Lost Restaurants of Lincoln, Nebraska

Home to the beloved Miller & Paine cinnamon rolls, Lincoln boasts a restaurant history rich with delicious food and unique stories. Tony and Luigi's, once considered the city's premier restaurant, grossed just \$6.50 on its opening day in 1945. Legendary Nebraska football coach and athletic director Bob Devaney made the Legionnaire Club his home away from home. Paramount Pictures chose K's Restaurant to film scenes for the Academy Award-winning Terms of Endearment because of its Norman Rockwell-like atmosphere, and touring musicians didn't realize that the Drumstick was named for a fried chicken leg until after arriving to perform. Author and longtime Lincoln Journal Star restaurant critic Jeff Korbelik remembers the Star City's most memorable eateries.

Explore Nebraska's capital city in the expert company of Gretchen M. Garrison.

Lost Restaurants of El Paso

El Paso was a crossroads long before it was a border town, and its restaurant history represents the same intersection of foodways and culinary traditions. When the Ladies' Auxiliary for the YMCA

produced El Paso's first known community cookbook in 1898, a number of its recipes appeared in English for the first time. Many of the eateries that supported that variety are now gone, but places like Jaxson's, Griggs and the Central Café changed the city's tastebuds forever. Walk the colonnade of the Hollywood Café or plop down at Bill Parks Bar-B-Q in this collection of standbys served up by the El Paso County Historical Society.

"Omaha is known for its beef, but the history of its most famous restaurants goes far beyond. The French Caf   was the place to go to celebrate. Piccolo Pete's, Mister C's and Bohemian Caf   helped shape neighborhoods in Little Italy, North Omaha and Little Bohemia. The tales of restaurateurs like the tragic Tolf Hanson; the ever-optimistic Ross Lorello; Anthony Oddo, once a resident at Boys Town; and Giuseppa Marcuzzo, a former bootlegger, also tell the story of the city. Restaurants played a prominent role as history unfolded in Omaha during prohibition, wartime rations, the fight for equal rights and westward expansion. Author Kim Reiner details the fascinating history behind Omaha's classic eateries." --Amazon.com

"In the early twentieth century, Tulsa was the "Oil Capital of the World." The rush of roughnecks and oil barons built a culinary foundation that not only provided traditional food and diner fare but also inspired upper-class experiences and international cuisine. Tulsans could reserve a candlelit dinner at the Louisiane or cruise along the Restless Ribbon with a pit stop at Pennington s. Generations of regulars depended on family-owned establishments such as Villa Venice, The Golden Drumstick and St. Michael's Alley. Join author Rhys Martin on a gastronomic journey through time, from the Great Depression to the days of "Liquor by the Wink" and the Oil Bust of the 1980s."--Back cover.

Louisville was home to fine cuisine long before the famous restaurant rows on Bardstown Road, Frankfort Avenue and East Market Street. Mazzoni's served the area's first rolled oyster. At the C-54 Grill, guests dined inside a remodeled aircraft, and Kaelin's prepared its classic cheeseburger. Hasenour's sauerbraten and Hoe Kow's war sui gai are two dishes that still make local mouths water when mentioned. Authors Stephen Hacker and Michelle Turner revisit the vivid personalities, celebrated spaces and unique recipes that made Louisville's historic eateries unforgettable.

Lost Restaurants of Louisville

Grand Rapids restaurants have served up meals and memories since the city's earliest days. At Bentham's, one of the first downtown restaurants, customers without money to eat could trade an animal pelt for supper. John Sebaitis trained his German shepherd, Spooky, to serve beer to the patrons at his tavern. And a seventeen-year-old Gerald R. Ford worked part time as a server and dish washer at Bill's Place. Join Norma Lewis as she explores the history of Grand Rapids' most beloved eateries and the stories behind them.

From remote diners to downtown political havens, the restaurants of central Ohio satisfied palates for generations. In the era of Sunday drives before interstates, fabulous family-owned restaurants were the highlight of the trip. Sample the epicurean empires established by Greek, Italian, German and Chinese families. Recall the secrets of Surly Girl's chandelier, the delicious recipes handed down by chefs and the location of Flippo the Clown's former jazz hideaway. Following their previous book, *Lost Restaurants of Columbus*, authors Christine Hayes and Doug Motz deliver a second helping of unforgettable establishments that cemented central Ohio's reputation for good food and fun. That includes eighteen destination eateries in fifteen surrounding towns.

