Little Ice Skater

Grace is very excited when her skating school decides to perform Swan Lake on ice, and even more thrilled when she learns she is to understudy the main part. When the star of the show twists her ankle it's up to Grace to save the day, but will she find the courage she needs?

On Edge

After an intense ice skating camp in San Francisco, Madison Boone is excited to begin a new season with her best friend Hannah. But when Hannah's parents announce that they are moving to California to train with a new coach, Madison is devastated. How can she navigate freshman year and training for Regionals without her? While trying to figure out how to cope without Hannah, Madison and her younger sister take on a new client in their pet-sitting service who not only have the most adorable puppy, but a very cute 15 year old son, Dylan, who quickly becomes the most talked about boy in school. When his twin sister, Sydney, joins the Emerald City Figure Skating club, she turns out to be Madison's biggest obstacle to winning the Northwest Pacific Regional competition. Just when Hannah starts to make friends with Sydney, she learns a secret that will test whether she'll do the right thing, risking her relationship with Dylan. Will Hannah trust her instincts or will her fear of failure keep her On Edge?

Ice Stars

Shortlisted for the William Hill Sports Book of the Year award. One winter's night in 1976, over 20 million people in Britain watched John Curry skate to Olympic glory on an ice rink in Austria. Many millions more watched around the world. Overnight he became one of the most famous men on the planet. He was awarded the OBE. He was chosen as BBC Sports Personality of the Year. Curry had changed ice skating from marginal sport to high art. And yet the man was – and would always remain – an absolute mystery to a world that had been dazzled by his gift. Surely, men's skating was supposed to be Cossack-muscular, not sensual and ambiguous like this. Curry himself was an often-tortured man of

labyrinthine complexity. For the first time, *Alone* untangles the extraordinary web of his toxic, troubled, brilliant – and short – life. It is a story of childhood nightmares, furious ambition, sporting genius, lifelong rivalries, homophobia, Cold War politics, financial ruin and deep personal tragedy. *Alone* reveals the restless, impatient, often dark soul of a man whose words could lacerate, whose skating invariably moved audiences to tears, and who – after succumbing to AIDS, as so many of his fellow artists and friends did – died of a heart attack aged just 44.

Dial Up for Murder

WHEN MAKING YOUR FORTUNE COULD COST YOUR LIFE! Cyber-crime didn't exist in the 1980s. Or did it? Clem Chambers' gripping techno-thriller series, *The Hacker Chronicles*, is a reminder that the dark art of hacking is as old as network technology. *Dial Up for Murder* is set in 1984, long before the revolutionary advent of the Internet and World Wide Web. The hacker hero Peter is an entrepreneurial nerd struggling to attract paying subscribers to his new-fangled network. A chance meeting with a shady customer soon has the young computer whizz raking in the dough. Yet before long, he finds himself sucked into a dangerous world, consorting with gangsters and running for his life. Will Peter live long enough to spend his criminal spoils? *The Hacker Chronicles* details Peter's terrifying yet financially-lucrative descent into a dangerous world of real-life crime and ruthless 1980s gangsters.

The Hacker Chronicles

A cyber thriller involving a young hacker who becomes a detective to solve a murder.

Murder by Conceit

About the Book Following the grisly murder of three former colleagues, Jacob Blake and his partner, Natasha Romanova Garnier (a French-Canadian with an aristocratic Russian heritage), are coerced out of retirement to identify the perpetrator and prevent any more deaths... only to discover they are next on the hit list. Against their will, they are drawn back onto the global stage of high- stakes private equity funds and its seductive and corruptive atmosphere of multibillionaires, power brokers, heads-of-state, and a steady stream of millions in cash available for the taking. Set in New York City, Moscow, and Prague, *Murder by Conceit* follows Natasha and Jacob as they race against the clock to stay alive while battling international intrigue and conspiracies, duplicity, and some old and deadly enemies with scores to settle. It soon becomes apparent that the only way Jacob can stay alive is to identify his mysterious enemy and convince them to cancel the hit contracts, a cancelation that would cost the killer millions of dollars and a lifetime in prison. At the same time, Natasha must reconcile her past relationships with the Russian Mafia and the GRU in an effort to save Jacob's life. About the Author Steve Graybill spent more than thirty years as an executive in the high- stakes world of international consulting and private equity, working and living in over twenty countries. He now lives in Arizona with his wife and their Goldendoodle. He served with the US Army in Vietnam. "Murder by Conceit" is his first novel.

