The Adventure Begins

Action, adventure, romance and intrigue; it all began with a friendship between Jake, a battle worn, middle aged, human, mercenary and a young alien named Arr. From that friendship sprang the foundation of a series that will envelope you in its character driven stories and fast paced, paging turning momentum. The Star Traveler Series is currently a six volume set of Science Fiction novels reminiscent of the old masters, Bradbury, Asimov and Heinlein. With well-defined characters, the books have a strong cinematic feel and they create tremendous atmosphere. A terrific, highly imaginative world built, and peopled with, appealing, interesting characters you can care about.

Visions of a Star Traveler

The author shares a large variety of experiences that include experiences from this dimension and other dimensions. There are experiences from childhood, ancient times, experiences of healing, experiences with angels, saints, and archangels. There are experiences with other star systems, galaxies, and dimensions. There are many experiences of creativity on many dimensions. There are also experiences with the ancient light group and the mentor of that ancient light group. The experiences with tha

More Than a Star Traveler

To come back to Earth Three in his collie form, Chap agrees to go on Angel Assignments with his beloved human. Chessie Durand is sometimes amazed and sometimes frustrated as she learns how to use the powers of a mystical necklace given to her by a man who has loved her for many lifetimes. Peter Stravel knows Chessie is his Chosen One when he travels through the stargate to her dimension. However, their love and their lives are threatened by those who want to destroy Chessie before she realizes her full power as the One who travels in the light of the merkaba. Their survival depends on learning to trust their love and use their supernatural powers, as they team up with animals who play a special role in their lives.

Shade Series: Books 4-6 Boxed Set

All that glitters isn't gold. All that shimmers isn't innocent. This boxed set contains the final three books in the YA Paranormal Mystery / YA Urban Fantasy Shade series. *Shade and the Pure-Blood Faeries* (Shade Series Book 4): Shade faces several major challenges during her sophomore year at Ocean View College, an institution for training those with magical abilities. She supports her selkie friend Apple as she undergoes a difficult surgery. She helps solve the mystery of local children who have gone missing, some returning to their parents in disturbing condition. Learning that the pure-blood faeries wield way too much power in a system that holds others back, Shade also begins fighting to change the status quo. This becomes a pivotal year in Shade's life as she grows into her destiny as a ghost whisperer. *Shade and the Vampires of Romania* (Shade Series Book 5): As a foreign exchange student in Romania, Shade must deal not only with ghosts, but also with the undead. Her first semester trains her to deal with the in-between worlds, including that space between the dead and the undead. No amount of training can prepare her, however, for stepping into a world where vampires and other undead such as the strigoi and moroi are so much more than legend. *Shade and the Crystal Orb* (Shade Series Book 6): During their senior year at Ocean View College, Shade and her friend Li Zhang travel to Scotland to complete a research project on the kelpies. While there, they meet a number of these magical creatures. Things take a dangerous turn when they get swept up in a situation among the kelpies and two other magical groups, the Fin Folk and asrai. When Shade and Li meet Nessie the Loch Ness Monster, things happen that forever change the lives of everyone at their college for the magically gifted.

Lone Star Travel Guide to Texas Parks and Campgrounds

An up-to-date guidebook perfect for campers, hikers, mountain bikers, horseback riders, bird watchers, nature photographers and just about anyone else who enjoys the outdoors.

Lone Star Travel Guide to Texas Hill Country

A more narrowly focused but still abundantly informative treatment of the Texas Hill Country, this new edition features five tours of the Hill Country that capture the essence of its flavor and charm. Take a ride on the Fredericksburg & Northern Railroad, follow the historic Mormon trails from Travis Peak Community to Medina Lake, visit Enchanted Rock, and much more. This updated sixth edition contains even more Hill Country destinations than ever before!

The Star Traveler

Renee Collins, ace reporter for the Sun Times Newspaper, thought the break in at the DyCom Energy and Science Museum was just another story. Until, she discovered that the army was searching for the thief as well. Then she realized she had found the story of a lifetime, after being told by Colonel Taylor to keep her nose out of his business. Trusting her instincts, Renee and a photographer follow the army's investigation team across the country as they pursue the thief. Colonel Taylor considered the man to be a threat to National Security. The scientists considered him to be a chance to gain knowledge. However, this man's very existence could start a war. After being arrested and charged with interfering with a Federal Investigation, Renee finds herself kidnaped by this very man. A man from another world, and who Colonel Taylor and the others call: The Star Traveler.

