At the Right Hand of Longstreet

As a young man in Georgia, G. Moxley Sorrel enlisted in a cavalry unit even before the Civil War erupted, so eager was he to serve his home state. During the war, as an aide-de-camp on Brigadier General James Longstreet's staff he fought in many battles, including those at Chickamauga and Chattanooga. He was at Longstreet's side when Longstreet was struck down in 1864. Sorrel's rough jottings from memory provide vivid and detailed descriptions of many of the war's chief participants and events. His military career was cut short when he was shot in the lungs at Hatcher's Run. Although he survived, the war ended before he could return to duty. In his declining years he wrote, "For my part, when the time comes to cross the river like the others, I shall be found asking at the gates above, 'Where is the Army of Northern Virginia?' For there I make my camp."

Recollections of a Confederate Staff Officer

"[Longstreet's] de facto chief of staff, Lieutenant Colonel Moxley Sorrel, was the best staff officer in the Confederacy." The Journal of Military History At the tender age of just twenty-three Gilbert Moxley Sorrel earned his commission as captain and was posted as General James Longstreet's chief-of-staff. Through the next three years he would remain by Longstreet's side, rising to the ranks of Major and Lieutenant Colonel, until he was eventually given command of his own brigade within Major General William Mahone's division. Moxley Sorrel made an immediate impression on Longstreet who wrote that he "came into the battle as gaily as a beau, and seemed to receive orders which threw him into more exposed positions with particular delight." Indeed he went on to witness some of the most famous battles of the American Civil War and his experiences are recorded here, from Manassas to Seven Pines, Sharpsburg to Fredericksburg, Gettysburg to Petersburg. He was even with Longstreet at the Battle of Wilderness when Longstreet was struck down by a bullet coming from their own men. As Longstreet's right hand man through the war until 1864 Moxley Sorrel was put into contact with some

of the most remarkable figures of the Confederate army, and they are all vividly portrayed within his memoirs. At Petersburg, during the Battle of Hatcher's Run, he was wounded and feared mortally so, eventually he recovered but his military career ended here. The historian Douglas Southall Freeman wrote that Moxely Sorrel's *Recollections of a Confederate Staff Officer* contains "a hundred touches of humor and revealing strokes of swift characterisation." Once the war ended Moxley Sorrel returned to the south where he entered business. His *Recollections of a Confederate Staff Officer* was published in 1905. He died in 1901 in Roanoke, Virginia.

Recollections of a Confederate Staff Officer

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1905 edition. Excerpt: ... CHAPTER XXXIV Longstreet's Return--Farewell To Lee Return of Longstreet--Am promoted brigadier-general--Parting with the First Corps--Report to A. P. Hill and Mahone--Sketches--Assume command of brigade of Georgians--its staff--Drill and exercises--Laying out a camp--General Lee's encouragement--Want of field officers--Captain H. H. Perry--Mahone's bread ovens-- Christmas, 1864--Sherman's march in Georgia--Grant's Virginia strategy--Our division moves out in bitter cold-- Demonstration on our extreme right against the railroad--Brigade forms line--No close firing--Enemy rejoins his main command--Received a slight wound--The return to camp--Its bad condition in our absence--Valuable boots burnt in bivouac--In February again ordered out to right-- Serious collision with enemy in force at Hatcher's Run-- General Pegram killed--Am shot in lung and borne from the field--Moved to Richmond and thence to Colonel Watts's, in southwest Virginia for convalescence--My recovery--Marriage of Doctor Sorrel--At Lynchburg-- Hear of Lee's surrender--Take to the mountains--Again at Colonel Watts's--Hunter and Crook--Homeward bound--Lady Godiva--Farewell to Lee and the Army of Northern Virginia. It was in October, our corps (two divisions) being on the north side, that we had the happiness of welcoming our chief back to his command. His right arm was quite paralyzed and useless. He had taught himself to write legibly and easily with his left. Following the advice of his doctor, he was forever pulling at the disabled arm to bring back its life and action. He succeeded, for, though never strong, its use was partially restored in later years and his pen went back to it. I was with him but a few days. My commission as brigadier-general came unexpectedly, a note...

