The Secrets Between Us

A Richard and Judy book club pick, this is a gripping Gothic novel is perfect for fans of Daphne du Maurier. A chance encounter When Sarah meets dark, brooding Alex, she grasps his offer of a new life miles away from her own. They've both recently escaped broken relationships, and need to start again. Why not do it together? A perfect life But when Sarah gets to the tiny village of Burrington Stoke, something doesn't add up. Alex's beautiful wife Genevieve was charming, talented, and adored by all who knew her. And apparently, she and Alex had a successful marriage complete with a gorgeous son, Jamie. Why would Genevieve walk out on her perfect life? And why has no one heard from her since she did so? A web of lies Genevieve's family and all her friends think that Alex knows more about her disappearance than he's letting on. But Sarah's fallen in love with him and just knows he couldn't have anything to hide. Or could he? The captivating, page-turning novel from the bestselling author of The Secret by the Lake and The House by the Sea, winner of The Jackie Collins Romantic Thriller Award. ----- Readers love The Secrets Between Us: ********Compelling and totally engrossing' ********Lots of twists and turns. This was pretty much unputdownable' ********A great mix of genres - just the type of book that I love'

The Secrets Between Us

"A powerful, urgent novel that wields issues of gender and class like a blade. . . . This intergenerational novel asks hard questions about who we are, who we can become, and what awaits on the other side of our becoming. Thrity Umrigar is known as a bold and generous writer, and The Secrets Between Us only further establishes her reputation." — Wiley Cash, author of The Last Ballad Bhima, the unforgettable main character of Thrity Umrigar's beloved national bestseller The Space Between Us, returns in this triumphant sequel—a poignant and compelling novel in which the former servant struggles against the circumstances of class and misfortune to forge a new path for herself and her granddaughter in modern India. Poor and illiterate, Bhima had faithfully worked for the Dubash family, an upper-middle-class Parsi household, for more than twenty years. Yet after courageously speaking the truth about a heinous crime perpetrated against her own family, the devoted servant was cruelly fired. The sting of that dismissal was made more painful coming from Sera Dubash, the temperamental employer who had long been Bhima's only confidante. A woman who has endured despair and loss with stoicism, Bhima must now find some other way to support herself and her granddaughter, Maya. Bhima's fortunes take an unexpected turn

when her path intersects with Parvati, a bitter, taciturn older woman. The two acquaintances soon form a tentative business partnership, selling fruits and vegetables at the local market. As they work together, these two women seemingly bound by fate grow closer, each confessing the truth about their lives and the wounds that haunt them. Discovering her first true friend, Bhima pieces together a new life, and together, the two women learn to stand on their own. A dazzling story of gender, strength, friendship, and second chances, *The Secrets Between Us* is a powerful and perceptive novel that brilliantly evokes the complexities of life in modern India and the harsh realities faced by women born without privilege as they struggle to survive.

Spies Among Us

Ira Winkler has been dubbed "A Modern Day James Bond" by CNN and other media outlets for his ability to simulate espionage attacks against many of the top companies in the world, showing how billions of dollars can disappear. This unique book is packed with the riveting, true stories and case studies of how he did it-and how people and companies can avoid falling victim to the spies among us. American corporations now lose as much as \$300 billion a year to hacking, cracking, physical security breaches, and other criminal activity. Millions of people a year have their identities stolen or fall victim to other scams. In *Spies Among Us*, Ira Winkler reveals his security secrets, disclosing how companies and individuals can protect themselves from even the most diabolical criminals. He goes into the mindset of everyone from small-time hackers to foreign intelligence agencies to disclose cost-effective countermeasures for all types of attacks. In *Spies Among Us*, readers learn: Why James Bond and Sydney Bristow are terrible spies How a team was able to infiltrate an airport in a post-9/11 world and plant a bomb How Ira and his team were able to steal nuclear reactor designs in three hours The real risks that individuals face from the spies that they unknowingly meet on a daily basis Recommendations for how companies and individuals can secure themselves against the spies, criminals, and terrorists who regularly cross their path

