Jojo's - Steel Ball Run T23

Victime de la « rotation infinie » provoquée par Johnny, le président est piégé à jamais. Il lui propose alors un échange : s'il accepte de stopper sa rotation, il fera revenir Jaro d'une autre dimension. Quelle sera la décision de Johnny ?!

Jojo's - Steel Ball Run T24

Johnny a vaincu le président et a réussi à mettre un terme à ses ambitions. Mais il a suffi d'un instant pour qu'un inconnu lui dérobe le cadavre ! Alors qu'il se lance à la poursuite du voleur, la Steel Ball Run entre enfin dans sa phase finale. Qui remportera la course et prendra possession du cadavre ?! Quelle sera la destinée du monde ?!

Jojo's - Steel Ball Run T11

L'attaque du mystérieux manieur de stand invisible accule Jaro et ses compagnons. Coincé dans un cul de sac, Johnny est désarmé. C'est alors que Jaro lui transmet une nouvelle technique de "rotation". La nature de leur ennemi se dévoile enfin...

Jojo's - Steel Ball Run T19

Guidé par une voix inconnue, Lucy arrive au fleuve Delaware. Mais celui qui l'attend sur l'eau n'est autre que le président ! À deux pas du rassemblement total du cadavre entier, vers où cherche-t-il à naviguer ? Et Dio, ayant trouvé le point faible du président, reprend sa poursuite !

Jojo's - Steel Ball Run T09

Johnny découvre que la Steel Ball Run a été organisée avec la complicité du président des États-Unis, dans le but de rassembler les morceaux d'un cadavre. Grâce à ce mystérieux corps, Johnny acquiert le pouvoir de faire tourner ses ongles et de les projeter comme des balles. Encouragé par son Stand nouvellement acquis, il prend la décision de rassembler les différentes parties de ce cadavre.

Jojo's - Steel Ball Run T21

Pour sauver Lucy, Jaro et Johnny n'ont d'autre choix que d'affronter le président Valentine. Ce dernier a finalement réussi à réunir chaque morceau du cadavre et c'est alors qu'il obtient une nouvelle faculté. De surcroît, il semble littéralement invincible. Jaro et Johnny essaient de trouver la parade en se servant de l'énergie de la rotation ultime, un secret bien gardé de la famille Zeppeli...

Jojo's - Steel Ball Run T10

La course entre dans sa cinquième étape ! Jaro et Johnny se dirigent vers le lac Michigan, à la recherche de trois nouveaux morceaux du squelette dont l'emplacement leur a été indiqué par la « verte bre ». Quant à Dio, ivre de vengeance après sa défaite lors de l'étape précédente, il s'associe de surcroît au président... Cette nouvelle version des origines des Joestar n'a pas fini de nous surprendre.

Jojo's - Steel Ball Run T01

Steel Ball Run est une course de chevaux qui aura lieu aux USA, au départ de San Diego pour finir à New York, à la fin du XIX^e siècle. Plus de 6 000 km à parcourir, mais la récompense s'avère à la hauteur : 50 millions de dollars. Les participants viennent de tous les horizons (Angleterre, Égypte, Mongolie...) et tous ont leur propre motivation, comme ce jockey en quête de gloire ou encore le jeune indien qui veut récupérer sa terre face à l'envahisseur blanc. Mais Gyro Zeppeli semble concourir pour des raisons bien plus mystérieuses, armé d'étranges sphères d'acier.

Jojo's - Steel Ball Run T18

Le président entre en action. Son but : s'emparer de « l'œil gauche » de Dio et supprimer toutes les personnes investies dans la quête du cadavre. Soudainement attaqués, Dio et Wekipipo se retrouvent obligés de faire équipe ! Mais ni l'un, ni l'autre ne comprennent le fonctionnement du stand terrifiant du président...

Jojo's - Steel Ball Run T22

Utilisant l'énergie de la rotation infinie des sphères métalliques, une technique que l'on a par ses ancêtres, Jayro parvient à outrepasser les limites du mur dimensionnel de D4C et a grièvement blessé le président. Malheureusement, il échoue de peu. De son côté, Valentine est bien décidée à se débarrasser du dernier ennemi encore sur son chemin : Johnny Joestar !

Jojo's - Steel Ball Run T05

Après la deuxième étape se déroulant dans le désert d'Arizona, quelle sera la suite de l'aventure pour nos héros ?

