The road to enduring success is paved with obstacles. No one is spared the gauntlet. Mental toughness is required to overcome hurdles that threaten to derail us from our goals. This state of mind can literally mean the difference between success and failure. The Many Names of Mental Toughness A lot of terms are used synonymously with mental toughness, and some are less accurate than others. Following are examples: *grit* *persistence* *tenacity* *perseverance* *stoicism* *resilience* *resoluteness* *resolve* *mental stamina* *mental fortitude* *discipline* What This Book Is (And Is NOT) About The goal of this book is to help you achieve greater levels of success in whatever area of your life you'd like to focus on. It's going to take more than optimistic platitudes and positive self-talk. I won't lie to you; it's going to entail hard work. It'll take effort, and there'll be plenty of frustration along the way. But the rewards for becoming mentally tough are considerable. You'll feel more effectual, powerful, and influential. You'll feel as if you can achieve anything you set your mind to. It's light on the above and heavy on actionable advice, stuff you can start using today. My goal is to cover the requisite material thoroughly but quickly so you can apply the advice as soon as possible.
