American Government

Putting students directly in touch with the great authors and political leaders who have shaped and are shaping American government, the new edition of this best-selling reader is one of the most substantial revisions yet. The Fourteenth Edition features new essays that reflect the recent developments and debates over campaign finance reform; the new Supreme Court imposed limits on congressional power over the states; and political trends that are reshaping government and politics at the national and state levels. The book is structured in such a way that it can be used as an ancillary or a core textbook: included are extensive notes that prepare, connect, and comment on the selections and point out their significance so that, more than other readers, it presents a coherent narrative. As it has since its first edition, this reader provides a strong, balanced blend of classic readings and cases that illustrate and amplify important concepts in American government, along with extremely current readings and cases drawn from today's issues and literature.

American Government

An objective, comprehensive resource for concise answers to questions about state and local government. Complete with "A Note on How to Use This Book," a detailed Appendix, Notes, and Index. A must-have reference guide for students, librarians, professors, and citizens with an interest in our government and how it works.

American Government

First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

American Government

You are holding in your hands a piece of the counterculture. The recent tendency in the academic world has been away from primary sources and toward textbooks. Being a fairly traditional lot, we find that

unacceptable. We focus on the “big ideas” that have shaped American government. There are many ways to gain exposure to these ideas, but in our opinion, none are better than actually reading the primary sources that first articulated them. That is why you will see many founding documents, Supreme Court cases, and momentous speeches within these pages. This collection will whet your appetite for exploring our rich American governmental heritage. Our hope is that this may be the beginning of a lifelong interest in the basis of our American government—how we got where we are today, and how we are to proceed from here!

The State and Local Government Political Dictionary

Congress uses an analogy with which we are familiar - games - to help students understand the workings of Congress. In portraying Congress as a game or sport in which players are chosen, trained, find their ways onto teams, and battle in an arena not unlike that of football or basketball, the authors explain Congress in a way many students will find accessible and understandable without belittling the workings of Congress. This is a core text that can be used in any Congress course.

People & Politics in Urban America

"This book contains documents and other public papers, court cases, presidential messages, memoirs, excerpts from books and journals, public speeches, and other significant statements that illuminate and supplement various problems and policies of American government and politics." -from Preface.

Rendering to God and Caesar

Required documents and cases for Advanced Placement (AP) U.S. Government and Politics. It contains all 15 cases with commentary and complete readings (Founding Documents, Federalist and Anti-Federalist papers, and King's Letter from a Birmingham Jail). The documents section is number-lined for easy referencing.

Readings in American Government

Includes entries for maps and atlases.

American Government

Over 26,000 total pages Background: The Fast and Furious operation was responsible for allowing approximately 2,000 firearms to illegally flow into the hands of criminals, including Mexican drug cartel associates. On December 14, 2010, Customs and Border Patrol Agent Brian Terry, a United States Marine, was killed while on patrol just miles from the Mexican border. The firearms found at the scene were semi-automatic rifles that were allowed to walk as part of Operation Fast and Furious. Congressional Republicans have investigated Fast and Furious since January 2011. Over the course of the investigation, the Justice Department has provided false information, stonewalled document requests, produced scores of blacked-out pages and duplicate documents, and refused to comply with two congressional subpoenas. In August 2012, the U.S. House of Representatives Office of General Counsel filed suit against the Justice Department. On January 19, 2016, United States District Judge Amy Berman Jackson issued her opinion and ordered DOJ release documents previously withheld under the President's executive privilege claim. On April 8, 2016, DOJ complied with the Judge's order, delivering more than 20,500 pages of documents to the Committee. CONTENTS: Statement of Michael E. Horowitz, Inspector General - Report by the Office of the Inspector General on the Review of ATF's Operation Fast and Furious and Related Matters. September 20, 2012 FACT SHEET: Oversight Committee Schedules June 20 Contempt Vote over Operation Fast and Furious Documents Flash Memorandum: April 14, 2016 To: Republican Members Committee on Oversight and Government Reform From: Chairman Jason Chaffetz Re: Preliminary Update—The Fast and Furious Papers A

Models of Teaching: Connecting Student Learning with Standards features classic and contemporary models of teaching appropriate to elementary and secondary settings. Authors Jeanine M. Dell'Olio and Tony Donk use detailed case studies to discuss 10 models of teaching and demonstrate how they can be connected to state content standards and benchmarks, as well as technology standards. This book provides readers with the theoretical and practical understandings of how to use models of teaching to both meet and exceed the growing expectations for research based instructional practices and student achievement.

America at Odds

Provides an overview of U.S. constitutional law, with a focus on foreign relations and parallel concepts and terms in German law.
