Remote Wonders

At first, the basalt rims, high cold deserts, dry lakes, and vast expanses of grass and sage seem to be a barren realm. In fact, petite flowers bloom on rock shelves. Tiny organisms thrive in hot springs and salt water. Unique soil collects and retains water, allowing ancient pine stands to survive. Pikas build miniature grass haystacks to store winter food. Petroglyphs and remnants of ranches, mills, and mines provide evidence of human history. Indeed, remote southeast Oregon is a rich wonderland of mountains, forests, creatures, and more--one well worth exploring. Born and raised in Oregon's Outback, the author's affection for the region shines through. He designed "Remote Wonders" as a road tour guide, and his essays and numerous photos highlight notable natural and historical features. Supplemental information includes side trip and other travel recommendations, and a pull-out map is keyed to selected sites

Oregon

A comprehensive visitor's reference profiles hundreds of eateries from roadside diners to four-star restaurants, makes specific recommendations for a wide range of places to stay, covers historic and cultural sites of interest, and includes additional recommendations for visitors with pets, families, and other special needs. Original.

Oregon

The first—and still the best—guide to Oregon's wine country from well-connected local wine experts. This guide to Oregon's burgeoning wine scene covers the entire state, from the renowned Willamette Valley to the remote Snake River Valley. While Moore and Welsch focus on touring the state's wineries, they also provide a wide array of dining and lodging options and spotlight unique recreation, attractions, and natural wonders to seek out in your spare time.

Explorer's Guide Oregon Wine Country: A Great Destination (second Edition) (Explorer's Great Destinations)

A comprehensive guide to traveling in Oregon that provides information on transportation, sights, activities, outdoor areas, accommodations, restaurants, entertainment, shopping, and special events.

Oregon

This unique, totally revised driving guide to the splendors of Oregon rambles from the Columbia River Gorge, the Cascades, and Crater Lake to Salem, Eugene, and Portland, highlighting the best routes, scenic detours, hikes, and city walks. The authors describe top local attractions and pinpoint where to dine, recline, and camp in comfort. 23 photos, 11 illustrations, 25 maps.

Oregon Discovery Guide

Iconic sites like Mount St. Helens, Mount Rainier, and Grand Coulee Dam are complemented by those undiscovered places that only a longtime local can show you. From the eastern deserts to the western rainforests, Washington is home to some of the most varied and beautiful places in the country. Iconic sites like Mount St. Helens, Mount Rainier, and Grand Coulee Dam are complemented by those unknown and undiscovered places that only a longtime local like the author can show you.

Explorer's Guide Washington (Second Edition)

"This is the new 'gotta have' guide to Oregon's wine country."—Jean Yates, President, Avalon Wine, Corvallis This guide to Oregon's burgeoning wine scene provides exhaustive coverage of the entire state, from the renowned Willamette Valley to the distant Umatilla Valley. It is the guidebook for oenophiles who want to learn about Oregon's wineries, and for anyone who enjoys great wine and longs to see more of this diverse and beautiful state. Included are wineries with and without official tasting rooms as well as those that are open only by appointment. The authors also provide a wide array of dining and lodging suggestions and spotlight unique attractions, recreation options, and natural wonders for travelers to seek out in their spare time. As in every Explorer's Great Destinations title, detailed maps and the authors' insider knowledge make this book a must-have for travelers and residents alike. A unique and practical Great Grape Destinations checklist rounds out this invaluable resource. Use it to help you enjoy your trip to Oregon's vibrant cities and towns, stunning countryside, and—of course—distinctive wineries. Includes: history, getting around, wineries, lodging, dining, attractions, recreation, shopping, and more!

Explorer's Guide Oregon Wine Country: A Great Destination (Explorer's Great Destinations)

This all-new Explorer's Guide takes you on a tour through Washington, from the timbered coast to remote mountains, to Seattle and beyond the Columbia River Valley. Washington is as diverse as it is evergreen. Discover the hidden treasures of Puget Sound by car and ferry; view the dramatic and transformed landscape of Mount St. Helens and the awesome scope of Mount Rainier; stare over the edge of the Grand Coulee Dam and across the expanse of the Columbia River Gorge. Hundreds of lodging and dining recommendations are augmented with suggestions on what to do, where to shop, and what to see. 23 maps, 100 black & white photographs, index.

