## Magickal Mystery Lore

Praise for *Magick & Mayhem*, the first Abracadabra mystery “Magic, Merlin, and murder are a great mix for this fun debut cozy.” —Lynn Cahoon, New York Times and USA Today bestselling author “A charming, must-read mystery with enchanting characters.” —Rose Pressey, USA Today bestselling author “Spellbinding, with magical prose, a wizardly plot, and a charming sleuth.” —Janet Bolin, Agatha-nominated author of the national bestselling Threadville mysteries This spells trouble . . . The New Camel Day Fair is a fun-filled event for residents of this upstate New York town. Kailyn Wilde, a modern-day witch of ancient lineage, leaves her potion shop, Abracadabra—and her feline familiar, Sashkatu—to attend with her fortune-telling Aunt Tilly. Joining them is legendary wizard Merlin, who’s discovering new pleasures of time-traveling to the modern world, including curly fries and kettle corn—but the appeal of the Tilt-a-Wheel is beyond his mystical imagination. The real wild ride begins later, when neighboring sweet shop owner Lolly rushes into Abracadabra with news about a dead body. The victim has one of Lolly’s fudge knives stuck in her back, but in spite of the sticky evidence, Lolly is only one of several suspects with ample motive and opportunity. Meanwhile, Merlin’s research into old family scrolls and electromagnetic ley lines is causing some unusual mix-ups. As the two investigations collide, Kailyn will have to do everything in her power to prevent disaster... “Pape has a sure handed balance of humor and action.” —Julie Hyzy, New York Times bestselling author

## This Magick Marmot

Praise for *Magick & Mayhem*, the first Abracadabra mystery “Spellbinding, with magical prose, a wizardly plot, and a charming sleuth.” —Janet Bolin, national bestselling author “A charming, must-read mystery with enchanting characters.” —Rose Pressey, USA Today bestselling author “Magic, Merlin, and murder are a great mix for this fun debut cozy.” —Lynn Cahoon, New York Times and USA Today bestselling author A fatal case of school spirit . . . Kailyn Wilde, owner of the Abracadabra potion shop, feels some dread anticipating her ten-year high school reunion at the new hotel in New Camel—but it turns out even worse than she feared. Running into her very first boyfriend is pleasant enough. Chatting with Ashley—who still can’t let go of a tragedy that happened on prom night—is a bit more

uncomfortable. But the worst part comes when one of Kailyn's oldest friends is found dead in the ladies' room. Soon this upstate New York town is in an uproar. And with some help from time-traveling wizard Merlin—who has adopted an unusual and alluring creature as his familiar—it's up to Kailyn to identify the alumnus most likely to commit murder . . . "Pape has a sure handed balance of humor and action."

### Modern Peoplehood

"[A] most impressive achievement by an extraordinarily intelligent, courageous, and—that goes without saying—'well-read' mind. The scope of this work is enormous: it provides no less than a comprehensive, historically grounded theory of 'modern peoplehood,' which is Lie's felicitous umbrella term for everything that goes under the names 'race,' 'ethnicity,' and 'nationality.'" Christian Joppke, *American Journal of Sociology* "Lie's objective is to treat a series of large topics that he sees as related but that are usually treated separately: the social construction of identities, the origins and nature of modern nationalism, the explanation of genocide, and racism. These multiple themes are for him aspects of something he calls 'modern peoplehood.' His mode of demonstration is to review all the alternative explanations for each phenomenon, and to show why each successively is inadequate. His own theses are controversial but he makes a strong case for them. This book should renew debate." Immanuel Wallerstein, Yale University and author of *The Decline of American Power: The U.S. in a Chaotic World*

### Essays on Paula Rego

In these powerful and stylishly written essays, Maria Manuel Lisboa dissects the work of Paula Rego, the Portuguese-born artist considered one of the greatest artists of modern times. Focusing primarily on Rego's work since the 1980s, Lisboa explores the complex relationships between violence and nurturing, power and impotence, politics and the family that run through Rego's art. Taking a historicist approach to the evolution of the artist's work, Lisboa embeds the works within Rego's personal history as well as Portugal's (and indeed other nations') stories, and reveals the interrelationship between political significance and the raw emotion that lies at the heart of Rego's uncompromising iconographic style. Fundamental to Lisboa's analysis is an understanding that apparent opposites - male and female, sacred and profane, aggression and submissiveness - often co-exist in Rego's work in a way that is both disturbing and destabilising. This collection of essays brings together both unpublished and previously published work to make a significant contribution to scholarship about Paula Rego. It will also be of interest to scholars and students of contemporary painting, Portuguese and British feminist art, and the political and ideological aspects of the visual arts. ### Sketch Me If You Can

