A Tree of Night

Holly Golightly knows that nothing bad can ever happen to you at Tiffany's. In this seductive, wistful masterpiece, Capote created a woman whose name has entered the American idiom and whose style is a part of the literary landscape—her poignancy, wit, and naïveté continue to charm. This volume also includes three of Capote's best-known stories, "House of Flowers," "A Diamond Guitar," and "A Christmas Memory," which the *Saturday Review* called "one of the most moving stories in our language." It is a tale of two innocents—a small boy and the old woman who is his best friend—whose sweetness contains a hard, sharp kernel of truth.

Music for Chameleons

'Superb... These thirty-two stories inhabit the Technicolor vernaculars of taxi drivers, barbers, paper pushers and society matrons... O'Hara was American fiction's greatest eavesdropper, recording the everyday speech and tone of all strata of mid-century society' *Wall Street Journal* John O'Hara remains the great chronicler of American society, and nowhere are his powers more evident than in his portraits of New York's so-called Golden Age. Unsparingly observed, brilliantly cutting and always on the tragic edge of epiphany, the stories collected here are among O'Hara's finest work, and show why he still stands as the most-published short story writer in the history of the *New Yorker*.

Summer Crossing

Perhaps no twentieth century writer was so observant and elegant a chronicler of his times as Truman Capote. Whether he was profiling the rich and famous or creating indelible word-pictures of events and places near and far, Capote's eye for detail and dazzling style made his reportage and commentary undeniable triumphs of the form. Portraits and Observations is the first volume devoted solely to all the essays ever published by this most beloved of writers. From his travel sketches of Brooklyn, New Orleans, and Hollywood, written when he was twenty-two, to meditations about fame, fortune, and the writer's art at the peak of his career, to the brief works penned during the isolated denouement of his life, these essays provide an essential window into mid-twentieth-century America as offered by one of its canniest observers. Included are such celebrated masterpieces of narrative nonfiction as "The Muses Are Heard" and the short nonfiction novel "Handcarved Coffins," as well as many long-out-of-print essays, including portraits of Isak Dinesen, Mae West, Marcel Duchamp, Humphrey Bogart, and Marilyn Monroe. Among the highlights are "Ghosts in Sunlight: The Filming of In Cold Blood," "Preface to Music for Chameleons, in which Capote candidly recounts the highs and lows of his long career, and a playful self-portrait in the form of an imaginary self-interview. The book concludes with the author's last written words, composed the day before his death in 1984, the recently discovered "Remembering Willa Cather," Capote's touching recollection of his encounter with the author when he was a young man at the dawn of his career. Portraits and Observations puts on display the full spectrum of Truman Capote's brilliance. Certainly, Capote was, as Somerset Maugham famously called him, "a stylist of the first quality." But as the pieces gathered here remind us, he was also an artist of remarkable substance.

A Clockwork Orange

Truman Capote's first novel is a story of almost supernatural intensity and inventiveness, an audacious foray into the mind of a sensitive boy as he seeks out the grown-up enigmas of love and death in the ghostly landscape of the deep South. "Intense, brilliant . . . Capote has an astonishing command . . . a magic all his own." —The Atlantic At the age of twelve, Joel Knox is summoned to meet the father who abandoned him at birth. But when Joel arrives at the decaying mansion in Skully's Landing, his father is nowhere in sight. What he finds instead is a sullen stepmother who delights in killing birds; an uncle with the face—and heart—of a debauched child; and a fearsome little girl named Idabel who may offer him the closest thing he has ever known to love.

Penguin Readers Level 2: The Adventures of Huckleberry Finn (ELT Graded Reader)

Bonjour Tristesse is Françoise Sagan's stylish, shimmering and amoral tale of adolescence and betrayal on the French Riviera, published when its author was just eighteen years old. It tells the story of Cécile, who leads a carefree life with her widowed father and his young mistresses until, one hot summer on the Riviera, he decides to remarry - with devastating consequences. In A Certain Smile, which is also included in this volume, Dominique, a young woman bored with her lover, begins an encounter with an older man that unfolds in unexpected and troubling ways. Both novellas have been freshly translated by Heather Lloyd and include an introduction by Rachel Cusk. Françoise Sagan was born in France in 1935. Bonjour tristesse (1954), published when she was just eighteen, became a succès de scandale and even earned its author a papal denunciation. Sagan went on to write many other novels, plays and screenplays, and died in 2004. Heather Lloyd was previously Senior Lecturer in French at the University of Glasgow, and has published work on both Bonjour tristesse and Françoise Sagan. Rachel Cusk is the author of Saving Agnes (1993), which won the Whitbread First Novel Award; A Life's Work: On Becoming a Mother (2001); and Arlington Park (2006), shortlisted for the 2007 Orange Prize for Fiction. Her most recent book is Aftermath: On Marriage and Separation (2012). 'Funny, thoroughly immoral and thoroughly French' The Times

