A Reasonable Response

Followers of Jesus need not fear hard questions or objections against Christian belief. In A Reasonable Response, renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed, including: Why does God allow evil? How can I be sure God exists? Why should I believe that the Bible is trustworthy? How does modern science relate to the Christian worldview? What evidence do we have that Jesus rose from the dead? Utilizing real questions submitted to his popular website ReasonableFaith.org, Dr. Craig models well-reasoned, skillful, and biblically informed interaction with his inquirers. A Reasonable Response goes beyond merely talking about apologetics; it shows it in action. With cowriter Joseph E. Gorra, this book also offers advice about envisioning and practicing the ministry of answering people's questions through the local church, workplace, and in online environments. Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions, A Reasonable Response will equip you with sound reasoning and biblical truth.

No God but One: Allah or Jesus? (with Bonus Content)

BONUS: This eBook includes downloadable videos and a Q&A with Nabeel Qureshi that are not found in the print edition. Having shared his journey of faith in the New York Times bestselling *Seeking Allah, Finding Jesus*, Nabeel Qureshi now examines Islam and Christianity in detail, exploring areas of crucial conflict and unpacking the relevant evidence. In this anticipated follow-up book, Nabeel reveals what he discovered in the decade following his conversion, providing a thorough and careful comparison of the evidence for Islam and Christianity--evidence that wrenched his heart and transformed his life. In *Seeking Allah, Finding Jesus*, Nabeel Qureshi recounted his dramatic journey, describing his departure from Islam and his decision to follow Christ. In the years that followed, he realized that the world's two largest religions are far more different than they initially appeared. *No God but One: Allah or Jesus?* addresses the most important questions at the interface of Islam and Christianity: How do the two religions differ? Are the differences significant? Can we be confident that either Christianity or Islam is true? And most important, is it worth sacrificing everything for the truth? Nabeel shares stories from his life and ministry, casts new light on current events, and explores pivotal incidents in the histories of both religions, providing a resource that is gripping and thought-provoking, respectful and challenging. Both Islam and Christianity teach that there is No God but One, but who deserves to be worshiped, Allah or Jesus? This eBook includes the full text of the book plus bonus content not found in the softcover! Bonuses include a Q&A with Nabeel Qureshi and downloadable videos that answer important questions about Islam and Christianity. Please note that some e-reader devices do not accommodate video play. The Questions Christians Hope No One Will Ask

2011 Retailers Choice Award winner! "Why are Christians against same-sex people getting married? . . . Why do you believe God exists at all? . . . Why would God allow evil and suffering? . . . Why trust the Bible when it's full of mistakes? . . . How could a loving God send people to hell? . . . What makes you think Jesus was more than just a good teacher? . . . Why are Christians so judgmental?" Some questions can stop a conversation. Today, more than ever, people are raising difficult, penetrating questions about faith, God, and the Bible. Based on an exclusive new Barna survey of 1,000 Christians, *The Questions Christians Hope No One Will Ask* presents compelling, easy-to-grasp answers to ten of the most troubling questions facing Christians today. These include everything from the existence of heaven to the issues of abortion and homosexuality, as well as the question of whether evolution eliminates our need for a God.

But God

My visions and my dreams started at a young age, but I didn't know how to handle such precious gift and was blinded by deception. Struggles will come mixed with trouble, But God assured His presence through my visions and my dreams and my life experiences. God has an answer for me and for you if we learn to trust Him. Trust in His Word and hide it in your heart. Keep your heart with all diligence for out of it are the issues of life. (Prov. 4:23, KJV) We are to create and to become builders. My faith walk passed through some dark times in my life, and no one was there. But God delivered me from test and trials and being shot at with fiery darts. God was there. I found my safe place in God, peace in God. When everything seems to be going wrong in your life, "But God."

The Sovereign God That Answer's by Fire.