Beachcomber Investigations: Books 1-5

Dane never wanted a partner, especially not one like Shana George. She was trouble in a killer body with an attitude to match. And she was far too much like him. Except he was broken. His soul had been irreparably damaged by a life of fighting causes against punishing odds. Shana was fresh and full of piss and vinegar, but with too many soft curves for him to ignore. Together they fight each other while they fight their assigned battles against underworld badasses. The governor sends them on occasional missions and in between they help keep mischief at bay on the island of Martha's Vineyard. Shana doesn't know why she stays with Dane and he knows he's bad for her. But they can't seem to let each other go. How long can this go on? Will they stay together or fall apart? What readers are saying: "Dane and Shana... will captivate and seduce you, all the while unraveling mysteries, uncovering clues, outsmarting the bad guys"--Amazon Reviewer "Shana and Dane were the main characters in this book series and let me tell you they had some sizzling chemistry that kept you reading until the last page"--Amazon Reviewer "I was thrilled to do a search and find that there is so much more for Beachcombers Investigations and can't wait to read all of them...I would love to see this as a series on tv, I think it would be big hit."--Amazon Reviewer This 900+ page box set includes the first five novels of the Beachcomber Investigations romantic detective series plus two bonus novellas. If you love intense action and sizzling sensual tension mixed with witty banter, this is your series.

Dial Em for Murder

When a strange man dies literally on top of her, 16-year-old Emmy is thrust into a mystery much more horrifying than the one in the novel she's writing.

The Hacker

When a video surfaces on the dark web showing a murder no one else could have witnessed, FBI Special Agent Ericka Blackwood must race to catch the killer. But the case is even darker than Ericka thought. Hidden behind an avatar named Dantalion, a criminal mastermind is feeding his sadistic appetites by directing the crimes of others and he may have been orchestrating his schemes for years. As Ericka's investigation homes in on her target, the tables are suddenly turned. Dantalion knows that she is obsessed with tracking down the men who destroyed her sister's life, and has information that will enable her to find them. To exact her long-awaited revenge, Ericka will have to risk her career, her life and the fate of Dantalion's future victims. But does vengeance come at too high a price?

Black Flagged Core Bundle (Books 1-3)

Continue the Black Flagged Series with this specially priced Core Bundle by bestselling author, Steven Konkoly. Three books...Black Flagged Redux, Black Flagged Apex and Black Flagged Vektor...for less than the price of two! Limited Time Offer! 1,300 pages of "...a complex new Black-Ops thriller series." - Kirkus Reviews Black Flagged Redux (Book 2): Two years after shocking Washington D.C. with a brutal betrayal, General Terrence Sanderson prepares for his triumphant return. With his illegal covert operations group resurrected, he waits in the shadows for the right moment to demonstrate the grim necessity of the Black Flag program. His opportunity may arrive sooner than expected. At Langley, Karl Berg is appointed to a new position with the CIA's National Clandestine Service. As senior liaison to the Weapons of Mass Destruction (WMD) Intelligence Center, he makes a disturbing discovery. Russian Federation intelligence services are secretly scouring Europe to find Anatoly Reznikov, a rogue Russian scientist at the top of every nation's WMD watch list. While the Russians pursue Reznikov, Berg goes "off the books" again and sends one of Sanderson's Black Flag teams to investigate. Led by Daniel Petrovich, the team uncovers a twisted conspiracy aimed at striking a horrific blow against the West, with the frightening potential to bring the United States to its knees. Black Flagged Apex (Book 3): A tense alliance between General Sanderson and the CIA narrowly averts an apocalyptic attack by Islamic fundamentalists in Europe, but ultimately fails to recover the virus canisters. With the biological weapons still missing, the specter of an attack against the United States looms dangerously closer. Desperate to stop Al Qaeda, Daniel Petrovich's "black ops" team is sent to investigate the last lead provided by Anatoly Reznikov, the twisted scientist responsible for designing the virus. What they uncover will shake U.S. authorities to the core. Every canister of the Zulu Virus has been shipped to the United States... Back in Washington D.C., this startling revelation is intensified by a grim discovery. Suspected Al Qaeda cells under FBI surveillance have been simultaneously massacred, targets of a shadowy domestic terror organization with ties to a rising political movement. When Special Agent in Charge Ryan Sharpe discovers that Al Qaeda lost possession of every virus canisters in the coordinated attack, he deploys Task Force Scorpion to hunt down a new breed of terrorist and recover

the virus. Black Flagged Vektor (Book 4): With the most recent bioterrorism threat against the United States neutralized, and Dr. Anatoly Reznikov in secret custody; CIA Deputy Director Karl Berg proposes a more permanent solution to prevent future attacks. - A covert raid by General Sanderson's Black Flag unit against Vektor Labs, deep inside Russia...to destroy a bioweapons program that should have ended with the Cold War - The United States isn't the only nation looking to tie up loose ends. The sudden abduction of a CIA officer in Stockholm exposes the Russian Foreign Intelligence Service's (SVR) ruthless campaign to discover the truth behind the massacre of an elite Spetsnaz team sent to eliminate Reznikov...and permanently bury his knowledge of Vektor's sinister purpose. Through an intricate web of unsavory alliances, deviously orchestrated political maneuvers and shockingly brutal black-ops sanctions, Karl Berg will set in motion an unstoppable chain of events with the potential to ignite a new Cold War. The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says “knows all of Anonymous’ deepest, darkest secrets” “A work of anthropology that sometimes echoes a John le Carré novel.” —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside–outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”

