ORMUS The Secret Alchemy of Mary Magdalene ~ Revealed ~ [Part A]

"Sarah, the daughter of Mary Magdalene, tells the story of her mother's escape from the Holy Land across the Mediterranean Sea to safer ground after the crucifixion of Yeshua and how she conspired to preserve the ancient esoteric teachings for the future awakening of humanity to its Divinity. Two thousand years later, the time has come to reveal the sacred mysteries that until now were reserved for a select few in secret initiations with the Ascended Masters. Mary Magdalene, in the persona of Constance Weatherstone, calls upon Sarah and her other co-conspirators to assemble on the Big Island of Hawaii to accelerate their awakening. She takes them on a journey to a concealed underground Temple in which the Ascended Masters divulge the deeper Truths and their shared Destiny to usher in a new golden age of Peace on Earth." --back cover.

Daughter of Magdalene

Raised like sisters, Mariamne and Salome are indulged with riches, position, and learning-a rare thing for females in Jerusalem. But Mariamne has a further gift: an illness has left her with visions; she has the power of prophecy. It is her prophesying that drives the two girls to flee to Egypt, where they study philosophy, mathematics, and astronomy in the Great Library of Alexandria. After seven years they return to a Judaea where many now believe John the Baptizer is the messiah. Salome too begins to believe, but Mariamne, now called Magdalene, is drawn to his cousin, Yeshu'a, a man touched by the divine in the same way she was during her days of illness. Together they speak of sharing their direct

experience of God; but Yeshu'a unexpectedly gains a reputation as a healer, and as the ill and the troubled flock to him, he and Magdalene are forced to make a terrible decision. This radical retelling of the greatest story ever told brings Mary Magdalene to life-not as a prostitute or demon-possessed-but as an educated woman who was truly the "apostle to the apostles."

The Magdalene Path

This book is the result of a deep and profound quest for origins, meaning, and healing, written at a time when the human condition appears more fractured from within than at any other time in history. In writing *The Magdalene Awakening*, Shannon Anderson has successfully journeyed to that sacred space and has "lifted the veil" for her readers revealing the atrium of immortality and enticing them to come and join her on her high mission. The smooth narrative style of the book weaves together a magical journey through the author's quest for the true Magdalene energy, the origins of the Cathars, the Gematria that holds the sacred key, and in the end, a call for transformation. This story is a page turner written by someone who knows, and who allows her readers the rare opportunity to discover these mysteries for themselves, but with the benefit of her company and wisdom to help them on their path. Maria Magdalena Colavito, Ph.D., author of *The Pythagorean Intertext in Ovid's Metamorphoses* & *The New Theogony: Mythology for the Real World*.

The Magdalene Awakening

Discover the Womb Rites and initiatory magic of Mary Magdalene, who was revered as a Priestess and human embodiment of the Goddess • 2020 Nautilus Gold Award • Reveals how Mary Magdalene was a sacred priestess of the ancient Womb Mysteries, connected to moon wisdom, sacred harlot archetypes, and goddesses in many traditions, including Sophia, Isis, Inanna, Asherah, Lilith, Jezebel, and Witches • Explains how the Magdalene Mysteries have been encoded in Gnostic texts, sacred art, and literature and unveils the secret Grail heresy of the Ghent Altarpiece • Offers rituals and practices to initiate you into the Womb magic of the ancient priestesses and access deeper dimensions of sexuality and feminine power A sacred priestess of the ancient Womb Rites, Mary Magdalene was at the center of a great and enduring Mystery tradition, one that touched on a stream of perennial spiritual wisdom as old as humanity. Worshipped as the human embodiment of the Goddess, the earthly Sophia, her womb was the spiritual luminatrix that anointed and empowered Jesus, transforming him into the Christ. As a priestess of the Goddess, Mary Magdalene knew how to embody the light and the dark, how to harness the magic potency of sacred sexual energy, and how to cleanse, awaken, and resurrect the soul. Yet, even though she sparked the creation of a worldwide religion, her story and teachings have been forgotten. Unveiling the lost left-hand path of the Magdalene, the Feminine Christ, authors Seren and Azra Bertrand explore how this underground stream of knowledge has been carried forward over the millennia through an unbroken lineage of Womb Shamans, Priestesses, Oracles, and Medicine Women. They explain how the Magdalene Mysteries, symbolized by the Rose, have been encoded in Gnostic codices and gospels and in the highest art, literature, and architecture of many ages, including most significantly the Ghent Altarpiece. They examine Mary Magdalene's connection to moon wisdom,

sacred harlot archetypes, and goddesses in many traditions, including Isis, Inanna, Asherah, Lilith, and Jezebel, and look at shamanic, tantric, and Cathar expressions of sacred feminine mysteries as well as the Witch and Templar roots of Robin Hood and Maid Marian. In this revelatory and magical text on the lost feminine mystery traditions of Mary Magdalene and the lineage of Sophia, the authors present encompassing theological, historical, mythological, and archetypal wisdom, with rituals and practices to initiate you into the Womb magic of the ancient priestesses and the path of the wild feminine.