Two Men and A People

Two opposing generals and the people of East Tennessee met in the fall of 1863. For James Longstreet, the commander of the Confederate forces, the campaign for Knoxville and East Tennessee marked the nadir of his military career, which climaxed in December 1863, with him submitting a letter of resignation as commander of the First Corps of the Army of Northern Virginia. For Ambrose Burnside, commander of the Federal forces, the campaign demonstrated his leadership and tactical ability following his December 1862 debacle as commander of the Army of the Potomac at the Battle of Fredericksburg, Virginia. For the region of East Tennessee and Knoxville, the campaign enabled the people to reach the pinnacle they had aspired to since their settlement of the region. They had escaped economic and religious oppression in Europe, negotiated and fought with the Cherokee Indian Nation, created the

State of Franklin (which was denied statehood), saw its political power vanish to Middle Tennessee, and was limited in its economic development by the region's landscape.

Pickett's Charge at Gettysburg

A battlefield guide to the sites and history of the climactic attack during the American Civil War's Battle of Gettysburg. 150 years after the event, the grand near-suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle. On the afternoon of July 3, Confederate Gen. Robert E. Lee ordered more than 12,000 Southern infantry to undertake what would become the most legendary charge in American military history. This attack, popularly but inaccurately known as "Pickett's Charge," is often considered the turning point of the Civil War's seminal battle of Gettysburg. Although much has been written about the battle itself and Pickett's Charge in particular, Pickett's Charge at Gettysburg is the first battlefield guide for this celebrated assault. After the war, one staff officer perceptively observed that the charge "has been more criticized, and is still less understood, than any other act of the Gettysburg drama." Unfortunately, what was true then remains true to this day. The authors of this book—two of Gettysburg's elite Licensed Battlefield Guides along with one of the Civil War's leading cartographers—have corrected that oversight. Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself, Pickett's Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives. For the first time, readers can march toward the Copse of Trees with Armistead's Virginians, advance on the Confederate left with Pettigrew's North Carolinians, or defend the Angle with Alonzo Cushing's gunners and thousands of Union soldiers. There is much here to enrich the experience, including dozens of full-color original maps, scores of battlefield and other historic photographs, a unique mix of rare human interest stories, a discussion of leadership controversies, and a rare collection of artifacts directly related to the charge. Pickett's Charge at Gettysburg is designed for readers to enjoy on or off the battlefield, and will give Civil War enthusiasts an entirely new appreciation for, and understanding of, Gettysburg's third day of battle. "Extremely well done . . . designed as a tour guide to the area of the battlefield where the famous July 3 1863 Confederate assault on the center of the Union Line took place...the heart of any tour guide is maps, and that feature is served up in exemplary fashion here . . . far more than just maps. The two text authors are battlefield guides and the detail provided is immense . . . strongly recommended." —Civil War News

Righting the Longstreet Record at Gettysburg

Following up on the award-winning Longstreet at Gettysburg, this collection of new essays addresses some of the persistent questions regarding Confederate General James Longstreet's performance at the Battle of Gettysburg. Influential interpretations of his actions are evaluated for historical accuracy, drawing on often overlooked primary source material. Points of contention about Longstreet's July 2, 1863, attack are examined, along with the roots of the Longstreet-Gettysburg Controversy and the merits of Helen Longstreet's early 20th century attempt to address it.

Spies, Scouts, and Secrets in the Gettysburg Campaign

As intelligence experts have long asserted, "Information in regard to the enemy is the indispensable basis of all military plans." Despite the thousands of books and articles written about Gettysburg, Tom Ryan's groundbreaking Spies, Scouts, and Secrets in the Gettysburg Campaign: How the Critical Role

of Intelligence Impacted the Outcome of Lee's Invasion of the North, June - July 1863 is the first to offer a unique and incisive comparative study of intelligence operations during what many consider the war's decisive campaign. Based upon years of indefatigable research, the author evaluates how Gen. Robert E. Lee used intelligence resources, including cavalry, civilians, newspapers, and spies to gather information about Union activities during his invasion of the North in June and July 1863, and how this information guided Lee's decision-making. Simultaneously, Ryan explores the effectiveness of the Union Army of the Potomac's intelligence and counterintelligence operations. Both Maj. Gens. Joe Hooker and George G. Meade relied upon cavalry, the Signal Corps, and an intelligence staff known as the Bureau of Military Information that employed innovative concepts to gather, collate, and report vital information from a variety of sources. The result is an eye-opening, day-by-day analysis of how and why the respective army commanders implemented their strategy and tactics, with an evaluation of their respective performance as they engaged in a battle of wits to learn the enemy's location, strength, and intentions. *Spies, Scouts, and Secrets in the Gettysburg Campaign* is grounded upon a broad foundation of archival research and a firm understanding of the theater of operations that specialists will especially value. Everyone will appreciate reading about a familiar historic event from a perspective that is both new and enjoyable. One thing is certain: no one will close this book and look at the Gettysburg Campaign in the same way again.

