Corcoran Gallery of Art

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

Hoosiers and the American Story

A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Life Leverage

You are just one small step away from the life you know you deserve. It's time to leverage your life. Life Leverage means taking control of your life, easily balancing your work and free time, making the most money with the minimum time input & wastage, and living a happier and more successful life. Using Rob Moore's remarkable Life Leverage model, you'll quickly banish & outsource all your confusion, frustration and stress & live your ideal, globally mobile life, doing more of what you love on your own terms. Learn how to: - Live a life of clarity & purpose, merging your passion & profession - Make money & make a difference, banishing work unhappiness - Use the fast-start wealth strategies of the new tech-rich - Maximise the time you have; don't waste a moment by outsourcing everything - Leverage all the things in your life that don't make you feel alive 'This book shows you how to get more done, faster and easier than you ever thought possible. A great book that will change your life'. Brian Tracy, bestselling author of Eat That Frog

Billion-Dollar Brain

The classic spy thriller of lethal computer-age intrigue and a maniac's private cold war, featuring the same anonymous narrator and milieu of The IPCRESS File.

World War Z

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival, in a novel that is the basis for the June 2013 film starring Brad Pitt. Reissue. Movie Tie-In.

Deception Point

From the #1 New York Times bestselling author of The Da Vinci Code, Angels & Demons, and Inferno and the "master of smart thrills" (People) comes a "rocket-fast thriller" (Vince Flynn) about an

astonishing NASA discovery that unravels a deadly conspiracy that leads all the way to the White House. When a NASA satellite spots evidence of an astoundingly rare object buried deep in the Arctic ice, the floundering space agency proclaims a much-needed victory—one that could have profound implications for US space policy and the impending presidential election. With his re-election hanging in the balance, the President sends White House Intelligence analyst Rachel Sexton to the Milne Ice Shelf to verify the authenticity of the find. Accompanied by a team of experts, including the charismatic academic Michael Tolland, Rachel uncovers the unthinkable: evidence of scientific trickery. Before she can contact the President, she and Michael are attacked by a deadly team of assassins controlled by a mysterious power broker who will stop at nothing to hide the truth. Fleeing for their lives in an environment as desolate as it is lethal, their only hope for survival is to find out who is behind this masterful ploy. The truth, they will learn, is the most shocking deception of all in this “taut, fast-paced, barn-burner of a book” (St. Petersburg Times).

Girl Scouts in the Adirondacks

Reproduction of the original: Girl Scouts in the Adirondacks by Lillian Elizabeth Roy

The Ultimate Sniper

Through revised text, new photos, specialised illustrations, updated charts and additional information sidebars, The Ultimate Sniper once again thoroughly details the three great skill areas of sniping; marksmanship, fieldcraft and tactics.

Wanderings of a Naturalist

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

History of Atchison County, Kansas

DigiCat Publishing presents to you this special edition of "History of Atchison County, Kansas" by Sheffield Ingalls. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

A Circular Argument

Uniquely combining two parts, one critical in the form of a research piece, and the other creative in the form of a fictional novel, A Circular Argument spans creative writing, criminology and architecture to look at the ways in which power and hierarchies are explored and exploited in space.

Inter/View

Twenty-eight powerful and individual voices are heard as Pearlman and Henderson offer a forum for a generous cross-section of the women writing fiction in America today -- writers whose vital statistics cross the borders of race, religion, ethnic origin, sexual preference, marital status, age, geography, and lifestyle. Each writer is presented in an essay/interview reflecting the dynamic that develops naturally when two vital minds meet to discuss topic of mutual interest. The writers talk about the role of memory, space, and family in their work, about politics, dreams, and race, about their mothers and children and alma maters, about book reviewing and their agents, editors, and publishers, and about each others' work. A bibliography of principal works follows each essay. A valuable contribution to writers both female and male, for above all else, this is a book about writing.

Anagram Solver

Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

The Hitchhiker's Guide to the Galaxy

'One of the greatest achievements in comedy. A work of staggering genius' - David Walliams An international phenomenon and pop-culture classic, *The Hitchhiker's Guide to the Galaxy* has been a radio show, TV series, novel, stage play, comic book and film. Following the galactic (mis)adventures of Arthur Dent, *Hitchhiker's* in its various incarnations has captured the imaginations of curious minds around the world . . . It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed, in large friendly letters, with the words: DON'T PANIC. The weekend has only just begun . . . This 42nd Anniversary Edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. Continue Arthur Dent's intergalactic adventures in the rest of the trilogy with five parts: *The Restaurant at the End of the Universe*, *Life, the Universe and Everything*, *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

Subway Lives

On its history and the people that run and ride the trains. A fair mix of technical detail. Fun reading. Annotation copyrighted by Book News, Inc., Portland, OR