Other Voices, Other Rooms

A dazzling debut about gossip, slander and the public humiliation of New York socialites in the 1970s. Based on real events, Swan Song is the tragic story of the beautiful, wealthy, vulnerable women whom Truman Capote called his Swans, and who deserted him after he betrayed them. On exclusive yachts and private jets, they shared their deepest secrets and greatest fears with the famous writer. Then in 1975, Capote committed an act of professional and social suicide when he turned his words against the most influential women in Manhattan and silenced his muses. After two decades of cultivating intimate friendships and a high-end lifestyle, Capote detonated a literary grenade, forever rupturing the elite circle he'd worked so hard to infiltrate.

Penguin by Design

Based on Truman Capote's classic novella, BREAKFAST AT TIFFANY'S tells the story of a young Southern-born writer, known to us only as Fred, who becomes infatuated with his Upper East Side neighbor: the beguiling, effervescent beauty Miss Holiday Golightly. As Holly pulls Fred into her world of spontaneous parties and luxury, he finds himself increasingly fascinated with this captivating woman.

Bonjour Tristesse and A Certain Smile

Although Truman Capote's last novel was unfinished at the time of his death, its surviving portions offer a devastating group portrait of the high and low society of his time. "Prose that makes the heart sing and the narrative fly." —The New York Times Book Review Tracing the career of a writer of uncertain parentage and omnivorous erotic tastes, *Answered Prayers* careens from a louche bar in Tangiers to a banquet at La Côte Basque, from literary salons to high-priced whorehouses. It takes in calculating beauties and sadistic husbands along with such real-life supporting characters as Colette, the Duchess of Windsor, Montgomery Clift, and Tallulah Bankhead. Above all, this malevolently finny book displays Capote at his most relentlessly observant and murderously witty.

Breakfast at Tiffany's and Three Stories

An exceptionally talented storyteller, Sir Arthur Ignatius Conan Doyle was born in Edinburgh, Scotland, in May 1859. Doyle began writing while studying at the University of Edinburgh Medical School, which he joined in 1876. Doyle graduated in 1881 and was employed as a surgeon on the steamer *Mayumba* on its voyage to the West African coast. Sir Arthur Conan Doyle was most noted for creating the fictional detective Sherlock Holmes and writing stories about him which are generally considered milestones in the field of crime fiction. Pointing out the social injustices, Holmes offers a new and just approach in a world which is unfair. Sherlock Holmes, the most well-known fictional detective, has been listed with Guinness World Records as the most portrayed movie character in history. Doyle died of a heart attack in July 1930, aged seventy-one.* In this edition we give more than 10 unique illustrations images relevant to the book* In this book illustrations are unique and its help for readers to easily understand story* In this edition we give more than 10 unique illustrations images relevant to the book* In this book illustrations are unique and its help for readers to easily understand story* In this edition we give more than 10 unique illustrations images relevant to the book* In this book illustrations are unique and its help for readers to easily understand story

Swan Song

George Orwell's *Animal Farm* is a 1945 book about a group of animals on a farm who organise a revolution, and take over from their human owners to run the farm themselves. Adopting the Seven Commandments of Animalism, the animals are taught to read and write by two young pigs, Snowball, and Napoleon. As time goes on, rivalry between the two develops, which culminates in Snowball being chased away and Napoleon becoming supreme leader. Growing more authoritarian, Napoleon purges the farm, executing those animals he accuses of siding with Snowball. And as more time progresses, their motto of 'All animals are equal' gets shifted to prioritise only Napoleon and the pigs. An allegory of the Stalinist era of Russia, Orwell shows that true equality can never be, as there will always be those that rise to the top, pushing others down in the process.