Longstreet at Gettysburg

This is the first book-length, critical analysis of Lieutenant General James Longstreet's actions at the Battle of Gettysburg. The author argues that Longstreet's record has been discredited unfairly, beginning with character assassination by his contemporaries after the war and, persistently, by historians in the decades since. By closely studying the three-day battle, and conducting an incisive historiographical inquiry into Longstreet's treatment by scholars, this book presents an alternative view of Longstreet as an effective military leader, and refutes over a century of negative evaluations of his performance.

Recollections of a Confederate Staff Officer

DigiCat presents the Civil War Memories Series. This meticulous selection of the firsthand accounts, memoirs and diaries is specially comprised for Civil War enthusiasts and all people curious about the personal accounts and true life stories of the unknown soldiers, the well known commanders, politicians, nurses and civilians amidst the war. Sorrel's memoir, "Recollections of a Confederate Staff Officer"

Rebels in Repose: Confederate Commanders After the War

The irascible Jubal A. Early, Robert E. Lee's "bad old man," went to Canada after the war and remained an unreconstructed Rebel until his death. Lee became president of Washington College and urged reconciliation with the North. Braxton Bragg never found solid economic footing and remained mournful of slavery's demise until his own, when a heart attack took him in Galveston. The South's high command traveled dramatically divergent paths after the dissolution of the Confederacy. Their professional reputations were often rewritten accordingly, as the rise of the Lost Cause ideology codified the deification of Lee and the vilification of James Longstreet. Allie Povall shares the stories of nineteen of these former generals, touching briefly on their antebellum and wartime experiences before richly detailing their attempts to salvage livelihoods from the wreckage of America's defining cataclysm.

The Politically Incorrect Guide to the Civil War

The Politically Incorrect Guide to the Civil War is a joyful, myth-busting, rebel yell that shatters today's Leftist and demeaning stereotypes about the South and the Civil War.

The Impulse of Victory

How Grant secured a Tennessee victory and a promotion Union soldiers in the Army of the Cumberland, who were trapped and facing starvation or surrender in the fall of 1863, saw the arrival of Major General Ulysses S. Grant in Tennessee as an impetus to reverse the tides of war. David A. Powell's sophisticated strategic and operational analysis of Grant's command decisions and actions shows how his determined leadership relieved the siege and shattered the enemy, resulting in the creation of a new strategic base of Union operations and Grant's elevation to commander of all the Federal armies

the following year. Powell's detailed exploration of the Union Army of the Cumberland's six-week-long campaign for Chattanooga is complemented by his careful attention to the personal issues Grant faced at the time and his relationships with his superiors and subordinates. Though unfamiliar with the tactical situation, the army, and its officers, Grant delivered another resounding victory. His success, explains Powell, was due to his tactical flexibility, communication with his superiors, perseverance despite setbacks, and dogged determination to win the campaign. Through attention to postwar accounts, Powell reconciles the differences between what happened and the participants' memories of the events. He focuses throughout on Grant's controversial decisions, showing how they were made and their impact on the campaign. As Powell shows, Grant's choices demonstrate how he managed to be a thoughtful, deliberate commander despite the fog of war.

Living Hell

Surrounding the war with an aura of nostalgia both fosters the delusion that war can cure our social ills and makes us strong again, and weakens confidence in our ability to act effectively in our own time."—Journal of Military History

Sickles at Gettysburg

"Sickles is as dividing a figure in Civil War history as there is. In his masterful work . . . Hessler . . . puts him out there with all his wrinkles" (Confederate Book Review). Winner of the Robert E. Lee Civil War Roundtable of Central New Jersey's Bachelder-Coddington Literary Award Winner of the Gettysburg Civil War Roundtable's Distinguished Book Award By licensed battlefield guide James Hessler, this is the most deeply-researched, full-length biography to appear on this remarkable American icon. No individual who fought at Gettysburg was more controversial, both personally and professionally, than Major General Daniel E. Sickles. By 1863, Sickles was notorious as a disgraced former Congressman who murdered his wife's lover on the streets of Washington and used America's first temporary insanity defense to escape justice. With his political career in ruins, Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac's 3rd Corps—despite having no military experience. At Gettysburg, he openly disobeyed orders in one of the most controversial decisions in military history. Hessler's critically acclaimed biography is a balanced and entertaining account of Sickles colorful life. Civil War enthusiasts who want to understand General Sickles' scandalous life, Gettysburg's battlefield strategies, the in-fighting within the Army of the Potomac, and the development of today's National Park will find Sickles at Gettysburg a must-read. "The few other Sickles biographies available will now take a back seat to Hessler's powerful and evocative study of the man, the general, and the legacy of the Gettysburg battlefield that old Dan left America. I highly recommend this book."—J. David Petruzzi, coauthor of *Plenty of Blame to Go Around: Jeb Stuart's Controversial Ride to Gettysburg*