FIRE IS ONE OF THE FOUR MAJOR ELEMENTS KNOWN TO EXIST ON EARTH. OTHERS INCLUDE: AIR, WATER, AND DUST. HOWEVER, FIRE OCCUPIES THE MOST SIGNIFICANT POSITION AMONG THE REST FROM THE PERSPECTIVE OF SACRED RELIGIOUS WORSHIP WHERE IT IS BELIEVED TO REPRESENT THE PRESENCE OF GOD. ALSO, BECAUSE OF THE CRITICAL ROLE THAT FIRE PLAYS IN THE AREA OF SPIRITUAL WARFARE, ANYONE WHO DESIRES ACCESS TO SUPERNATURAL POWER MUST HAVE A DEEP UNDERSTANDING OF THE

CHARACTERISTICS OF FIRE AND ITS SYMBOLISM, AND BE SPIRITUALLY BAPTIZED BY FIRE. BAPTISM BY GODLY FIRE ENDOWS CHILDREN OF GOD WITH SUPERNATURAL AUTHORITY AND ENABLES THEM TO DO EXPLOITS FOR HIM. SO, THIS BAPTISM BY FIRE IS A PRIVILEGE AND GREAT BLESSING TO THE BODY OF CHRIST. THE CONTEMPOARY CHURCH NEEDS BELIEVERS, LIKE MOSES AND ELIJAH, WHOSE HEARTS "BURNED" WITH THIS SPIRITUAL FIRE. IT DISTINGUISHES A BELIEVER FOR SERVICE IN THE KINGDOM WHERE GOD, THE SUPREME JUDGE THAT IS "A CONSUMING FIRE", IS ALSO THE GOD OF MERCY AND GRACE, WHO SAVES THE PENITENT. THIS IS A MYSTERY THAT THIS BOOK TRIES TO UNRAVEL.

God's Final Answer

Have you ever wondered where the Universe came from? Did it come from a big bang billions of years ago or did an Intelligence far beyond our own create it? If the Universe was created then why was it created and what's its purpose? What's man's purpose, where did we come from, did we evolve from primordial ooze, or were we created in the likeness of that same intelligence? Did this intelligence, this God, always exist? Where did he come from, how did he come into existence? Why would this God, this spirit, have the likeness of a man with arms, legs, and feet? Answers to these questions have eluded mankind since the dawn of time. Many theories have attempted to answer them but there are always flaws. Questions still remain. Questions such as, where did the matter and energy of this big bang come from, how could it just happen to be there? I believe that hidden deep in the pages of the Bible lay the answers to all of these questions, and for thousands of years no one has realized it nor been able to put it all together. However, after seven years of research I believe that this book can answer all of the above questions without leaving any loose ends. I believe that contained within the pages of this book lay the answers to all of mankind's deepest questions. Answers to questions such as, where did God come from, why was the Universe created, what is mankind's purpose, and the age-old question, which came first, the chicken or the egg? This little book can also tell you where we as a civilization are headed and what our ultimate fate will be, all from the Bible.

The Origin of God

The fourth volume in this epic and classic undertaking by one of the most notable theologians of the Roman Catholic Church. This volume features theological considerations towards such topics as Virtues, Fortitude and Temperance, Graces and States of Life and other important topics that we often take for granted in our thinking in the church and in worship towards God. These topics must be carefully considered if we are to ever have a deep understanding and love of the one true God and his son Jesus Christ.

