wrap the charcoal pant in tinfoil

get everything up to temperature

snake your charcoals around the outside

leave the door open for 5-10 minutes

put a honey glaze and a smoky barbecue rub on the top

keep the heat going just for the first sort of hour

let these soak now for 10-15 minutes

wrap these in tin foil with a little bit of barbecue sauce

put a little bit of this sauce on the chicken wings

prepare the ribs for their final step

add just a few more briquettes

leave it for about 15 minutes

This is an intermediate method that is ideal for most ...

cut some threads on the lathe

cut a 60-degree thread

cutting a right-hand thread towards the chuck

look up the thread pitch on the lookup table

cut a one point five millimeter pitch thread

engage the threading by switching on the half nuts

disengage the half nut at the end of our thread

bring the tip of the tool into contact with the part

lock the dial on the x-axis

start the machine

withdraw the tool in the x-direction

put in a little bit of depth

take half a millimeter off the diameter

withdraw the tool

drive the machine backwards and forwards

check that the tool lines up with the root of the thread

take a couple of finishing passes