Murder on the Dark Web

An epic case of mistaken identity puts a teen looking for a hookup on the run from both the FBI and a murderous cult in this compulsively readable thriller. Finding himself alone in a posh New York City hotel room for the night, Aidan does what any red-blooded seventeen-year-old would do—tries to hook up with someone new. But that lapse in judgement leads him to a room with a dead guy and a mysterious flash drive . . . two things that spark an epic case of mistaken identity that puts Aidan on the run—from the authorities, his friends, his family, the people who are out to kill him—and especially from his own troubled past. Inspired by a Hitchcock classic, this whirlwind mistaken-identity caper has razor-sharp humor, devastating emotional stakes, and a thrilling storyline with an explosive conclusion to make this the most compelling YA novel of the year. Journalism. Narcissism. Cannibalism. It's a dog-eat-dog world at the infamous tabloid the New York Mail, where brand new pet columnist F.X. Shepherd accidentally finds himself on the trail of The Hacker, a serial killer targeting unpleasant celebrities in inventive—and sometimes decorative—ways. And it's only his second day on the job. Luckily Shepherd has hidden talents, not to mention a hidden agenda. But as bodies and suspects accumulate, he finds himself running afoul of cutthroat office politics, the NYPD, and Ginny Mac, an attractive but ruthless reporter for a competing newspaper. And when Shepherd himself is contacted by The Hacker, he realizes he may be next on the killer's list...

The Armageddon Trade

In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil. The inspiration for the hit 2005 movie starring Natalie Portman and Hugo Weaving, this amazing graphic novel is packaged with a collectable reproduction of the iconic V mask.

The Scarecrow

In its third edition, this massive reference work lists the final resting places of more than 14,000 people from a wide range of fields, including politics, the military, the arts, crime, sports and popular culture. Many entries are new to this edition. Each listing provides birth and death dates, a brief summary of the subject's claim to fame and their burial site location or as much as is known. Grave location within a cemetery is provided in many cases, as well as places of cremation and sites where ashes were scattered. Source information is provided.

The Medical Times and Gazette

In a seedy hotel near Ground Zero, a woman lies face down in a pool of acid, features melted off her face, teeth missing, fingerprints gone. The room has been sprayed down with DNA-eradicating antiseptic spray. Pilgrim, the code name for a legendary, world-class secret agent, quickly realizes that all of the murderer's techniques were pulled directly from his own book, a cult classic of forensic science written under a pen name.

Twisted Loyalties

Fabiano was raised to follow in his father's footsteps as Consigliere of the Chicago Outfit - until the man abandons him. Left to fend for himself, Fabiano is forced to fight for a place in the mafia world. As a ruthless street fighter, he quickly earns his place as the new Enforcer of the Las Vegas Camorra - a man to fear. Leona wants to build a decent life for herself, away from her drug-addicted mother. But soon she catches the attention of a dangerous man - Fabiano Scuderi. Staying out of trouble and living a normal life are near impossible with a man like him. Leona knows she needs to avoid Fabiano, but men like him aren't easy to shake off. They always get what they want. Fabiano cares about only one thing: the Camorra. But his attraction to Leona soon puts his unwavering loyalty to the test. Is Leona worth risking everything he's fought for, and ultimately his life?

Camorra Chronicles Collection Volume 1

The Camorra Chronicles Collection Volume 1 includes the first three books in the Camorra Chronicles in one big book. The following books are included: Twisted Loyalties (Fabiano was raised to follow in his father's footsteps as Consigliere of the Chicago Outfit - until the man abandons him. Left to fend for himself, Fabiano is forced to fight for a place in the mafia world. As a ruthless street fighter, he quickly earns his place as the new Enforcer of the Las Vegas Camorra - a man to fear. They always get what they want. Fabiano cares about only one thing: the Camorra. But his attraction to Leona soon puts his unwavering loyalty to the test. Is Leona worth risking everything he's fought for, and ultimately his life?) Twisted Emotions (Nino Falcone is genius and monster. As the right hand man and brother of the Capo of the Camorra, his lack of feelings is a blessing, not a curse - until his brother asks him to marry for the sake of the Camorra. Kiara Vitiello, cousin of the Capo of the New