Lone Star Travel Guide to Central Texas

Formerly a part of the popular Lone Star Guide to the Texas Hill Country, Central Texas now gets its own treatment in this up-to-date guide that includes history, folklore, and geography; detailed listings of lodgings, restaurants, and entertainment; major attractions, including state parks, museums, and historic places; directions, days and hours of operation, addresses, and phone numbers; and maps and calendar of events. Five tours take you from the Balcones Escarpment to "Central Texas Stew," a region of the state largely settled by Czechs and Germans in the early twentieth century.

Star Chaser: The Traveler

Welcome! You have just entered a new realm - a new Universe where there are worlds, races, powers, allies and enemies just waiting to be discovered. Your place may be with the wielders of Iro... or perhaps as a Traveler... it could be that your destiny lies on a ship flying through the stars... or straining your skills on a battlefield... maybe you're most suited to hours spent pouring over ancient tomes... or engaged in a game of chess that will shape the cosmos. Whatever your place - wherever your destination - you will

find yourself... Beyond the Outer Rim In 'Star Chaser: The Traveler', the prelude to the series, we meet Z'GUNOK TEL DUNGAS, a Malgovi born without the ability to channel IRO, an ability inherent in the vast majority of his race. As a member of a high-ranking family, he lived a life in-between... not truly an outcast, but never fully embraced. Often discounted and forgotten, Dungias was left to grow and learn primarily on his own. Yet the advantages of his family's name did not entirely protect him against those who considered him anathema. Through strength, daring, and unexpected cunning, Dungias created himself out of nothing - and worked toward the day when he could make changes... Little did he know just how far-reaching those changes would be! "A venturesome sci-fi/fantasy novel for readers who really want their action set where no man has gone before." - Kirkus Reviews

Would a Maharajah Sleep Here?

Inspired by a movie, television show, book, or stories from friends, we may find ourselves daydreaming about trips to exotic locations with exciting adventures. For some lucky ones, these dreams become reality. Would a Maharajah Sleep Here? presents firsthand stories of luxury travel and discovery by two fun and experienced travelers. Authors and travelers Stephen and Leanne Troy provide accounts of historic exploration, luxury hotel stays, and encounters with interesting people around the world. Each trip is private and planned in great detail to make sure each and every adventure is unique and experienced in five-star luxury. Chronicling their exploits at the end of each day, the Troys describe checking into the finest hotels in the world and getting whisked away for incredible tours of some of the world's greatest treasures. In addition to personal anecdotes, this travelogue shares information about sites, history, culture, and food in countries around the world. The Troys reveal the good, the bad, and, of course, the fun and funny events that they encountered on their trips around the globe.

A Traveler's Guide to the Stars

A brief guide to the real science of interstellar travel With known exoplanets now numbering in the thousands and initiatives like 100 Year Starship and Breakthrough Starshot advancing the idea of interstellar travel, the age-old dream of venturing forth into the cosmos and perhaps even colonizing distant worlds may one day become a reality. A Traveler's Guide to the Stars reveals how. Les Johnson takes you on a thrilling tour of the physics and technologies that may enable us to reach the stars. He discusses the latest exoplanet discoveries, promising interstellar missions on the not-so-distant horizon, and exciting new developments in space propulsion, power, robotics, communications, and more. But interstellar travel will not be easy, and it is not for the faint of heart. Johnson describes the harsh and forbidding expanse of space that awaits us, and he addresses the daunting challenges—both human and technological—that we will need to overcome in order to realize tomorrow's possibilities. A Traveler's Guide to the Stars is your passport to the next great frontier of human discovery, providing a rare inside look at the remarkable breakthroughs in science and technology that will help tomorrow's space travelers chart a course for the stars.

The Malefactors

A twisted tangle of Passion and Murder. The Malefactors is Book #4 of the Star Traveler Series which began with The Helavite War. What happened in the year 30-31 A.R. (After Reestablishment) that threatened to shatter Garrett and Pon's new marriage before it even had a chance to flower? Can a child rescued from certain death at the hands of the local Guardians on Goliath's Third Moon be the catalyst to save their marriage? Meanwhile we are led to the rainy, dank planet of Walh. The ruling family has found out disturbing information about Targus which will send the M.T. team spiraling out of control. It is only through Terrell's inherited ability to learn languages and his persistence that Targus may escape his fate in a society that is scarcely more than medieval in its technology. But, in order for Terrell to save his captain he must resurrect and conquer the hidden demons he has tried so hard to bury.