Summa Theologica: Third Part of the Second Part

Introduction One of the biggest problems I have with the Bible relates to the information inside of it. We're taught to believe, have faith and never question, anything in the Bible, but that way of thinking doesn't make any sense. 21st-century Christians aren't going to accept everything, like the faithful followers, of the 20th, 19 or 18th centuries. Christians today are tired of listening to religious leaders, who won't tell them the truth. They want answers to difficult questions and if their leaders can't answer them, then they won't be sticking around. They're going to find another Christian organization, who can deliver the goods. Some of these questions and even their answers are obvious, while others seem to slip by, without notice. For example, most Christians don't give much thought to, the origins of God. Heck, I didn't even give it much thought, until I was in my 40's. Well, have you ever thought about it, where God actually came from? Sure, you can accept and believe, but it won't do any good, if it isn't the truth. I can't figure out why Christians believe everything their told, without questioning at least some of the goofy stuff? Well, I'm here to put an end to it and get you guys thinking about the things you we're trained to believe, without ever asking why. It's the truth, most religious followers, including Christians, rarely think about their beliefs, faith or origins. You wouldn't accept information from another person, if it hadn't been validated, but Christians do it every day, with Christianity. How do you know your prayers were answered? How do you know everything is going to be all right, even when it hasn't been for years and things aren't looking any better, today? Why do we believe in God, Jesus, the Holy Spirit, Holy Bible, biblical stories and other information in the Bible, even though most of it has never been validated? I don't know why. If no one else is going to ask, then I will. However, I'm not going to provide you with the answer, because I didn't write the Bible. I'm not God, I don't know what Jesus looks like and I've never witnessed the Holy Spirit, in action. I'm going to ask the questions, but you need to answer

them. It will be entirely up to you, to do the necessary research and draw your own conclusion. You can ask for help and even bring these questions to Bible study, but be warned, in advance. Most Christian leaders or egotistical Bible study masters could be offended, because they lack the knowledge, wisdom and understanding, to answer them, correctly. Last but not least, don't accept anyone's answer, unless they can validate them. One of the biggest problems with Christianity lies with their inability, to answer difficult questions, with a simple yes or no.

The Homilies of S. John Chrysostom, Archbishop of Constantinople, on the Second Epistle of St. Paul the Apostle to the Corinthians

Why do bad things happen in our world? Why does God allow suffering? If he exists, why doesn't he do something? Of all the hurdles to faith, suffering must be the greatest. But how do we answer the question of 'Why?' in a credible, satisfying way? In this revised and updated edition of an award-winning book that has helped thousands in their journey of faith, scientist Sharon Dirckx explores some of the most agonizing and bewildering questions we all ask. With compassionate warmth and insight, she offers advice to help us cope with suffering and difficulties. Alongside, she interweaves her own experiences and the personal stories of individuals who have faced some of life's toughest challenges, showing us that it is possible to believe in a powerful loving God and acknowledge the reality of evil and suffering. Why? is a book for anyone who has questioned how suffering and a compassionate God can coexist. It will help you better understand the nature of God in Christianity, and will equip you to answer the question of 'Why?' with confidence and clarity. It is also an ideal apologetics book to give to friends and family just beginning on their faith journey or who are struggling and looking for answers. If you have ever asked or wondered why God allows suffering, Sharon Dirckx's gentle wisdom in Why? will help you see life from a new perspective - one that makes more, not less, sense of our hurting world.

460 Questions for God, from the Book of Matthew

Some of the answers to these questions will be most startling. However the way Mecca points out his reasoning, and backs it up with both scientific fact and religious claims, you will see the absolute logic that prevails and the evidence will be indisputable. You will find the creation of Man, his origin and evolution to be much different then anything you have ever heard before.

In 1990, New City Press, in conjunction with the Augustinian Heritage Institute, began the project known as: The Works of Saint Augustine, A Translation for the 21st Century. The plan is to translate and publish all 132 works of Saint Augustine, his entire corpus into modern English. This represents the first time in which The Works of Saint Augustine will all be translated into English. Many existing translations were often archaic or faulty, and the scholarship was outdated. New City Press is proud to offer the best modern translations available. The Works of Saint Augustine, A Translation for the 21st Century will be translated into 49 published books. To date, 41 books have been published by NCP containing 93 of The Works of Saint Augustine, A Translation for the 21st Century. Augustine's writings are useful to anyone interested in patristics, church history, theology and Western civilization. -- Publisher.

In God We Trust (But Should We?)