Jojo's - Steel Ball Run T13

Lucy a décidé de s'emparer de la partie cœur du cadavre du président de l'État. Elle se rapproche de la femme de ce dernier, Skarlet, et réussit à pénétrer dans la résidence gouvernementale. De guise en première dame grâce à la faculté de Hot Pants, elle se trouve dangereusement proche du président. Arrivera-t-elle à obtenir son cœur ?

Jojo's - Steel Ball Run T20

Alors qu'il était à deux doigts d'achever le président, Dio succombe momentanément. Jayro et Johnny prennent la relève et, s'engageant dans la poursuite de Lucy, ils embarquent dans le train où se trouve aussi le président. Les belligérés s'affrontent enfin face à face ! Mais nos héros ont-ils une chance de gagner ?!

Jojo's - Steel Ball Run T04

Jayro, Johnny et Mountain Tim tombent dans le piège tendu par la famille Boombom, dont l'un des membres a le pouvoir de manipuler le fer ! Le fer contenu dans le sang de chacun d'eux s'attire alors mutuellement, les clouant tous les trois l'un à l'autre et provoquant le déchirement de leur chair ! Déjà dans une situation plus que critique, un phénomène anormal survient au corps de Johnny !

Jojo's - Steel Ball Run T16

Le Président Valentine a subtilisé toutes les parties du « cadavre » qui étaient en possession de Jayro et de Johnny. Ce dernier trouve le comportement de son épouse de plus en plus suspect. Et en effet : il s'agit en réalité de Lucy Steel, qui a tué la First Lady pour prendre sa place. Monsieur Steel qui ignore que sa femme est toujours en vie sombre de plus en plus. C'est alors qu'il se fait agresser...

Jojo's - Steel Ball Run T07

Jayro et Johnny ont enfin découvert la deuxième partie du corps, « les yeux », mais Dio, transformé en dinosaure grâce au pouvoir de son Stand, s'en est emparé ! L'apparition d'un nouvel ennemi vient mettre le feu aux poudres. Qui obtiendra le mystérieux corps ?

Jojo's - Steel Ball Run T08

À mi-parcours de la 4ème étape, un manieur de Stand capable d'inverser le cours du temps essaie d'entraver la route de Jayro et de Johnny. Au cours de l'attaque surprise, Johnny et Hot Pants sont grièvement blessés. Pour Jayro, seul resté debout, c'est désormais un combat à un contre un qui commence !

Jojo's - Steel Ball Run T17

Jayro et Johnny se lancent à la poursuite de Dio dans le but de lui prendre « l'œil » du cadavre. Mais alors qu'ils tentent de lui tendre une embuscade, Johnny est abattu par un inconnu. Au moment où Jayro se précipite pour venir en aide à son ami, il se heurte à un manieur de stand au pouvoir mystérieux, faisant apparaître une étrange marelle sous ses pieds...

Jojo's - Steel Ball Run T14

À l'approche du but de la 6ème étape, au-dessus du détroit de Mackinac, deux assassins attaquent Jayro et Johnny. L'un d'eux manie les sphères métalliques, employant une technique différente de celle de

la famille Zeppeli. Intrigues et de sursauts d'élargir la palette de leurs stratégies d'attaques, Jayro et Johnny cherchent comment acquiescer cette connaissance supplémentaire des sphères d'acier.

Jojo's - Steel Ball Run T03

Alors que la première étape vient de se terminer, les corps de trois des membres participants sont retrouvés. Tous les autres participants se retrouvent potentiellement suspects ! Le shérif confie à son adjoint Mountain Tim, aussi prétendant à la victoire, de mener l'enquête pour trouver le meurtrier... La seconde étape pour le désert de l'Arizona, où rodent de nombreux monstres, peut ensuite commencer !

Jojo's - Steel Ball Run T06

La 2ème étape touche enfin à son terme ! Comme lors de la 1re étape, Sandman, Jayro et Johnny sont au coude à coude juste avant l'arrivée ! Qui sortira vainqueur de ce combat acharné ? En tout cas, celui-là ne savourera pas sa victoire car, sans plus attendre, les concurrents enchaînent aussitôt avec la 3ème étape, destination de Cannon City !