Truth, Love and a Little Malice

Khuswant on Khuswant is irresistible... such is his skill as a writer, simple, lucid, unpretentious, This book has been well worth the wait. India today

A History of Wilsons Promontory

The Prize recounts the panoramic history of oil -- and the struggle for wealth power that has always surrounded oil. This struggle has shaken the world economy, dictated the outcome of wars, and transformed the destiny of men and nations. The Prize is as much a history of the twentieth century as of the oil industry itself. The canvas of this history is enormous -- from the drilling of the first well in Pennsylvania through two great world wars to the Iraqi invasion of Kuwait and Operation Desert Storm. The cast extends from wildcatters and rogues to oil tycoons, and from Winston Churchill and Ibn Saud to George Bush and Saddam Hussein. The definitive work on the subject of oil and a major contribution to understanding our century, The Prize is a book of extraordinary breadth, riveting excitement -- and great importance.

The Prize

A combination memoir and cultural study, this book is based on 100 blog posts reflecting on 1968 from the corresponding day in 2018.

Nothing Is Revealed

The journey of a German Ecuadorian widower, Ernst Contag, and his four young children from their home in South America to Nazi Germany in 1942. Blacklisted as an enemy alien, Contag and his children were forcibly repatriated to the country of his grandparents' birth as part of a diplomatic exchange arranged by the United States State Department and cooperating countries. Denying their Ecuadorian citizenship, they had to learn to navigate an ever-shifting horizon as they faced internment, separation, hunger, and hopelessness in Germany and France, then hostility when they eventually returned to their Andean homeland.

Where the Clouds Meet the Water

This is the terrifying story of the most dangerous radical-right hate group to surface since the Ku Klux Klan first rode a century ago. The Silent Brotherhood attracted seemingly average citizens with their call for pride in race, family, and religion and their mission to save white, Christian America from a communist conspiracy. Here is how they became criminals and assassins in their effort to establish an Aryan homeland. 8-page photo insert.

The Silent Brotherhood

The ideal book for people who want to increase their word power. Thorough coverage of 1,200 words and 240 roots while introducing 2,300 words. The Vocabulary Builder is organized by Greek and Latin roots for effective study with nearly 250 new words and roots. Includes quizzes after each root discussion to test progress. A great study aid for students preparing to take standardized tests.

Records of the Borough of Nottingham

"Forty Years for Labrador" by Wilfred T. Grenfell is a memoir in which the author tells the story of his life in Labrador. Sir Wilfred Thomason Grenfell was a British medical missionary to Newfoundland where he fell in love with the ambiance and the people who call this part of Canada home. This book, in fact, discusses some of the patients and citizens he interacted with while operating his practice.

Merriam-Webster's Vocabulary Builder

For more than 20 years, Mike Levine wrote columns for the Times Herald-Record in Middletown, New York, that celebrated the lives of everyday people and shined a light on the darkness of corrupt and inept public servants. Mike sometimes talked about Tikkun olam , Hebrew for "repair of the world." He died in 2007 at the age of 54.

Forty Years for Labrador

"Seaport in Virginia. George Washington's Alexandria" by Gay Montague Moore. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Words to Repair the World

For the first time, the CIA has authorized a top-level operative to tell all in an unforgettable behind-the-scenes look at espionage in action. an undisputed genius who could create an entirely new identity for anybody, anywhere, anytime, Antonio J. Mendez combined the cunning tricks of a magician with the analytical insight of a psychologist to help hundreds of people escape potentially fatal situations. From "Wild West" adventures in East Asia to Cold War intrigue in Moscow and helping six Americans escape revolutionary Tehran in 1980, Mendez was on the scene. Here he gives us a privileged look at what really happens in the field and behind closed doors at the highest levels of international espionage, some of it shocking, frightening, and wildly inventive--all of it unforgettable.

On Bear's Head

Book 1 in the "John Matherson" trilogy.

Seaport in Virginia. George Washington's Alexandria

This book contains the work of 140 poets and artists. Poets from around the U.S., Canada, Australia, the U.K. and Europe. LummoX publishes based on merit, not fame, so many of the poets may be unknown to the reader. However, there are strong showings from New York, Pennsylvania, New Mexico, Canada and California. This book shows that poetry is alive and well even during this age of Covid!

Crossword Lists

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The Master of Disguise

A Reporter's Notebook on Alien Abduction, UFOS, and the Conference at MIT Alien abduction is hardly the usual topic for a scientific conference, yet in 1992 just such a conference was held at MIT. Respected journalist C D B Bryan had serious doubts about UFO encounters , but decided to attend with an

open mind. This startling and thought-provoking book is the result. Fascinating - compelling, terrifying, haunting, yet entirely rational' - The Baltimore Sun'

One Second After

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

One Hundred Years of Singapore

The fifth hilarious novel in the classic "Hitchhiker's Guide to the Galaxy" series follows the exploits of Arthur Dent, who has to adjust to a new life when his spaceship crashes on a remote planet. "If you were hoping for more of the zany, nonsensical, mayhem produced in the earlier books, you're in luck." --"The New York Times Book Review."