York Famiglia, is chosen to marry Nino Falcone to prevent war with the Camorra, but what she hears about Las Vegas makes her veins pulse with terror. After her father betrayed his Capo and paid with his life, her family thinks marriage is her only chance to bring honor to her name; but only Kiara knows she's a faulty prize given in return for peace. A man incapable of emotions and a woman scarred by the past - an arranged marriage with the potential to unite, or destroy... Twisted Pride (Remo Falcone is beyond redemption. As Capo of the Camorra he rules with a brutal hand over his territory - a territory the Chicago Outfit breached. Now Remo is out for retribution. A wedding is sacred, stealing a bride sacrilegious. Serafina is the niece of the Boss of the Outfit, and her hand has been promised in marriage for years, but kidnapped in her wedding dress on her way to church by Remo, Serafina quickly realizes that she can't hope for saving. Yet, even in the hands of the cruelest man she knows, she is determined to cling to her pride, and Remo soon understands that the woman at his mercy might not be as easy to break as he thought. A ruthless man on a quest to destroy the Outfit by breaking someone they are supposed to protect. A woman intent on bringing a monster to his knees. Two families that will never be the same.

Twisted Cravings

As the youngest brother of the notorious Falcone clan, Adamo grew up surrounded by blood and violence. Drugs soon became his way of coping. Becoming a Made Man like his brothers was his destiny but never his passion. When he becomes the organizer of his family's successful illegal street races and one of their thrill-seeking drivers, he finally asserts his own path in the harsh mafia world. His purpose isn't the only thing Adamo discovers on the fuel-soaked roads he calls home... Dinara Mikhailov is the only female race driver and hard to ignore. Not only because of her flaming red hair and ruthless driving style, but also because the Bratva princess is allowed to drive in enemy territory. Soon Adamo and she find themselves entangled in a passionate game that goes beyond the race track. Yet, both haunted by events in the past, their dark cravings put everything on the line. As what they crave the most, comes with a brutal price.

Twisted Emotions

Nino Falcone is genius and monster. As the right hand man and brother of the Capo of the Camorra, his lack of feelings is a blessing, not a curse - until his brother asks him to marry for the sake of the Camorra. Kiara Vitiello, cousin of the Capo of the New York Famiglia, is chosen to marry Nino Falcone to prevent war with the Camorra, but what she hears about Las Vegas makes her veins pulse with terror. After her father betrayed his Capo and paid with his life, her family thinks marriage is her only chance to bring honor to her name; but only Kiara knows she's a faulty prize given in return for peace. A man incapable of emotions and a woman scarred by the past - an arranged marriage with the potential to unite, or destroy...

Twisted Pride

Remo Falcone is beyond redemption. As Capo of the Camorra he rules with a brutal hand over his territory - a territory the Chicago Outfit breached. Now Remo is out for retribution. A wedding is sacred, stealing a bride sacrilegious. Serafina is the niece of the Boss of the Outfit, and her hand has been promised in marriage for years, but kidnapped in her wedding dress on her way to church by Remo, Serafina quickly realizes that she can't hope for saving. A ruthless man on a quest to destroy the Outfit by breaking someone they are supposed to protect. A woman intent on bringing a monster to his knees. Two families that will never be the same.

Twisted Bonds

Can you ever truly leave the past behind in a house full of haunted souls? Kiara always wanted a loving family she could take care of. She never thought she'd find it with the Falcones. Nino and Kiara both lost part of themselves in their traumatic childhood. Together they're trying to recover the missing pieces, but they aren't the only broken souls in the Falcone mansion; Kiara fears that not all of them can be saved. Determined to protect her new family and the future of her dreams, she's on a mission to help each of them in her own way, even if it means stacking up secrets. Four brothers bound together by an unbreakable bond forged in their dark past. If one of them falls, will they all?

Twisted Hearts

Savio Falcone has a few non-negotiable rules when it comes to girls. They need to be hot as f*ck. Spread their legs without much prompting. And leave as soon as the fun is over. Preferably minus any bitching or tears. With his easy-going bad boy attitude, a last name that rules over Las Vegas and a body to die for, girls have always been at Savio's disposal. Unfortunately, the hottest girl in Vegas comes with a price Savio isn't willing to pay. For Savio to get Gemma he'd need to seal the deal and put a ring on her finger. Settling down is out of the question, no matter how hot a piece of ass waits at the altar. Gemma Bazzoli has had a crush on Savio from the first moment she came face to face with his arrogant smile, but for him she was always his best friend's annoying little sister-until her hard-earned curves catch even his attention. But Savio likes it easy, and Gemma is anything but. When she's promised to another man, Gemma resigns herself to the fact that the man she's wanted all her life, doesn't want her badly enough. Savio has to decide how much work he's willing to invest, because bending the rules in his usual style might not be enough to get the girl that haunts his wet dreams.- Can be read as a standalone-

