The book contains poems that most of us can relate to and yet no one can speak or express and find it difficult to let go because these moments have become an important part of us. We are not who we are without these emotions that we try to suppress from time to time. These poems help us acknowledge them and show us that there is no harm in living with them.

Stories of our life

I killed a fae leader and now I have to face the consequences. Where I used to stress over college classes, I now have to worry about being a leader to fae who despise me, all the while adjusting to my new diet of human emotions. As for Tristan—I'm still drawn to him in ways that steal my breath and leave me wanting more. There's no denying how strong we are together or the passion we once shared. And with a looming threat and fragile alliance between our people forcing us to work together again, it's dangerously easy to slip into old ways. And each other's beds. But I have to remember that we're on different sides now. Forbidden to be together, no matter how much I crave his touch. If only I can get my head and heart on the same page...

Lochlan Masters takes no prisoners. He's the "DOM" of the Alpha Douchebags. The man to get the job done when no one else can. Whether it's out on the field playing rugby, in a bed with a basic bitch, or burying a body. He's fierce, brazen, always in control and thinks quick on his feet. Until it's time to finally claim the woman he's been after and all bets are off. But Ragan Mount is no basic bitch. She's the bitch. His bitch. She's no angel, and that's just the way he likes it. Ragan is outspoken, untamable, unframeable and she's the only one who can bring Lochlan to his knees. She's no lady, no matter how hard her grandmother tries to turn her into one. A deal was made. One she won't like. He knows it's going to take more than just f*cking her to distraction to make her forgive him. He'll go to his knees for her. He'll submit his heart to the only woman who has the strength to handle him at his worst. And when Ragan finds out the secrets he's been keeping, it's going to take everything inside her to move past it, that the only thing that matters, is real, raw, relentless love. She won't settle for anything less.

Alpha Douchebag: The Dom

Just when Ragan thinks everything is starting to come together with Lochlan, there's more secrets she has yet to uncover. Her secrets... her past, finally show themselves and it's up to her to take the plunge. Whether to trust the man she's fallen head over heels for, or go it alone like she's always done in the past... believing she can never count on anyone. Lochlan's done giving Ragan the time she needs to come to grips with the fact that she's belonged to him since the moment they met. It's time to claim the woman he's been in love with since he was sixteen. The sex is for certain. They're a fuse and bomb ready to be set off. Ragan's not giving in to his charms just yet. He still has secrets he won't reveal. Her future in her grandmother's company has yet to reveal itself and she doesn't know what she wants to do. One thing about Lochlan and Ragan, they're a match made in heaven- or maybe hell, but it's going to be one hell of a ride getting there. Just wait and see.

La verità su Riley lo sconvolgerà tremendamente, ma finirà il loro rapporto? O Nick ci metterà una pietra sopra? Anche se forse ci vorrà un macigno.

Das Gewicht der Welt in meinen Worten

For første gang udkommer Tik Tok-sensationen Twisted på dansk. Twisted love er første bog i New Adult-serien, som har ligget øverst på bestsellerlisterne verden over siden 2021. Ava Chen er foto-studerende og bor sammen med sin bedste ven, Jules. Hun er også en vild sjæl, der forfølges i sine mareridt af et traume, hun ikke kan huske. Avas erindring er mørk som natten, men alligevel insisterer hun på at se verdens skønhed og lys i sine vågne timer. Alex Volkovs tragiske fortid har altid drevet ham mod både succes og hævn. Kærligheden har aldrig haft hjemme i hans verden. Men da han modvilligt accepterer at tage sig af sin bedste vens søster, begynder han at føle noget, han ikke har følt før – noget, han ved, han må kæmpe imod. Det var aldrig meningen, at de to skulle forelske sig, og deres kærlighed vækker hemmeligheder og dybe traumer, der kan få deres verden til at sprænges i tusind stykker.
