El crisol

Los acontecimientos que se produjeron en Salem, Massachusetts, en 1692, durante los cuales casi doscientas personas fueron acusadas de practicar la brujería, y que terminaron con la ejecución de varios inocentes, son una manifestación perversa del pánico de las autoridades ante la pérdida de poder y su empeño por restaurarlo. Lo que empezó siendo un juego de niñas terminó convirtiéndose en un instrumento para hacer volver a los colonos al redil de la fe y las buenas costumbres, estableciendo una suerte de imperio del terror. El paralelismo entre Salem y los albores de la Guerra Fría figura en el mapa de nuestra conciencia histórica gracias a la obra del genial dramaturgo norteamericano.

Las brujas de Salem & El crisol

En 1692, en la pequeña localidad de Salem (Massachusetts), corre el rumor de que una joven ha hecho un obscuro maleficio. Los habitantes se acusan unos a otros y son presa de una incontenible histeria colectiva, y entonces se inicia un juicio que tal vez propicie terribles venganzas... Arthur Miller concibió *Las brujas de Salem* en la época negra de la «caza de brujas» desplegada en Estados Unidos durante el macarthismo. Posteriormente colaboró en su adaptación al cine, titulada *El crisol* y cuyo guión se ofrece a continuación de la obra teatral.

Arthur Miller's Global Theater

No American playwright is more revered on the international stage than Arthur Miller. In *Arthur Miller's Global Theater*—a fascinating collection of new essays by leading international critics and scholars—readers learn how and why audiences around the world have responded to the work of the late theatrical icon. With perspectives from diverse corners of the globe, from Israel to Japan to South Africa, this groundbreaking volume explores the challenges of translating one of the most American of American playwrights and details how disparate nations have adapted meaning in Miller's most celebrated dramas. An original and engaging collection that will appeal to theater aficionados, scholars, students, and all those interested in Miller and his remarkable oeuvre, *Arthur Miller's Global Theater* illustrates how dramas such as *Death of a Salesman*, *The Crucible*, and *A View from the Bridge* developed a vigorous dialogue with new audiences when they crossed linguistic and national borders. In these times when problems of censorship, repressive regimes, and international discord are increasingly in the news, Arthur Miller's voice has never been more necessary as it continues to be heard and celebrated around the world. Enoch Brater is the Kenneth T. Rowe Collegiate Professor of Dramatic Literature at the University of Michigan. His other books include *Arthur Miller: A Playwright's Life and Works* and *Arthur Miller's America*.

Jane's Blanket

Initially dependent on her baby blanket for security, Janie uses it less and less until she discovers a bluebird needs it more than she does.

Multilingualism and Applied Comparative Linguistics (Volume II)

In February 2006 the first international conference on Multilingualism and Applied Comparative Linguistics (MACL) was held in Brussels, Belgium. The aim of the MACL conference was to bring together scholars from various branches of applied linguistics with a shared interest in cross-linguistic and cross-cultural communication. The conference thus fostered an exchange of knowledge and expertise among researchers from various disciplines, including educational linguistics, cultural linguistics, terminography, translation studies and studies of specialised languages. The present book is the second of two volumes containing a selection from the approximately 120 papers that were presented at that three-day event. The book comprises five chapters, reflecting different research perspectives on cross-linguistic and cross-cultural communication. The first chapter covers research articles on metaphors and planned languages. The second chapter comprises articles dealing with language attitudes, language proficiency and language practices in cross-linguistic and cross-cultural, communicative contexts. Chapter three features articles in the field of discourse-analysis research. In the fourth chapter research is presented that pertains to terminology and specialised languages. Finally, chapter five deals with translation studies.

The Crucible

'Interesting and provocative... It gives you a sense of how briefly we've been on this Earth' Barack Obama
What makes us brilliant? What makes us deadly? What makes us Sapiens? One of the world's preeminent historians and thinkers, Yuval Noah Harari challenges everything we know about being human. Earth is 4.5 billion years old. In just a fraction of that time, one species among countless others has conquered it: us. In this bold and provocative book, Yuval Noah Harari explores who we are, how we got here and where we're going. ****ONE OF THE GUARDIAN'S 100 BEST BOOKS OF THE 21st CENTURY****
PRAISE FOR SAPIENS: 'Jaw-dropping from the first word to the last... It may be the best book I've ever read' Chris Evans
'Startling... It changes the way you look at the world' Simon Mayo
'I would recommend Sapiens to anyone who's interested in the history and future of our species' Bill Gates

Translation Studies Abstracts

In the same right-to-the-point, no-nonsense style that was a hallmark of Positioning, this sequel squares off against critical marketing challenges such as how to make sure your message gets through in an era of information overload.

