6 Ways Local Businesses Can Get More Visibility On Social Media

- 1: The place your potential clients/customers are already gathering
- 2: An easy post idea that doubles your local reach every time
- 3: A psychological principle that will get other businesses posting about you
- 4: The words that need to go in all your posts
- 5: Brilliant way to be perceived as more local than you may actually be
- 6: An important mindset shift all business owners need about social media

Does YouTube make sense for local businesses?