The Secrets Between Us

Mark Hamilton the Third just happens to be the heir to his father's company. But when he learns his father was killed in a car accident, his life suddenly shifts. An express delivery makes things even more complicated when his father's journal reveals his suspicions that he was going to be murdered. Then his mother remarries his father's business partner a week after the funeral. Things begin to look up when Mark meets Ophelia Graham in his Driver's Ed class. While falling in love, they have to deal with Mark's mother and step-father, and what they do to control Mark's life. Feeling off-center and out of control, Mark has to grapple with his grief, the possibility that he's being over-medicated, and his growing feelings for Ophelia. Can he regain control before everything good in his life slips away? Will he be able to escape his controlling mother?

Secrets Between Us

One letter a week for fifteen years. 780 identical white envelopes brimming with my sister's darkest secrets. All the intimate details of a life as different to mine as could possibly be. I read each letter slowly to make sure I understand it perfectly, one day very soon it will be a matter of life and death... At the end of each letter, after signing her name, there is always one final sentence: Don't forget to burn this letter. I'll let you decide if I do... A jaw-dropping psychological thriller that you will read in one sitting. If you loved dark, twisty thrillers like *The Girl on The Train*, *The Couple Next Door* and *Friend Request*, this unputdownable novel will have your heart racing long after you've finished reading. What readers are saying about *Secrets Between Us*: 'FABULOUS! TEN STARS! The writing is wonderful, the story mesmerizing, and the characters realistic and believable. I had to rush through the final few pages at the end because I couldn't stand the suspense and just had to know the ending... I loved everything about this book and highly recommend it!' Goodreads reviewer, 5 stars 'This was one heck of a ride from midnight to 3am. I couldn't seem to stop reading, I tried really hard to shut down my kindle, but I had to get to the ending... An addicting ride... I literally felt like a fly stuck in a spider's web who had to keep reading to escape. The scenes caused a tidal wave of emotions to arise, it had me going OMG constantly... can be called nothing but addictive, unputdownable, and a joyride!!!' Goodreads reviewer, 5 stars 'An intense, crazy awesome psychological thriller! I thoroughly enjoyed this book, it had me up most of the night reading! My husband slept soundly beside me and at times I wished he was up, the book so SO CREEPY. It's that uneasy feeling!... I genuinely enjoyed reading *Secrets Between Us*!' Cloud of Thoughts, 5 stars 'I would give this book more stars if I could!!!! Holy cow was this a thrilling

book! ... I really loved this book and recommend reading if you love a great thriller!' Dawn Mequio, 5 stars 'The ending is superb, brilliant even and left me with the book-hangover from hell... I still can't get that ending out of my head.' Jenny O'Brien Writer, 5 stars

Secrets Among Us

When secrets are meant to protect, but all they do is destroy... Sadie Egorov hopes she can find the comfort and security she craves with Zach Parker, the man who saved her from a ruthless crime organization. When she moves across the country with him to start over in a cozy mountain town, she never expects to live on edge for the rest of her life. On the surface, Sadie knows she's safe, yet she can't shake the feeling of being watched. While Zach and his brother Ian head one of the most lucrative security firms in Washington state, he can't stop thinking about the fact that the one person he can't protect and fix is Sadie. She's broken, and the nightmare she thought she had left behind haunts her every single day. But when Zach comes home one day to find no trace of Sadie, his world turns upside down, and he'll do anything to find her. Even if she doesn't want to be found.

Monsters Among Us

Fans of Sadie and You will be riveted by this compulsively readable new thriller about a survivor of dating violence who uses her newfound awareness of everyday evil to hunt for a killer. When Catherine Ellers returns home after her first semester at college, she is seeking refuge from a night she can barely piece together, dreads remembering, and refuses to talk about. She tries to get back to normal, but just days later the murder of someone close to her tears away any illusion of safety. Catherine feels driven to face both violent events head on in hopes of finding the perpetrators and bringing them to justice with the help of her childhood friend, Henry. Then a stranger from college arrives with her lost coat, missing driver's license--and details to help fill in the gaps in her memory that could be the key to solving both mysteries. But who is Andrew Worthington and why is he offering to help her? And what other dangerous obsessions is her sleepy town hiding? Surrounded by secrets and lies, Catherine must unravel the truth--before this wolf in sheep's clothing strikes again.

