## 120 Proof Honey Ultimate Box Set (BBW Bear Shifter Romance Novella Series)

These Bear Shifters might not have a lot of money, but they're rich in what counts. The 120 Proof Honey Ultimate Box Set is here! Contains the following stories: Daxton: Blair Mason was a woman with a one-track mind, and that track was work. From sunrise to sun down, all she thought about was how to keep her small town grocery store open. That meant hard decisions, the type Blair was in the midst of making when she was rudely interrupted by a tall man. A tall handsome man. Oh, there were things other than work after all! Daxton Holt thought getting his honey on Mason's shelves would be simple. Walk in, flash a smile and fill out some paperwork. But this owner was something else. She saw right through his charms, pushing him to really sell his product. He liked that, and he liked her. A feisty little minx is sweeter than any honey his bees made... Knox: Jasmine has always known that life wasn't fair. It wasn't fair that all her hard work keeping a home wasn't appreciated. It wasn't fair that none of that time counted as "experience," but she was desperate so she had to take whatever there was. Stepping off the bus, she reminded herself that life didn't have to be fair, but it did have to be survived. As soon as she laid eyes on the handsome man who answered the door, she remembered something she'd suppressed for a long time: life had it's sunny moments as well. Knox Ryker didn't really like this whole idea of getting a housekeeper. Yes, five guys living together could take it's toll on a place. Yes, Dax's new girlfriend had a point: it was a pigsty. But having a stranger come over to root through your things just didn't feel right. But once he laid eyes on Jasmine, he had feelings of a totally different sort. Amir: Just get in, get the scoop, and get out. Kora Lane stepped out of her air conditioned car and into the blazing heat of this muggy Ozark valley. Her boss had sent her down here to sniff out a story: a local honey harvester was producing illicit moonshine on the side. The tip came in from an anonymous source, but she never passed up a juicy tip. Now she just had to get past this gorgeous mountain of a man that answered the door... Amir Thorne was a man with a secret. No matter how low key he tried to play it, there was always a type of woman who could sense it. Usually they took his disinterest as a clear signal to move on. But every now and then, you'd get one that just wouldn't let go. As soon as he saw Kora, he knew what type she was... Beck: Don't put that in your mouth. Don't push your brother. Please stop crying. Harmony just needed to get through this day of nannying. The little boogers in her charge were turning their trip to the county fair into a competition of who could cause a migraine the fastest. She spotted a honey stand and thought a few sweet treats might win her a moment's respite. She spotted the owner of the stand and thought about something other than honey... It wasn't that Beck hated kids: he just wasn't used to them. All the crying, the erratic behavior and the

tantrums were just too much. He had a feeling his reluctance on the topic of children was why he and his girlfriend of four years had to call it quits. There are some things you just can't compromise on, no matter what. Slade: Veronica Harper was ready to let bygones be bygones. She'd spent enough years fighting tooth and claw to know that nobody won in a drag out brawl. It was better for all parties to come to the peace table. But being the leader of a Bear Shifter Clan meant many things, the most important of which was to be the kind of leader that the rest of the Clan would follow. That meant never losing face. Even if the person you're staring down is a handsome hunk with more charm than he realizes. ### The Baby Shift: Idaho

A man is a simple beast: tame his stomach and you'll have his heart... Joshua was a tall, handsome Wolf Shifter who knew his way around a grill. His superb culinary skills weren't being appreciated by his boss, who preferred to keep him bartending in the front of the house. Destiny wouldn't wait for him, so one day he packed up his things, gave notice, and left. He knew he would miss his old life, and one co-worker in particular, but the future was bright and he was eager to strike off on his own. Sadie hated the direction her life was going in. Over-worked, dealing with tragedy and depending on an emotionally unavailable man was a recipe for disaster, one she was wise enough to recognize and bold enough to change. So she left, heading to Boise to risk it all on a brand new business that would be all her own. But when she sees someone from her past, she can't believe the coincidence! Every Monday in 2019 I'll be releasing a brand new novella for you to gobble up! Collect all the Shifter Babies of America series and enjoy a nice little one-sitting story! ## My Past Laid Bear (Free BBW Bear Shifter Romance)