Magdalene Mysteries

Claire Nahmad and Margaret Bailey re-evaluate the significance of Mary Magdalene and cast her in an entirely new light. They have discovered that not only was she wife to Jesus Christ and mother to his child, but she was his spiritual equal and their partnership exemplified the crucial balance of male and female in spiritual and worldly life. Jesus gave her the title of Magdalene which means both tower and magnificent, because he recognized her as his consort and co-teacher. However, Mary's role was re-written by the early church and it is only now that her secret teachings can be made known - thanks to the revelation to the authors of the lost verses of The Gospel of Mary, through their skills of inner listening. Her teachings are not religious in the narrow sense, they are spiritual and accessible to everyone. They not only reveal the hidden key to unlocking the powers of the soul, which is the next stage of development for humanity, but also signal the beginning of a new age in which the sacred feminine assumes its rightful place.

The Secret Life of Jesus and Mary Magdalene

An analysis of the role of Mary Magdalene in the origins of Christianity presents the "Gospel of Mary" and other religious writings, contending that the Church suppressed her story and that she was among Jesus's closest followers.

The Stars of the Magdalene

Numerous great thinkers have believed in the transmigration of the soul. General Patton, Gandhi, Henry Ford, the Dalai Lama, all discussed memories of, or beliefs in, having past lives. The great philosophers Pythagoras, Socrates, Plato, Aristotle, and even Saint Augustine believed in the rebirth of the soul. Awakening of a Warrior is the result of Jaco's investigation— his treasure hunt— into the lifetimes he experienced before the present. Included are his lives as King Abimelech of Gerar, who allied with Abraham in the creation of a new religion called Judaism; Cyrus the Great, who unified all of Persia and implemented Zoroastrianism as the state religion; and Marcus Furius Camillus, who came to be considered the second founder of Rome.

Womb Awakening

In the Gospels of the Bible there are a few comments about Mary Magdalene here and there. But in the Gnostic scriptures that have been discovered, there are tantalizing hints that both her relationship to Jesus and her role among Jesus' disciples may have been profoundly important. Among several schools of Gnostic Christianity, Mary plays an essential role in the revelation of the gospel. Here, for the first time in print, is a Sophian Gospel of St. Mary Magdalene. No secret oral tradition as extensive as this has ever been recorded, and none has ever presented a Gnostic view of Mary Magdalene as she is portrayed in this groundbreaking work-as a powerful holy woman, the innermost disciple and beloved wife of Jesus, and a Christed woman who is coequal with Jesus in the Christ revelation.

The Magdalene

Hermann Beckh's masterful study of Mark's Gospel offers much more than scholarly argument. It is the work of a true visionary who allows his readers to discover the meaning of the Earth and of humanity for themselves. Beckh was in the forefront of entirely new research and recovery of the Gospel, writing more for the future than for his own time. It is not uncommon for biblical scholars to view St. Mark's Gospel as little more than an assemblage of fragmentary sources and a copy of uncertain, early memories. The Gospel is said to have little historical veracity, harmony or guiding structure. Beckh's contemporary, the German writer Arthur Drews, even argued that the text was nothing more than a simplistic solar myth, wherein another Sun-hero pursued his way around the Greco-Roman constellations. Mark's Gospel: The Cosmic Rhythm is a response to such twentieth-century materialistic thinking. He was asked to write the book in the 1920s by the leaders of The Christian Community, who sought to rescue the desecrated Gospel from its opponents. Inspired by Rudolf Steiner and a vast knowledge of ancient languages – Tibetan, Sanskrit, Pali and Avestan along with Hebrew, Greek and Latin – the Rev. Professor Hermann Beckh perceived how the Gospel reflects God's Everlasting Covenant, and meticulously expressed its aesthetic unity, the consonance of its parts and its consequent radiant clarity. His far-reaching understanding of sacred texts in the original languages, always associated with the disciplined meditation he had attained from anthroposophy, led to unprecedented insight. This new edition of his classic study has been revised and redesigned.