Steens Country

An informative, fascinating resource suitable for students, researchers, and general readers, this biographical dictionary is a "who was who" of world and space explorers, giving readers a sense of the human drama—the achievements and the challenges—that those who go where few or none have gone before must face. The explorers covered include Jacques Cousteau, Sir Vivian Fuchs, John Glenn Jr., Aleksei Leonov, Annie Peck, Valentina Tereshkova, and many more.

Washington

One of the most geographically diverse states in the U.S., marked by volcanoes, abundant bodies of water, mixed forests as well as high deserts and semi-arid shrublands, hikers can find an experience to appeal to virtually any outdoor interest. Oregon Day Hikes offers 20+ family-friendly and accessible hikes either in or within driving distance from cities and major communities.

Biographical Dictionary of Explorers

This guide book can be used to see the remains of the Oregon Trail in Oregon and Southeast Washington. Clear road directions and maps are used to guide you to significant rut sites, museums, forts and other sites along the trail from the Snake River near Vale all the way to Oregon City. Included are side trips to Whitman Mission and over the Barlow Road. Also, the "real" history of the trail is discussed and myths dispelled about the journey. The sites are listed in the order that the emigrants first saw them. Come be an explorer of this vital link to the past--The Oregon Trail.

Oregon Day Hikes

With natives as your guides, this series leads you down the road less traveled.

Finding the Trail in Oregon

This Insight Guide is a lavishly illustrated inspirational travel guide to Oregon and a beautiful souvenir of your trip. Perfect for travellers looking for a deeper dive into the destination's history and culture, it's ideal to inspire and help you plan your travels. With its great selection of places to see and colourful magazine-style layout, this Oregon guidebook is just the tool you need to accompany you before or during your trip. Whether it's deciding when to go, choosing what to see or creating a travel plan to cover key places like Downtown Portland and Albany, it will answer all the questions you might have along the way. It will also help guide you when you'll be exploring Crater Lake National Park or discovering the Cascade Mountains on the ground. Our Oregon travel guide was fully-updated post-COVID-19.

The Insight Guide Oregon covers: Portland and around, Oregon Coast, Mt. Hood and Columbia River Gorge, Eastern Oregon, Central Oregon, Southern Oregon, Willamette Valley. Backroads and Byways of Oregon

Weekend explorers and family vacationers will love this helpful resource that includes maps and photos and provides ideas on where to go, what to do, and how to get there. Oregon's 362-mile ocean shoreline, the magnificent Columbia Gorge, and the spectacular mountain ranges draw in-staters and national visitors. This is the quintessential guidebook to recreation in Oregon's state parks.

Insight Guides Oregon: Travel Guide eBook

"Part field guide, part travel guide, Steelquist writes with the authoritative voice of that friend you want next to you on the trail or in the dunes—the one who knows just where to go for a weekend getaway and what to pack for the Pacific Northwest's unpredictable weather." —Portland Monthly Millions of visitors explore the magnificent coastline of the Pacific Northwest and all that it provides—unique plant life, easy-to-find animals, and magical places. The Northwest Coastal Explorer is a fun, engaging, lushly-illustrated guide to the marine life of Oregon, Washington, and British Columbia. Profiles of the flora and fauna include tips on where and how to find them—like the ochre sea stars commonly discovered on exposed rocks and the olive snails found on sandy beaches—while the included getaway guide highlights the best weekend trips for each area.

Oregon State Parks

A lively, comprehensive guide to the southern Appalachians, from Virginia's Blue Ridge Mountains to the Monongahela National Forest of West Virginia. With visitation levels that rival Orlando and New York City, the southern Appalachians draw a huge array of weekenders, adventurers, and long-term visitors. This book offers historical insight, outdoor adventure, and all the information most travelers need to plan and enjoy their journey. This guide also serves as an insider's handbook to the nine national parks, offering active travelers the best access points and trailheads for kayaking, biking, and hiking excursions. In addition, this comprehensive guide to the region includes opinionated listings of inns, B&Bs, hotels, and vacation cabins; hundreds of dining reviews, from barbecue to four-star cuisine; up-to-date maps; an alphabetical "What's Where" subject guide to aid in trip planning; and handy icons that point out family-friendly establishments, wheelchair access, places of special value, and lodgings that accept pets.

