A Celebration Society

Accelerating automation threatens to displace multitudes of workers. The proposals to deal with the crisis -- increased education and guaranteed minimum income -- are insufficient. Here is a new solution from Jonathan Kolber, author of "Adam Smith's Wealth of Nations." ENDORSEMENTS: "A far reaching elucidation of many of today's (and more importantly, tomorrow's) global problems, but he has also done that rare and difficult thing - provided a thoughtful and detailed solution to them....The coming economic disruption that will be caused by automation and robotics in the next few decades will create enormous social upheaval - and whether that effect is negative or positive depends on how many people will seriously embrace the principles in this book." Alexander R. Bandar, Ph.D. Founder/CEO of the Columbus Idea Foundry "This is an unusual book that you have to read. Most works on "the future" are familiar treatments of fairly well-known issues, whereas Jonathan Kolber has given us exactly what the title suggests-a celebration of the marvelous breakthroughs ahead and their profound possibilities. Well-researched and beautifully written, this book will inspire you." William E. Halal George Washington University and President of TechCast Global Author, Technology's Promise: Expert Knowledge on the Transformation of Business and Society "Well-researched and instructive, this is a must-read for people interested in creating a more positive and meaningful society." Brian Vicente co-director of Colorado's Amendment 64 campaign "An excellent book which is a par excellence achievement that connects 26 widely disparate domains. Very well written.... every chapter and page had great insights." Rohit Sharma Founder of Perchingtree Author, Luck Reengineering and Mental Model Innovation "Kolber has created the blueprint for growth and effortless prosperity by shifting from the competitive model to the cooperative model." Berny Dohrmann Founder of CEO Space International Author, Redemption: The Cooperation Revolution "The author takes a systematic look at every function of a civilization: from

economics to well-being to governance, and paints a picture of a civilization that is based on abundance instead of scarcity." Infoversant Book Reviews

Somewhere on a Highway

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

From the author of "Pure" and "The Summer of Firsts and Lasts" comes a friendship story with one girl, several boys, and lots of complications.

Being Friends with Boys

Drawing on in-depth interviews with nearly 400 men, therapist and researcher Geoffrey L. Greif takes readers on a guided tour of male friendships, explaining what makes them work, why they are vital to the health of individuals and communities, and how to build the kinds of friendships that can lead to longer and happier lives. Through the lively words of men themselves, and detailed profiles of men from their twenties to their nineties, readers may be surprised to find what friendships offer men—as well as their families and communities—and are sure to learn what makes their own relationships tick.

Buddy System

A series of whimsical essays by the New York Times "Social Q's" columnist provides modern advice on navigating today's murky moral waters, sharing recommendations for such everyday situations as texting on the bus to splitting a dinner check.

Love and Limerence

In Part One, each topic addresses practical skills for the newer teacher in the classroom, to enable better facilitation practices. Part Two addresses subject matter specific to becoming more knowledgeable about substance abuse today, a factor for every teacher to be familiar with. Useful for teacher education or certification courses. "If you're going into teaching at any level, kindergarten through graduate school, never mind having a 'plan B'; you'd better have through 'plan Z', and it's not sleeping ! "

When You're Ready, This Is How You Heal

A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast Call Your Girlfriend, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, Big Friendship will invite you to think about how your

own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.

Social Q's

Boys are emotionally illiterate and don't want intimate friendships. In this empirically grounded challenge to our stereotypes about boys and men, Niobe Way reveals the intense intimacy among teenage boys especially during early and middle adolescence. Boys not only share their deepest secrets and feelings with their closest male friends, they claim that without them they would go "wacko." Yet as boys become men, they become distrustful, lose these friendships, and feel isolated and alone. Drawing from hundreds of interviews conducted throughout adolescence with black, Latino, white, and Asian American boys, *Deep Secrets* reveals the ways in which we have been telling ourselves a false story about boys, friendships, and human nature. Boys' descriptions of their male friendships sound more like "something out of *Love Story* than *Lord of the Flies*." Yet in late adolescence, boys feel they have to "man up" by becoming stoic and independent. Vulnerable emotions and intimate friendships are for girls and gay men. "No homo" becomes their mantra. These findings are alarming, given what we know about links between friendships and health, and even longevity. Rather than a "boy crisis," Way argues that boys are experiencing a "crisis of connection" because they live in a culture where human needs and capacities are given a sex (female) and a sexuality (gay), and thus discouraged for those who are neither. Way argues that the solution lies with exposing the inaccuracies of our gender stereotypes and fostering these critical relationships and fundamental human skills.