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Does God answer prayers? If he does, what is the timing? What prayers does God answer? Does God answer according to our expectation or differently? How important is God's will in answering prayers? This book answers to those questions and explains how important and essential praying daily is to grow and continue our relationship with God. It contains the prayers of many of the biblical men and women and the principles we can learn from them. Also, this book explains the purpose and reasons behind prayer and why it is important in our lives on earth. It explains how prayer helps us move closer to God and spiritually grow and stay in faith with God. This book explains how God was moved by the prayers of his servants and his children in difficult circumstances. It also proves that our God is a prayer-answering God. Also, this book provides information from the prayers of the apostles and church fathers, including St. Paul, St. Augustine, and Martin Luther, the reformer of the church. This book explains the different types of prayers. There is also a chapter on our Lord's Prayer and how he taught us to pray. How can prayer change things, move the hand of God, change a person's life, move mountains blocking the path to success in our lives, and solve life's problems? God's blessings and wonders by prayers are all discussed in this book.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Love is not a physical entity, and yet it is very real. In order to know if there is true love in a particular situation, you need evidence. And being the skeptic that I am, I needed fairly strong evidence. #2 The most common question Christians get is how they can know there is a God. The Christian answer is that God is not a material thing, and therefore cannot be seen, heard, or touched. #3 God is real and active in our world, and we can testify to that fact. He has forgiven us and turned our lives around, and he speaks to us, guides us, redirects us, and rebukes us when we need it. #4 There are many ways to evidence God's existence, and we can share those with others. We can point to the effects of the invisible God in our world by using examples that everyone can access.

WHO CARES

People love to share good stories -- but above all, they remember them Jesus knew this, so the master storyteller's most powerful sermons -- the parables -- were earthly stories that used everyday imagery to communicate heavenly meaning. In this volume, Sheffield helps you tell the story by expanding on 14 of Jesus' parables appearing in Cycle A and bringing them into a more modern setting. The parables of Jesus as familiar, predictable Sunday school stories? Not when Richard Sheffield is doing the preaching and teaching -- Ginny Thornburgh (Board of Trustees, Princeton Theological Seminary)

Bestselling author Philip Yancey tackles questions Christians often wonder but seldom ask aloud. In his illuminating exploration, he uncovers true, real, and lasting hope in the midst of your darkness that will produce an even stronger faith than you had before. Do you feel like you've been let down by God? Abandoned by the One who was supposed to come to your rescue when you needed it most? You've come to the right place. Philip Yancey has a gift for articulating and answering some of the most honest, complex issues of faith. In this 25th Anniversary edition of Disappointment with God, Yancey poses three questions that Christians wonder but rarely feel permission to voice: If God is so hungry for relationship with us, why does he seem so distant? If God cares for us, why do bad things happen? If God's promises are true, why do they feel so far off from personal experience? With clarity, honesty, and biblical assurance, this insightful and deeply personal book shows you the light in the midst of

darkness--the hope that God offers right in the middle of life's disappointments. Yancey points you beyond the cynicism that is often bred in hardship to a stronger, wiser faith, a confidence in God's deep love, and a thirst to reach not just for what God gives, but for who God is. Included in this anniversary edition is a study guide with questions about these perplexing crises of faith that the author confronts. Spanish edition also available.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

I Am

This tract shows how sin is the greatest problem facing the world, and only the gospel offers the solution: salvation and eternal life freely granted through faith in Jesus Christ.

The Gospel According to Matthew

This book makes the argument that humankind was placed here on earth to multiply, fill the world and take dominion over all of God's other creations. A purpose driven life will necessarily align with these purposes. A purpose driven life is one that is fulfilling God's purposes. How well we do this is the primary reason why some people have become very successful while others have failed. Our spiritual side reflects our God connections and for the Christian it begins when one is born again. While our purposes and the things that drive us may need adjustment after we are born again, they do not change

significantly. They all have one common denominator and that is fulfilling our responsibilities as parents and doing that in obedience to God. With this in mind, it should not be difficult to answer the question what on earth am I doing here? What drives our lives? It is the need to provide for our children, for adulthood comes with the obligation to find a life partner and begin multiplying and this is universal.