The Secrets Between Us

'Another exquisite read from Louise Douglas' Milly Johnson Having escaped to the south coast of Sicily to recover from a broken heart, Sarah is immediately drawn to charming and mysterious Alex. He too is looking for a fresh start after the end of his marriage, and Sarah can't resist Alex's offer of a new life together. But when Sarah joins Alex in a tiny Somerset village, something doesn't add up. Alex's beautiful wife Genevieve was adored by all who knew her. And by all accounts, she and Alex had a successful marriage complete with a gorgeous son, Jamie. Why would Genevieve walk out on her perfect life? And why has no one heard from her since she did so? Genevieve's family and friends think that Alex knows more about her disappearance than he's letting on. But Sarah's fallen in love and just knows Alex couldn't have anything to hide. Or could he? The unmissable Richard & Judy pick from the bestselling author of *The House by the Sea*. Perfect for fans of Barbara O'Neal, Lucinda Riley and Rachel Hore. Praise for Louise Douglas: 'Kept me guessing until the last few pages and the explosive ending took my breath away.' C.L. Taylor, author of *The Accident Your Beautiful Lies* 'Beautifully written, chillingly atmospheric and utterly compelling, *The Secret by the Lake* is Louise Douglas at her brilliant best' Tammy Cohen, author of *The Broken* 'A master of her craft, Louise Douglas ratchets up the tension in this haunting and exquisitely written tale of buried secrets and past tragedy.' Amanda Jennings, author of *Sworn Secret* 'A clammy, atmospheric and suspenseful novel, it builds in tension all the way through to the startling final pages.' Sunday Express, S Magazine

Aliens Among Us

Best-selling author Ruth Montgomery, now offers dramatic new evidence of the extraterrestrial aliens who are already among us and how they will guide us through the New Age about to dawn at the end of this century. In these pages, you will learn: The secrets of real men and women (including a U.S. president) who have encountered aliens; the secrets of the psychic power centers both on the earth--and beyond it; the secrets about UFO phenomena our government has covered up for decades; and more.

The Secrets Between Us

High in the mountains in the south of France, eighteen-year-old Ceci Corvin is trying hard to carry on as normal. But in 1943, there is no such thing as normal - especially not for a young woman in love with the wrong person. Scandal, it would seem, can be more dangerous than war... Fifty years later, Annie is looking for her long-lost grandmother. Armed with nothing more than a sheaf of papers, she travels from England to Paris in pursuit of the truth. But as she traces her grandmother's story, Annie uncovers something she wasn't expecting: something that changes everything she knew about her family - and everything she thought she knew about herself...

Hidden Among Us

Folktale and thriller are brilliantly interwoven in this fast-paced novel. The mysterious boy who Lissy encounters at a deserted train station acts like he has known her all her life. Unnerved by his unnatural beauty, she sets about uncovering the dark secret of the village of Hopesay Edge. The boy, Larkspur, is a member of the Hidden, an ancient group of elven people and Lissy quickly finds herself fighting to escape from a powerful elven magic. A bargain has been made that cannot be broken, and if the Hidden catch Lissy now, they will never let her go.

Secrets Among Us

Jill Parker and Rob Edwards are high school sweethearts, whose chance meeting during a newspaper interview sparked instant chemistry. From the moment they met, they were inseparable. They followed each other to college. A pivotal event changes their lives. What secrets are best kept buried and what truths should be exposed?

