Based on research conducted by The National Research Center on the Gifted and Talented, this guidebook presents a framework for increasing reading achievement, fluency, and enjoyment. The Schoolwide Enrichment Model Reading Framework (SEM-R) focuses on enrichment for all students through engagement in challenging, self-selected reading, accompanied by instruction in higher order

thinking and strategy skills. A second core focus of the SEM-R is differentiating instruction and reading content, coupled with more challenging reading experiences and advanced opportunities for metacognition and self-regulated reading. Chapters cover each of the three phases of the framework, implementation variations, and organization strategies, and the appendices provide handouts, book-lists, charts, and more.