Lummox Poetry Anthology #9

In The Synchronicity Key, David Wilcock goes beyond this new understanding to investigate how our universe works. Using history and astrology, as well as new research into fractals, spiritual geometry and quantum physics, Wilcock demonstrates that there is a hidden architecture within time which guides individuals and nations through a system of enlightenment (which Joseph Campbell called the Hero's Journey). Historical events occur in shockingly precise and repeating cycles of time and once the hidden laws governing our fate through seemingly random 'synchronicity' are identified we are left with a remarkable blueprint of how to lead our lives in an uncertain world. David Wilcock's understanding of the living fabric that binds the universe together is behind his knowledge of synchronicity, the connections between seemingly unrelated events, and how we are guided by it. Synchronicity is a means to awaken us to our true identity, the thoughts we think and the actions we take are being guided by hidden cycles that repeat throughout the universe and time. David Wilcock is our guide to this new world.

The Ampleforth Journal

MYSTERY AT WITCHEND

The Doll Hospital

Unwell for a long time herself, Alison sets up a doll hospital where she can help others, and eventually goes into the hospital herself for an experimental treatment that might cure her once and for all.

The Doll Hospital

This children's book, and the companion teacher's manual 'Making sense of my world' is designed as an introduction for children to philosophical thought.

The Doll Hospital

In this memorable, old-fashioned story, Alison, an invalid girl, and her dolls, who come to life, create a hospital for dolls less fortunate than themselves.

The Doll Hospital Directory

A movie star, a model, a heavyweight boxer, a politician, and a novelist gather at the exclusive Tanglewood Clinic for treatment of drug abuse

The Doll Hospital

The Doll's Hospital Diary is a collection of poignant and inspiring stories make up the history of the Doll's Hospital in Dublin, which has become one of Dublin's most picturesque and best-loved institutions. Touching on its foundation and beginnings, and containing both records of people's experience, together with stunning professional photographs, this book captures the magic of this wonderful little world.

The Dolls' Hospital Diaries

When toys need a little (or a lot of!) TLC, they head to the Doll Hospital in this endearing picture book in the tradition of Doc McStuffins. Don't worry, toys, Dr. Pegs will have you feeling better in no time! It's a quiet morning at the Doll Hospital until... DING-A-LING-A-LING! The emergency bells ring! Here comes a patient who needs Dr. Pegs's help. Dr. Pegs is about to get to work when... DING-A-LING-A-LING! Here comes another patient! And another! How will Dr. Pegs take care of them all? Looks like the doctor needs some help herself!

The Doll Hospital

In 1964 Lifetime Career Schools offered a course to become a doll doctor through a home study course. This is that course rewritten and updated for the modern reader. It has been expanded with some new chapters and additional material. The book has been organized so that the doll doctor can easily find what he or she is looking for and learn the skills that are needed to repair and make dolls of all kinds. The book has a wealth of information for anyone about dolls even if you do not plan on becoming a doll doctor.

The Doll Hospital Directory

When Hyacinthia, Karen's favorite baby doll, has to go to the toy shop for repairs, Karen decides to found her own hospital for dolls.

The Doll Hospital School

A doll named Aimee, old, disabled, and soiled, is rejected by Gertrude, the little girl who owns her. Gertrude's mother takes Aimee to the doll hospital to have her restored. Having undergone the appropriate procedures at the doll hospital, Aimee is now more attractive than ever. When Gertrude's mother refuses to pay for the work done, Aimee decides to stay at the hospital so she can be of help to dolls who may, in the future, come to the hospital and may need love and encouragement, as she did.--from back cover

The Doll's Hospital

If you have a doll that has been well played with and you need to give it some special care then this book will help you restore your treasure. Doll repair and restoration expert, Carol Lindberg, gives you tips and techniques on repairing and caring for your beloved dolls. After many years running a doll hospital, Carol is retired now and wants to share a multitude of repair techniques and secrets with readers. This book will be invaluable to anyone who owns and loves dolls regardless of their skill level. It can help you make the decision as to whether or not you can restore the doll yourself or leave it to an expert. There is a very high demand for more people to learn this trade and the author has featured informative guidance towards the doll repair business aspect as well.

The Doll Hospital

When Hyacinthia, Karen's favorite baby doll, has to go to the toy shop for repairs, Karen decides to found her own hospital for dolls.

The Doll Hospital

Text and photographs describe a "hospital" in mid-town Manhattan where a "doctor" restores dolls from all over the world.

