Extra photocopiable vocabulary exercises and practise tests available in the Teachers Book

Ready for FCE. Coursebook with Key

Complete First for Schools is official preparation for the revised 2015 Cambridge English: First (FCE) for Schools exam. It combines the very best in contemporary classroom practice with engaging topics aimed at younger students. The information, practice and advice contained in the course ensure that they are fully prepared for all parts of the test, with strategies and skills to maximise their score. This Teacher's Book contains detailed teacher's notes with advice on classroom procedure and extra teaching ideas, along with a full answer key for the Student's Book. Extra photocopiable resources and progress tests, with printable wordlists, and two full practice tests are available online.

Ready for CAE.

The Student's Book comes with or without key and contains 14 units and a Writing Bank. The DVD-ROM contains two computer-based practice tests and video material for the Speaking test. There are two versions of the DVD-ROM, one with SB audio material and one without; to cater for both school and self study markets.

Ready for First [B2}

This book shows trainees what they need to know to teach all areas of primary grammar. It explains how to support more able children and outlines what good teaching of each part of grammar looks like in the classroom.

Ready for First Certificate

A concise and practical course that combines print and online materials to efficiently prepare students for the new, computer-based FCE exam. The accompanying website contains four computer-based tests and downloadable workbook-style material accessed through a unique code found at the back of the Student's Book.

Complete First for Schools Teacher's Book

This book introduces trainee secondary school teachers to a range of key professional issues, knowledge to underpin their course.

Ready for First [First Certificate in English]

This book is for you if you've never taught Cambridge First Certificate before, you want to know the most efficient techniques for getting your students through the exam, even if you've taught it before or you want to be able to advertise your services as an expert in First Certificate. The best way to learn to teach Cambridge First Certificate, is to take students through an entire course. Most schools I've worked at don't offer much in the way of additional training. You're just expected to get on with it. When I taught First, Advanced and PET, I was bumbling along with the books just trying to stay one answer further ahead than the students. Even if you're experienced at teaching general English, you can end up feeling like you've just stepped off the TEFL course. Learning along the way means you won't always be able to see around every little corner. With this book, you'll have everything you need to teach the exam the way your students deserve.

Ready for First

Key Features Ideal exam preparation for the Cambridge FCE (2008 format) Learner training component for development of study techniques Extensive coverage of vocabulary, set phrases, idioms and phrasal verbs Reading and listening texts in a variety of genres, topics and styles Pronunciation development Mapped to the Common European Framework Full teaching notes Audio CDs See accompanying Student's Book and Practice Book.

Get Ready to Teach

Trainee teachers encounter a whole new language when they start their training. There are a huge number of specialized terms and ideas that they need to understand and use. This handy reference book provides quick access to succinct definitions for more than 200 terms that relate to primary teaching in England. Recommended for beginner teachers, governors, parents and carers and anyone who might find the language of primary teaching somewhat perplexing, this book is a starting point for developing understanding of a wide variety of the key vocabulary - and the countless associated acronyms - which are in daily use in primary schools and classrooms and beyond.

The Essential Guide to SPaG in the Primary Classroom

The complete guide for trainee teachers on planning the Primary National Curriculum.

Direct to FCE. Student's book con chiavi. Con espansione online. Per le Scuole superiori

The complete, focused course to prepare teenage and young learners to take the FCE exam. Great topics and an up-to-date feel keep students interested while they learn how to tackle each task with confidence.

Preparing To Teach In Secondary Schools: A Student Teacher'S Guide To Professional Issues In Secondary Education

The ITT Core Content Framework sets out the required learning for your teacher training. This book explores what the Core Content Framework is and what essential knowledge and skills you as a trainee primary school teacher need to pass your course. Each chapter includes key research, key policy and primary classroom examples to help you link ideas to practice. Handy checklists mean you can track your own learning progress throughout the course and feel confident that you have: Learnt that..... Learnt how to.....

Mission

FCE Use of English 2 - Revised is intended for students preparing for this examination as well as other examinations at the same level of difficulty. Key Features: Condensed presentation of grammar structures followed by exercises on each structure. Folders consisting of phrasal verbs, prepositions, idioms, key word transformations, collocations and words often confused. Appendices on tenses, spelling rules and pronunciation, phrasal verbs, prepositions, and word formation. The Teacher's Book for the Student's Book contains the answers overprinted on the relevant pages of the Student's Book as well as optional tests.

