

Illegal Peace In Africa An Inquiry Into The Legality Of Power Sharing With Warlords Rebels And Jun

[#African peace legality](#) [#power sharing warlords](#) [#rebel peace agreements](#) [#conflict resolution Africa](#) [#legality of peace deals](#)

This in-depth inquiry critically examines the controversial practice of establishing 'illegal peace' in Africa, focusing on the complex legal and ethical implications of power-sharing arrangements with warlords and rebels. It challenges conventional approaches to conflict resolution, probing the long-term viability and justice of such peace deals across the continent.