A Chicago author's tribute to the historic eateries and storied local haunts that the Windy City has loved and lost. Many of Chicago's greatest or most unusual restaurants are "no longer taking reservations." But even if they're gone, they're definitely not forgotten. From steakhouses to delis, these dining destinations attracted movie stars, fed the hungry, launched nationwide trends and launched

a smorgasbord of culinary innovations. Stretching across almost two centuries of memorable service and adventurous menus, *Lost Restaurants of Chicago* revisits the institutions entrusted with the city's special occasions. Noted author Greg Borzo dishes out course after course of fondly remembered fare, from Maxim's to Charlie Trotter's and Trader Vic's to the Blackhawk.

Lost Restaurants of Central Ohio and Columbus

A culinary history of the Gateway City and the memorable restaurants that once made their home there. St. Louis is a food town, and there are many restaurants that have captured the heart of the city. Some of them are no longer around. Rossino's low ceilings and even lower pipes didn't stop the pizza-hungry residents from crowding in. Jefferson Avenue Boarding House served elegant "Granny Food" in plush surroundings. King Burgers and onion rings ruled at the Parkmoor. Dohack's claimed it was the first to name the "jack salmon." Author Ann Lemons Pollack details these and more restaurants lost to time in the Gateway City. "Few St. Louisans know the history of the St. Louis food scene like local food and travel writer Ann Lemons Pollack. . . . The book is a treasure trove for St. Louis history-lovers, beginning with an extensively researched look at the food served at the 1904 Louisiana Purchase Exposition—better known as the 1904 World's Fair—hosted in St. Louis. She debunks some myths—hot dogs were not "invented" at the fair, but perhaps found a wide audience there—and charts the various restaurants and cafes that fed eager fairgoers."—Feast Magazine

An expert in Americana explores the legendary eateries of Seattle's past, from culinary pioneers to neighborhood haunts, roadside diners, and more. From the nineteenth century to today, Seattle has been home to some of the finest oyster houses, dining rooms, and lunch counters in America. It has seen them come and, in many cases, watched them go. In *Lost Restaurants of Seattle*, author Chuck Flood celebrates nearly a thousand of Seattle's vanished eateries, along with a few resilient survivors. Exploring their cuisines and recipes, Flood tells of how Manca's Café invented the irresistible Dutch Baby pancake, while Trader Vic's gained reverence for its legendary Mai Tais. And with wonderful historic images, she shows why places like the railroad car-themed Andy's Diner and the Twin T-P's with its iconic wigwam-shaped dining rooms live on in the city's culinary memory long after their departure.

The city of Jacksonville has long enjoyed a wondrous array of restaurants with fine cuisine and unique atmospheres. Some of the greatest of those now exist only in memory. Le Chateau, with its elegant patio and seascapes, was a beacon of fine dining. The Rainbow Room at the George Washington Hotel offered a crowded dance floor with its dinner experience. The Green Derby was the hub of passion for fans of Florida and Georgia during one of the fiercest rivalries in college football. Join author Dorothy K. Fletcher as she recalls the history of the city's lost restaurants and reflects on a more gracious time in Jacksonville living.

The Women Who Built Omaha

Today, visitors and locals in Greenville enjoy a vibrant, diverse and acclaimed culinary scene. Some will remember recent favorites like the American Grocery Restaurant that helped pioneer the farm-to-table movement. Others will remember longtime favorites like Carpenter Bros. Drug Store, Charlie's Steak House and Gene's Restaurant that were around for three or four generations. Few in the second half of the twentieth century would not have dined at one of Vince Perone's restaurants for some occasion. Author and tour guide John Nolan recalls the fond memories of the owners and their cuisines, with recipes included.

The story of long-gone eateries in Henderson is inseparable from the city's unique origin story. Rising from humble beginnings, the population exploded during World War II due to the building of the Hoover

Dam and an immense magnesium plant. Restaurateurs rushed in to feed the masses at places like the Swanky Club, famous for its smorgasbord, and Nick's Supper Club. Dante's Drive-In thrived, serving up burgers to hungry locals getting their cars serviced next door, and the Roadhouse was the place to go to unwind after a busy week. Join author Sharon Damon as she brings to life these gone but not forgotten restaurants, diners and casinos beloved by the people who are proud to call Henderson home.

Dig into the storied restaurant history of the Buckeye State's capital city. Ohio's capital city has long had a vibrant restaurant culture that included German immigrants, High Street eateries and the fads of the times. Gertrude Stein and Alice B. Toklas wrote their thanks for a great meal at the Marmor. Yankees star Tommy Henrich held his customers spellbound with stories in his Diamond Room. Mama Marzetti dropped William Oxley Thompson's birthday cake and swept it back up off the floor. Join authors Doug Motz and Christine Hayes as they explore the stories of Woody Hayes's Jai Lai, manhole cover menus and bathtub décor at Water Works, as well as many other lost and beloved restaurants.