The Pleiadian Workbook

An in-depth study of the heart-centered teachings of Mary Magdalene • Explains how the Fourth Gospel of the New Testament, specifically the Gospel of Signs, is actually a direct transcription of Mary Magdalene's oral teachings • Reveals Mary Magdalene as a gifted visionary teacher and the best qualified disciple to lead the Jesus movement after his death • Details how the Gospel of Signs outlines 7 key steps for personal transformation and healing The discovery and translation of the Gnostic Gospels have revealed Mary Magdalene to be a gifted visionary teacher and the best qualified disciple to lead the Jesus movement following his death. Yet, according to most scholars, only a few fragments of her actual teachings have survived. Sharing more than 20 years of research, inspired by a profound experience at the cave in southern France where Mary Magdalene is reputed to have spent her final years, Jack Angelo reveals that the Fourth Gospel of the New Testament, traditionally attributed to John, is actually a direct transcription of Mary Magdalene's oral teachings. He explains how the Fourth Gospel was recast by more conservative members of the Jesus movement, such as Peter and Andrew, to hide Mary's authorship and suppress her role as head disciple. Delving deeply into the many layers of meaning within the "Gospel of Signs"--the first 11 chapters of the Fourth Gospel which describe seven of Jesus' miracles--he shows how Mary's teachings outline seven key steps for personal transformation and profound healing. For example, the sixth sign describes the shamanic healing of a blind man when Jesus spits on clay and smears the paste over the man's eyes. Angelo explains how the deeper meaning of this sign is about perceiving with the "eyes of the heart." Beyond the beauty and simplicity of Mary's wisdom for personal transformation and healing, Angelo also shows how Mary's heart-centered teachings embody the resurgence of feminine energy that is vitally needed to restore balance to the psyche and health of humanity as well as to Earth.

St. Mary Magdalene

For thousands of years the great spiritual adepts from all corners of the globe have guarded the secret teachings enclosed in this book. Now, we are able to receive these teachings so that we too may be able to cultivate the high spiritual levels that have been lost for ages. The Divine Science is the systematic and exact process of the discovery of the mystical capabilities of the human soul. In all ancient religions and cultures the wise men and women used sacred words, the intonations of mantras, and the use

of the magical art of Theurgy (mysticism or white magic). This book is filled with direct instruction and practices that anyone can use in order to discover the depth of authentic mysticism.

Mark's Gospel

Using New Testament "gematria," symbolic number values encoded in the Greek phrases, the author reveals that the sacred couple was one of the essential pillars of early Christian teachings, before being denied by the architects of institutional Christianity and obscured by later Church doctrine.

Where's Your Light ?

Callahan strictly interprets the Bible through the lens of comparative mythology, where the mythic content of Biblical stories is illustrated as a way to understand the purpose the stories served for the people who wrote them. Biblical history is merely a mythic representation of human psychology and meaning-making in human conscience. Callahan contends that most of the histories and stories were written and manipulated centuries after the events described. He cautions against literal interpretation of the Bible, but seeks to understand why society validates the myth.

Magdalene's Lost Legacy

An initiatic novel based on ancient teachings and astrological wisdom from bestselling author Barbara Hand Clow A debut novel from bestselling author Barbara Hand Clow • An intricately layered erotic thriller that reveals esoteric teachings on prophecy, power, ritual, and divination • Includes dramatic insights into the suppressed discoveries of the first Christian heretics and secret power rituals at work in the Vatican • From the author of The Pleiadian Agenda and The Mayan Code In her debut as a novelist, bestselling author and acclaimed spiritual teacher Barbara Hand Clow weaves an erotically charged story of romance, deep earth forces, psychic powers, aristocracy, and Vatican world control centered on an ancient ruby that inspires mystical visions. Set in Rome in 2012, the story follows Sarah Adamson, a beautiful young Catholic graduate student from Boston studying at the Vatican Library for her thesis on the first Christian heretic, Marcion of Pontus. She is being courted by two utterly different men: Simon Appel, a descendent of the kabbalist Isaac Luria who covers Vatican affairs for the New York Times, and Armando Pierleoni, the heir to an ancient Italian aristocratic family with strong ties to the Vatican. After a terrible encounter with the dark side at a castle in Tuscany, Sarah is given a ring set with a ruby crystal, a powerful stone that was once the third eye of an ancient Buddha statue in Nepal. With the mystic ring on her finger, Sarah's visionary abilities are ignited. She remembers her past life as the Sibyl of Cumae, a Roman oracle whose powers are now being channeled by the Vatican to maintain world control. As Sarah's research and visions reveal the cause of evil in the Church and Simon's reporting exposes the depth of the sexual abuse scandals surrounding the Vatican, the two form an alliance with an ex-lover of both Simon and Armando, Claudia, who describes secret priestly power rituals going on in Vatican City. As the heightened energies of the winter solstice of 2012 arrive

and 2013 dawns, will Simon and Sarah be able to harness their divine powers for transformation? Will the Vatican seek new direction as it elects a new pope? Revealing the very nature of how evil gets into the world, this novel of romance, mystery, heresy, and spirituality uncovers the esoteric foundations for the emergence of a golden new age.
