Engaging the Boss

For years, Jonathan Damon has buried himself in his scientific research, but now his uncle threatens to pull the funding for his lab unless Jonathan makes strides toward marriage and family. So he decides to bring a fake fiancée to his cousin's wedding to mollify his uncle. And the only convenient candidate for this particular experiment is Sarah. Sarah has been Jonathan's assistant for years, and she knows he's never thought of her in any other way. She's happy to play the part of his fiancée, but being thrown into unusual intimacy with her brilliant, sexy boss stirs up feelings she has never admitted before. If only those feelings could be returned...

Seducing the Enemy

Having lived a sheltered life, Marietta Edwards wants to indulge in pleasures that are entirely new to her, so she begins by seducing a sexy, mysterious stranger. Only after their one-night stand does she learn their families have been embroiled in a fifteen-year legal battle and the man she's given herself to is her worst enemy. The heir to a vast fortune, Harrison Damon believes the unforgettable night he spent with Marietta in Monte Carlo is just a fling, an escape from his responsibilities. Then he discovers she is an Edwards—the family he despises most. He can't quench his attraction for her, but he won't let her use it against him. He won't let her manipulate him to win money from his family. No matter how much he wants her, he won't let her seduce him again.

Stripping the Billionaire

For the last eight months, Mandy has lived across the hall from a caveman. He won't trim his beard, he mostly talks in grunts, and he'll hardly emerge from his cave of an apartment. Ben might be a grumpy

mess, but she kind of likes him anyway. She's not attracted to him, of course. Not at all. Those stray feelings are merely a fluke. She's looking for a man who has it all together, and Ben isn't even close. Benjamin Damon is heir to a billion-dollar corporate empire, but he has put his family and that whole lifestyle behind him. No one knows who he is now—not even his pretty princess of a neighbor who refuses to leave him alone. When she ropes him into taking her with him to work on his mother's historic Savannah home, he knows it's a mistake. Mandy represents the world he's tried so hard to escape, and he can't let one woman strip him of the new man he's tried to become. The more he's with her, though, the more he wants her. Despite his best efforts, he's falling for her hard—and dreading the day she finds out all of his lies.

Second Best

We meet every other Wednesday night in a downtown hotel. No dates. No commitments. No hearts or flowers. Just his body and mine. Maybe I'm his second best. He's definitely mine. But second best has never felt so good. *Second Best* is a sexy, standalone contemporary romance.

A Negotiated Marriage

Sex wasn't supposed to be part of the deal... Three years into a marriage of convenience, Molly's high-powered CEO husband wants to add a new term to their marriage agreement. Sex--without any messy emotional entanglements. But weekly sex with Luke, despite their carefully negotiated terms, is likely to get messy eventually. Content in a mutually beneficial arrangement, Molly isn't going to fall for Luke the way she fell for an old lover, only to be crushed in the end. She vows to stay strong, no matter how much intimacy develops between them in bed. When her old lover returns, finally wanting a real relationship, Molly has the chance to give her heart to a man who will accept it. It's too bad she now wants to give it to her husband, who has never admitted her heart is what he wants.

Playing the Playboy

Laurel will do anything to save her Santorini inn from the powerful Damon family, and that includes manipulating Andrew Damon, the man they've sent to get her off the property. Andrew might have a reputation for being irresistible to women, but she won't have any problem resisting him. This is war, after all, and the Damons drew their weapons first. Andrew has spent most of his life chasing women and wasting time, but he's determined to do his duty by his family, even if that means ousting an infuriating (and gorgeous) widow from the inn that legally belongs to the Damons. He doesn't expect to fall for her. And he definitely doesn't expect to discover that he's been played.

Winning Her Brother's Best Friend

Ginny Hart loves men. And she loves dating. She just doesn't want a serious relationship. She's tried it before--with her brother's best friend, Ryan--and it's clear she's not cut out for it. So she'll keep having fun and focusing on the new tea shop she recently opened with her best friend. That's all she needs in her life. She definitely doesn't need Ryan, who is always hanging around and has turned into a real player. When he challenges her to prove which of them is more popular with the opposite sex, she takes him up on the bet. One month. Four Saturday nights. She'll show him she's not still holding on to old feelings. It doesn't matter if she can't seem to keep her hands off him. She's not about to let him win. Fifteen years ago, three girls were thrown together because their brothers were best friends. Now they're all grown up, and their brothers are grown up too. The *Tea for Two* series tells their stories.