She's a police sketch artist. He's a dead lawman. Together, they put a face on murder. When her uncle dies, police sketch artist Rory McCain gets a list of clients from his private detective business and a beautiful, old house with a ghostly inhabitant: Federal Marshal Ezekiel Drummond, aka Zeke. Having a ghost as a housemate is bad enough, but as Rory's drawn into one of her uncle's unsolved cases and faces a cold-blooded killer, she may need the marshal's supernatural help to stay alive.

### Hedgehogging

Rare is the opportunity to chat with a legendary financial figure and hear the unvarnished truth about what really goes on behind the scenes. Hedgehogging represents just such an opportunity, allowing you to step inside the world of Wall Street with Barton Biggs as he discusses investing in general, hedge funds in particular, and how he has learned to find and profit from the best moneymaking opportunities in an eat-what-you-kill, cutthroat investment world.

### Sexus

Sexus is the first volume of the scandalous trilogy *The Rosy Crucifixion*, Henry Miller's major life work. Henry Miller called the end of his life in America and the start of a new, bohemian existence in 1930s Paris his 'rosy crucifixion'. His searing fictionalized autobiography of this time of liberation was banned for nearly twenty years. Sexus, the first volume in *The Rosy Crucifixion* trilogy, looks back to his early

sexual escapades in Brooklyn, and his growing infatuation with the playful, teasing dance hall hostess who will become the great obsession of his life.

### Magick & Mayhem

Catching a killer is tricky business for the owner of an Upstate New York magick shop in this mystery series debut by the author of *This Magick Marmot*. The tiny town of New Camel, New York, has become a tourist favorite thanks to an old magick shop called Abracadabra. It's been in the Wilde family for generations. And now, suddenly, twenty-something Kailyn Wilde is about to inherit the family business—as well as its magickal secrets. But the surprises keep coming when Kailyn goes to finalize the estate at the local attorney's office—and stumbles over the body of her best friend Elise's husband. As a brash detective casts the blame on Elise, Kailyn summons her deepest powers to find answers and start an investigation of her own. What with running a business, perfecting ancient spells, and keeping up with an uninvited guest of fabled origins, Kailyn has her hands full. But with the help of her uncanny black cat Sashkatu and her muumuu-clad Aunt Tilly, she's out to catch a killer before someone makes her disappear.

### Tropic of Capricorn

A cult modern classic, *Tropic of Capricorn* is as daring, frank and influential as Henry Miller first novel, *Tropic of Cancer*. A story of sexual and spiritual awakening, *Tropic of Capricorn* shocked readers when it was published in 1939. A mixture of fiction and autobiography, it is the story of Henry V. Miller who works for the Cosmodemonic telegraph company in New York in the 1920s and tries to write the most important work of literature that was ever published. *Tropic of Capricorn* paints a dazzling picture of the life of the writer and of New York City between the wars: the skyscrapers and the sewers, the lust and the dejection, the smells and the sounds of a city that is perpetually in motion, threatening to swallow everyone and everything. 'Literature begins and ends with the meaning of what Miller has done' Lawrence Durrell 'The only imaginative prose-writer of the slightest value who has appeared among the English-speaking races for some years past' George Orwell 'The greatest American writer' Bob Dylan Henry Miller (1891-1980) is one of the most important American writers of the 20th century. His best-known novels include *Tropic of Cancer* (1934), *Tropic of Capricorn* (1939), and the *Rosy Crucifixion* trilogy (*Sexus*, 1949, *Plexus*, 1953, and *Nexus*, 1959), all published in France and banned in the US and the UK until 1964. He is widely recognised as an irreverent, risk-taking writer who redefined the novel and made the link between the European avant-garde and the American Beat generation.

### FINNEGANS WAKE

This eBook edition of "FINNEGANS WAKE" has been formatted to the highest digital standards and adjusted for readability on all devices. *Finnegans Wake* is a novel by Irish writer James Joyce. It is significant for its experimental style and reputation as one of the most audacious works of fiction in the English language. Written in Paris over a period of seventeen years, and published in 1939, two years before the author's death, *Finnegans Wake* was Joyce's final work. The book discusses, in an unorthodox fashion, the Earwicker family, comprising the father HCE, the mother ALP, and their three children Shem the Penman, Shaun the Postman, and Issy. James Joyce (2 February 1882 – 13 January 1941) was an Irish novelist, short story writer, and poet. He contributed to the modernist avant-garde and is regarded as one of the most influential and important authors of the 20th century.

