

# Bathing Without A Battle Person Directed Care Of Individuals With Dementia Second Edition Springer Series On Geriatric Nursing

[#dementia care](#) [#person-directed care](#) [#geriatric nursing](#) [#bathing dementia patients](#) [#elderly care strategies](#)

This essential guide, part of the Springer Series on Geriatric Nursing, focuses on implementing person-directed care for individuals with dementia, specifically tackling the common challenges associated with bathing. The second edition provides practical, compassionate strategies to transform bathing into a cooperative and dignified experience, reducing resistance and enhancing the well-being of those living with cognitive impairment.