Jojo's - Steel Ball Run T15

Vers la fin de la septième étape, à Gettysburg, Jayro et Johnny retrouvent Hot Pants, pourtant officiellement retiré de la course, mais apparemment toujours à la recherche des morceaux du cadavre. Les voici qui arrivent dans une décharge, le piège va se refermer... L'arrivée de nouveaux ennemis se profile à l'horizon...

JOJO'S BIZARRE ADVENTURE 42: STEEL BALL RUN 03

Alors que la première étape de quinze kilomètres vient à peine de commencer, Jayro, un concurrent dont on ne sait rien, s'est déjà échappé et menace de remporter la course. Mais Dio, le jockey de génie, s'est lancé à sa poursuite et le talonne de près ! Qui prendra le dessus ?

JOJOS BIZARRE ADVENTURE PARTE 7 STEEL BALL RUN 8

New York inclus, la course compte neuf points de contrôle. C'est là que sont accordés les bonus de temps et qu'on établit et analyse le classement de la course. Chaque trajet entre deux points de contrôle est aussi appelé étape. Le vainqueur d'une étape se voit octroyer une somme d'argent en récompense ainsi qu'un bonus de temps... La course s'accélère pour les Joestar !

Jojo's - Steel Ball Run T02

As if fighting a small army of new foes isn't hard enough, now some old familiar faces are coming back to haunt our heroes. Making matters worse, they've teamed up to get revenge! Then the story really gets wild when Iggy the dog Stand user faces a bird with Stand powers! It's a battle of the beasts! -- VIZ Media

Jojo's - Steel Ball Run T12

An epic horror-action-adventure! Once there was a mighty bloodline of heroes: the Joestars. In the 1880s, Englishman Jonathan Joestar gave his life to defeat Dio, a megalomaniacal vampire. Now, 100 years later, Dio is back, and Jonathan's descendants must travel to Egypt to destroy their ancestral enemy once and for all. Pursued by the deadly treads of "Wheel of Fortune," the heroes cross from India to Pakistan, where they spend the night in an ancient, fog-shrouded town. But little do they know that they have walked into the hands of their enemy...the twin right hands of Enyaba Geil, who wants bloody revenge on the men who killed her son! Invaded by Enyaba's stand "Justice," the heroes' own bodies turn against them, while an army of zombies slouches closer. Will they escape...or will they be dead by dawn?

Steel ball run. Le bizzarre avventure di Jojo

What kind of weirdo lives on a transmission tower?! An all-new enemy Stand attempts to trap, outwit and eliminate Josuke Higashikata and Okuyasu Nijimura, but Shining Diamond is a formidable foe! Then, the battle for Morioh turns personal when Koichi disappears. What else does this new enemy

have in mind for the gang? Plus, Yoshikage Kira is still hiding, biding his time, eager to take another life... -- VIZ Media

Steel ball run. Le bizzarre aventure di Jojo

Secco and Bruno Bucciarati are going head-to-head, quickly shifting between traveling underground and through zippers with their Stand powers in an attempt to gain the upper hand. Bucciarati has never faced a threat like this, but will the mysterious changes to his body and his enemy's overwhelming power crush him, or can he eke out a win just in time? -- VIZ Media

Steel ball run. Le bizzarre aventure di Jojo

Steel Ball Run est la septième saison de la série culte Jojo's Bizarre Adventure. Ce manga nous emmène à travers les Etats-Unis pour une course de chevaux endiablée, qui n'est pas sans rappeler le film Hidalgo. La grande course du Steel Ball Run continue. Alors qu'ils parcourent la quatrième étape, Jayro et ses compagnons se heurtent à un manieur de Stand capable d'inverser le cours du temps. Après une attaque surprise qui met Johnny et Hot Pants à terre, grièvement blessés, Jayro est le seul encore en état de se battre. C'est désormais le début d'un duel sans merci !

Steel ball run. Le bizzarre aventure di Jojo

As if Dio wasn't diabolical enough, now he's an immortal vampire with incredible strength! But Jonathan Joestar's not one to back down, even when it seems like victory is impossible! It's a classic battle! Good versus evil! Grit and determination against power and arrogance! Who will win?! -- VIZ Media

Steel ball run. Le bizzarre aventure di Jojo

JoJo's Bizarre Adventure: Part 3--Stardust Crusaders, Vol. 8

Watcher Of The Dead

In the frigid wasteland of the north, Raif Sevrance, Watcher of the Dead, has endured many trials to lay claim to the renowned sword known as Loss. But the price of wielding the legendary weapon is high, and Raif is unsure if he is willing to pay it. Ash Marsh, Daughter of the Sull, still struggles to come to terms with her heritage, and the knowledge that the Watcher, armed with Loss, could be the one who will save the Sull - or end them. Raina Blackhail, widow of a murdered ruler and wife of his brutal successor, has seen her clan disgraced and has, herself, taken up the mantle of chief. But there are enemies both beyond her gates and within. And in the murky swamps of the Stillwater, two children will learn the secrets of the Marsh clan. Secrets so old they threaten everything . . .

