Strange Adventures of Eric Blackburn

"NWO Editions has the goal of making available to readers the classic books that have been out of print for decades. While these books may have occasional imperfections, we consider that only hand checking of every page ensures readable content without poor picture quality, blurred or missing text etc. That is why we publish only hand checked books; that are high quality; enabling readers to see classic books in original formats; that are unlikely to have missing or blurred pages."

The Strange Adventures of Eric Blackburn

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Strange Adventures of Eric Blackburn

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. The Strange Adventures of Eric Blackburn

The popular adventure novelist William Lancaster was the son of a Royal Navy captain and wrote under the pseudonym of Harry Collingwood. He studied at Royal Naval College, Greenwich and distinguished himself by carrying off many prizes. He joined the Royal Navy as a midshipman at the age of fifteen, but due to severe near-sightedness, he was forced to abandon his chosen career. Instead, he became a civil engineer, specialising in harbour commissions. In his spare time, he turned to writing adventure yarns and historical novels, almost always with a nautical setting. His novels reveal his informed knowledge of the genre and an untiring ability to construct compelling and original adventure stories. For the first time in publishing history, this eBook presents Harry Collingwood's complete works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Collingwood's life and works * Concise introductions to the novels * All 41 extant novels, with individual contents tables * Rare novels appearing for the first time in digital publishing * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting * Novels are fully illustrated with their original artwork * Special series contents table for the 'Flying Fish' novels * Ordering of texts into chronological order Please note: no known copies of the novels 'Jack Beresford's Yarn', 'The Homeward Voyage' and 'Blue and Grey' were available at the time of publication. When new works become available, they will be added to the eBook as a free update. CONTENTS: The Flying Fish Series The Novels The Secret of the Sands (1878) The Pirate Island (1884) Under the Meteor Flag (1884) The Voyage of the 'Aurora' (1885) The Congo Rovers (1885) The Log of the Flying Fish (1886) The Rover's Secret (1887) The Missing Merchantman (1888) The Doctor of the 'Juliet' (1892) The Cruise of the 'Esmeralda' (1894) The Pirate Slaver (1895) The Log of a Privateersman (1896) For Treasure Bound (1897) A Pirate of the Caribbees (1898) An Ocean Chase (1898) The Castaways (1899) Across the Spanish Main

The Strange Adventures of a Phaeton

Reproduction of the original: The Strange Adventures of Mr. Middleton by Wardon Allan Curtis

The Strange Adventures of a Phaeton

This study examines the contents, themes, and publishing histories of juvenile literature. Subjects range from Louisa May Alcott to Nancy Drew's home town, including Tom Swift (and his girlfriend), Dave Fearless, the Bobbsey Twins, Howard R. Garis, the Louisa May Alcott/Oliver Optic feud, Leo Edwards, Harry Collingwood, Edward Stratemeyer, the Rover Boys, Franklin Mathiews and Boy Scout Censorship, and Percy Keese Fitzhugh.

The Strange Adventures of a Phaeton

First published in 1998, this volume explores how the genre of school stories had become firmly established by the turn of the twentieth century, having been built on the foundations laid by writers such as Thomas Hughes and F.W. Farrar. Stories for girls were also taking on a more exciting complexion, inspired by the 'Katy' books of Susan Coolidge. The first five decades of the twentieth century saw further developments in children's fiction. In this comprehensive volume, John and Jonathan Cooper examine each decade in turn, with alphabetically arranged entries on popular children's writers that published works in English during that period. 206 different authors are covered, many from the United States and Canada. Each entry provides information on the author's pseudonyms, date of birth, nationality, titles of works, place and date of publication and the publisher's name. The artist responsible for a book's illustrations is also identified where possible. With over 200 illustrations of cover designs and dustwrappers, many of which are now rare and have never before been published, this book will delight collectors, dealers, scholars, librarians, parents and all those who simply enjoy reading children's fiction.

The Strange Adventures of a Phaeton

A weekly review of politics, literature, theology, and art.

The Strange Adventures of a Phaeton

Volume One of reference work listing all children's books by Australians together with children's books about Australia from 1774 to 1972. Entries provide physical descriptions, dates, publishers, illustrations, awards received and, in some cases, remarks on the content. Entries are arranged by author. Title and illustrator indexes are included.

The Times Literary Supplement Index

Lists over 400 major authors and illustrators of children's stories from 1800's to present.

Annual Register of Book Values

Presents a collection of short stories, including "Sing a Song of Sixpence," "Streams of Water in the South," and "The Loathly Opposite."

The Strange Adventures of Mr. Middleton

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

The English Catalogue of Books ...

Adam Strange is the hero of Rann, a man famous throughout the galaxy for his bravery and honor. After leading his adopted home to victory in a great planetary war, Adam and his wife Alanna retire to Earth, where they are greeted by cheers, awards, and parades. But not all is as happy and nice as it seems, as the decisions Adam made during battles on Rann come back to haunt his family and threaten the entire DC Universe. Now his fate rests in the hands of one of his fellow heroes, Mr. Terrific, who must choose between saving Adam or the world. Collects Strange Adventures #1-12.