Teaching: Not for Dummies / Substance Abuse Awareness: A Guidebook

One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book **DO YOU WORK WITH A MEAN GIRL?** A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: "Accidentally" excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a "pack" of mean girls to make your life miserable? *Mean Girls at Work* isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, "You've just been judged"? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. *Mean Girls at Work* is your map to dodging the mines and moving forward in today's transformed workplace. Praise for *Mean Girls at Work* "An invaluable suit of armor for surviving nine to five!" —Leil Lowndes, bestselling author of *How to Talk to Anyone* "If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn't exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies." —Ann Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* "Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!" —Carolyn Cassin, President, Michigan Women's Foundation "A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack." —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

Big Friendship

Singles are getting conflicting messages from today's culture, both Christian and secular. Is it okay to want to be married? Is there anything a never-married woman can do, within a biblical framework, to "assist" the process? Candice Watters gives women permission to want Christian marriage, encourages them to believe it's possible, and supplies the tools to get there - despite our anti-marriage culture. This book blends the author's personal journey from singleness to marriage with the biblical perspective on marriage. As an editor for Focus on the Family's Boundless webzine, Candice Watters knows the target audience inside and out. Whether a woman has been told to "get married" or marriage is on her lifelong wish list, *Get Married* points her to the source!

Deep Secrets

"Harvey offers surprising insights into the male mentality and gives women strategies for taming that unruly beast." —Philadelphia Inquirer "Women should listen to Steve Harvey when it comes to what a good man is about. Steve Harvey dispenses a lot of fabulous information about men." —Aretha Franklin The #1 New York Times bestseller from the new guru of relationship advice, Steve Harvey's *Act Like a Lady, Think Like a Man* is an invaluable self-help book that can empower women everywhere to take control of their relationships. The host of a top-rated radio show listened to by millions daily—and of cable TV's *The Steve Harvey Project*—Harvey knows what men really think about love, intimacy, and commitment. In *Act Like a Lady, Think Like a Man*, the author, media personality, and stand-up comedian gets serious, sharing his wealth of knowledge, insight, and no-nonsense advice for every good woman who wants to find a good man or make her current love last.

Mean Girls at Work: How to Stay Professional When Things Get Personal

Does what's in your bathroom or on your desk reveal what's on your mind? What's the best way to find out what your partner is really like? For ten years, ingenious academic Sam Gosling has been studying how people project (and protect) their inner selves. Full of cutting-edge research, *Snoop* will sharpen your perception of others, as well as of yourself. Amazingly, and perhaps alarmingly, Gosling proves that what we own and how we act can inadvertently reveal more about our personalities than even our most intimate conversations.

Act Like a Lady, Think Like a Man

Remaking Manhood is a collection of Good Men Project Executive Editor Mark Greene's most popular articles on American culture, relationships, family and fatherhood. It is a timely and balanced look at the life affirming changes emerging from within the modern men's movement. "This is writing that unites men rather than dividing or exploiting them. It speaks to the very best part of men and asks them to bring that part to the fore—as fathers, as sons, as brothers, as husbands, as friends, as lovers, and as citizens of life." -Michael Rowe, author of *Other Men's Sons* "Read this book, but don't mistake it as a defense of men. *Remaking Manhood* is going to be considered a go-to piece of literature on the new "Male Revolution."" -Jason Grant, CityDadsGroup.com "Mark interweaves his own deeply personal stories with a salient and powerful deconstruction of manhood in America." -Lisa Hickey, CEO, Good Men Project

How to Win Friends and Influence People

ever felt that your life—and budget—is spiraling out of control? Do you sometimes wish you could pull yourself together but wonder exactly how to manage all the scattered pieces of a chaotic life? Is it possible to find balance? In a word, yes. Ruth Soukup knows firsthand how stressful an unorganized life and budget can be. Through personal stories, biblical truth, and practical action plans, she will inspire you to make real and lasting changes to your personal goals, home, and finances. With honesty and the wisdom of someone who has been there, Ruth will help you: Discover your “sweet spot” —that place where your talents and abilities intersect. Take back your time and schedule by making simple shifts in your daily habits. Reduce stress in your home and family by clearing out the clutter. Stop busting your budget and learn to cut your grocery bill in half. This book provides real and practical solutions from someone who has been there. Ruth doesn’t just offer advice, she walks it with you, and shares with brutal honesty her own mistakes, failures, and shortcomings. It is encouraging, motivating, and life-changing. “An inspiring book full of step-by-step instructions and spiritual wisdom. I love how Ruth is transparent about her mistakes as she leads us to reevaluate our priorities. This book is a great biblical guide to living well and finding joy!” —Courtney Joseph, founder of Women Living Well Ministries

Traces the unlikely friendship of a wealthy Afghan youth and a servant's son in a tale that spans the final days of Afghanistan's monarchy through the atrocities of the present day.