Watcher of the Dead

The epic fourth novel of the Sword of Shadows fantasy series In this powerful saga of redemption and renewal, J. V. Jones brings to vivid life the magnificent tapestry of a world at once desperately fighting for survival against supernatural monsters and rent by internecine warfare. The frozen land at the north of the world was once ruled by a legendary nation of superhuman warriors. But that age has passed, leaving ancient clans to struggle for dominance as supernatural forces beyond their control threaten their very existence. Amid the chaos of world-changing violence, unlikely heroes emerge. An unwanted warrior, a forsaken woman of power, the betrayed widow of a slain clan chief: these are the heroes rising to claim what has been taken from them and to reshape the world. In a sharply observed narrative that illuminates these riven lives, Jones has crafted a human drama full of the excitement, suspense, and sheer storytelling power that have made the Sword of Shadows a fantasy series that transcends genre to become a memorable tale of human striving and triumph that speaks to readers as have few others.

A Cavern Of Black Ice

When Raif and Drey Sevrance return home to their clan as the only survivors of a vicious attack in which both their father and the clan chief, were killed, everything changes for Raif. Uneasy with the new chief's reign of brutality and his brother's acceptance of it, Raif welcomes his uncle Angus Lok's invitation to accompany him to Spire Vanis. Asarhiah March, Ash for short, is the beautiful ward of Penthero Iss, Overlord of Spire Vanis. Suspicious of Penthero's increasing interest in her developing

body, when Ash overhears him planning to imprison her she flees, only to be cornered at the city gate by a band of the Overlord's elite guards. But as they close in on her, a stranger comes to the rescue - observed by a bemused Raif, Angus Lok plunges into the midst of the guards and snatches her to safety. For Angus knows that as this girl grows to womanhood she will develop powers which could destroy herself and the world if she doesn't learn to control them . . . and only Raif can protect her on her journey to understanding.

A Sword From Red Ice

The Long Night has begun. The Endlords and their dark army of Unmade prepare to unleash untold destruction upon the world. Every Sull warrior must step forward and fight, or risk the North falling into eternal darkness. Key to mankind's survival is the sacred warrior Ash March. But for Ash to realise her true potential as a Reach, and become the Sull's greatest weapon, she must keep herself safe as the perils that surround her multiply. Raif Sevrance has an equally perilous task. The exile must travel to the barren wastes of the Red Glaciers and recover the legendary sword named Loss. For Sull legend decrees that he who wields the Sword from Red Ice will bring terror to their enemies. But fulfilment of these goals may yet come too late. In the remote reaches of the Bitter Hills, the Endlords' minions have made a cataclysmic discovery: a crack in the Blindwall, an ancient and unguarded passage leading directly into the realms of men.

A Fortress Of Grey Ice

The war to end all wars is coming. The Endlords are preparing themselves for invasion. Now should be the time when city men and clansmen come together to fight the dark forces of destruction, yet they feud amongst themselves, unaware of the danger facing them. Only the Sull are preparing for war against the Endlords. They are an ancient, dwindling race, and they fear this fight might be their last. Sull legend speaks of The One Who Bears Loss, the warrior who will slay the Endlords, and they believe this warrior will be one of their own. Ash March is their most valued and sacred warrior, and it is Mal Naysayer's duty to bring her home to save her people. But thousands of leagues to the north, Raif Severance is learning that he alone can kill Endlords swiftly. An outcast and outlaw, Raif must betray his clan and forsake his beliefs, and raise the Fortress of Grey Ice. The Barbed Coil