The Northwest Coastal Explorer

This comprehensive guide to Wyoming includes all of the expected attractions as well as many more far-flung and offbeat adventures, extensive outdoor recommendations and details on the cultural opportunities that abound. Wyoming is arguably the most "western" western state. From the windblown plains of Casper to the mountain peaks of the Wind River Range, Alli Rainey, a passionate Wyoming resident and rock climber, will help you find the best the state has to offer. Come explore the unspoiled West.

Explorer's Guide The Shenandoah Valley & Mountains of the Virginias: Includes Virginia's Blue Ridge and Appalachian Mountains & West Virginia's Alleghenies & New River Region

The perfect reference guide for students in grades 3 and up - or anyone! Each section is color coded for easy recognition. This Pocket Guide comes with complete and comprehensive facts ALL about Oregon. Riddles, recipes, and surprising facts make this guide a delight! Oregon Basics section explores your state's symbols and their special meaning. Oregon Geography section digs up the what's where in Oregon. Oregon History section is like traveling through time to some of Oregon's greatest moments. Oregon People section introduces you to famous personalities and your next-door neighbors. Oregon Places section shows you where you might enjoy your next family vacation. Oregon Nature section tells what Mother Nature gave to Oregon. Oregon Miscellaneous section describes the real fun stuff ALL about Oregon.

Explorer's Guide Wyoming

"The second section follows the route taken along the South Coast in 1828 by Jedediah Smith, one of the foremost explorers of the American West. It describes key historic sites from the California/Oregon border to Heceta Head. Drawing on journal entries, the author traces the Jedediah Smith Expedition's advance, and recounts its troubled relations with coastal Indians and its tragic ending. Along the expedition's route, the book profiles the region's many historic places."--BOOK JACKET.

My First Pocket Guide About Oregon

A historical and regional guide for following the path of the Lewis and Clark Expedition across present-day Washington, Oregon and Idaho. It covers the region from Lolo Pass in the Bitterroot Mountains to the mouth of the Columbia River at the Pacific Ocean. The chapters in this book are organized to represent different segments of the route followed by the Corps of Discovery. Each chapter contains a trail guide which points out actual sites of camps and significant events and landmarks experienced during the expedition. There are also regional places of interest and sightseeing opportunities listed, along with maps and directions. There is an epilogue that offers a brief profile of the rest of Lewis and Clark's lives. At the end of the book you will find a description of the plants and animals the explorers catalogued as they traveled across the northwest. There is also a bibliography and an index. The chapters in this book are organized to represent different segments of the route followed by the Corps of Discovery across Idaho, Washington and Oregon. The first chapter describes their crossing of the Continental Divide-three times on the way west-as they looked for the most practical route. This was the most grueling terrain they encountered on the entire trip and it was their introduction to the northwest. At this point they met with Shoshone Indians to trade for horses and found that Sacagawea, the young wife of their French interpreter, was a sister to the chief. She had been captured as a young girl and now returned home as a member of the expedition. Chapter two describes another dramatic event involving an Indian woman, the Nez Perce Wetxuiis, who was never mentioned in the journals of the expedition, but who may have saved the lives of the starving and exhausted white men. The Nez Perce proved to be stalwart friends who shared food, knowledge of the country, and dugout canoe construction so the Corps could continue on toward the ocean. Chapter three focuses on reaching the Columbia River, the Big River, a critical milestone that they hoped would take them swiftly and easily to the Pacific. They met more friendly tribes there and joined them in feasts of salmon. Chapter four describes the explorers' encounter with the Chinookan Traders at Celilo Falls, the Great Falls of the Columbia, where they entered yet another world in the culture of Northwest Indians. Here they were faced with the sophisticated center of trade for the Pacific Plateau Trade System. Tribes from downriver came to trade and meet with those from the eastern plateau region of the northwest. The Corps entered the spectacular Columbia River Gorge, navigated dangerous rapids in dugout canoes and survived to continue onward downstream. Chapter five covers a grueling 150 miles downstream from the beginning of tidal influence to the Pacific Ocean. Battered by storms and tides, this relatively short distance was anything but a downstream float trip. However, they did plant the flag for the United States on the northern shore of the Columbia River, near the ocean, and thus staked a claim to the northwest. This done, they immediately made plans to pass the winter in a sheltered spot on the south shore and made their way across the river to build a stockade they called Fort Clatsop. The winter passed there is covered in chapter six. They brought journals and maps up to date, hunted, made moccasins, and traded with their Indian neighbors. Chapter seven is an account of their homeward journey east-now up the Columbia. They portaged around rapids and, finally, took an overland route to the lands of the Nez Perces. Chapter eight describes their reunion with their Indian friends and their stay with them while waiting for the snow to melt enough to open Lolo Pass for their last crossing of the

