The Dungeon of Decorum may have found her, but I'd take her as my own. Fighting men who wanted to use her in ways I found distasteful, I finally won her. Savage SEAL's Virgin - A Submissives' Secrets 3 Dangerous missions, death-defying escapes, and mortal combats are child's play compared to taking a virgin ... Dark nights, strange forest creatures, ropes, cuffs, paddles, and a whip should've been more than enough to tame one little virgin. Blyss wasn't your typical virgin! I'd won her in a bidding war. She was pure as the driven snow. Every Dom wanted her. It was me who was supposed to rule her, but she stole my heart before I knew what was happening. Every part of her was virgin territory, yearning to be explored. She was primal, and I

took her that way. Filthy Commitments - A Submissives' Secrets 4 It was never supposed to be real. Like they say, never say never... The last thing I wanted was to get serious, hence the need for a sub I could also use as my fake wife. From the moment I laid eyes on her, the attraction was instantaneous. I should've known that could only mean trouble. Her body succumbed to mine so easily. The rapture of taking her to heights she'd never known, exhilarating. Vengeful Seduction - A Submissives' Secrets 5 She stole what was rightfully mine, now I'm going to get it back... Kaye seems innocent, sweet, kind, nurturing. But she has to be hiding a dark side. A side of her that took my grandfather's affection had him leaving her all of his money. That money belongs to me. And only to me. She has no right to it. And I will do what I have to, to get it back. How easy it is for me to seduce her into believing I love her, care for her, want to marry her. For Love & Torture - A Submissives' Secrets 6 Darkness clings to my soul, so why does she allow herself to love me... I'm damaged beyond repair, but still she gives me longing looks and loving words. I've tortured her body and mind, why does she still claim to have love for me? I thought I would be okay without her. I thought I would be able to live my life working right next to the woman and never give in to her love.

Left the two hundred thousand starting salary on the table. She left to make her name with something bigger, better. She knows she has the skills and determination, that's for sure. So she rises to the challenge. There is Michael Larchwood, younger son of the legendary Abe Larchwood. Second heir to the keys of the castle. He was also a notorious playboy who flirts with Jenna. The thing is, not only does the company have a zero tolerance policy toward inter-office fraternization, but Michael was well known for flouting those rules. At least four women in the last two years were fired after being seen leaving his apartment, and Jenna was in no way interested in making that list. And then there's the serious brother, Thomas Larchwood, who is a brilliant financial tactician and the youngest person ever to be named on Forbes most influential people's list. Can't Go Back Alexander Bill grew up on Quackenbush Avenue in Brooklyn. She'd had a provincial childhood, walking the distance between her grandparents' house and home, just three doors away. She'd never wanted for anything and had adored her father, but her dream was to become a teacher and move somewhere out west. If there was one thing that prevented her from dreaming, it was her father. He was a New Yorker through and through and the world beyond New York ceased to exist. He thought Alex would one day marry a nice New York boy and live somewhere in Brooklyn. Alex's mother had left when she was two after falling in love with a guy who predicted that one day "wine would be big." He was right, and they'd settled in northern California and had joined the ranks of the very wealthy. Alex also inherited a stepbrother named Thom that she rarely saw but disliked just the same. When her mother offered her a job in the company business, Alex decided to try it for a year. The salary was great, but the thought of finally seeing the world appealed to her the most. She'd been dreaming of foreign lands her entire life. What she didn't expect was to have to work closely with a stepbrother who had a penchant for business and an even better penchant for love.