Hunted. Abram Young felt the stab of regret as he cradled his infant son Cole in his arms, the snow glittering down outside. His wounds wouldn't be fatal. They couldn't be fatal. The Iron Fur Clan was hunting them, exiles to be killed for sport. Were his principles worth all this? Putting his beautiful wife Norah at risk and damning his son before he was even old enough to crawl? His eyes tearing up, he scanned the snow covered tree line, hoping Norah would come back soon... I've been obsessed with investigating Daniel, and in my search I've hurt Dracus. Yes, I violated his privacy and perhaps I could've used more discretion. #### The Mating Game

Kenny In this place, the Omega Auction House, I was nothing but a commodity. A far cry from when I had just turned eighteen and after intense vetting and negotiations, my father had proudly announced that he'd placed me with the Whiskey River pack. No one could dispute that it had been a good placement, as I'd spent the next four years being spoiled and cosseted by my Alpha. Four years of sharing his life, whimpering under his touch, and raising the pups that we had created together only to find myself here. Pregnant and alone, abandoned by the Alpha who'd sworn to make me his own. Drey Hell and damnation! My opportunity to make a good first impression on my new Omega and damned if my grand entrance hadn't gone unnoticed. Both Omegas present were intently focused on the dragon in the room. Not only that, but the bastard had a firm grip on the neck of the sweet little redhead I had just purchased. I wasn't one to cling to the old adage that wolves and dragons had to be enemies, but seriously. Damn dragon. One unwanted Omega plus one eager Alpha, it should be simple, right? When Kenny's former Alpha attempts to re-stake his claim, the complications mount with Kenny the grand prize in The Mating Game.

### Calypso's Heart

Sexy shifters. Hot vampires. Intriguing immortals. Strong heroine. Sizzling romance. Page-turning plot full of emotion and excitement. Modern and fresh take on fated mates. Plus a little bit of insta-lust because who wouldn't be attracted to their sexy, alpha life mate? CALY Do you dream of ridiculously hot men? Okay, maybe you do. (And yes, I'm well aware I should lay off the romance books before bed.) But do you actually ever meet those men you dream about in real life? I didn't think so. That's probably a good thing though because I have... And these men from my dreams have done nothing but pull the rug of reality out from under me... which was how I fell and ended up in a world that I thought only existed in romance books. My name is Caly (AKA Callie) and I'm just an ordinary single woman living the LA dream... paycheck to paycheck. Except whose dream is it? I'm not really sure... but it's not my dream. Especially because I have really weird dreams... like really weird. Then again, everyone has weird dreams, right? BLAKE I am an alpha wolf shifter and leader of Orion's Order, a pack of... well, not wolves. We're an unconventional pack of highly skilled specian hunters that do one thing: hunt the evil in our world. And we were hired by SILE (Species Intelligence Law Enforcement) to hunt a bloodthirsty criminal who is infamously untraceable. That was until an irresistible female brought an unexpected twist to our hunt and set things in motion... a motion that has left my pack and our world forever changed. \*\*\*Welcome to The Order and a secret world of magic and mystery, where a pack of unlikely friends find love and fight against an ancient evil force.\*\*\* Devour this addictive series at your own risk... + Happily Ever After + Steamy Paranormal Shifter Romance + Multiple POV + Mature Content ----- CALYPSO'S HEART is an adult paranormal wolf shifter romance. If you like swoon-worthy males, heroines with feminine strength, an engaging plot, satisfying relationships, steamy love stories, happy ever afters, and getting sucked into a supernatural story, then you'll want to immerse yourself in the world of species! -----

"This is the beginning of a fascinating Paranormal series... compelling and fun." "This book will take you for the most mind blowing ride in the shifter romance series... sets the stage for one epic set of romances." "...steady and steamy read. With tons of danger to keep you on the edge of your seat... taking paranormal romance to a whole new level." "It has the elements you need - love, pain, heartache, action, revenge, some light comedy, etc. I thought the sex scenes were SPOT ON! Like damn those were great. I really felt immersed in it at times and I felt transported into the story." "The descriptions and imagery are on point. It's easy to picture the characters and scenes. I like the multiple POV shifts to better understand and immerse myself in the character's mind. The sex scenes are steamy and kept me turning the pages." "...if you are looking for a book that punches you in your face, right out the gate, with unrealistic action, tasteless sex scenes, and emotional turmoil, this won't be it. Go watch Shameless instead. But if you are looking for something that unfolds at a pace that gives you time to decipher the characters, setting, and complexities of the story that is to come, then this is for you..." "...at one point in the book, a group of characters are all introduced in a short amount of time. While this might not be standard protocol for fictional stories, it's realistic. Trust that it was done with purposeful intent. Without giving away too much about the story, you get to learn about a pack of males in their environment, doing what males do..."