### Archaic England

"Archaic England" by Harold Bayley is an archeology book about the application of the jigsaw system to certain archæological problems of Great Britain, Ireland, and Central Europe. Excerpt: "The fact is now generally accepted as proven by both anthropologists and archæologists, that the most ancient records of the human race exist not in Asia, but in Europe. The oldest documents are not the hieroglyphics of Egypt, but the hunting-scenes scratched on bone and ivory by the European cave-dwelling contemporaries of the mammoth and the woolly rhinoceros. Human implements found on the chalk plateaus of Kent have been assigned to a period prior to the glacial epoch, which is surmised to have endured for 160,000 years, from, roughly speaking, 240,000 to 80,000 years ago. It is now also an axiom that the races of Europe are not colonists from somewhere in Asia, but that, speaking generally, they have inhabited their present districts more or less continuously from the time when they crept back gradually in the wake of the retreating ice."

### Sketch a Falling Star

While investigating the "accidental" death of a con artist with numerous enemies, Rory McCain finds herself on the verge of solving a cold case--the murder of her ghost partner, Zeke...

### The Baby-Sitters Club #60: Mary Anne's Makeover

The rest of the Baby-sitters are shocked when Mary Anne, tired of being a plain Jane, gets a chic new haircut and a new wardrobe, and their reaction enrages the excited Mary Anne.

### The Last Last-Day-Of-Summer

The Hardy Boys meets The Phantom Tollbooth, in the new century! When two adventurous cousins accidentally extend the last day of summer by freezing time, they find the secrets hidden between the unmoving seconds, minutes, and hours are not the endless fun they expected.

### Harley Merlin 8

" Time is running out. For the final ritual, Katherine will sacrifice twelve magicals with rare abilities. Harley has already lost so much, and she can't bear to sacrifice anything more. She will protect her friends at all costs--even if that means flying solo against the greatest evil the world has ever known. With her parents' Grimoire, Harley finally has a weapon capable of overpowering Katherine. If only she could figure out how to reveal the hidden pages within, to perform the spell Chaos itself has written. And the spell may reveal more than she's bargained for... All Katherine wants is to be Queen of Everything--is that so much to ask? Her little niece has been a real thorn in her side, but that's all about to change. Pity she can't kill Harley just yet, since the girl is still useful. There's also the matter of that too-handsome Necromancer, Davin Doncaster. From personal experience, Katherine knows one should never trust a pretty face."--Amazon.

### Hunter: the Vigil Witch Finders

With a story full of twists and turns, 'Night of the Fireflies' follows in the great tradition of African culture in which real and unreal are merely two sides of the same coin.

### Night of the Fireflies

A local witch goes casting about for a killer when a town council meeting goes murderously awry in this cozy mystery by the author of *Magick & Mayhem*. Kailyn Wilde enjoys running her magick shop, *Abracadabra*, in the quaint hamlet of New Camel, New York. Her family's been here for centuries, but the place may never be the same if plans for a big new hotel go through. So Kailyn does her civic duty, attending a town meeting with her aunt Tilly...and Merlin. Yes, that Merlin—though he gets introduced to folks as her “distant English cousin.” Though the wizard is pretty grumpy about being transported to New Camel, Kailyn figures she could use the backup if the hotel debate gets heated. But things go from heated to homicide when Tilly finds the body of a board member outside the schoolhouse. Afraid that suspicion will be cast on the wrong person, Kailyn plans to crack the case, even if she has to talk to every living soul in town—plus a few departed ones.

### Vanishing Roads, and Other Essays

This 1929 volume offers firsthand accounts of Haitian voodoo and witchcraft rituals. Author William Seabrook introduced the concept of the walking dead to the West with this illustrated travelogue.