Twisted loyalties. Lealtà. Camorra chronicles

After two years of taking care of her heartbroken father, Evie needs a new start. Leaving the States and following her sister to Australia to work as the personal assistant of rugby star Xavier - The Beast - Stevens seems like the right kind of distraction. Tall, muscled and devilishly handsome, Xavier is the lov' em and leav' em kind of guy. He never forgets a girl's name because he never bothers to remember it in the first place. Evie soon realizes that being Xavier's assistant is a 24/7 job; the man seems unwilling to even set an alarm for himself. As she watches him move from one woman to the next, Evie is glad that her heart is safe from his attention. After all, she's a far cry from the size zero models he usually takes to his bed. But soon being around Xavier doesn't feel like a job, and seeing him walk around his apartment half naked all the time isn't helping either. Evie knows that giving in to her attraction will lead to heartbreak, but when Xavier starts treating her as more than just his assistant, resisting his charms seems like an impossible task.

Only Work, No Play

Dante My life's a tale of betrayal. I killed so many because they betrayed our cause, because they betrayed the Outfit. A hypocrite. A liar. A murderer. That's what I am. Five times I betrayed the Outfit. With my blood I made a vow to our cause, swore my life to it, promised to put the Outfit first. Above all else. Five times I chose a woman over the good of the Outfit. I betrayed my father. My vow. My men. You reap what you sow. Would my betrayals destroy everything I swore to protect? Valentina On our wedding day I made a vow to stand by Dante's side. In good and in bad times. To love him through it all. Growing up in the mafia, I knew the challenges in our life would be numerous. I never expected them to tear at the very base of our family, of our existence.

Bound By The Past

Growl He'd never had something to himself, never even dared to dream about owning something so precious. He was the unwanted bastard son who'd always had to content himself with the leftovers of others. And now they'd given him what only a few weeks ago had been out of his reach, someone he wasn't even allowed to admire from afar, one of their most prized possessions. Thrown at his feet because he was who he was, because they were certain he would break her. He was her punishment, a fate worse than death, a way to deliver the ultimate punishment to her father who had displeased them so greatly. Cara She had always been the good girl. It didn't protect her. She didn't know his real

name. People called him Growl to his face, and the Bastard behind his back. Both were names he couldn't possibly have chosen for himself. His eyes were empty, a mirror to throw back her own fear at her. He was a brutal hand of the Las Vegas Camorra. And now she was at his mercy.

Bound by Vengeance

Born in Blood Sworn in Blood.....isn't only the motto the Famiglia lives by. Bleeding for love is something every couple in this book has experienced. Through hardships their love morphs into something even more beautiful and resilient. A love each of them is willing to fight for. This anthology contains stories for the following couples: Aria & Luca Romero & Liliana Growl & Cara Mauro & Stella Matteo & Gianna

Bound By Blood

The secrets haunting Beau Rochester come alive. He doesn't deserve happiness, but he holds it in his hands. A woman he loves. A child. The past threatens to rip them away. He risks losing them forever. Jane Mendoza is determined to protect the people she loves from every threat--the mysterious arsonist, the corrupt police force. The darkest danger comes from a place she never expects. She risks more than her newfound family. She risks her life.

Best Kept Secret

The first four books in the bestselling Born in Blood Mafia Chronicles in one big book! Bound By Honor Bound By Duty Bound By Hatred Bound By Temptation

Born in Blood Collection Volume 1

A new STANDALONE age-gap, arranged marriage romance from USA Today Bestselling author Cora Reilly! Sofia knows how it feels to be the consolation prize. Too young. Not blond. And definitely not an ice princess. Her sister is/was all those things. Perfection. Until she wasn't. Until she ran off to be with the enemy and left her fiancé behind. Now Sofia is given to Danilo in her sister's stead, knowing she'll never be more than second best. Yet, she can't stop longing for the love of the man she's been crushing on even when he was still her sister's. Danilo is a man who's used to getting what he wants. Power. Respect. The sought-after ice princess. Until another man steals his bride-to-be. Danilo knows that for a man in his position losing his woman can lead to a loss of face. Wounded pride. Thirst for revenge. A dangerous combination-one Danilo can't leave behind, not even when a girl just as precious takes her sister's place to placate him. Yet, she's got one flaw: she's not her sister. Unable to forget what he's lost, Danilo might lose what he's been given.

Fragile Longing

Some things aren't meant to be broken-and can't be mended. I was one of those things. Whatever had been shattered in the incident would never be whole again. Amber struggles with the memories of a cruel attack that destroyed her life years ago. Realizing that she's close to ending it all - something she promised her family to never try again - she moves in with her brother Brian and his friend Zachary to start a new life. But how can she live a normal life, when even a hug from her brother sends her into a panic attack? While Brian pulls back, Zach seems determined to make her feel relaxed in his presence, and soon her longing to be near him is stronger than her fear. But how can someone like Zach, someone who can have any girl, want someone like her? Someone broken. When Zach spots Amber for the very first time, he can't believe she is the same girl his friend Brian described as broken. Zach wants to help Amber live again- show her that closeness can be something wonderful. But her brother Brian isn't the only one who's worried about the bond that's growing between Amber and Zach. Even Zach knows that there's more at stake than the fury of a scorned woman. Amber isn't like all the girls Zach discarded after a night together. If he messes up, that could break her for good. But Zach can't stay away from Amber. Can Zach help her heal? Or will he be the one to push her over the edge?