The Secrets Between Us

A gripping mystery with a heart-breaking revelation, *The Secrets Between Us* is a sublimely satisfying story of lost love, betrayal and the dangers of war. 'Sublimely satisfying' Veronica Henry, author of *The Forever House* High in the mountains in the South of France, eighteen-year-old Ceci Corvin is trying hard to carry on as normal. But in 1943, there is no such thing as normal; especially not for a young woman in love with the wrong person. Scandal, it would seem, can be more dangerous than war. Fifty years later, Annie is looking for her long-lost grandmother. Armed with nothing more than a sheaf of papers, she travels from England to Paris in pursuit of the truth. But as she traces her grandmother's story, Annie uncovers something she wasn't expecting, something that changes everything she knew about her family – and everything she thought she knew about herself... Perfect for fans of Kate Morton's *The Lake House* and Dinah Jeffries' *Before the Rains*. * Laura Madeleine's writing is... 'Mouth-watering and mysterious' Leah Fleming, author of *The Glovemaker's Daughter* 'Delightful and delicious' Nina George, author of *The Little Paris Bookshop*

The Secrets Between Us

A chance encounter: When Sarah meets dark, brooding Alex, she grasps his offer of a new life miles away from her own. They've both recently escaped broken relationships, and need to start again. Why not do it together? A perfect life: But when Sarah gets to the tiny village of Burrington Stoke, something doesn't add up.

The Truth About Keeping Secrets

A stunning debut thriller from poet and writer Savannah Brown. Sydney's dad is the only psychiatrist for miles around their small Ohio town. He is also unexpectedly dead. Is Sydney crazy, or is it kind of weird that her dad - a guy whose entire job revolved around other peoples' secrets - crashed alone, with no explanation? And why is June Copeland, homecoming queen and the town's golden child, at his funeral? As the two teenagers grow closer in the wake of the accident, it's clear that not everyone is happy about their new friendship. But what is picture perfect June still hiding? And does Sydney even want to know? *THE TRUTH ABOUT KEEPING SECRETS* is a page turning, voice led, high school thriller.

The Secrets Between Us

A breathtaking and tumultuous love story of the secrets, hidden passions and loyalties that bind us together. *THE SECRETS BETWEEN US* is the latest mesmerising tale of drama and intrigue from Judith Lennox, the author of *HIDDEN LIVES* and *THE JEWELLER'S WIFE*. Not to be missed by readers

of Rachel Hore and Kate Morton. 'I have fallen completely in love with Judith Lennox's writing - she's a fantastic storyteller!' Jill Mansell It is Christmas 1937 when sisters Rowan and Thea travel from London to Scotland to visit their dying father. Having lost their mother in a tragic sailing accident when they were young, the two women are accustomed to grief. But they have no idea that their father's death will expose a terrible deception... For back in London is his wife Sophie and their two sons. Neither family knows of the other's existence, and when news reaches Sophie of Hugh's death her whole world is turned upside down. Meanwhile, Rowan's marriage is crumbling, and Thea reluctantly finds herself acting as a go-between for her sister and her lover. But, with the onslaught of World War II, the lives of all three women will change for ever. And they must confront the secrets between them before they can seize their chance of happiness...

The Rover Boys on Sunset Trail; or, The old miner's mysterious message

"The Rover Boys on Sunset Trail; or, The old miner's mysterious message" by Edward Stratemeyer. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. The Secrets Between Us

Some people keep secrets because the truth is too painful. He keeps secrets to avoid losing her. She keeps secrets to deliver revenge. Seven years have passed since Cameron Quinn and Lincoln Farrington were high school sweethearts. Seven years since she last saw him as the cops were taking him away. Seven years since he left her to become a Navy SEAL. When he suddenly comes back into her life, she's forced to choose between following her heart, or sticking to a plan that would almost certainly destroy him. His secrets brought them together. Her secrets will tear them apart.

Journey of the Goddess

At the end of the last Ice Age, on the plains of eastern Colorado, the great beasts that have sustained the people there for generations have disappeared. Already the mammoth and the mastodon have vanished, and now the giant bison are disappearing. Helia, a Spirit Woman of the Grass People, experiences a strange vision as part of her dedication, and now must try to understand what purpose the Great Goddess has in choosing her for a daughter, even as her people struggle for survival against fading resources. With no clear path for them, the fate of her people lies with Helia, daughter of the Goddess.