A Mear Sleight of Hand

It has been two years since Sa'ling saved the alien Henu population and married Taylor. Taylor now has twins of his own, Dillion and Collin. But life is not all diapers and pacifiers. Arr's past has come back to haunt him. There is a madman, Braden, on the loose who has a vendetta against him – a vendetta that has its roots in a mercenary mission long ago with Jake. Arr knows this man and the destruction he can bring down on the Henu colony. Arr chooses to leave the community and lead Braden away from his family and friends - rejecting all offers of assistance. It is only after Terrell inadvertently learns that Arr

will not be facing one opponent but five, that he returns home to pursue his father with, Nor, Garrett, Taylor, and Mear at his side. Meanwhile, the normally helpful Targus has been called back to his own home world to judge whether his youngest son, Seegus, is worthy of joining the Galactic Forces. Once Seegus' fate is decided, will Targus and Coal make the difference between life and death for our valiant troop confronting Braden and his gang?

Three & a Half Dragons

Find out what happens when James does not have Farloft's full attention. Three & a Half Dragons is book #5 of the continuing saga of Farloft the Dragon and his friends following Too Many Dragons (Book #4). Farloft the Dragon is grumpy. His mate, Clearair's stomach aches. James has been forced to find a new home. And, there is a baby on the way that will throw the entire Kingdom into chaos.

Shifting Agony & Ecstasy

The Realms is a parallel dimension hidden between Minneapolis and St. Paul where creatures, humans think of as only mythical, roam free. Cody's a shape shifter who has lost his job, but that isn't anything compared to the fact that Simone, the love of his life, is lusting after another guy. On top of that, Cody's best friend, Pete, thinks he's being lazy. If Cody could only tell him the reason why he knows Pete would understand, but there are always secrets in The Realms. And Azur, Simone's mom, has caught Cody in a compromising position with her daughter, which is pretty scary considering what Azur really is in her free time. Life is tough in The Realms for a shape shifting wolf, and it just keeps getting tougher. Paranormal, Fantasy, Urban Fantasy, Shape shifter, Shape-shifter, Vampires, Werewolves, Fire Demons

Dragon Memories, Dreams & Reflections

Dragon Memories, Dreams & Reflections is book #6 of The Farloft Chronicles. This volume is Farloft's recollections of his early life with the Healer, Theresa. A life filled with magic, adventure, intrigue, deception, and murder ... All woven together by the love of a boy, a girl and a dragon. Come sit with us and read Farloft's tale of how he met and came to love a tiny, chestnut haired child who grew to be the finest Healer in the land.

Too Many Dragons

When East meets West, there will be Dragon Fire! Too Many Dragons is book #4 of the continuing saga of Farloft the Dragon and his friends following Kingdom of the Last Dragons (Book #3). A mysterious visitor from the east has arrived in the Kingdom. He is seeking a magic talisman he believes the Healer, Theresa has in her possession. In the wrong hands the talisman could be a very dangerous weapon. The visitor is accompanied by the eastern dragon, Thrax, an old acquaintance of Farloft the Dragon. Once a friend, now an enemy, this new dragon and his companion bring nothing but trouble to the Kingdom of the Last Dragons.

James & the Dragon

Do you love dragons? You will find Farloft irresistible. James & the Dragon is book #1 of the exciting saga of Farloft the Dragon and his friends. What would you do if you were adopted by a dragon? When ten-year-old orphan James nearly drowns in a bog, he finds himself rescued by Farloft, a centuries old dragon with a glittering collection of treasures and an even richer collection of stories. But, dragons and boys are not meant to live together – or are they? When Laval – a wizard harboring a secret hatred for Farloft finds out about James, he sees his chance for revenge.

Cataclysm

Meet the Krackow, a species so advanced in their star travel they do not concern themselves with ecologically destroying their 'home' planet. Once the planet becomes uninhabitable they simply move on to another pristine jewel in the galaxy's crown. They have just moved in on the Henu planet bringing with them destruction and disease - a disease that threatens the survival of the Henu colony. Arr and Taylor are testing the waters as partners now that Jake is gone. Taylor's unorthodox winnings from a friendly game of cards prove to be challenging, but ultimately it may be that prize which will be the answer to the Henu colony's future. The power of love takes on a whole new meaning when the Krackow come face-to-face with someone even their technology cannot surpass.

