Intro

A kiss on the beach when there is a full moon is the closest thing to heaven.

The best preparation for tomorrow is doing your best today.

If you know someone who tries to drown their sorrows, you might tell them sorrows know how to swim.

Never give up on what you really want to do. The person with big dreams is more powerful than one with all the facts.

Sometimes the heart sees what is invisible to the eyes.

Approach love and abandon.

Become the most positive and enthusiastic person you know.

When you can't change the direction of the wind - adjust your sails.

Wear audacious underwear under the most solemn business attire.

The three most powerful resources you have available to you: love, prayer and forgiveness.

Don't delay acting on a good idea. Chances are someone else has just thought of it, too. Success comes to the one who acts first.