Teach First Certificate

While the field of ELT studies sees continued horizontal and vertical diversification, it is also time to take stock of what has made the discipline the field it presents itself as today. As horizontal diversification, we can identify trends that involve a continued inclusion of more fields of study into the family of methods and approaches of ELT. Especially in the technical sense, e-learning has matured and new forms of online learning and teaching have emerged, be it via teleconferences or short-message services for vocabulary training. However, a massive extension has occurred within the so-called social media. The vertical dimension affects a depth of analysis not seen even a decade ago, when for example small and relatively simple learner corpora were used for linguistic analysis that rarely went beyond rote frequency counts. The increasing sophistication in these two dimensions is also reflected in the research papers collected in this volume.

Ready for CAE

With a down-to-earth writing style, this text provides NQTs with the practical advice that they need to help quell those September nerves. It tackles the real-life issues that worry new teachers, with a focus on the period before starting the first job.

FCE Use of English 1 Teacher's Book

Complete First Certificate is a new course for the 2008 revised FCE exam. Informed by the Cambridge Learner Corpus and providing a complete FCE exam paper specially prepared for publication by Cambridge ESOL, it is the most authentic exam preparation course available. Complete First Certificate combines the very best in contemporary classroom practice with first-hand knowledge of the challenges students face. There are exercises to help students avoid repeating the typical mistakes that real FCE candidates make, as revealed by the Cambridge Learner Corpus. This topic-based course covers every part of the FCE exam in detail, ensuring that students are fully equipped to tackle each part of every paper. In addition, the accompanying free CD-ROM enables students to focus on their own particular areas of difficulty and work at their own pace. There is a Student's Book with answers and CD-ROM edition so students can study on their own or in class. The Teacher's Book offers plenty of time-saving consolidation and extension material, including photocopiable resources such as tests and activities.

Penguin Readers

These books are designed to offer comprehensive coverage of grammar points, with clear examples and explanations as well as stimulating exercises, suitable for learners at intermediate to advanced level. Systematic practice of idioms, phrasal verbs, prepositions, collocations and word formation is

provided through a variety of tasks. The books can also be used by students who are preparing for the Cambridge FCE and revised CPE examinations as well as other examinations at the same level.

Get Ahead in FCE

Gold Plus is the updated edition of Gold, the trusted exam preparation course for adult and young adult learners. FCE Gold Plus corresponds to level B2 of the Common European Framework.

The A-Z of Primary Teaching

The national curriculum provides an outline of core knowledge around which teachers can develop exciting and stimulating lessons to promote the development of pupils' knowledge, understanding and skills as part of the wider school curriculum. The Teachers2 Standards underpin professional practice and all teachers need to work towards and within this framework. This updated, comprehensive handbook presents ALL key statutory, essential reading for trainee and beginning teachers in one place. The third edition presents: *The National Curriculum Programmes of Study for ALL curriculum subjects for Key Stages 1, 2 and 3 *The complete Teachers2 Standards *NEW! The Core Content Framework for Initial Teacher Training *NEW! The Early Career Framework *Relationships Education, Relationships and Sex Education (RSE) and Health Education guidance in full *Foreword from Dylan Wiliam focusing on the need for a broad and balanced curriculum in schools *NC by topic planner for English and maths at Key Stages 1 and 2 *Full index for easy reference A must-have resource for ALL teachers and trainee teachers!

Planning the Primary National Curriculum

Essential reading if you are considering making an application for primary initial teacher education or preparing to begin your programme. It introduces you to a range of perspectives on teaching and teacher education and guides you through the application process to ensure you choose the training route that's right for you and achieve a successful result. Key chapters cover developing your subject knowledge in English and mathematics, understanding the curriculum, the nature of learning, assessment, behaviour issues and inclusive teaching. Useful features such as jargon busters, progress checklists and case studies make the material accessible and help you navigate the 'new landscape' of teacher education. In addition the text encourages you to reflect critically on your school experiences of learning and teaching and uses example of theory, research and practice to help you develop an informed stance on important themes.
