You're not alone! In this episode, we dive into the challenges and doubts faced by ... Is Management Right For You?

Conflict, trust issues, lack of respect and inconsistent results.

Leadership and management can be learned. There is NO such thing as NOT being "cut out for it" myth and a trap and a hamster wheel that will run you to death.

Not every manager knows HOW to provide reinforcement.

Your manager might perceive you to be stronger so they may not feel the need to reinforce you.

The quality of your question will determine the quality of the answers you receive.

Organizations are never limited by their opportunities or their team, they are always limited by their leaders.