### That Olde White Magick

Vampires were made, not born, until Elisa Sullivan came along. The only vampire child in existence, she grew up with a heavy legacy, and she thought she could flee her past. But then trouble came for Chicago, and Elisa came home. Alongside shifter Connor Keene, the only son of North American Central Pack Apex Gabriel Keene, she faced down a great evil and accepted her true self. Months after the deadly attacks, while tempers are still cooling, Elisa is surprised when Connor invites her to a Pack initiation in the north woods of Minnesota, and by the warm welcome she receives from Connor's family--even though she's a vampire. But the peace doesn't last; the initiation celebration turns to chaos when a mangled body is deposited at the Pack's home. Elisa and Connor find themselves in the middle

of a shifter fight, and the stakes get even higher when Elisa makes a vampire in the middle of Pack territory. Now Elisa's life, the Pack, and its vampire alliance are at risk.

### The Game of Rat and Dragon

Haunted is a novel made up of stories: twenty-three of the most horrifying, hilarious, mind-blowing, stomach-churning tales you'll ever encounter. They are told by the people who have all answered an ad headlined 'Artists Retreat: Abandon your life for three months'. They are led to believe that here they will leave behind all the distractions of 'real life' that are keeping them from creating the masterpiece that is in them. But 'here' turns out to be a cavernous and ornate old theatre where they are utterly isolated from the outside world - and where heat and power and, most importantly, food are in increasingly short supply. And the more desperate the circumstances become, the more desperate the stories they tell - and the more devious their machinations to make themselves the hero of the inevitable play/movie/non-fiction blockbuster that will certainly be made from their plight.

### The Magic Island

An io9 Can't Miss Science Fiction and Fantasy title in March 2014. Martin Banks is just a normal guy who has made an abnormal discovery: he can manipulate reality, thanks to reality being nothing more than a computer program. With every use of this ability, though, Martin finds his little "tweaks" have not escaped notice. Rather than face prosecution, he decides instead to travel back in time to the Middle Ages and pose as a wizard. What could possibly go wrong? An American hacker in King Arthur's court, Martin must now train to become a full-fledged master of his powers, discover the truth behind the ancient wizard Merlin...and not, y'know, die or anything.

### Dianetics Today

Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

### Wicked Hour

After a stray dog named Hobo leads former police sketch artist-turned- paranormal private eye Rory McCain back to his owner's corpse, she finds herself involved in another homicide case-not to mention the new owner of a lovable pooch, which makes Rory's ghostly partner, Zeke, more than a little spooked.

### Haunted

The adventures of an American hacker in Medieval England continue as Martin Banks takes his next step on the journey toward mastering his reality-altering powers and fulfilling his destiny. A month has passed since Martin helped to defeat the evil programmer Jimmy, and things couldn't be going better. Except for his love life, that is. Feeling distant and lost, Gwen has journeyed to Atlantis, a tolerant and benevolent kingdom governed by the Sorceresses, and a place known to be a safe haven to all female time-travelers. Thankfully, Martin and Philip are invited to a summit in Atlantis for all of the leaders of the time-traveler colonies, and now Martin thinks this will be a chance to try again with Gwen. Of course, this is Martin Banks we're talking about, so murder, mystery, and high intrigue all get in the way of a guy who just wants one more shot to get the girl. The follow-up to the hilarious Off to Be the Wizard,

Scott Meyer's *Spell or High Water* proves that no matter what powers you have over time and space, you can't control rotten luck.

#### Off to Be the Wizard

This pseudo-philosophy of mine - pollyanalytics, as one of my respected critics might say - is deduced from the novels and poems, not the reverse. The novels and poems come unwatched out of one's pen. And then the absolute need which one has for some sort of satisfactory mental attitude towards oneself and things in general makes one try to abstract some definite conclusions from one's experiences as a writer and as a man. The novels and poems are pure passionate experience. These pollyanalytics are inferences made afterwards, from the experience.

What words come to mind when we think of God? Merciful? Just? Compassionate? Delving deep into the Bible, former evangelical preacher Dan Barker uncovers God's negative qualities: jealous, petty, unforgiving, bloodthirsty, vindictive--and worse! Witty and well researched, this unique atheist book explains exactly why the Scripture shouldn't govern our everyday lives. It makes a powerful argument for the separation of church and state.

#### Spell Or High Water

This extensive reference volume presents the etymological history of thousands of English words. The story of how words come to be is the story of how humans think, and how we fashion our civilizations. Words can be the product of long and intertwining histories, migrations from other languages, or new coinages of science or slang. This diversity of origins is part of what gives the English language its beauty and power. In *Dictionary of Word Origins*, etymologist Joseph T. Shipley provides a fascinating window into the evolution of modern English, from the onomatopoeic aspect of "abash" to the animalistic origins of "zodiac."