Not Meant To Be Broken

They open a door and enter a world.

The Lion, the Witch and the Wardrobe (full color)

Nobody expected them to fall in love. When Aria was given to Luca in marriage, people were sure he'd break her. Aria feared the worst from a man like him. A man without mercy. But somehow she gained his love. Love - a weakness a Capo like Luca shouldn't risk. When Aria betrays Luca by going behind his back for her family, she realizes too late that she might have lost what she's fought so hard to get in the first place: Luca's trust. The trust of a man who never allowed himself to trust someone unconditionally before. Can their love survive in a world of betrayal and death?

Bound By Love

A collection of book 5 - 8 in the bestselling Born in Blood Mafia Chronicles! The collection includes the following books: Bound By Vengeance/Bound By Love/Bound By The Past/Bound By Blood

Born in Blood Collection Volume 2

An Arranged Marriage Standalone Mafia Romance. The first time Cassio meets his fiancée, she calls him "sir." After losing his wife, Cassio is left to take care of two small children while trying to establish his rule over Philadelphia. Now he needs a mother for his children and someone who can warm his bed at night. But in a world as traditional as his, choosing your wife is duty not pleasure. Rules have to be followed, traditions heeded. That's how he ends up with a woman - a girl barely of age. She may not be what he and his children need, but she's lovely and a sweet temptation he can't resist. Giulia has always known she'll marry the man her father chose for her, but she never expects to be given to someone so much older. Suddenly she's supposed to be a mother to two small children when she hasn't even held a baby before. Giulia quickly realizes that Cassio isn't interested in a relationship on equal footing. Her mother has warned her that men of power, like Cassio, don't tolerate insolence. Tired of being treated as a nanny, Giulia decides to fight for her version of a happy family.

In the Blink of an Eye

An Irish mobster. A missing friend. Two loyalties, ripping me apart. I had a plan. Get in, get my information, and get out. Easy, right? Turns out, infiltrating the Irish mafia isn't exactly what I thought it would be. I just wanted a soldier. Someone I could flirt with to get me in the door. That's when Lachlan Crow noticed me. Problem was, he wasn't a soldier. No, he was next in line for the throne of the Irish underworld. And he was determined to hate me from the outset. My sob story about needing a job? Yeah, he wasn't buying that either. Too bad for him, I won't let anyone get in the way of my mission. Who cares if we have some kind of crazy chemistry? He's the worst kind of wrong - and I would never in a million years be with a guy like him. Because they took her from me, and I'm going to make them pay

Crow

Born into one of the leading Mob families in Chicago, Aria Scuderi struggles to find her own path in a world where no choices are given. Aria was only fifteen when her parents betrothed her to Luca - The Vice - Vitiello, the oldest son of the head of the New York Cosa Nostra to ensure peace between the two families. Now with eighteen, the day Aria has been dreading for years is looming dangerously: her wedding to Luca. Aria is terrified of marrying a man she hardly knows, especially someone like Luca who got his nickname 'the Vice' for crushing a man's throat with his bare hands. Luca might be one of the most sought after men in New York thanks to his good looks, wealth and predator-like charisma that radiates power, but the society girls throwing themselves at him don't know what Aria does: that the bad boy aura isn't just a game; blood and death lurk beneath Luca's striking gray eyes and arrogant smile. In her world a handsome exterior often hides the monster within; a monster who can just as easily kill as kiss you. The only way to escape the marriage to Luca would be to run away and leave everything she's ever known behind but Aria can't bear the thought of never seeing her family again. Despite her fear, she decides to go through with the marriage; Aria has grown up among predators like Luca and knows that even most cold-hearted bastards have a heart and she has every intention of working her

way into Luca's. !Mature content! Books in the Born in Blood Mafia Chronicles: Bound By Honor Bound By Duty Bound By Hatred

Bound by Honor

Liliana Scuderi has been in love with Romero from the moment she first saw him. After her sisters were married off for tactical reasons, she hopes she might be allowed to choose a husband for herself, but when her father promises her to a man more than twice her age that hope is crushed. No begging can make him change his mind. Romero has always ignored Lily's flirting. Her age and status made her off-limits but even someone as dutiful as him has only so much control. Wanting her when she's supposed to marry another man could mean war between New York and the Chicago Outfit, and Romero has always put the Cosa Nostra first. Lily suspects her sisters and Romero would risk everything for her, but is her happiness worth that much? Is love worth a war between the Cosa Nostra and the Outfit?