Speaking of Friends

"Finding Our Fire" opens a window into a world that most people do not know exists. The frank and fascinating conversation about what it means to be a man serves as a mirror for both sexes to see family history in a new light or take a more enlightened look at a current relationship. This book is a virtual tool kit for resolving issues from the past and installing insight for creating a compelling and passionate future. Because without freedom from our past and clarity about our future, it is difficult to connect to the passion and fire of our life--and without that fire connection, a man either gives up his dreams or feels he has to dominate and control his environment.

The Catnip Papers

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Remaking Manhood

15-20% of children are Highly Sensitive – and they are often labelled shy, introverted, fussy or faddy. The real story is very different though and this intelligent, practical book helps parents know what to do, when to back off, and how to ensure their child is given the right sort of treatment at school.

Living Well, Spending Less

Starting a family is a soul-shaping, world-altering experience. Unfortunately, in a culture of competing values and protracted timelines, couples are increasingly backing their way into parenting or missing it

altogether. By the time the average couple tries to have kids, they are often beyond their late twenties and surprised to learn they are sliding past the peak of their fertile years. In *Start Your Family*, Steve and Candice Watters encourage couples to be intentional about their timeline in the early years of marriage and to trust God to help them boldly launch their families. Responding to the most common doubts and hurdles, they offer biblical inspiration for the questions: Why have kids? When is the best time to start? How can we fit kids into our lives?

The Kite Runner

An often-quoted statistic is, "5% of salespeople earn 90% of the commission generated in residential real estate sales". The same statistic holds for true in many industries. The obvious question is, "Why do a select number of salespeople earn extraordinary incomes, while others with the same apparent ambition do not?" Extraordinary salespeople develop a business plan that reaches for an extraordinary reputation that provides a powerful stream of enthusiastic referrals and repeat business. The result is a marketing advantage that cannot be matched by any other method. The common elements driving these extraordinary salespeople are 7 Simple "Take the High Road" Habits

Finding Our Fire - Enhancing Men's Connection to Heart, Passion and Strength

In this funny, outrageous and empowering book, Dr. Lissa Rankin answers all the secret gynecological questions that most women wonder about, but have always been afraid to ask. Suppose you had a wise, warm, funny best friend-who just happened to be a gynecologist. You're out with the girls for cocktails and the conversation turns to sex, and then to girly parts. One by one, you start asking her all the questions you've secretly wondered about-and discover that you have a lot in common. If you were to write those questions down, then you'd have *What's Up Down There?*, a life-changing little book that answers: - Do old ladies have saggy vaginas? - How do male gynecologists have a sex life without feeling like they're stuck at the office? - Is it normal for your inner labia to hang out of your outer labia? - Can the baby feel its mom having sex during pregnancy? - How common is it for one's boobs to be two totally different sizes? And so much more! As outrageously funny as it is empowering, this book reveals how to love yourself and your body-and will have you recommending it to every woman you know. From off-the-wall sex questions to serious topics of women's sexual health, *What's Up Down There?* provides answers to women of all ages and stages.

How To Make Male Friends...As A Grown Ass Man! When you were young, for a male to make friends with another male was pretty damn simple - you walked up to them and asked them to be your friend. Try that as an adult and you will get some very strange looks! With this book, best-selling author and speaker Ben D. Ingham has successfully unlocked the code and made it easy to make and keep male friendships. Topics covered include: * Male Friendships 101: The Key * Finding Friends & Keeping Them As An Adult * How To ACTUALLY Meet New Buds As An Adult * Effortless Small Talk & Banter * The Key To Asking To Hang Out * The Rules Of Male Mates * Dealing With Social Situations * Moving From Virtual Friends to IRL * Break Down The Barrier, Smash The Glass Wall and so much more! "The perfect guide for any guy living in these modern times. Everything is broken into easy to understand sections, making a once difficult and awkward situation so much easier." Colin Timberlake *Cal Magazine*