The Mysteries and Secrets of Freemasons Revealed

The Mysteries and Secrets of Freemasons Revealed is a book about this infamous secret society, written by the New York businessman William Morgan, who was a mason himself, but turned against them. Morgan claimed to have been made a Master Mason while he was living in Canada, and he appears to have briefly attended a lodge in Rochester. After he was denied participation by members in Batavia, New York, he decided to publically expose secrets of Freemasonry. The book reveals and explains all the degrees conferred in the Royal Arch Chapter and Grand Encampment of Knights Templars—Knights of the Red Cross—of the Christian Mark—and of the Holy Sepulchre.

Learned Societies, Freemasonry, Sciences and Literature in 18th-Century Hungary

The present collection of primary sources, comprised of printed and manuscript materials, offers a new approach to the history of learned societies and Freemasonry in Hungary in the 18th century. Materials include academic proposals, regulations of learned societies and reading circles, letters, pamphlets as well as Masonic constitutions, rituals, orations, essays, and a sentimental novel. In addition to the Latin- and German-language documents, some Hungarian-language sources of special importance are published in English translation. The sources in the first part of the collection illustrate the growing desire and ambition among Hungarian intellectuals for establishing national literature and science, and for raising the level of general literacy among the population. Starting from the diagnosis that, compared to other European countries, Hungary was quite backward in terms of cultivating the sciences, several people emphasized the need to raise the standards of public education, while others thought that

establishing learned societies or scientific academies could change the situation. The examination of the history of learned and secret societies shows that in 18th-century Hungary social culture could develop within the framework of Freemasonry. The functioning learned societies and reading circles were established at the initiative of lodge members, and a large number of the authors of the proposals were also Freemasons. The establishment of learned societies was motivated by the ideas which were also the guiding principles of the Freemasons: spreading enlightenment, promoting the well-being of the people, and supporting the sciences and the arts. The editors intended to bring to an international audience the selected materials which warrant further research and examination.

And that's her story

And that's her story is an Indian novel, written by Agila Zaman centring the a random Indian teenager, the travel of her life from early stages, her entertaining and curious teenage life, and her toxic relationships. The author has portrayed the colours of a teenage life, explaining the pleasures and gulits of a normal teen, their connect with friends, and adding colours of lust,curiousty,depressions and relief in a very candid and wonderful manner. Every chapters gives the reader a excited feeling and sets them on a journey with the characters of the book. It's definitely a must read as the seasons of life, is portrayed with utmost freshness and magic,leaving all mesmerised and touched.

Thrice

A Serial killer is on the loose in Butler Va. Small town Sheriff Sam Knox is hot on the trail when she is side swiped by a handsome stranger, Brody Fox, who sweeps her off her feet. Sam gets kidnapped by the killer and Brody and their friends have to save her before its too late. Unbeknownst to her Brody's Sacred Secrets are revealed to them and a whole new world opens its doors for their taking!

Beyond the River of Time

With love rekindled and her body dying, Freya must solve the riddles of a ghastly adversary to return from the shadows and fight the bloodiest battle the Saviors have ever known. The Empress and her terrifying new Ghost Legion are closing in on the last free humans on the prison planet Earth. Freya has no choice but to limp out toward her dark fate and discover if she is a true warrior or nothing more than a few altered genes. Young Adult, Dystopian, Post-apocalyptic, Teen Dystopian Romance, Fantasy with aliens, Aliens, galactic empire, The Plantation Series, Strong Heroine, Teen Romance, Alien Invasion, Mutants, oppression, teen fiction, power struggle