Divide. The book ends with an epilogue and brief profiles of Captains Lewis and Clark, the Shoshone woman Sacagawea, and York, Clark's slave. Each chapter contains a trail guide which points out actual sites of camps and significant events and landmarks experienced during the expedition. There are also regional places of interest and sightseeing opportunities listed, along with maps. One of the directives given to the Captains was to collect information on flora and fauna that might be new to science. They did so with great scientific care and skill. At the end of this book you will find a description of the plants and animals the explorers catalogued as they traveled across the northwest. There is also a bibliography and an index.

A Guide to Oregon South Coast History

Fully updated and revised, this guide details information on 700 public campgrounds in Oregon accessible by car. It's a guide for everyone from tenters to RVers.

Explorers of the Pacific Northwest

Although a host of adventurers stormed west in 1806 after Lewis and Clark's safe return, seven of them left unique legacies because of their monumental journeys, their lionhearted spirit in the face of hardship, and the way their paths intertwined time and again. The Perilous West tells this riveting story in depth for the first time, focusing on each of the seven explorers in turn - Ramsay Crooks, Robert McClellan, John Hoback, Jacob Reznor, Edward Robinson, Pierre Dorion, and Marie Dorion. These seven counted the Tetons, Hells Canyon, and South Pass among their discoveries. More importantly, they forged the Oregon Trail-a path destined to link the Atlantic coast with the Pacific, spurring national expansion as it carried trappers, soldiers, pioneers, missionaries, and gold-seekers westward. The Perilous West begins in 1806, when Crooks and McClellan meet Lewis and Clark, and the vast expanse from the Dakotas to the Pacific coast appears a commercial paradise. The story ends in 1814, when a band of French Canadian trappers rescue Marie Dorion, and even John Jacob Astor's well-financed enterprise has ended in violence and chaos, placing the protagonists squarely in the context of Thomas Jefferson's monumental opening of the West, which stalled with the War of 1812.

Lewis & Clark Across the Northwest

From the alpine slopes of Mt. Hood to the vast wheat fields and grasslands of the interior, north-central Oregon is a region of distant horizons, scenic wonders and pioneer spirit. Roads Less Traveled in North-Central Oregon leads modern explorers on nearly 700 miles of routes and explains what they'll find along the way.

A Guide to Oregon South Coast History

Following modern highways that parallel much of the Lewis and Clark Trail, suggests a two-week itinerary for the trek that took the original explorers almost two years. Includes history, sites, sidetrips, lodging, camping, and restaurants. Illustrated with bandw photos, a few maps (travellers will want more detailed ones), and eight pages of color photos. No index. Annotation copyright by Book News, Inc., Portland, OR

Camping Oregon

"Contains a total of 177 articles ... that cover the entire history of exploration from ancient times to the present day"--Page 12.

The Perilous West

With this attractive and easy-to-use guide in hand you'll discover the Oregon you never knew existed. Nine maps and thirteen black-and-white illustrations help you become acquainted with this unknown Oregon.