Sapiens

The New Positioning: The Latest on the World's #1 Business Strategy

This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic (such as sermons, aphorisms), individual major works, notable writers, and periodicals that created a market for essays, and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings list, additional readings, and anthologies

Past & The Present

Nine stories deal with rejection, Americans visiting Italy, three drifters who catch wild mustangs, fishermen, a jockey and his father, betrayal, and fame

The Story of Art

A collection of nine short stories, in which themes range from a bold and impressionistic evocation of a few late summer days in a young boy's life, to the contradictory anxieties that accompany celebrity.

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971

"Anna tells the story of the rise and fall of Mexico's 'Liberator' from September 1821 to March 1823. He highlights Iturbide's contributions to Mexican independence, his crowning as emperor, his historic struggle with Congress, and the role that regionalism played in his downfall. The strong point of the book is Anna's debunking of William Spence Robertson's Iturbide of Mexico and other biographies." - R. Acuña, Choice

Encyclopedia of the Essay

First published in 1928, The Correspondence of Spinoza is deeply interesting in many ways. It presents a pageant of the leading types of seventeenth-century mentality. It affords contemporary glimpses of important scientific researches and discoveries. It brings us into touch with some of the social and political events and tendencies of the period. This book includes correspondent letters containing things of first-rate importance for the correct interpretation of the philosophy of Spinoza.

The Misfits and Other Stories

"Amores perros is a 2000 Mexican crime drama film directed by Alejandro González Iñárritu and written by Guillermo Arriaga. Amores perros is the first installment in González Iñárritu's "Trilogy of Death"

I Don't Need You Any More

Madrid in the eighties, and Barcelona ten years later. In these two vibrant locales, Castaways follows the relationship between Alejandra and Julio against the backdrop of these poetic urban spaces where dreams, love, and uncertainty intertwine. Drawn to one another but constantly pushed or pulled in different directions by work, family, and life, Alejandra and Julio circle in and out of each other's lives, while first denying and then coming to accept the fact that by the time they are ready to love one another, the chance has already passed. Intensely emotive and poignant, this stunning graphic novel from Laura Pérez and Pablo Monforte depicts themes of maturity, responsibility, and human connection. Available in English for the first time with translation by Silvia Perea Labayen.

The Mexican Empire of Iturbide

Toni Stone is an encyclopedia of baseball stats. She's got a great arm. And she doesn't understand why she can't play with the boys. About the first woman to go pro in the Negro League and featuring a bullpen of players crossing age, race and gender to portray all supporting roles, Toni Stone is a vibrant new play about staying in the game, playing hard, playing smart and playing your own way. ÿNYT Critic's Pick! "Toni Stone is at its considerable best whenever, like its main character, it's at its most unconventional." - The New York Times "A compelling, must-see play." - TheaterMania "A provocative story of grit and determination." - Newsday

The Correspondence of Spinoza

THE STORY: Angela, a hard-bitten call-girl, is visited by Tom, a private detective of long acquaintance, who is convinced that she can supply information about a murder case which, some years earlier, resulted in a miscarriage of justice. As Tom plays on their former closeness, trying to draw out the facts he seeks, Angela withdraws behind a schizophrenic screen of multiple personalities ranging from a brazen creature named Leontyne, to a shrinking violet called Emily, to a haughty English-woman named Renata. Doggedly persistent, Tom does, in the end, break through the fears which have driven Angela to hide the truth within herself. With chilling intensity she pours through a tale of duplicity and corruption and recounts how an innocent man ended up paying for the crimes of others. As the play ends Tom offers to drive Angela to her next assignation-relieved that his quest has ended but, at the same time, disturbed by the knowledge that his worst fears have been borne out.