When Izgard of Garizon put on the Coil and crowned himself King, he set in train a course of tumultuous events that would reverberate around the continent. For the Coil must have blood. And the first blood to flow is that of Berick of Thorn, the legendary conqueror of Garizon. His son, Camron, wants revenge and knows that Izgard can only be stopped by force of arms. He seeks out the man who knows most about Izgard's murderous hordes - Lord Ravis, a ruthless mercenary with a dark and secret past. And Tessa McCamfrey is about to become caught up in this dangerous and exotic world - with the piratical Ravis, a beautifully patterned gold ring and a role to play in the momentous events that unfold. Look out for more information about this and other titles on the Orbit website at www.orbitbooks.co.uk

Master And Fool

From dungeon to cathedral, from brothel to hermit's hut, the gambits of the mighty face the power of seers and stars. In the fortress of Bren, mad King Kylock and the wizard Baralis spread their sadistic terror across the shattered kingdoms. Meanwhile, the fallen knight Tawl and Jack, the baker's boy, meet in a quest to save widowed Melliandra and her unborn child. The conflict that follows will rewrite the meaning of Destiny and unknit the very fabric of Time ... MASTER AND FOOL is the conclusion to the Book of Words - an epic tale of grandeur and magic which has been acclaimed as one of the most brilliant fantasy debuts for many years. The Nightmare People

One night Ed Smith thought he was having a waking nightmare when he saw a monstrous face at his window, but in the morning his neighbors were missing. The people who later turned up were not quite right, and gradually Smith realized they not only weren't his neighbors, but weren't even human - they were the creatures he had seen . . .

Haunted Media

Examines the repeated association of new electronic media with spiritual phenomena from the telegraph in the late 19th century to television.

All about Battersea

By 1926, it seemed that John R. Brinkley's experimental rejuvenation cure—transplanting goat glands into aging men—had taken the nation by storm. Never mind that "Doc" Brinkley's medical credentials were shaky at best and that he prescribed medication over the airwaves via his high-power radio stations. To most in the medical field, he was a quack. But to his many patients and listeners, he was a brilliant surgeon, a savior of their lost manhood and youth. His rogue radio stations, XER and its successor XERA, eventually broadcast at an antenna-shattering 1,000,000 watts and not only were a megaphone for Brinkley's lucrative quackery but also hosted an unprecedented number of then-unknown country musicians and other guests. *The Bizarre Careers of John R. Brinkley* tells the story of the infamous "Goat Gland Doctor"—a controversial medical charlatan, groundbreaking radio impresario, and prescient political campaigner—and recounts his amazing rags-to-riches-to-rags career. A master manipulator and skilled con artist, Brinkley left behind a patchwork of myths and unreliable personal accounts that many writers have merely perpetuated—until now. Alton Lee brings Brinkley's infamous legacy to the forefront, exploring how he ruthlessly exploited the sexual frustrations of aging men and the general public's antipathy toward medical doctors. Lee leaves no stone unturned in this account of a man who changed the course of American institutions forever.

The Bizarre Careers of John R. Brinkley

A thorough introduction to corporate finance from a renowned professor of finance and banking As globalization redefines the field of corporate finance, international and domestic finance have become almost inseparably intertwined. It's increasingly difficult to understand what is happening in capital markets without a firm grasp of currency markets, the investment strategies of sovereign wealth funds, carry trade, and foreign exchange derivatives products. *International Corporate Finance* offers thorough coverage of the international monetary climate, including Islamic finance, Asian banking, and cross-border mergers and acquisitions. Additionally, the book offers keen insight on global capital markets, equity markets, and bond markets, as well as foreign exchange risk management and how to forecast exchange rates. Offers a comprehensive discussion of the current state of international corporate finance Provides simple rules and pragmatic answers to key managerial questions and issues Includes case studies and real-world decision-making situations For anyone who wants to understand how finance works in today's hyper-connected global economy, *International Corporate Finance* is an insightful, practical guide to this complex subject.

International Corporate Finance, + Website

'Brilliant' – V. E. Schwab, Sunday Times bestselling author of *A Darker Shade of Magic* For one apprentice assassin, the clock is ticking . . . Pyrre Lakatur doesn't like the description *skullsworn*. It doesn't capture the beauty of her devotion to Ananshael, God of Death. And she's not an assassin, but a priestess. Or she will be, if she can pass her final trial. The problem isn't killing, as Pyrre has spent her life training for this. The problem is love. To pass the trial, she will have fourteen days to kill seven people detailed in an ancient song, including one true love, 'who will not come again'. However, Pyrre has never been in love, time is short, and if she fails she'll be given to her god. Pyrre's not afraid to die, but she hates to fail. So a month before the trial begins, she returns to the violent city of her birth, where she once offered an abusive father to the god. Here Pyrre hopes to find love – and end it with the edge of her knife. 'Pleasantly grim and emotionally complex' – Kirkus Reviews 'Lush, evocative descriptions . . . remarkably intimate' – Publishers Weekly *Skullsworn* is a thrilling standalone set in the world of the *Chronicles of the Unhewn Throne* by Brian Staveley.

