Expresate!

Éste es un cuaderno de ejercicios sobre gramática y vocabulario español, diseñado para desarrollar aquellos puntos del idioma hispánico que nos presenten mayor dificultad, nivelando el dominio y manejo de este idioma. Cada hoja de trabajo está disponible en dos versiones alternativas, una de ellas para los estudiantes quienes necesitan lo justo y necesario y otra para aquellos estudiantes que necesitan mucho más que un desafío. Este tipo de texto se inscribe en los aprendizajes de los idiomas sin límites, considerando las nuevas directrices sobre cómo aprender otra lengua y con una buena estructuración de los recursos disponibles. El texto que ahora estás leyendo te permitirá otorgar a los alumnos la confianza para que puedan expresarse por sí mismos; una novedosa y útil forma de aprender todo lo referente a este idioma.

Expresate 2, Level 1

Never lose another Flash Card again! Great Spanish vocabulary practice! Practice identifying numbers, colors, common objects, and commands used everyday. Look at the Spanish word on one side, then flip the page to see the word in English. Includes 78 Spanish terms and English translations. Meets state standards for Spanish Language Arts and English as a second language. Children will develop proficiency in speaking, reading, and print awareness. The spiral format ensures that you will never lose another flash card again! Children will find these cards easy-to-use with their large text and images and the self-checking ability. Our best-selling Flip-Flash(tm) series helps children in grades K to 5 learn and reinforce basic skills in key subject areas. Children can build skills in Phonics, Vocabulary, Math, States & Capitals, Spanish, and even Sign Language. Based on National Standards these cards can be used individually or with small or large groups. Build your flash card library today and never lose a card with our Flip-Flash(tm) series.

Ven Conmigo!: Level 3

Flourish: A new understanding of Life's Greatest Goals- and what it takes to reach them. In this groundbreaking book, one of the world's foremost academic psychologists- and founder of the Positive Psychology movement- offers a new theory on what makes people flourish and how to truly get the most out of life. Eight years have passed since the publication of Dr Seligman's internationally bestselling Authentic Happiness. As a highly esteemed psychologist, Dr Seligman has been on the cutting edge of psychological research for over two decades, pioneering a science that improves people's lives. And now, with his most life-changing book yet, Flourish, he offers a new theory of individual satisfaction and global purpose. In a fascinating evolution of thought, Flourish, refines what Positive Psychology is all about and offers inspiring stories of Positive Psychology in action- innovative schools that add resilience to their curricula, with a case study of Geelong Grammar in particular: a new theory of success and intelligence; and evidence on how positive physical health can turn medicine on its head. Building on his game-changing work on optimism, motivation, and character, Dr Seligman shows us how to flourish and bring well being into our own lives.

?Expr?sate!

A Spanish language curriculum that teaches language proficiency within a culturally sensitive atmosphere.

Holt McDougal ¡Avancemos!

Up-to-date volume, organized for quick access to phrases related to greetings, transportation, shopping, emergencies, other common circumstances. Over 700 entries include terms for modern telecommunications, idioms, slang. Phonetic pronunciations accompany phrases.

From the Case Files of Hannah Jordan

For intermediate and advanced Spanish language students, this book contains a collection of 125 Spanish crosswords with English clues. Play these crosswords alongside your language studies to improve your vocabulary while enjoying the challenge of completing each puzzle. Level 3 selects from an unlimited pool of words in common usage to create the crosswords and has a larger vocabulary than the Level 1 and 2 books.

Print Student Edition

Spanish - Level II

In Battle for Peace frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, In Battle for Peace remains today a powerful analysis of race in America.

Children's Books in Print, 2007

China has become a major influence in the world today. Not only is China full of opportunities in business and politics, but Chinese culture, such as movies and literature, are also making their way into the western world. And with Chinese as the second most widely-spoken foreign language in America, more and more Americans are exposed to its language and culture. This revised edition of Chinese for Dummies shows you the basics of Mandarin Chinese and culture points that will make great impressions while communicating. Many Americans are taking time to learn Chinese, especially since it is becoming one of the most widely used languages in the world. Currently, there are: Over 1 billion people speak some form of Chinese More Chinese speakers in the United States than French or German speakers 102.6 million internet users who obtain access using Chinese At least 25 million people worldwide who are learning Chinese Chinese For Dummies will show you how to communicate effectively in Chinese as well as inform you on Chinese culture. Some of the topics this book covers include: Basic vocabulary Everyday conversations, including phone dialogue and small talk Speaking in perfect pitch and tone Easy-to-understand grammar rules Getting around in a Chinese-speaking country Cultural references like maintaining face, dining etiquette, and social mores Also included is an audio CD that features actual Chinese conversations by native Chinese speakers, which allows you to hear how Chinese is really spoken. Written by a leading Chinese language teacher in the United States, Chinese for Dummies will introduce an often daunting language to you in a fun-and-easy For Dummies manner.

Holt Spanish Level 1

Objective Proficiency Second edition provides official preparation for the revised 2013 Cambridge English: Proficiency exam, also known as Certificate of Proficiency in English (CPE). A variety of challenging, lively topics provide thorough training in exam skills and high-level language development. Each unit contains three double-page lessons ensuring flexibility, even pacing and progress. This motivating material is also suitable for high-level students keen to improve their general English. The Workbook with answers provides opportunities for further practice of new language and exam skills either at home or in the classroom. The CD contains the audio material for the Workbook listening tasks.

¿Expr?sate!

The Art of Teaching Spanish explores in-depth the findings of research in second language acquisition (SLA) and other language-related fields and translates those findings into practical pedagogical tools for current—and future—Spanish-language instructors. This volume addresses how theoretical frameworks affect the application of research findings to the teaching of Spanish, how logistical factors affect the way research findings can be applied to teach Spanish, and how findings from Spanish SLA research would be applicable to Spanish second language teaching and represented in Spanish curricula through objectives and goals (as evidenced in pedagogical materials such as textbooks and computer-assisted language learning software). Top SLA researchers and applied linguists lend their expertise on matters such as foreign language across curriculum programs, testing, online learning, the incorporation of linguistic variation into the classroom, heritage language learners, the teaching of translation, the effects of study abroad and classroom contexts on learning, and other pedagogical issues. Other common themes of The Art of Teaching Spanish include the rejection of the concept of a monolithic language competence, the importance of language as social practice and cultural competence, the psycholinguistic component of SLA, and the need for more cross-fertilization from related fields.

¡ven Conmigo!

Hardbound Pupil Editions for Grades 1-6 are organized into four units-Life, Physical, Earth, and Human Body sciences. An age-appropriate workbook is available for Kindergarten students.

Asi se dice! Level 1, Student Edition
