Dark Survivor Echoes of Love

Dark Survivor Trilogy Includes: Dark Survivor Awakened Dark Survivor Echoes of Love Dark Survivor Reunited" This is THE BEST Paranormal Romance series! I have been a huge paranormal romance fan for decades. I found The Children of the Gods series a few years ago and binged the books in no time. I also eagerly await every new book! (IT Lucas is quite prolific and the speed of her publications is amazing!)... I love how she interweaves the stories of many different characters. I also love that she makes each couple's story unique -- not cookie cutter! Additionally she does a fantastic job of creating great short term and long term plot lines. This particular new character in this new book is fantastic, and I love that we finally get to know Anandur better! The characterizations are great, and plot lines interesting. I love knowing what's going on in the lives of the people in this universe and can't wait to see how things unfold! Bravo!" Dark Survivor Awakened This was a strange new world she had awakened to. Her memory loss must have been catastrophic because almost nothing was familiar. The language was foreign to her, with only a few words bearing some similarity to the language she thought in. Still, a full moon cycle had passed since her awakening, and little by little she was gaining basic understanding of it--only a few words and phrases, but she was learning more each day. A week or so ago, a little girl on the street had tugged on her mother's sleeve and pointed at her. "Look, Mama, Wonder Woman!" The mother smiled apologetically, saying something in the language these people spoke, then scurried away with the child looking behind her shoulder and grinning. When it happened again with another child on the same day, it was settled. Wonder Woman must have been the name of someone important in this strange world she had awoken to, and since both times it had been said with a smile it must have been a good one. Wonder had a nice ring to it. She just wished she knew what it meant. Dark Survivor Echoes of Love Wonder's journey continues in Dark Survivor Echoes of Love. Dark Survivor Reunited The exciting finale of Wonder and Anandur's story.

"Hands down the best book series I have ever read. I devour the books and coming from somebody who reads all the time this is an extreme compliment. I can't wait to read more please please keep writing! your writing style and everything is perfect I have never read such a well-written book where the story line develops with so many characters I love knowing what's going on with everybody I love that you switch characters back and forth it is so awesome. Also the steamy love scenes are to die for!" "This book sent me on the most amazing adventure that I hope never ends." "You will not be disappointed!! Don't miss this series!! Wow and Wow! Roller Coaster! Grown folks stuff! Not teenage paranormal romance but complicated, complex adult relationships, intrigue, mystery, hot sex, fantasy, and romance! This is EVERYTHING you'll ever want in a paranormal fantasy series!! It will make you cry, make you laugh, make you cheer for the heroes and heroines! All of the characters are well developed with strengths and weakness, beauty and flaws. Exciting plots! Intriguing twists and turns! You'll enjoy the mythical, the fantasy, the history! This is a wonderful series! I'm having trouble trying to find something to keep me busy until the next book!! And it doesn't come out until June! What in the hell am I going to do with myself!! Fates help me." KIAN AND SYSSI'S STORY IS A 3-PART SERIES! "Ok, these are probably the BEST books I have read in a long time. The writer is extraordinarily talented in bringing her cast of characters to life. If you like mysteries and love stories that are not typical --written by one of the best authors I have read in a really long time then please pick up the first book and read them." "Love Love Love this book! This book had me hooked right from the beginning! This is probably the best series I've read and that's saying a lot since some of my favorite Authors are JR Ward, Christine Feehan and Sherrilyn Kenyon!" "Best in the genre I. T. Lucas pens an exceptionally well developed story. Many writers in this genre are predictable and formulaic. The Children of the Gods series is never predictable. This series stands with the best of fantasy writers - the fact that it is romance fantasy is almost beside the point. That said, even the sex scenes are well done and NOT predictable! A must read." "I love this series. I am a huge BDB fan. never miss a book EVER. Now I have added this series to that list. So

well written and never drags on--always a page turner. And it is not typical stuff, it is very unique! An absolute must read!" "I literally read this entire series in 3 days and now I'm going through character withdrawal waiting for the next. I.T. Lucas is an amazing writer with a brilliant mind and has quickly been added to my favorite author list." Syssi's paranormal foresight lands her a job at Dr. Amanda Dokani's neuroscience lab, but it fails to predict the thrilling yet terrifying turn her life will take. Syssi has no clue that her boss is an immortal who'll drag her into a secret, millennia-old battle over humanity's future. Nor does she realize that the professor's imposing brother is the mysterious stranger who's been starring in her dreams. Since the dawn of human civilization, two warring factions of near-immortals - the descendants of the gods of old - have been secretly shaping its destiny. Leading the clandestine battle from his luxurious L.A. high-rise, Kian is surrounded by his clan, yet alone. Descending from a single goddess, clan members are forbidden to each other. And as the only other immortals are their hated enemies, Kian and his kin have been long resigned to a lonely existence of fleeting trysts with human partners. That is, until his sister makes a game-changing discovery - a mortal seeress who she believes is a dormant carrier of their genes.

Dark Stranger the Dream

"I have literally been DEVOURING this series ever since I picked up the first book. This is going to end up being a huge hit, a big thing!" -Top 500 Reviewer When Kian confesses his true nature, Syssi is not as much shocked by the revelation as she is wounded by what she perceives as his callous plans for her. If she doesn't turn, he'd be forced to erase her memories and let her go. His family's safety demands secrecy - no one in the mortal world is allowed to know that immortals exist. Resigned to the cruel reality, Syssi is determined to enjoy what little time she has with Kian, one day at a time. Kian and Syssi's story culminates in Dark Stranger Immortal, and the characters embark on a new adventure in book 4: Dark Enemy Taken.

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Sarah Gailey's *The Echo Wife* is "a trippy domestic thriller which takes the extramarital affair trope in some intriguingly weird new directions."--Entertainment Weekly I'm embarrassed, still, by how long it took me to notice. Everything was right there in the open, right there in front of me, but it still took me so long to see the person I had married. It took me so long to hate him.
