La voie et la vertu

Faux-semblants Hong Kong. La division aéronautique du groupe W, représentée par André Bellecourt, conclut l'accord de joint venture avec la Tsai Industries Corp. Les Chinois avaient émis le souhait que Largo Winch en personne signe les contrats. Mais le jeune milliardaire n'ayant plus donné signe de vie depuis qu'il a quitté l'île de Tsai Huang, ils ont fait leur deuil de ce caprice. Pour les cadres du groupe W, Largo a probablement été victime d'un naufrage ou d'un enlèvement par des pirates. Pour son fidèle ami Simon, dont l'instinct de truand lui ment rarement, ça sent le coup fourré. Pour M. Tsai Huang enfin, la question ne se pose même pas : il sait pertinemment que Largo Winch croupit dans une de ses prisons... Avec La voie et la vertu, Jean Van Hamme et Philippe Francq concluent de maître manière le diptyque commencé un an plus tôt avec Les trois yeux des gardiens du Tao. Les auteurs ont parachuté leur héros milliardaire et bourlingueur en Chine et à Hong Kong, dans une aventure débridée où l'action n'a rien à envier au meilleur des James Bond. Quand l'Orient fait commerce avec l'Occident, c'est parfois encore avec des méthodes ancestrales dont les triades garantissent la tradition...

The Way and the Virtue

Largo has disappeared. His friends and employees are trying to find him while they keep the W Group ticking, but no one seems to know what has happened to him - not even the Chinese authorities. It will be up to the billionaire, locked in a cell with a corpse as his only companion, to escape on his own before he can begin reassessing who are his allies and who are his enemies.

Paris, May 1940. Nazi troops storm the city and at Le Bourget airport, on the last flight out, sits Dr Alexandre Yersin, his gaze politely turned away from his fellow passengers with their jewels sewn into their luggage. He is too old for the combat ahead, and besides he has already saved millions of lives. When he was the brilliant young protégé of Louis Pasteur, he focused his exceptional mind on a great medical conundrum: in 1894, on a Hong Kong hospital forecourt, he identified and vaccinated against bubonic plague, later named in his honour *Yersinia pestis*. Swiss by birth and trained in Germany and France, Yersin is the son of empiricism and endeavour; but he has a romantic hunger for adventure, fuelled by tales of Livingstone and Conrad, and sets sail for Asia. A true traveller of the century, he wishes to comprehend the universe. Medicine, agriculture, the engine of the new automobile, all must be opened up, examined and improved. Ceaselessly curious and courageous, Yersin stands, a lone genius, against a backdrop of world wars, pandemics, colonialism, progress and decadence. He is brought to vivid, thrilling life in Patrick Deville's captivating novel, which was a bestseller and shortlisted for every major literary award in France.

Aimée Joubert is a drop-dead gorgeous femme fatale with a penchant for bloody murder. Ever on the lookout for opportunities for self-enrichment, she finds plenty to like as a newcomer to the detestable backwater town of Bléville: small-minded parochialism, self-interested parish politics, rampant corruption, dormant grudges, scandals just waiting to be uncovered - yes, there's a killing to be made here. So Aimée starts to wreak her stylish mayhem on Bléville's despicable bourgeoisie. But just when she's ready to take them all to the cleaners, something snaps, and the master manipulator falls prey to

her wayward passions. A legend of the genre, Jean-Patrick Manchette transformed the modern crime thriller into something slick, chic and riotously enjoyable. A tornado of redemptive murder and a gleeful satire of small-town life, *Fatale* is Manchette's bloodiest, funniest and most brilliantly cathartic thriller yet.

When published in 2009, *The Art of Flying* was hailed as a landmark in the history of the graphic novel in Spain for its deeply touching synthesis of individual and collective memories. A deeply personal testament, Altarriba's account of what led his father to commit suicide at the age of ninety is a detective novel of sorts, one that traces his father's life from an impoverished childhood in Aragon, to service with Franco's army in the Civil war, escape to join the anarchist FAI, exile in France when the Republicans are defeated, to return to Spain in 1949 and the stultifying existence to which Republican sympathisers were consigned under Francoism. *The Art of Flying* is immensely moving and vivid, beautifully drawn by Kim. It was highly praised in Spain on first publication, where it was compared to Art Spiegelman's *Maus*. It went on to win six major prizes, including the 2010 National Comic Prize.

The Killing Room

This book represents a reflection on the policies of preservation that were established and interventions for restoration that occurred in Iran before and in the years after the Khomeinist Revolution, as well as being an analysis of the impact that Italian restoration culture has had in the country. Research concerning the state of conservation and the ongoing restoration of the Armenian churches in the Khoy and Salmas areas is included, along with precise documentation of the observation of the two cities, their architecture and the context of their landscape. The problems of architectural restoration in present-day Iran and the compatible use of buildings no longer intended for worship are addressed. The book is bolstered by first-hand documentation obtained through inspections and interviews with Iranian specialists during three missions carried out between 2016 and 2018 and a large anthology of period texts that have only recently been made available for the first time for study in electronic form, including travel reports written by Westerners describing Persia between the 15th and 19th centuries.

Cet ouvrage (intitulé *Le sous-titrage du cinéma français en Chine : enjeux, traduction du sens, contraintes*) vise à cerner les enjeux, les contraintes et les normes qui régissent le sous-titrage cinématographique en tant qu'opération traduisante. Cette recherche se fonde sur un corpus constitué de films français, dont des comédies particulièrement, qui ont été tout récemment distribués dans les salles chinoises. N'étant qu'une introduction à d'autres travaux de recherche sur le sous-titrage,

qui reste jusque-là plutôt une activité empirique, cette étude cherche à susciter plus d'intérêts de la part de la communauté scientifique, qui pourrait sortir de la marginalisation cet immense champ transdisciplinaire.

The Art of Flying

A gorgeous original graphic novel from the bestselling creators of KILL OR BE KILLED, MY HEROES HAVE ALWAYS BEEN JUNKIES, and CRIMINAL. Max Winters, a pulp writer in 1930s New York, finds himself drawn into a story not unlike the tales he churns out at five cents a word—tales of a Wild West outlaw dispensing justice with a six-gun. But will Max be able to do the same when pursued by bank robbers, Nazi spies, and enemies from his past? One part thriller, one part meditation on a life of violence, PULP is unlike anything award-winning BRUBAKER & PHILLIPS have ever done before. This celebration of pulp fiction set in a world on the brink is another must-have hardcover from one of comics' most acclaimed teams. "Like Scorsese and De Niro, BRUBAKER and PHILLIPS are the unmatched masters of a certain kind of storytelling. A new title from the sharpshooters behind Fatale and Criminal is reason enough to go on living." —Joe Hill (Locke & Key)

She's an innocent. Caught in the wrong place at the wrong time. My Angel is the one who got away—the only person in the world I love. When she is caught in an unsanctioned bank robbery in my territory, only my reputation protects her. She should have stayed away. Instead, she charges back into my life like a shining beacon in my otherwise bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would let her go - again. There's no white picket fence in life with a Bellandi, and she deserves so much more. I pushed her away once, but now that she's back I won't let anything else come between us. Not even Ivory herself. Disclaimer: Bloodied Hands is a full-length standalone novel with crime syndicate members and dark content. The Bellandi Crime Syndicate Series includes several full-length standalones with HEA that can be read in any order, but would present a better reading experience following the suggested reading order.