### I'm Not a Dragon's Mate!

In the backroads and bayous of Louisiana lives a clan of mix matched shifters. Their Alpha, Kinkaid, has been kidnapped by a ruthless Dragon who thrives on torture and pain. Kaid struggles to survive against all odds. Unable to contact his clan, and weak and unable to shift from his Bear, he has given up almost all hope. One night a human female is brought to the Dragon's compound against her will. Avaleigh has been chosen to be the Dragon's Mate. She is tortured to the brink of insanity, easily overpowered by the Dragon. Gradually she realizes that she has no chance of freedom. But will she be strong enough to save Kaid's bear? And if she does, will he be able to leave her there? Sitting alone in a smoke filled bar room, another Dragon waits. Stuck in this place, for no reason other than his Dragon refuses to leave here, Daniel GreyStorm watches the patrons come and go. Frustration keeps him company as he waits, wondering what fascination this Louisiana backroads bar holds for his Dragon. He has no idea he is on a collision course with fate. This book is the first in a new series, Avaleigh's Boys, about a group of shifters who make their home in the backwoods and bayous of Louisiana. Their clan consists of a mix matched group of five shifters who depend on one another and are loyal to no end. These are

their stories. **WARNING:** Intended for mature audiences. These stories contain hot bear, dragon, wolf and lion shifters. They like to cuss, fight and love their women. This book contains explicit love scenes, lots of use of the "F" word (among others), and some abuse by evil shifters. If you are offended by these subjects, please do not buy this book.

The peace treaty between humans and shapeshifters was signed over a century ago. One of the consequences is that humans must provide shifters with young brides to give them heirs and ensure the survival of their species. Today, all over the world, special boarding schools take girls from orphanages and give them the most exquisite education, preparing them to become brides for the enemy. Sexy, curvy, and confident, Avelyn is one of those wild souls who will not be traded off as livestock. She's determined to do everything in her power to gain her freedom and build a new life far away from shapeshifters and what society expects of her. Alpha werewolf Max Blackmane is in search of a bride. When he comes to Alma Venus Boarding School, one of the best schools for shifter brides in the world, he is set on buying a young woman who would bring him political advantage. When he sees Avelyn, his plans are turned upside down. She's far from what his clan wants him to bring home, but he can't imagine his life without her. Avelyn uses every trick in the book to convince Max to buy another bride. It doesn't matter that his perfect body and smooth voice make her weak in the knees. She has a dream, and her dream does not include a wolf-shifter for a husband and a bunch of wolf pups clinging to her skirts.

In a run-down neighborhood in an unnamed city, people live and die in "the Obscure." Whether anyone remembers the real name of the derelict establishment is a mystery. In this six-story building, most who occupy the rooms are long-term residents, though some stay for as little as an hour. The patronage is an eclectic group: musicians, writers, addicts, hookers, lonely people, poor people, rich people, once-well-off people, and those who have reason to hide from their former lives or to escape the demands of a disapproving and punishing society. As shabby as the Obscure is, as long as its walls keep out the wind and the rain, it remains a shelter, a hideaway, and a home for the many bewildered souls. Hotel Obscure is a collection of seventeen short stories that all take place in or around the "the Obscure." While the stories stand alone, they are to be read in order. Some characters appear in multiple stories, and sometimes, a story will continue in an unexpected way. The Obscure is life. It is death. In the blink of an eye, it may appear supernatural. It is a place we all visit ... whether metaphorically or physically, at least once in our time on Earth. NOTE FROM THE AUTHOR: I write characters as I hear them speak to me. Some of these stories contain non-gratuitous expletives and sexual references. If this is not to your liking, please don't read this book. Thank you.
