Life is not always easy.  
the toughest season of your life.  
There will be seasons where we will suffer  
Life is hard sometimes.  
giving yourself a chance.  
mustering yourself up, standing up inside yourself.  
It's worth fighting relentlessly, never giving up.  
It's worth it.  
worry, anxiety and fear  
doesn't mean fear has to have you.  
I must speak a life sentence.  
Your pain ain't permanent.  
You're bigger than your pain

this is not the first time you didn't see a way clear

Just keep coming back.

If you got nothing left to give, just show back up.

get through it.

Pain is temporary

We do not heal the past by dwelling there; we heal the past by living fully in the present

We must be willing to let go of the life we have planned, so as to have the life that is waiting for us.

Life becomes easier when you learn to accept an apology you never got

Although the world is full of suffering, it is also full of the overcoming of it.

Action may not always bring happiness; but there is no happiness without action.

I believe that everything happens for a reason. Sometimes good things fall apart so better things can fall together.