Shifting Places

Mr. Grimm wants his daughter back. Raven kidnapped Angelica over eighteen years ago. The vampire ruler holds her as hostage, blackmailing Grimm to do his bidding with the threat of 'turning' her. Mr. Grimm has witnessed an event. He believes with the help of Azur, the fire demon and Cody, the shape shifter, he might finally rescue his daughter. The team of three must travel through the many portals of The Realms; through the land of the Yeti, across the sands of the Pharaohs and into the stronghold of the Minotaur. But, will the rescue of Angelica mean the death of one of Cody's pack? Simone has been left alone, unprotected.

Dragon Deceptions

Find out what happens when Farloft meets the Dragon Slayer. Dragon Deception is book #3 of the continuing saga of Farloft the Dragon and his friends. In a misguided attempt to thwart a takeover of the Kingdom by the King of Baldar, Farloft and James are accused of treason. They are forced to flee their home. The two dragons, and Adrian, are pursued by three malevolent dragon hunters, but are the hunters all they seem, or is there magic involved?

Old Friends/New Enemies

It has been thirty years since Jake and Arr settled down and gave up the mercenary trade. Arr's life is falling apart. During a spice delivery to Gamma 12 Jake's life is threatened. At the same time in a distant corner of the Rigil galaxy Arr's daughter and her partner are thrust into a situation where they must depend on each other in order to survive, but they may need Dad's help to get through their ordeal. Meanwhile, Targus has lost Damion Mitchell to retirement. Targus' search for a new medical officer for his crew leads him to a newly graduated Galactic Forces Academy officer, Terrell Sterling. Terrell has an unexpected connection to the Henu and enough personal baggage to choke a Tuldavian Swamp Lizard. All three plots collide in a spectacular finale that will leave you seeking more Star Traveler adventures.

Shifting in The Realms

The Realms refers to a parallel dimension hidden between Minneapolis and St. Paul where creatures, human's think of as only mythical, roam free. Cody is a shape shift with some monumental problems that all started when he died. He's escaped to The Realms from the midlands between Heaven and Hell only to find his best friend is potential food for the resident vampires, his girlfriend only loves him in his wolf form and her mother...well that's a whole other story. It isn't easy being Cody, but like a good wolf he'll do what he can to protect his pack even if it kills him. Wait...he's already dead. Paranormal, Urban Paranormal, Urban Fantasy, Wolves, Vampires, Fire Demons, Romance, Action, Shape-shifter, Shape Shifter

We 3

Are you a Baby Boomer Caregiver? Are you being cared for by your adult children? We 3 is a collection of stories – sometimes touching, sometimes hilarious, always authentic – about a baby boomer caring for her aging parents. “There are many audiences for books of this type. People will read Ms. Snyder's work for: comfort from the feeling of aging, reflection of family closeness, to cope with caring for a loved one, and so much more.” – Travis Adams Irish “I recommend this book! Theresa's collection of essays on living with her parents as their adult caregiver shed light on the ups and downs of re-combining the family unit after years spent apart.” – JK Mohr “The stories are charming, funny, thoughtful and informative for many of us who have, or will, taken care of our aging family.” – Marsha A. Schauer

Kingdom of the Last Dragons

Will the Zonguldak Ruby place the Kingdom under its Spell? Kingdom of the Last Dragons is book #2 of the exciting saga of Farloft the Dragon and his friends, which started with James & the Dragon (Book #1). The Healer, Theresa, has returned to the Kingdom after a ten year journey to the Far East. She brings with her new knowledge of healing and spells unlike anything the Kingdom has seen in the past. James is learning how to fly, which isn't easy even with newly sprouted dragon wings. Farloft is trying his best to teach James what he needs to know to survive in his new role as a young dragon. But everything will not be all star-fire and smooth dragon flight. Laval, the Wizard, still has the Zonguldak Ruby and it is out to seduce the wizard and throw the whole kingdom under its spell.

The Malefactors

In volume 4 of the Star Traveler Series it is the year 30-31 A.R. (After Reestablishment) Garrett and Pon's new marriage threatens to shatter before it even has a chance to flower. Can a child rescued from certain death at the hands of the local Guardians on Goliath's Third Moon be the catalyst to save their marriage? Meanwhile we are led to the rainy, dank planet of Walh. The ruling family has discovered disturbing information about Targus which will send the MT team spiraling out of control. It is only through Terrell's inherited ability to learn languages, and his persistence, that Targus may escape his fate in a society that is scarcely more than medieval in its technology. But in order for Terrell to save his Captain, he must resurrect and conquer the hidden demons he has tried so hard to bury.