Bound By Temptation

Ryke Meadows, meet Daisy Calloway ... she's all grown up. Twenty-five-year-old Ryke Meadows knows he's hard to love. With a billion-dollar inheritance, a track-star resume, and an alpha-male personality—he redefines the term likable-asshole. But he's not living to make friends. Or enemies. He just wants to free climb three of the toughest mountains in Yosemite without drama or interruption. And then he receives a distressed call from a girl in Paris. Daisy Calloway is finally eighteen. With her newfound independence, she can say goodbye to her overbearing mother and continue her modeling career. Next stop: Paris. Fashion Week begins with a bang, and Daisy uncovers the ugly reality of the industry. She wants to prove to her family that she can live on her own, but when everything spirals out of control, she turns to Ryke to keep her secrets. As Daisy struggles to make sense of this new world and her freedom, she pushes the limits and fearlessly rides the edge. Ryke knows there's deep hurt beneath every impulsive action. He must keep up with Daisy, and if he lets her go, her favorite motto—"live as if you'll die today"—may just come true.

Hothouse Flower

She fears the dark. He rules it. Her dresses are too tight, her heels too tall. She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession. *Can be read as a standalone

The Maddest Obsession

Some moments define the trajectory of your life. Grace Shelton has experienced her fair share of loss and trauma, but moving to Blairwood is her chance for a new beginning. For Trent Remington, going to college is a chance to break free of his overprotective parents and finally play basketball. Some moments will change it forever. When Grace collides into Trent by accident, she sees the last person she ever expected to find - the boy that's been haunting her dreams for the past two years. Trent might belong to another girl, but he can't seem to get the redhead with the sad eyes out of his mind no matter how hard he tries. Together, they might risk everything for a chance at love, but will a kiss be enough to make him remember?

Kiss To Remember

In *Gangs and Organized Crime*, George W. Knox, Gregg W. Etter, and Carter F. Smith offer an informed and carefully investigated examination of gangs and organized crime groups, covering street gangs, prison gangs, outlaw motorcycle gangs, and organized crime groups from every continent. The authors have spent decades investigating gangs as well as researching their history and activities, and this dual professional-academic perspective informs their analysis of gangs and crime groups. They take a multidisciplinary approach that combines criminal justice, public policy and administration, law, organizational behavior, sociology, psychology, and urban planning perspectives to provide insight into the actions and interactions of a variety of groups and their members. This textbook is ideal for criminal justice and sociology courses on gangs as well as related course topics like gang behavior, gang crime and the inner city, organized crime families, and transnational criminal groups. *Gangs and Organized Crime* is also an excellent addition to the professional's reference library or primer for the general reader. Gangs and Organized Crime

I was born a monster. Cruelty ran in my veins like poison. It ran in the veins of every Vitiello man, passed on from father to son, an endless spiral of monstrosity. A born monster shaped into an even worse monster by my father's blade and fists and harsh words. I was raised to become Capo, to rule without mercy, to dish out brutality without a second thought. Raised to break others. When Aria was given to me in marriage, everyone waited with baited breath to see how fast I'd break her like my father broke his women. How I'd crush her innocence and kindness with the force of my cruelty. Breaking her would have taken little effort. It came naturally to me. I was gladly the monster everyone feared. Until her. Author's note: Bound By Honor in Luca's POV.

Luca Vitiello

My husband. My Tormentor. The most notorious man in the city offers me a job. Act as his dead wife. Adrian Volkov isn't the type of person who takes no for an answer. He commands with an iron fist and all his orders are met. When he approaches me with the offer, I have two options. Go to prison or put myself under his wrath. I choose to have a roof over my head. What's so hard about acting, right? Wrong. The moment I step into his wife's shoes, everything spirals out of control. My only way of survival is through Adrian. Or is it? This book is part of a trilogy and is not standalone.

Vow of Deception

Dante Cavallaro's wife died four years ago but her memory still haunts him. On the verge of becoming the youngest head in the history of the Chicago Outfit, Dante needs to remarry or risk appearing weak. Valentina is chosen for the role. She, too, lost her husband, but her first marriage has always been for show. Even after her husband's death, Valentina carries the weight of his secrets with her- to protect the honor of a dead man and herself. With her wedding to Dante, her castle of lies threatens to crash. Valentina fears the wedding night might reveal her secret, but her worries prove unfounded when Dante ignores her. Soon, her fear turns to confusion and anger. Valentina is tired of being ignored. She's determined to get Dante's attention and desire, even if she can't get his heart that still belongs to his dead wife.