Counter-thrust

During the summer of 1862, a Confederate resurgence threatened to turn the tide of the Civil War. When the Union's earlier multitheater thrust into the South proved to be a strategic overreach, the Confederacy saw its chance to reverse the loss of the Upper South through counteroffensives from the Chesapeake to the Mississippi. Benjamin Franklin Cooling tells this story in *Counter-Thrust*, recounting in harrowing detail Robert E. Lee's flouting of his antagonist George B. McClellan's drive to capture the Confederate capital at Richmond and describing the Confederate hero's long-dreamt-of offensive to reclaim central and northern Virginia before crossing the Potomac. *Counter-Thrust* also provides a window into the Union's internal conflict at building a successful military leadership team during this defining period. Cooling shows us Lincoln's administration in disarray, with relations between the president and field commander McClellan strained to the breaking point. He also shows how the fortunes of war shifted abruptly in the Union's favor, climaxing at Antietam with the bloodiest single day in American history—and in Lincoln's decision to announce a preliminary Emancipation Proclamation. Here in all its gritty detail and considerable depth is a critical moment in the unfolding of the Civil War and of American history.

A House Divided

Consolidating one of the most complex and multi-faceted eras in American History, this new edition of Jonathan Wells's *A House Divided* unifies the broad and varied scholarship on the American Civil War. Amassing a variety of research, this accessible and readable text introduces readers to

both the war and the Reconstruction period, and how Americans lived during this time of great upheaval in the country's history. Designed for a variety of subjects and teaching styles, this text not only looks at the Civil War from a historical perspective, but also analyzes its ramifications on the United States and American identities through the present day. This second edition has been updated throughout, incorporating new scholarship from recent studies on the Civil War era, and includes additional photographs and maps (now incorporated throughout the text), updated bibliographies, and a supplementary companion website.

The Chickamauga Campaign - Glory or the Grave

David Powell's *The Chickamauga Campaign, Glory or the Grave: The Breakthrough, Union Collapse, and the Retreat to Chattanooga, September 20-23, 1863* is the second volume in his magnificent projected three-volume study of this overlooked and largely misunderstood campaign. According to soldier rumor, Chickamauga in Cherokee meant "River of Death." The name lived up to that grim sobriquet in September 1863 when the Union Army of the Cumberland and Confederate Army of Tennessee waged a sprawling bloody combat along the banks of West Chickamauga Creek. This installment of Powell's tour-de-force depicts the final day of battle, when the Confederate army attacked and broke through the Union lines, triggering a massive rout, an incredible defensive stand atop Snodgrass Hill, and a confused retreat and pursuit into Chattanooga. Powell presents all of this with clarity and precision by weaving nearly 2,000 primary accounts with his own cogent analysis. The result is a rich and deep portrait of the fighting and command relationships on a scale never before attempted or accomplished. His upcoming third volume, *Analysis of a Barren Victory*, will conclude the set with careful insight into the fighting and its impact on the war, Powell's detailed research into the strengths and losses of the two armies, and an exhaustive bibliography. Powell's magnum opus, complete with original maps, photos, and illustrations, is the culmination of many years of research and study, coupled with a complete understanding of the battlefield's complex terrain system. For any student of the Civil War in general, or the Western Theater in particular, Powell's trilogy is a must-read.

Memoirs of a Confederate Staff Officer

Sorrel's memoir, "Recollections of a Confederate Staff Officer"

From Manassas to Appomattox

Donated by Lloyd Miller.