Skullsworn

"Slow violence" from climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war occurs gradually and often invisibly. Rob Nixon focuses on the inattention we have paid to the lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today.

Slow Violence and the Environmentalism of the Poor

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

Haunting Experiences

This volume introduces readers to regulatory theory. Aimed at practitioners, postgraduate students and those interested in regulation as a cross-cutting theme in the social sciences, *Regulatory Theory* includes chapters on the social-psychological foundations of regulation as well as theories of regulation such as responsive regulation, smart regulation and nodal governance. It explores the key themes of compliance, legal pluralism, meta-regulation, the rule of law, risk, accountability, globalisation and regulatory capitalism. The environment, crime, health, human rights, investment, migration and tax are among the fields of regulation considered in this ground-breaking book. Each chapter introduces the reader to key concepts and ideas and contains suggestions for further reading. The contributors, who either are or have been connected to the Regulatory Institutions Network (RegNet) at The Australian National University, include John Braithwaite, Valerie Braithwaite, Peter Grabosky, Neil Gunningham, Fiona Haines, Terry Halliday, David Levi-Faur, Christine Parker, Colin Scott and Clifford Shearing.

Regulatory Theory

Analogies help us think, learn, and communicate. The fourteen case studies in this volume help readers make sense of contemporary cyber conflict through historical analogies to past military-technological problems. The chapters are divided into three groups. The first--*What Are Cyber Weapons Like?*--examines the characteristics of cyber capabilities and how their use for intelligence gathering, signaling, and precision strike compares with earlier technologies for such missions. The second section--*What Might Cyber Wars Be Like?*--explores how lessons from several wars since the early 19th century, including the World Wars, could apply or not apply to cyber conflict in the 21st century. The final section--*What Is Preventing and/or Managing Cyber Conflict Like?*--offers lessons from 19th and 20th century cases of managing threatening actors and technologies.

Understanding Cyber Conflict

Beautifully written speculative fiction from *Metaphorosis* magazine. Snow queens and their daughters, invisible giants pining for vanished lovers, transformations, searches, quests, and voyages of all kinds. The best science fiction and fantasy stories from *Metaphorosis* magazine's second year.

Metaphorosis

At Castle Harvell, two fates collide. Melliandra refuses to marry the sinister Prince Kylock while an apprentice named Jack is terrified by his sudden ability to work miracles. Together they flee the castle, pursued by the sorcerer Baralis, while elsewhere a knight embarks on a perilous voyage of his own. Soon destiny will draw the travellers together, and that meeting will shatter the world ... For more information on this or any other Orbit book, visit the Orbit website at www.orbitbooks.co.uk

The Doolittle Family in America

This volume in the highly respected Cambridge History of Science series is devoted to the history of science, medicine and mathematics of the Old World in antiquity. Organized by topic and culture, its essays by distinguished scholars offer the most comprehensive and up-to-date history of ancient science currently available. Together, they reveal the diversity of goals, contexts, and accomplishments in the study of nature in Mesopotamia, Egypt, Greece, Rome, China, and India. Intended to provide a balanced and inclusive treatment of the ancient world, contributors consider scientific, medical and mathematical learning in the cultures associated with the ancient world.

Sword of Shadows

This is the first comprehensive commentary on Aeneid 11. The commentary treats fully matters of linguistic and textual interpretation, metre and prosody, grammar, lexicon and idiom, of Roman behaviour, social and ritual, as well as Virgil's sources and the literary tradition. New critical approaches and developments in Virgilian studies have been taken into account with economy and fairness. The Latin text is presented with a facing English translation. The commentary is followed by an appendix on Penthesilea and the Epic Cycle and a second appendix which discusses the weaknesses of Aeneid 11. The book concludes with English and Latin indices. In approach and learning, this commentary continues Nicholas Horsfall's impressive work as a commentator and will advance our understanding of the Aeneid and the poet Virgil.