Bound By Duty

Society darling Persephone Dimitriou wants nothing to do with her mother's ambitions. She's biding her time until she's able to leave the ultra-modern city of Olympus and start her doctorate degree. The one thing she never planned on? Her mother ambushing her with an engagement to Zeus--a man with more than a few dead wives in his past. Persephone will do anything to escape that fate...even flee the sparkling upper city and make a devil's bargain with a man she once believed was a myth. Hades has spent his life in the shadows, and he has no intention of stepping into the light. Not even for the woman who flees into his territory as if the very hounds of hell are on her heels. But when he finds that Persephone can offer a little slice of the revenge he's spent his entire life craving? It's all the excuse he needs to agree to help her--for a price. She'll be his for the summer, and then he'll see her safely out of Olympus and away from her mother and Zeus. Hades and Persephone's deal might seem simple enough, but they both quickly realize it's anything but. With every breathless night spent with Hades, Persephone wonders at her ability to leave him behind. And Hades? Now that he has a taste for Persephone, he's willing to go to war with Olympus itself to keep her...

Nicholas Pileggi's vivid, unvarnished, journalistic chronicle of the life of Henry Hill—the working-class Brooklyn kid who knew from age twelve that “to be a wiseguy was to own the world,” who grew up to live the highs and lows of the mafia gangster's life—has been hailed as “the best book ever written on organized crime” (Cosmopolitan). This is the true-crime bestseller that was the basis for Martin Scorsese's film masterpiece *GoodFellas*, which brought to life the violence, the excess, the families, the wives and girlfriends, the drugs, the payoffs, the paybacks, the jail time, and the Feds...with Henry Hill's crackling narration drawn straight out of Wiseguy and overseeing all the unforgettable action. “Nonstop...absolutely engrossing” (The New York Times Book Review). Read it and experience the secret life inside the mob—from one who's lived it.

School Education, the third volume of Charlotte Mason's *Homeschooling Series*, consists of thoughts about the teaching and curriculum of children aged 9-12, either at school or at home. She suggests that parents should practice what she calls “masterly inactivity”—not neglectful or permissive parenting, but simply allowing children to work things out for themselves, do things for themselves, learn from their own mistakes, and to have time for free play, and space for spontaneity. Charlotte Mason education uses “living books” instead of dry textbooks; in this book, she discusses what kinds of books to look for in each subject, and how to use them to teach children to love knowledge and become real readers and lifelong learners. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to allow students free time to play and to pursue their own worthy interests such as handicrafts.

School Education

Over the last twenty years the Camorra of Naples and the surrounding region has risen to a level of strength which rivals that of the Sicilian mafia. “The Camorra” traces the Camorra from its origins in Naples in the mid-nineteenth century to its present dominance of both Naples and the Campania region. “The Camorra” examines the transformation of small time cigarette smugglers of the 1960s into modern international businessmen, often through the use of trial documents and interviews with some key protagonists. Tom Behan places great emphasis on the fact that all major political parties have been involved with the camorra, along with the police, the judiciary, the business community and administrators. Behan argues that the solution to the problem of the Camorra lies not with these forces but with those ordinary people who suffer the consequences of a political and economic system defined as “political criminality.”

The Camorra

There are many rules a priest can't break. A priest cannot marry. A priest cannot abandon his flock. A priest cannot forsake his God. I've always been good at following rules. Until she came. Then I learned new rules. My name is Tyler Anselm Bell. I'm twenty-nine years old. Six months ago, I broke my vow of celibacy on the altar of my own church, and God help me, I would do it again. I am a priest and this is my confession.

Priest

In between the towering skyscrapers of the Windy City, there lives a dark underworld where loyalty, violence and blood are all that matters. Sophia always knew her marriage would be arranged and out of her hands, but when her husband-to-be is no other than the notorious Alessandro 'The Godless'

Rocchetti, prince of the Rocchetti family and Capo of Chicago, she finds herself falling into a nightmare. The arranged marriage begins bloody and the violence does not end on their wedding day. Sophia is forced to navigate her new family, her grief, and the brutal world she knows. As well as dealing with her dangerous yet intriguing husband. Secrets and threats surround her from the Feds and criminal world alike. Including the strange occurrences surrounding her sister's death...

The Bloody Bride

I was a nanny in need of a job. He was darkness personified. I had little to call my own. He was filthy rich, powerful, and dangerous. The assignment was simple, and my goal was too. Take care of his son. Keep my head down. When he least expects it, destroy him. It should have been easy. I thought it would be until I looked into his stark blue eyes. Kissing the enemy is a bad idea, but so is falling in love with him. He doesn't know my crumbling foundation is built on lies. When he discovers the truth, I'll find out if he's as brutal as I believe. I came here to steal his life. I didn't count on him stealing my heart. A complete, full-length dark mafia romance standalone in the Underworld Kings series.
