts Question bank - a bank of short answer and essay questions to promote students' critical reflection on core issues and themes within each chapter Customisable PowerPoint slides help to support effective teaching preparation Figures and tables from the book allow clear presentation of key data and support students' data analysis

Reading Book for Human Relations Training

Clinical Interviewing, Fifth Edition blends a personal and easy-to-read style with a unique emphasis on both the scientific basis and interpersonal aspects of mental health interviewing. It guides clinicians through elementary listening and counseling skills onward to more advanced, complex clinical assess-

ment processes, such as intake interviewing, mental status examination, and suicide assessment. Fully revised, the fifth edition shines a brighter spotlight on the development of a multicultural orientation, the three principles of multicultural competency, collaborative goal-setting, the nature and process of working in crisis situations, and other key topics that will prepare you to enter your field with confidence, competence, and sensitivity.

The Millionaire Girl, and Other Stories. By Rita. (Second Edition.).

A hilarious illustrated book about a crime-solving heroine who enters a boarding school filled with very peculiar girls, from Bransford Boase Award-winner Dave Shelton. Daphne is off to an exclusive girls' boarding school, where she'll be given a brand-new start after her expulsion. But St. Rita's school for girls is not your ordinary school. And these are certainly not ordinary girls. As it turns out, nothing is quite what you'd expect at St. Rita's. But then she meets Emily Lime, a crime-solving genius, who's looking for a new library assistant. And the book smart Daphne is just the girl for the job. Mystery and intrigue are about to strike St. Rita's and Emily Lime is going to need all the help she can get...

The thirteenth thrilling novel in the internationally bestselling Skulduggery Pleasant series, SEASONS OF WAR will test the Skeleton Detective and Valkyrie like never before...

Saving Paradise

Covers the project management framework found in: A guide to the project management body of knowledge (PMBOK® guide) -- fourth edition.

Head First PMP

A reprint of the 1976 Macmillan edition. This fictional outline of a modern utopia has been a center of controversy ever since its publication in 1948. Set in the United States, it pictures a society in which human problems are solved by a scientific technology of human conduct.

Agile Practice Guide

Samuel Walker's SENSE AND NONSENSE ABOUT CRIME, DRUGS, AND COMMUNITIES was one of the first books to challenge common misconceptions about crime, and the new Eighth Edition remains uniquely effective at doing so. Described as a masterful critique of American policies on everything from crime control, to guns, to drugs, this incisive text cuts through popular myths and political rhetoric to confront both conservative and liberal propositions in the context of current research and proven practice. The result is a lucid, research-based work that stimulates critical thinking and enlivens class discussions. This engaging text captures the full complexity of the administration of justice while providing students with a clear sense of its key principles and general patterns. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

PMP Exam Prep

Do you want to earn the #1 Certification for Project Management globally? Are you in possession of numerous resources yet clueless on how you could organise yourself to be fully prepared to take on the PMP exam? Does the thought of attempting the PMP exam scare you? Roji Abraham, a successful project manager in a \$4 Billion firm, a certified PMP, and an MBA graduate from one of Europe's best business schools, writes in his unique style about his 30 day journey to PMP certification and gives step-by-step guidance on how you could effectively utilise your time while preparing for the exam. 'Be a PMP ace in 30 days' isn't a full-fledged guide with a truckload of information on each section but rather, a companion book, that shows you, how in 30 days, you could use your resources effectively, and be ready for the PMP exam and succeed. That too, without having to take even a day off from work! Here's what you get from this book that will oversee your personal journey to PMP certification:

1. Guidance on the necessary tools and resources you need while preparing for the PMP exam and how to use them effectively. 2. Website links to a downloadable weekly calendar with suggested daily and hourly schedules for covering each topic and reviewing them effectively over 30 days 3. Website link to a print-friendly downloadable process chart 4. Key notes for each day that highlights the most important topics for that day. 5. Information on some great free/budget online resources 6. Useful tips for the exam day. 7. Five interviews with successful PMP candidates, from around the globe, with their suggestions on how to conquer the PMP exam.

Be a Pmp Ace in 30 Days
