In my life I have wished a million thousand times for a puppy, so I was officially over the moon when I finally obtained Parental Consent to get Honey - the most absolutely softest and velvettest golden Labrador you have ever imagined. Since she moved in we have had some extremely funny adventures while dealing with my weird sister April's frankly unfortunate love crush on Honey's vet. It has all been rather manic, but luckily I am an expert in Defusing the Tension and Staying Ahead of the Game when it comes to this sort of situation, as you will see. This is the first book in a precisely charming new series about me and Honey.

The Nine Lives of Montezuma

Two-time Newbery Award-winning author Katherine Paterson tells the story of Jesus's life with extraordinary clarity and grace, accompanied by paintings as human and reverent as the text. "When the people looked at all the sadness and evil in the world, they had trouble believing that God was in charge. 'God's kingdom,' said Jesus, 'is as tiny as the smallest of seeds, but when it is planted it grows into such a huge tree that the birds make their nests in its branches.'" Newbery Medalist & minister's wife Katherine Paterson retells the life of Jesus in simple, beautiful language for all ages, making the story new again through her trademark generosity and compassion. Iconic images from Jesus's life light the text with the same warmth and directness. A perfect gift book!