The Heirs of Henu

Our mercenaries find themselves embroiled in a drug deal gone bad, in a universe where there is no place to hide. Jake's surrogate dad has inadvertently pull Jake and Arr into a life-or-death situation. With Arr's life in the balance, assistance from a Galactic Forces Mobile Tactical Team, MT #2424, might be their only option for survival... but will contact with them mean life imprisonment for Jake? How great a sacrifice must a man make for his partner?

The Helavite War

Jake is a human mercenary looking for a quiet place to rest, when his Protect Dar-dolf attacks the last living Henu, Arr. Feeling responsible, Jake stays on to care for Arr, as the alien with deep blue cat eyes and unusual abilities recovers. Jake takes on the role of teacher, mentor, father, and lost brother for his new alien friend. As they are challenged by one mercenary mission after another they learn to appreciate each other's unique abilities. Ultimately, they must face their toughest foe, the Helavites, a species which has been preying on the weaker beings in the universe for generations. In the underground catacombs of these beetle-like creatures a mystery is solved and the foundation for the resurrection of an old world is laid.

Star Travelers

Join the Star Travelers on their first official mission for the World Space Exploration Administration. Star Travelers: Time Is an Inclusion picks up shortly after Get Out of My Milky Way as the Travelers are on a mission to explore the Kepler-90 star system. After their plans go awry, the Travelers must once again find their way back home through a combination of critical thinking, teamwork, and a little bit of outside help. A whole new universe of adventure awaits the Star Travelers in the second installment of this edge-of-your-seat series.

Beyond the Unknown

This seventh sequel to The Book in the Loft series involves the fulfillment of a dying man's request and takes Commander Neil MacBruce and the crews of Explorer and Star Traveler to investigate an object moving toward them from deep inside a vast empty region within the galaxy. What will the crews discover, and how will they unravel the questions that arise? In their attempt to find the answers, they begin a journey that finds them engaged in a life-and-death struggle on the other side of nowhere.

Interstellar Manned Space Travel

Sci-fi novels, movies, and TV shows have provided ideas on how interstellar space travel might be accomplished, allowing humans to travel far beyond the Milky Way galaxy. Many of these ideas are being explored by scientists today. In this enlightening book, readers learn about how human interstellar travel might be accomplished and how STEM skills are being used to solve the problems involved.

Human interstellar space travel raises a variety of ethical questions as well, such as who goes on this one-way trip, traveling far from home for years or even generations? This resource provides a human and technical overview of a captivating, yet contentious, topic.

The Heirs of Henu

Love Scifi with a touch of Thriller mixed in? You won't be able to put this book down. The Heirs of Henu is Book #2 of the Star Traveler Series, which started with The Helavite War (Book #1). In The Heirs of Henu our mercenary team finds themselves embroiled in a drug deal gone bad, in a universe where there is no place to hide. Jake's surrogate dad has inadvertently pulled Jake and Arr into a life or death situation that can only be thwarted by assistance from a Galactic Forces Mobile Tactical Team, MT #2424. Meet the crew of MT #2424: Captain Targus, Pilot, Species: Walhmite, Height: 7'8"

Can Star Systems Be Explored?

Nanotechnology is an emerging and exciting area in the field of implants. Numerous promising developments have been elucidated regarding the use of nanotechnology to regenerate tissues. This important book highlights the potential of nanophase materials to improve hard and soft tissue applications. In all cases, increased tissue regeneration has been observed for bone, cartilage, vascular, bladder, and central/peripheral nervous system tissues.

Hidden Universe Travel Guide

In recent years numerous films, television series, comic books, graphic novels and video games have featured time travel narratives, with characters jumping backward, forward and laterally through time. No rules govern time travel in these stories. Some characters move by machine, some by magic, others by unexplained means. Sometime travelers can alter the timeline, while others are prevented from causing temporal aberrations. The fluid forms of imagined time travel have fascinated audiences and prompted debate since at least the 19th century. What is behind our fascination with time travel? What does it mean to be out of one's own era? How do different media tell these stories and what does this reveal about the media's relationship to time? This collection of new essays--the first to address time travel across a range of media--answers these questions by locating time travel narratives within their cultural, historical and philosophical contexts. Texts discussed include Doctor Who, The Terminator, The Georgian House, Save the Date, Back to the Future, Inception, Source Code and others.

Time Travel in Popular Media
