

doing second language research an introduction to the theory and practice of second language research for graduate masters students in tesol and oxford handbooks for language teachers

[#second language research](#) [#TESOL graduate students](#) [#SLA theory practice](#) [#language teacher education](#) [#Oxford Handbooks](#)

This comprehensive resource provides an essential introduction to second language research, specifically tailored for graduate master's students in TESOL. It thoroughly explores both the foundational theories and practical methodologies required for effective Second Language Acquisition (SLA) studies. Aligning with the academic rigor of Oxford Handbooks, it serves as an indispensable guide for aspiring language teachers and researchers in the field.

We collaborate with educators to share high-quality learning content.