A Sword from Red Ice

This book has been well received in many places and in many countries. It was awarded a ranking in the top ten publications on behavioral medicine in the year that it first appeared. When, in 1977, we began to fit the components of Cancer, Stress, and Death together, the established medical view was that each subject represented a different discipline, and that to integrate fields so diverse in information content was to seek to achieve a synthesis beyond reasonable limits. Had we been required to concern ourselves with the knowledge of each component in its entirety, this might have been so, but our concern, of course, was to integrate only those items of knowledge in any one field that could bear upon the field of interest of another. Moreover, we were concerned that physicians and scientists take account of the inner forces that shape motivation and individual behavior, as well as the cultural identity of individuals, and we hoped that the biopsychosocial way in which we believed would gain ground and win support. Now, with need for a second edition, one can hardly conceive of not bringing together diverse contributions in one volume. Such syntheses as we have made clearly confirm that one can arrive at several levels of understanding of human situations through wise integration of biological paradigms within various social, cultural, and psychological parameters-which essentially is a simple way of defining the biopsychosocial way.

The Cambridge History of Science: Volume 1, Ancient Science

Barbie or Lego? Reading maps or reading emotions? Do you have a female brain or a male brain? Or is that the wrong question? On a daily basis we face deeply ingrained beliefs that our sex determines our skills and preferences, from toys and colours to career choice and salaries. But what does this mean for our thoughts, decisions and behaviour? Using the latest cutting-edge neuroscience, Gina Rippon unpacks the stereotypes that bombard us from our earliest moments and shows how these messages mould our ideas of ourselves and even shape our brains. Rigorous, timely and liberating, *The Gendered Brain* has huge repercussions for women and men, for parents and children, and for how we identify ourselves. 'Highly accessible... Revolutionary to a glorious degree' Observer

The Wooden Sword

It has been twenty years since the god-like Augurs were overthrown and killed. Now, those who once served them the Gifted are spared only because they have accepted the rebellion's Four Tenets, vastly limiting their own powers. As a young Gifted, Davian suffers the consequences of a war lost before he was even born. He and his friends are despised beyond their school walls for the magical power they wield: a power that Davian, despite his best efforts, cannot seem to control. Worse, with his final test approaching and the consequences of failure severe, time to overcome his struggles is fast running out. But when Davian discovers he wields the forbidden power of the Augurs, he unwittingly sets in motion a chain of events that will change his life and shake the entire world.

Virgil, Aeneid 11

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Cancer, Stress, and Death

This book documents nearly 500 US and Canadian locations where wildlife refuges, nature preserves, and similar properties protect natural sites that lie within the North American Great Plains, from Canada's Prairie Provinces to the Texas-Mexico border. Information on site location, size, biological diversity, and the presence of especially rare or interesting flora and fauna are mentioned, as well as driving directions, mailing addresses, and phone numbers or internet addresses, as available. US federal sites include 11 national grasslands, 13 national parks, 16 national monuments, and more than 70 national wildlife refuges. State properties include nearly 100 state parks and wildlife management areas. Also included are about 60 national and provincial parks, national wildlife areas, and migratory bird sanctuaries in Canada's Prairie Provinces. Many public-access properties owned by counties, towns, and private organizations are also described.

The Gendered Brain

Once upon a time 'The Scientific Revolution of the 17th century' was an innovative concept that inspired a stimulating narrative of how modern science came into the world. Half a century later, what we now know as 'the master narrative' serves rather as a strait-jacket - so often events and contexts just fail to fit in. No attempt has been made so far to replace the master narrative. H. Floris Cohen now comes up with precisely such a replacement. Key to his path-breaking analysis-cum-narrative is a vision of the Scientific Revolution as made up of six distinct yet narrowly interconnected, revolutionary transformations, each of some twenty-five to thirty years' duration. This vision enables him to explain how modern science could come about in Europe rather than in Greece, China, or the Islamic world. It also enables him to explain how half-way into the 17th century a vast crisis of legitimacy could arise and, in the end, be overcome.