Armor

A "compelling portrait" (Jon Meacham, Pulitzer Prize--winning author) of the controversial Confederate general who later embraced Reconstruction and became an outcast in the South. It was the most remarkable political about-face in American history. During the Civil War, General James Longstreet fought tenaciously for the Confederacy. He was alongside Lee at Gettysburg (and counseled him not to order the ill-fated attacks on entrenched Union forces there). He won a major Confederate victory at Chickamauga and was seriously wounded during a later battle. After the war, Longstreet moved to New Orleans, where he dramatically changed course. He supported Black voting and joined the newly elected, integrated postwar government in Louisiana. When white supremacists took up arms to oust that government, Longstreet, leading the interracial state militia, did battle against former Confederates. His defiance ignited a firestorm of controversy, as white Southerners branded him a race traitor and blamed him retroactively for the South's defeat in the Civil War. Although he was one of the highest-ranking Confederate generals, Longstreet has never been commemorated with statues or other memorials in the South because of his postwar actions in rejecting the Lost Cause mythology and urging racial reconciliation. He is being discovered in the new age of racial reckoning as "one of the most enduringly relevant voices in American history" (The Wall Street Journal). This is the first authoritative biography in decades and the first that "brilliantly creates the wider context for Longstreet's career" (The New York Times)

Longstreet

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. Civil War Book Review

Madison & Adams Press presents the Civil War Memories Series. This meticulous selection of the firsthand accounts, memoirs and diaries is specially comprised for Civil War enthusiasts and all people curious about the personal accounts and true life stories of the unknown soldiers, the well known commanders, politicians, nurses and civilians amidst the war. "From Manassas to Appomattox: Memoirs of the Civil War in America" is the memoir of General James Longstreet, one of the leading Confederate generals during the American Civil War. Longstreet in his memoirs refuted most of the criticism of his war record during the Civil War.

A Short History of The American Civil War

"A thoroughly researched account of a legendary Confederate infantry regiment that will be of deep interest to the legion of Civil War buffs." —Richard M. McMurry, author of *Two Great Rebel Armies The Fifth Texas Infantry*—"The Bloody Fifth"—was one of only three Texas regiments to fight with Robert E. Lee's Army of Northern Virginia. Much like the army in which it served, the Fifth Texas established a stellar combat record. The regiment took part in thirty-eight engagements, including nearly every significant battle in the Eastern Theater, as well as the Chickamauga, Chattanooga, and Knoxville campaigns in the Western Theater. Based upon years of archival research—complete with photos and original maps—John F. Schmutz's "The Bloody Fifth" is the first full-length study to document this fabled regimental command. "The Bloody Fifth" presents the regiment's rich history from the secession of the Lone Star State and the organization of ten independent east and central Texas companies, through

four years of arduous marching and fighting. The Fifth Texas's battlefield exploits are legendary, from its inaugural fighting on the Virginia peninsula in early 1862 through Appomattox. But it was at Second Manassas where the regiment earned its enduring nickname by attacking and crushing the Fifth New York Zouaves. Schmutz's book, which also details the personal lives of these Texas soldiers as they struggled to survive the war some 2,000 miles from home, is a significant contribution to the growing literature of the Civil War. "The most comprehensive, thoroughly researched account of the [Fifth] Texas Infantry . . . belongs in the library of every serious student of the Civil War." —John Michael Priest, author of "Stand to It and Give Them Hell"

Civil War Times Illustrated

The largest and most destructive military conflict between the Napoleonic Wars and the First World War, the American Civil War has inspired some of the best and most intriguing scholarship in the field of United States history. This volume offers some of the most important work on the war to appear in the past few decades and offers compelling information and insights into subjects ranging from the organization of armies, historiography, the use of intelligence and the challenges faced by civil and military leaders in the course of America's bloodiest war.

The American Civil War

Second in the sweeping history of the Fifth Texas Infantry that fought with Robert E. Lee's Army of Northern Virginia in the Civil War. In the first volume, Secession to the Suffolk Campaign, John F. Schmutz followed the regiment from its inception through the successful foraging campaign in southeastern Virginia in April 1863. Gettysburg to Appomattox continues the regiment's rich history from its march north into Pennsylvania and the battle of Gettysburg, its transfer west to Georgia and participation in the bloody battle of Chickamauga, operations in East Tennessee, and the regiments return to Virginia for the overland battles (Wilderness to Cold Harbor), Petersburg campaign, and the march to Appomattox Court House. The narrative ends by following many of the regiment's soldiers on their long journey home. Schmutz's definitive study is based upon years of archival and battlefield research that uncovered hundreds of primary sources, many never before used. The result is a lively account of not only the regiments marches and battles but a personal look into the lives of these Texans as they struggled to survive a vicious war more than 1,000 miles from home. "The Bloody Fifth": The 5th Texas Infantry Regiment, Hood's Texas Brigade, Army of Northern Virginia, with photos, original maps, explanatory footnotes, and important and useful appendices, is a significant contribution to the

history of Texas and the American Civil War. "A scholarly work enhanced with maps and exhaustive notes, yet thoroughly accessible to readers of all backgrounds." —Midwest Book Review
