Over the last 10-15 years the importance of understanding the organisational culture of merging organisations has come to the fore.

Many failed mergers

and acquisitions have been put down to cultural clashes and misunderstandings.

Organisational culture is now a major component in the decision-making process of which organisations to merge with.

Whilst culture has become a standard part of the 'fit' matrix between organisations

A really interesting study has been looking at the use of what is known

and founding stories of the organisations involved

through oral histories and mapping uncertainty.

mergers and acquisitions, uncertainty and organisational development.