Roads Less Traveled in North-Central Oregon

Oregon Historical Quarterly

From the rolling hills, coastal bays, valley rivers and mountain forests, northwest Oregon is a region of fertile farmlands, covered bridges and Pacific wonders. Roads Less Traveled in Northwest Oregon II leads modern explorers on nearly 500 miles of routes and explains what they'll find along the way.

The Traveler's Guide to the Lewis & Clark Trail

Experiencing the pioneer history and natural beauty of Northeast Oregon from its back roads and byways, Roads Less Traveled in Northeast Oregon leads modern explorers on over 900 miles of routes and explains what they'll find along the way.

Explorers and Exploration

Discover the Coast! Fly a kite, build a sandcastle and go rock fishing. Watch whales, photograph geologic wonders and surf crashing waves. Visit historic lighthouses, encounter wildlife, and explore tidepools. Go beachcombing, birding and hiking. Be awestruck by breathtaking vistas. Capture a Memory! Delightful photos, art and commentary highlight spectacular sights, tantalizing tastes and cozy getaways from Lincoln City to Yachats, Oregon U.S.A. Vicarious travelers will enjoy an armchair tour of one of the most scenic coast lines in the world through the eyes of Cat and her family. As a travel guide, explorers can use Cat's book as a jumping off point to create their own weekend adventure to the incredible Oregon Central Coast.

Oregon

The Rough Guide to the USA is the most comprehensive and colourful guide to the fifty states available. There are lively accounts of every region and attraction from the bright lights of Broadway to the vast open plains of Wyoming. The guide gives refreshingly opinionated reviews of the established sights and landmarks as well as uncovering many of the lesser-known gems, allowing the visitor to make the most of their trip. There are feature boxes that provide information on a variety of subjects from the Delta blues to the geology of the Grand Canyon. There are also maps and plans to help you navigate around the major attractions, inner city streets or interstates

Oregon Coast Travel Guide 2023 and Beyond

In the seemingly endless expanses of the American Northwest lies a state that still holds a well-kept secret for many – Oregon. However, for those who are willing to venture off the beaten path of tourist streams, a fascinating world of undiscovered treasures and exciting adventures opens up. "Beyond the Known: Secrets and Adventures in Oregon" takes you on a journey deep into the hidden corners of this diverse state, where the magic of nature, the mysteries of history, and the audacity of adventure come together. The journey begins with a look at Oregon's multifaceted geography. From the majestic Pacific coastline of jagged rocks and endless beaches, to the seemingly endless forests populated by some of the oldest and tallest trees in the world. From the Cascades volcanoes that dot the landscape to the

mysterious deserts of the eastern part of the state, Oregon offers an incredible variety of natural beauty. But Oregon is more than just breathtaking landscapes. Over the course of the chapters, "Beyond the Known" takes readers through the fascinating history of the state. From the Native Americans who lived in this region for millennia, to the era of pioneers who dared to make the arduous journey along the Oregon Trail, to the modern cities that preserve a thriving cultural heritage. A trip through Oregon would be incomplete without exploring the state's culinary treasures. The chapters on Oregon's thriving food and wine industry take readers on a journey through the flavors of vineyards, farmer's markets, and award-winning restaurants that celebrate the rich palette of local produce and the innovative power of chefs. And then there are the adventures waiting to be discovered. Whether it's hiking in the majestic mountains, rafting in wild rivers, exploring mysterious caves, or marveling at the inexplicable phenomena in the Oregon Vortex, Oregon offers a wealth of experiences for the adventurous. "Beyond the Known: Secrets and Adventures in Oregon" is a book that piques curiosity and encourages readers to step out of their comfort zone and discover the myriad treasures this unique state has to offer.

Roads Less Traveled in Northwest Oregon II

From the clear water of Crater Lake to the desolate desert valleys near the California and Nevada borders, south-central Oregon is a region of cinder cones, ancient forests and rugged living. Roads Less Traveled in South-Central Oregon leads modern explorers on nearly 900 miles of routes and explains what they'll find along the way.

Roads Less Traveled in Northeast Oregon

Travel the lower Columbia on a history tour with this helpful guide, and imagine what this awesome, untamed terrain may have looked like to Lewis and Clark.

Road Trip Explore! Oregon Central Coast--Lincoln City to Yachats