Amores Perros

Baker documents how very common sexism and labor exploitation is in higher ed. She not only examines the sexism inherent in hiring practices, promotion, leave policies, and citation, but also the cultural assumptions about who can and should be a professor. But she never gives up hope that we can change higher ed, and the world, if we keep trying.

Consumer Behavior

From the author of The Inheritance of Orquídea Divina: The witches of New York are back! In the epic conclusion to the award-winning series, the final Mortiz sister's story is told. Infused with Latin American tradition—the Brooklyn Brujas series follows three sisters—and brujas—as they develop their powers and battle magic in their hometown and worlds beyond. Rose Mortiz has always been a fixer, but lately she's been feeling lost. She has brand new powers that she doesn't understand, and her family is still trying to figure out how to function in the wake of her amnesiac father's return home. Then, on the night of her Deathday party, Rose discovers her father's memory loss has been a lie. As she rushes to his side, the two are ambushed and pulled through a portal to the land of Adas, a fairy realm hidden in the Caribbean Sea. There Rose is forced to work with a group of others to save Adas. Soon, she begins to discover the scope of her powers, the troubling truth about her father's past, and the sacrifices he made to save her sisters. But if Rose wants to return home so that she can repair her broken family, she must figure out how to heal Adas first. Brooklyn Brujas Series: Labyrinth Lost (Book 1): Alex's story—set in the mythical fantasy world of Los Lagos Bruja Born (Book 2): Lula's story—urban fantasy

set on the streets of Brooklyn Wayward Witch (Book 3): Rose's story—set in the magical fairy realm of Adas Perfect for those looking for: A fantasy witch series Latinx books Dark fairy tales Young adult fantasy Books about sisters

Castaways

Along the way, we meet Yocandra's best friend, the Gusana, whose ticket out of Cuba is loveless marriage to an overweight Spaniard; and the Lynx, an artist and aesthete who floats his way into exile strapped to a raft.

Toni Stone

The late twentieth century saw an explosion of interest in semiotics, the science of the signs and processes by which we communicate. In this study, the first of its kind in English, Keir Elam shows how this new 'science' can provide a radical shift in our understanding of theatrical performance, one of our richest and most complex forms of communication. Elam traces the history of semiotic approaches to performance, from 1930s Prague onwards, and presents a model of theatrical communication. In the course of his study, he touches upon the 'logic' of the drama and the analysis of dramatic discourse. This edition also includes a new post-script by the author, looking at the fate of theatre semiotics since the publication of this book, and a fully updated bibliography. Much praised for its accessibility, *The Semiotics of Theatre and Drama* remains a 'must-read' text for all those interested in the analysis of theatrical performance.

Some Kind of Love Story

Provides an alphabetical listing of artists of the "New Wave of American Heavy Metal" (NWoAHM), including name, official World Wide Web site address, and band member line-up, followed by a biography and discography. Additional information available via the Rock & Metal database at www.rockdetector.com.

The Sandbox ; And, the Death of Bessie Smith ; With, Fam and Yam

Perhaps you've already experienced circumstances so shattering you may wonder today whether it's even possible to pick up the pieces. And maybe you can't. But God can -- and the good news is, he wants to reassemble the shards of your life into a wholeness that only the broken can know.

Sexism Ed

It's Halloween night, and it's up to Scary Godmother to show one little girl just how much fun spooky can be! Meet Hannah Marie, who, with the help of Scary Godmother, stands up to her mean-spirited cousin Jimmy and her fear of monsters on her first Halloween adventure with the big kids. Later, Hannah joins forces with Orson, the vampire boy, to unravel a mystery near and dear to their hearts. Some of Scary Godmother's closest (and most frightful) pals get in on the fun too, including Bug-A-Boo, the Boozle, and Skully Pettibone. • Four of Thompson's Eisner Award-winning, fully painted children's books are collected here, in their entirety, for the first time (*Scary Godmother*, *The Revenge of Jimmy*, *The Mystery Date*, and *The Boo Flu*). This deluxe edition also features some of the earliest concept designs for this haunting and imaginative series. • Thompson's *Scary Godmother* series resulted in a successful stage show and two animated specials shown on Cartoon Network, *Scary Godmother: Halloween Spooktakular* and *Scary Godmother: The Revenge of Jimmy*. • "Jill Thompson's *Scary Godmother* is another of this comics maestro's knockout punches. Thompson delivers a series that shrugs off the censors like the dead weight they are and writes and draws directly at readers of all ages, all experience. Her work is always a delight, and much more: her craft, her precision, her delicious whimsy, all serve as a goad to the rest of us cartoonists to have as much fun as she's obviously enjoying, and to work our butts off as hard as she does. She only makes it look easy. That's the sign of a master."—Frank Miller • "A beautiful and ambitious piece of work."—Alex Ross • Eisner Award-winning series!