Karen's Doll Hospital (Baby-Sitters Little Sister #35)

Lila and Rose are going to spend the year with their grandmother, and they are not pleased. Their grandmother dresses like a hippie, she doesn't own a TV, and she runs a doll hospital. But then she begins to tell them the story of a doll named Tatiana... Long ago, Tatiana belonged to Anya, a wealthy Russian girl. When Anya's town became dangerous, her father decided she should go to America. Anya and Tatiana were supposed to be in the first-class section of the ship with family friends, but they ended up in third class -- by themselves. What would happen once they got to Ellis Island? Would Anya and Tatiana be all alone in America? Book jacket.

The Old Doll

It is post-war Manchester and the build up to Christmas, when a rush-hour traffic accident causes chaos. Two little girls accompanying the victim disappear from the scene and the search for them is not picked up until fifteen hours later. D.I. Clayton is given the case and his investigations lead him to the exposure of corruption of fellow police officers. Who does he trust? About the author... Pat Robinson was born in Manchester at the end of World War Two. She took early retirement from being a nursery nurse to travel. It was during her nomadic lifestyle that she wrote The Doll's Hospital trilogy. Since then she has been a member of various writing groups, one of which was on the Sunshine Coast of Queensland, Australia. She now lives in Yorkshire and is a member of Pickering's Castle Writers.

The Doll Hospital Directory

Nine year old Anna and her sisters like helping out in their parents' doll repair shop, because once their chores are done, the fun can begin. The girls are allowed to play carefully with the dolls until they're fixed and ready to be returned to their owners. But when World War I begins, and an embargo on German-made goods threatens to put the shop out of business, it's up to Anna to come up with an idea to save the day.

All about Doll Repair and Care

The teacher's manual Making Sense of My World (along with The Doll Hospital, sold separately) provides teachers with an accessible way of exploring philosophical concepts with their students. The Doll Hospital centers on Jess, who explores the boundaries of her world with her toy, Roller. A trip to the Doll Hospital triggers a permanent change in their relationship. Teachers who are searching for ways to extend students' language skills will find this material valuable. It will also fit into other areas of the curriculum such as society & the environment.

The Doll Hospital

Rosa and Lila visit a Shaker village with their grandmother, who tells them about a doll named Charlotte who was owned in 1832 by an orphan girl named Daisy. Includes a collectible paper doll. Illustrations. Consumable.

Mystery at the Doll Hospital

Text and photographs describe a "hospital" in mid-town Manhattan where a "doctor" restores dolls from all over the world.

Karen's Doll Hospital

Can you help cure all the poorly toys in this fun activity book? With pages packed with activities, this book is sure to keep little minds entertained for hours.

Letters from the Doll Hospital

While their grandmother is restoring a Parisian dollhouse from the 1890s, which will be placed in a museum, Rosa and Lila learn about the relationship between the dollhouse people and a student at the boarding school where the house was kept.

Doll Hospital

Although forgotten until quite recently, Caryl Chessman, who died in 1954, was a sensitive and profound English Roman Catholic writer on Christian spirituality. In this critical edition of her 1949 book The Passion of the Infant Christ, Chessman argues that the physical world is an "inscaped" revelation of the mind of the Creator. Every concrete object and every temporal event mirrors the eternal, just as the circumstances surrounding the birth of Jesus mirror the circumstances surrounding his death and resurrection. Editor Kerry Walters discusses both Chessman's life and the primary themes of The Passion of the Infant Christ in his introduction to this critical edition of one of Chessman's most insightful books.

Karen's Doll Hospital

Sisters Lila and Rose are spending the year with their eccentric grandmother, who runs a doll hospital. The girls are not pleased with the arrangement, but they begin to enjoy themselves when they learn their grandmother has a special power to "read" the lives of the dolls she is working to restore. In each book, their grandmother tells the girls the story of a different doll. In this first book, we meet Tatiana, a Russian doll who travels to Ellis Island with her owner, a girl named Anya.

How to Successfully Start and Operate a Doll Hospital

Alice is not an ordinary girl, because when Alice talks to bears, the bears talk back. An old bear called Woodroffe, long forgotten in the Attic, cheers up Jack when he is poorly, but when the bear loses his growl it looks as though he may be put aside once more - until Alice discovers the real reason for his silence.

Tatiana Comes to America

Look Inside a Hospital is a fabulous addition to the Look Inside series, a fascinating insight into what really goes on in a hospital and an important book for any child who might be visiting ill relatives or need to go into hospital themselves. Find out what it's like to stay overnight, how operations happen and where babies are born. Flaps on every page reveal intriguing action behind the scenes, including where the surgeons get scrubbed up and where the vomit bowl is emptied! The Emergency spread has a full page gatefold to show even more busy action. Includes internet links to websites with video clips and activities to find out more about hospitals and meet patients, doctors and nurses.