The Monthly Packet of Evening Readings

If anyone can break my loyalty to my siblings...it's her. They call me Vlad--in memory of my father. I've always been the meekest of our family, the mediator. Now we're being told a curse will kill us all, unless we give in to our fated mates. And the one responsible for this atrocity? A god, of all things. I didn't need the added pressure. The darkness in me has been fighting me, and every day I'm losing more ground against my own self. And if that part of me escapes...there's no telling how many innocent humans will die this time around. Because, da, it happened before. And I've got no wish to repeat it. Then she lands into my life, and turns it upside down. Me, inside out. I know she's here for a reason--she's a Dacian witch, and I don't believe in coincidences. But I'll gladly play by her rules. She may want me unawares, but I see right through her. Just as she sees right through me... I can talk the big talk, but when it comes to Silviana, I'm already a lost cause. No matter what hides behind her deceit, I'm already lost. LOST ROYALS OF TRANSYLVANIA is a vampire paranormal romance and suspense series set in the Carpathian Mountains. Take a walk down the risky side with these House of Dracul bad boys (and bad girls!) who've existed for way too long, and have lost way too much. Can they remember what it's like to truly live again? Vampire myths, lore and legends are predominant in this series, with some sexy romance and plenty of twists and turns Warning for swearing, sex scenes, some gore.

Deadly Deceit

The Gothic has long been seen as offering a subversive challenge to the norms of realism. Locating both Gothic and mainstream Victorian fiction in a larger literary and cultural field, Peter K. Garrett argues that the oppositions usually posed between them are actually at work within both. He further

shows how, by offering alternative versions of its stories, nineteenth-century Gothic fiction repeatedly reflects on narrative force, the power exerted by both writers and readers. Beginning with Poe's theory and practice of the Gothic tale as an exercise (or fantasy) of authorial power, Garrett then reads earlier eighteenth-century and Romantic Gothic fiction for comparable reflexive implications. Throughout, he stresses the ways authors doubled both characters and narrative perspectives to raise issues of power and authority in the tension between central deviant figures and social norms. Garrett then shows how the great nineteenth-century monster stories *Frankenstein*, *Dr. Jekyll and Mr. Hyde*, and *Dracula* self-consciously link the extremity and isolation of their deviant figures with the social groups they confront. These narratives, he argues, move from a Romantic concern with individual creation and responsibility to a Victorian affirmation of social solidarity that also reveals its dependence on the binding force of exclusionary violence. The final section of the book extends its investigation of Gothic reflections on narrative force into the more realistic social and psychological fiction of Dickens, Eliot, and James.

Gothic Reflections

Studious schoolboy Wally and his feisty friend Bessie suddenly find themselves plunged into a world of Celtic sorcery and magic. There is a major battle looming between warring covens and clans of witches, goblins, elves, lyths and trolls. Can the young teenagers find the missing pieces of the Pentacle of Northumbria in time to help their friends meet the growing menace from the dark forces of magic?

The Pentacle of Northumbria

A fifteen-year-old girl lost her father and now lives with her new stepfather and mum. She overhears her stepfather's evil plans for her and runs away. She runs into a world of people she had no idea existed. She is discovered to be the fated mate of identical quintuplets. Not only is their father the king of this world, but he also knows her to be a threat—a threat he has to remove if he wants to keep his crown. She runs from one prison into another she never could have imagine existed. Will she find a way free, or will she fall deeper into bondage?

Frank Leslie's New Monthly

Reclaiming the notion of literature as an institution essential for reflecting on the violence of culture, history, and politics, *Violence and Naming* exposes the tension between the irreducible, constitutive violence of language and the reducible, empirical violation of others. Focusing on an array of literary artifacts, from works by journalists such as Elena Poniatowska and Sergio González Rodríguez to the Zapatista communiqués to Roberto Bolaño's *The Savage Detectives* and 2666, this examination demonstrates that Mexican culture takes place as a struggle over naming—with severe implications for the rights and lives of women and indigenous persons. Through rereadings of the Conquest of Mexico, the northern Mexican feminicide, the Zapatista uprising in Chiapas, the disappearance of the forty-three students at Iguala in 2014, and the 1999 abortion-rights scandal centering on “Paulina,” which revealed the tenuousness of women's constitutionally protected reproductive rights in Mexico, *Violence and Naming* asks how societies can respond to violence without violating the other. This essential question is relevant not only to contemporary Mexico but to all struggles for democracy that promise equality but instead perpetuate incessant cycles of repression.