Dungeon World

When examining the ebb and flow of events in the region called Central Asia, one is struck by the magnitude of the impact that this area has had throughout history. Yet in spite of this record, very little is known about this part of the world today. Central Asia always has found itself wedged between

Europe and Asia, and as such, has been at the crossroads of relations between the two. In physical terms, this can be seen graphically in the trade routes of the Great Silk Road. In philosophical terms, it is an area where Western beliefs met and mingled with Eastern ways, often resulting in unusual and unique hybrids of thought and culture. Nor has the area's significance been limited to that of providing a meeting place for other cultures. For over 100 years, between the thirteenth and fifteenth centuries, the armies of Genghis Khan and later Tamerlane spread from Central Asia to conquer and exert their influence over an area larger than the conquests of Alexander, Rome or Hitler. The repercussions of these conquests can still be seen today and serve as a reminder of the impact the region has had, and may again have, on world events.

The Shadow of What Was Lost

George R.R. Martin's A Song of Ice and Fire series is a worldwide phenomenon, and the world of Westeros has seen multiple adaptations, from HBO's acclaimed television series to graphic novels, console games and orchestral soundtracks. This collection of new essays investigates what makes this world so popular, and why the novels and television series are being taught in university classrooms as genre-defining works within the American fantasy tradition. This volume represents the first sustained scholarly treatment of George R.R. Martin's groundbreaking work, and includes writing by experts involved in the production of the HBO show. The contributors investigate a number of compelling areas, including the mystery of the shape-shifting wargs, the conflict between religions, the origins of the Dothraki language and the sex lives of knights. The significance of fan cultures and their adaptations is also discussed.

Worcestershire in the Nineteenth Century

The iLLamanati have emerged from hidden places of the Earth to shed light on the dark side of human endeavors by collating and publishing literature on the secrets of the Illuminati. Representing the Grand Llama, an omniscient, extradimensional light being who is channeled by our Vice-Admiral, Captain Space Kitten, the iLLamanati is organized around a cast of interstellar characters who have arrived on Earth to wage a battle for the light. Bloodlines of the Illuminati was written by Fritz Springmeier. He wrote and self-published it as a public domain .pdf in 1995. This seminal book has been republished as a three-volume set by the iLLamanati. Volume 1 has the first eight of the 13 Top Illuminati bloodlines: Astor, Bundy, Collins, DuPont, Freeman, Kennedy, Li, and Onassis. Volume 2 has the remaining five of the 13 Top Illuminati bloodlines: Rockefeller, Rothschild, Russell, Van Duyn, and Merovingian. Volume 3 has four other prominent Illuminati bloodlines: Disney, Reynolds, McDonald, and Krupps.

A Naturalist's Guide to the Great Plains

He's been run through with a sword; He's been shot at point blank range; He's got reputation and respect as one of the hardest bastards in Britain... Cass Pennant is a man who lets his fists do the talking. One of the hardest men in Britain, he lives his life on the edge of the law, giving respect where respect is due and dishing out terrible retribution upon anyone who dares to cross him. Cass's life story reads like a Hollywood gangster movie. He tells the amazing stories of how he once saved the life of World Boxing Champion Frank Bruno when skinheads were attacking him with knives; and how he was shot three times in the chest in a South London nightclub but still kept of fighting. As Cass says, 'I've been a bad lad and I've done some good in my life but I'm not ashamed of anything I've done or the choices I've made. I don't owe anyone anything. It ain't nobody's business but my own...'

How Modern Science Came Into the World

Events are coming to a climax in the Banished Lands, as the war reaches new heights. King Nathair has taken control of the fortress at Drassil and three of the Seven Treasures are in his possession. And together with Calidus and his ally Queen Rhin, Nathair will do anything to obtain the remaining Treasures. With all seven under his command, he can open a portal to the Otherworld. Then Asroth and his demon-horde will finally break into the Banished Lands and become flesh. Meanwhile Corban has been taken prisoner by the Jotun, warrior giants who ride their enormous bears into battle. His warband scattered, Corban must make new allies if he hopes to survive. But can he bond with competing factions of warlike giants? Somehow he must, if he's to counter the threat Nathair represents. His life hangs in the balance - and with it, the fate of the Banished Lands

In the Tracks of Tamerlane: Central Asia's Path to the 21st Century

Set in the world of the role-playing game, Pathfinder.

Mastering the Game of Thrones

The authors analyze the prospect that Iran will further invest in Yemen's Houthis and develop them into an enduring proxy group. The authors examine the history, current relations and trajectory, and possible future of the Houthi-Iran relationship.