"Stories of immigration, culture-clash . . . and old-fashioned hard work are told through the history of Houston's long-gone, but still-beloved restaurants." —Yesterday's America With more than fourteen thousand eating establishments covering seventy different ethnic cuisines, Houston is a foodie town. But even in a place where eating out is a way of life and restaurants come and go, there were some iconic spots that earned a special place in the hearts and stomachs of locals. Maxim's taught overnight millionaires how to handle meals that came with three forks. The Trader Vic's at the Shamrock offered dedicated homebodies a chance for the exotic, and Sonny Look's Sirloin Inn maintained the reputation of a city of steakhouses. From Alfred's Delicatessen to Youngblood's Fried Chicken, Paul and Christiane Galvani celebrate the stories and recipes of Houston's fondly remembered tastemakers. "In the book, the Galvanis share Houston's history and love of food. They take the reader on the banks of the bayou when the city received its first inhabitants before time hopping from the Original Mexican Restaurant to The Original Kelley's Steakhouse. Other stops include Alfred's Delicatessen and the San Jacinto Inn." —Houston Business Journal

People of African descent were some of Galveston's earliest residents, and although they came to the island enslaved, they retained mastery of their culinary traditions. As Galveston's port prospered and became the "Wall Street of the South," better job opportunities were available for African Americans who lived in Galveston and for those who migrated to the island city after emancipation, with owner-operated restaurants being one of the most popular enterprises. Staples like Fease's Jambalaya Café, Rose's Confectionery and the Squeeze Inn anchored the island community and elevated its cuisine. From Gus Allen's business savvy to Eliza Gipson's oxtail artistry, the Galveston Historical Foundation's African American Heritage Committee has gathered together the stories and recipes that preserve this culinary history for the enjoyment and enrichment of generations, and kitchens, to come.

Over the past 225 years, Knoxville dining has come full circle--from early taverns and saloons to upscale continental cuisine and back to the roots of local eating experiences. Greek immigrants Frank and George Regas founded the legendary Regas Restaurant, which operated for 90 years, spreading culinary influence throughout the entire city. Early country music stars frequented Harold's Deli while visiting the city to perform on Tennessee's first live radio shows. Guests from around the world sat 266 feet in the air at the Sunsphere Restaurant, a fine dining establishment run by the Hardee's Corporation during Knoxville's World's Fair. Discover these and many more fascinating stories as author and historian Paula Johnson dives back in time through the stories of the city's great restaurants.

In the presidential elections of 1980, 1984, and 1988, the three Democratic nominees won an average of about 10 percent of the Electoral College vote—a smaller share than any party in any three consecutive presidential elections in US history. In the next seven elections, Democrats won the popular vote in all but one (2004), a feat not achieved by a political party since the Democratic Party's inception in the 1820s. What separated these record-setting runs was the election and presidency of Bill Clinton, whose pivotal role in ushering in a new era of American politics—for better and for worse—this book explores. Perhaps because Clinton's presidency was hobbled by six years of divided government, ended in a sex scandal and impeachment, and was sandwiched between Republican administrations, it is easy to forget that he revived a presidential party that had become nearly moribund. In Clinton's Elections Michael Nelson describes how, by tacking relentlessly to the center, Clinton revived the Democrats' presidential fortunes—but also, paradoxically, effectively erased the center, in the process introducing the new political reality of extreme partisan divisiveness and dysfunctional government. Tracing Clinton's place in American politics from his emergence as a potential nominee in 1988 to his role in political campaigns right up to 2016, Nelson draws a deft portrait of a savvy politician operating in the midst of divided government and making strategic moves to consolidate power and secure future victories. With its absorbing narrative and incisive analysis, his book makes sense of a watershed in the modern American political landscape—and lays bare the roots of our current era of political dysfunction.

"I come from Des Moines. Somebody had to." And, as soon as Bill Bryson was old enough, he left. Des Moines couldn't hold him, but it did lure him back. After ten years in England he returned to the land of his youth, and drove almost 14,000 miles in search of a mythical small town called Amalgam, the kind of smiling village where the movies from his youth were set. Instead he drove through a series of horrific burgs, which he renamed Smellville, Fartville, Coleslaw, Coma, and Doldrum. At best his search led him to Anywhere, USA, a lookalike strip of gas stations, motels and hamburger outlets populated by obese and slow-witted hicks with a partiality for synthetic fibres. He discovered a continent that was doubly lost: lost to itself because he found it blighted by greed, pollution, mobile homes and television; lost to him because he had become a foreigner in his own country.