The Highly Sensitive Child: Helping our children thrive when the world overwhelms them

THE BREATHTAKINGLY TWISTY 2022 RICHARD AND JUDY BOOK CLUB PICK

_____ I'd do anything for my friends - even murder...
Georgie, Lissa and Bronwyn have been best friends since they met on their college swimming team. Now Lissa is dead - drowned off the coast of the remote island where her second husband owns a luxury resort. But could a star open-water swimmer really have drowned? Or is something more sinister going on? Brought together for Lissa's memorial, Georgie, Bron, Lissa's grieving husband and their friends find themselves questioning the circumstances around Lissa's death - and each other. As the weather turns ominous, trapping the guests on the island, it slowly dawns on them that Lissa's death was only the beginning. Nobody knows who they can trust. Or if they'll make it off the island alive...
_____ Five-Star Reader Reviews: 'You can almost smell the coconut sun lotion' 'Sinister, sneaky and full of devious, dirty secrets' 'A fantastic thriller that kept me guessing' 'Top notch escapism'

The Greatest Family Game

New York Times Bestseller • From the "best advice columnist of her generation" (Esquire) comes a hilarious, frank, and witty collection of all-new responses, plus a few greatest hits from the beloved "Ask Polly" column in New York magazine's The Cut. Should you quit your day job to follow your dreams? How do you rein in an overbearing mother? Will you ever stop dating wishy-washy, noncommittal guys? Should you put off having a baby for your career? Heather Havrilesky is here to guide you through the "what if's" and "I don't knows" of modern life with the signature wisdom and tough love her readers have come to expect. Whether she's responding to cheaters or loners, lovers or haters, the anxious or the down-and-out, Havrilesky writes with equal parts grace, humor, and compassion to remind you that even in your darkest moments you're not alone.

Start Your Family

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

7 Simple Habits of Extraordinary Salespeople

Collected wisdom from the internet's best-loved advice columnist. I recently learned from one of my co-workers that my boss gathered everyone together after I was hired and told them that I was nonbinary and used they/them pronouns, which isn't true — I'd been very clear that I'm a trans man who uses male pronouns. How should I handle this? My husband keeps leaving his toenail clippings around the house. I've started slipping them into his coffee cup. Is there a better solution? I think I'm in love with my brother's wife. What should I do? A collection of the weirdest and wildest questions sent to Slate's longtime agony aunt, internet darling Daniel M. Lavery, whose sympathetic, thoughtful, good-humoured advice is read by millions. Featuring new material as well as fan favourites, this is a must-have for 'Dear Prudence' fans and a dose of good sense, compassion, and understanding in an increasingly fractured world.

What's Up Down There?

From the Sunday Times bestselling author of The Science of Storytelling comes a bold and ambitious investigation of status that will redefine human culture for our times There's something humans desire even more than gold. It's a fundamental drive that's common to all humanity, cutting across race, gender, age and culture. Our need for it is such that exactly how much of it we possess dramatically effects not only our happiness and well-being but also our physical health. It's status, argues Will Storr. You can't understand human behaviour without understanding The Status Game. This game, which we are all playing, is not only the secret of our success, but also of our most evil behaviour. Everything is subordinate to status, and humans aren't unique in our complicity with it. By reflecting on the various ways humans negotiate this game - through status hierarchies, values, myths and sacred markers, Storr gives readers a master class in this most malevolent of social mysteries.

How to Make Male Friends as a Grown Ass Man: Unlocking and Understanding How to Make and Keep Male Friendships

"Ronni's mind fell completely silent. She stopped being aware of the room around her, there was only the hateful figure of a bully and an abuser ahead of her, all else was a blur." You're in a strange city. Your friend is missing. Could you find the courage to do what is necessary? Would you even know where to start? These are the questions faced by law graduate Ronni Wong when her friend Jenny disappears

after a date with a man she met online. Finding evidence suggesting that Jenny's internet lover hides the darkest of secrets, Ronni is forced to embark on a journey through social media to discover the identity of a kidnapper, and then a dangerous race against time through the streets of Metro Manila to save her friend's life. The clock is ticking, can Ronni make it in time? Join Ronni as her investigation into one disappearance leads her into mortal danger. Social Murder will keep you on the edge of your seat, and at the same time challenge you to think about how you use social media. Are you safe online?