The Novels of Charles Lever: Tony Butler; with illus. by E.J. Wheeler

In Earth's early history, humanity grew in numbers and quickly spread across the lands subduing everything before them even the great dinosaurs. With increasing imagination of the arts and the shaping of stone, they built great cities of magnificent splendor. Influenced by evil spirits, they slowly they forgot their maker and fell into wicked desires. Mastering the forging of steel and the making of great weapons of war, they gathered into armies and conquered with war. As stories turned to legend, one sword rose to infamy. Said to be forged by the hand of God, many believed it gave the wielder great victories and a chance for immortality.

The Lioness Queen

Reborn, and built for vengeance. Stratus wakes alone, with no memory of his past. All he knows is his name and that he is not human. Possessing immense strength, powerful sorcery and an insatiable hunger, he sets out across a landscape torn apart by a war, as a dark magic drives the world to the

brink of destruction. Disoriented and pursued relentlessly by enemies, he will have to learn what he truly is, or risk bringing the world into ruin...

No Secrets Between Us

Who kidnapped Luis Montador? Is it the militant group Nine Days for Justice, which claims credit and demands a \$25-million ransom? Does the group really exist, or is it just a smokescreen? Is the abduction part of a struggle within the mighty Montador family? Captain of Detectives Antonio Zelenka – The Bloodhound – is in charge of the case, under the watchful eyes of his meddlesome boss and the young man's billionaire father. The detective and his team work their way toward finding Luis, confused by false trails and a pervasive feeling that the key to the mystery is just barely out of reach. In the end, Zelenka discovers the vital clue. Then, the question is, can the victim be rescued before his captors disappear with him, or worse?

Violence and Naming

Bhima, the unforgettable main character of Thrity Umrigar's beloved national bestseller *The Space Between Us*, returns in this triumphant sequel—a poignant and compelling novel in which the former servant struggles against the circumstances of class and misfortune to forge a new path for herself and her granddaughter in modern India. "It isn't the words we speak that make us who we are. Or even the deeds we do. It is the secrets buried in our hearts." Poor and illiterate, Bhima had faithfully worked for the Dubash family, an upper-middle-class Parsi household, for more than twenty years. Yet after courageously speaking the truth about a heinous crime perpetrated against her own family, the devoted servant was cruelly fired. The sting of that dismissal was made more painful coming from Sera Dubash, the temperamental employer who had long been Bhima's only confidante. A woman who has endured despair and loss with stoicism, Bhima must now find some other way to support herself and her granddaughter, Maya. Bhima's fortunes take an unexpected turn when her path intersects with Parvati, a bitter, taciturn older woman. The two acquaintances soon form a tentative business partnership, selling fruits and vegetables at the local market. As they work together, these two women seemingly bound by fate grow closer, each confessing the truth about their lives and the wounds that haunt them. Discovering her first true friend, Bhima pieces together a new life, and together, the two women learn to stand on their own. A dazzling story of gender, strength, friendship, and second chances, *The Secrets Between Us* is a powerful and perceptive novel that brilliantly evokes the complexities of life in modern India and the harsh realities faced by women born without privilege as they struggle to survive.

The Awakened City (Book 1 Epic Fantasy Adventure)

The urgent, explosive story of Russia's espionage efforts against the West from the Cold War to the present – including their interference in the 2016 presidential election.

Infernal

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of *The Secret*. Yet *The Secret* is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. *The Secret* is a field guide to them all. Many "armchair treasure hunt" books have been published over the years, most notably *Masquerade* (1979) by British artist Kit Williams. *Masquerade* promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, *The Secret: A Treasure Hunt* was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques

have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.