Wayward Witch

A short holiday with his mother turns out very differently for Joe than he could have imagined when he left home. Soon he is embroiled in a world of witchcraft, a world where the kind and innocent witches of Britain are facing a wicked foe. Can Joe and his young friend Twiggy put an end to the cunning plot, or will they, like their witchy friends, find the baffling mystery too hard to solve?

Yocandra in the Paradise of Nada

Susan Bennett's highly successful Theatre Audiences is a unique full-length study of the audience as cultural phenomenon, which looks at both theories of spectatorship and the practice of different theatres and their audiences. Published here in a brand new updated edition, Theatre Audiences now includes:

- a new preface by the author
- a stunning extra chapter on intercultural theatre
- a revised up-to-date bibliography.

Theatre Audiences is a must-buy for teachers and students interested in spectatorship and theatre audiences, and will be valuable reading for practitioners and others involved in the theatre.

The Semiotics of Theatre and Drama

Film is increasingly engaging the attention of students of history at all levels. In its manifold forms from the newsreel to the 'feature', it is a major source of evidence for, and an important influence upon, contemporary history, and a vivid means of bringing the recent past to life. For earlier periods, it provides a medium in which the often widely dispersed visual evidences of the past can be brought together for the student. It offers the historian a new form in which to interpret and present his subject, and, as television has shown, it is by far the most important vehicle for the presentation of history to mass audiences. The analysis of its content and impact and the exploration of its uses are especially fitted to bring history into an interdisciplinary relationship with other fields, from sociology to the visual arts.

New Wave of American Heavy Metal

Set in New York during the height of World War II, this video recounts the unraveling of an American community when the identity of a man and his wife are mistaken. Slowly ostracized at home and work, they learn the value of self and solidarity as they struggle to maintain dignity and find happiness.

The Blessings of Brokenness

"Created by Harvard students for students everywhere, SparkNotes give you just what you need to succeed in school."--Back jacket.

Scary Godmother

This invaluable student handbook is the first detailed guide to explain in detail the relationship between the drama text and the theory and practice of drama in performance. Beginning at the beginning, with accessible explanations of the meanings and methods of semiotics, Theatre as Sign System addresses key drama texts and offers new and detailed information about the theories of performance.

Whispering to Witches

Supernatural hunger -- Angels, the good and the bad -- Demons -- Satanism -- Ufos -- Communicating with the dead -- Ghosts -- Near-death experiences -- Reincarnation -- Wicca and witchcraft -- Vampires and fantasy games -- More doors to be wary of opening -- Wrapping up.

Theatre Audiences

"There is no better book on fascism's complex and vexed relationship with truth."—Jason Stanley, author of *How Fascism Works: The Politics of Us and Them* In this short companion to his book *From Fascism to Populism in History*, world-renowned historian Federico Finchelstein explains why fascists regarded simple and often hateful lies as truth, and why so many of their followers believed the falsehoods. Throughout the history of the twentieth century, many supporters of fascist ideologies regarded political lies as truth incarnated in their leader. From Hitler to Mussolini, fascist leaders capitalized on lies as the base of their power and popular sovereignty. This history continues in the present, when lies again seem to increasingly replace empirical truth. Now that actual news is presented as “fake news” and false news becomes government policy, *A Brief History of Fascist Lies*

urges us to remember that the current talk of “post-truth” has a long political and intellectual lineage that we cannot ignore.

Page to Stage

For worriers everywhere, this book is a funny, sympathetic antidote to worry from a Hans Christian Andersen Medalist. Full color.