Hired Bride

For years, Deanna's eccentric grandmother has been trying to marry her off to a rich man, and she's finally managed to do it. Deanna has spent her life trying to take care of those she loves, and a six-month marriage should be a simple enough way to keep their historic Savannah house from falling down around their heads. Sexy, obnoxious Mitchell Graves needs a wife to finalize a business deal, and he snaps up Deanna as the most expedient option. Because she's quiet, he thinks she'll be easy enough to manage as a wife. He couldn't be more wrong.

Third Life

First time. Second chance. *Third Life*. My first time was with him--one hot weekend with a handsome stranger. It was supposed to be a one-time thing, but he keeps asking me to meet him all over the

world, and I keep saying yes. I don't know anything about him except his first name. That's the way he likes it. He's too old for me, and he's hiding secrets, but I'm not going to be able to keep my heart out of it for long.

The Mistake

Amanda Griffin has made a mistake. Or maybe a long series of them. First, she gets drunk at her sister's wedding and shares all her guilty secrets with Robert Castleman, the worst possible man. Then, at her cousin's wedding, she ends up in bed with him. At her best friend's wedding, they have a big, embarrassing fight. And then she gets stuck with him on the world's most annoying road trip. Her heart has always belonged to a man she can never have, so it's not like she'll ever fall for Robert. It's just that she can't get away from him, and now she's not sure she wants to. Robert has lived his life watching from a distance and never investing in relationships that will end up hurting him. So the last thing he should do is hook up with his niece's best friend. She's too young. Too beautiful. Too clever. And already in love with someone else. But since he can't keep his hands off her, he'll at least be smart with his heart. After all, it would be a huge mistake to let himself fall for her. But it's a mistake he can't help but make.

The Return

Ria Phillips has a plan. Stay strong. Stay busy. Stay focused on what's important. And don't start daydreaming again about a certain pair of soulful hazel eyes. No, it won't be easy. Jacob Worth was her first love. Her first time. Her first everything. Until he left town one day without explanation. He broke her heart back then, but she's not a teenager with a crush anymore. She's an adult--with a plan. In the past eight years, Ria has built a good life for herself in her small hometown. She and her friends have used their creativity and business savvy to turn the little florist shop she inherited into an astonishing success. She's got more than enough in her life to be proud of, and she's going to make sure Jacob sees that. She's not going to let him rattle her. She's not going to watch him from afar, even if he's even hotter than before. And she's definitely not going to fall into bed with him. Or, if she accidentally slips up, it will only be once. She learned her lesson a long time ago, and she's not going to fall for Jacob again.

Substitute Bride

For more than two years, Rose has been the nanny for James Harwood's daughters. She adores the girls, but she tries to maintain a professional distance with James—no matter how attractive she finds him. However, when his engagement falls apart and he starts to look at her differently, Rose no longer sees him only as her boss. James isn't the kind of man to fall for his nanny, so he doesn't know why he can't stop thinking about her in very wrong ways. He's determined to resist, to keep his life simple and to find an appropriate substitute for his wife who died. But with a manipulative ex-fiancée, two precocious daughters, Rose's interfering Southern grandmother, a short-lived fake engagement, and feelings that won't be denied, nothing remains simple for long.

The Mismatch

Taylor doesn't like people, and she doesn't like dating. So she's the worst possible person to be stuck in a fake relationship--especially with someone as uptight as Charles Kensington. She never should have had a one-night stand with him. That was her first mistake. Because then she felt bad about his difficult family situation and had the ridiculous urge to help him out. So now she's pretending to be his girlfriend, and she's a terrible girlfriend. She's grumpy and cynical and not good company, but she has to pretend to be head-over-heels when she's never been in love in her life. When he moved to Azalea, all Charles wanted was some time and quiet to write his book, but instead he's fallen into an absurd scheme with an infuriating woman. It's nice of her to help him out, but that's the only thing about Taylor that's nice. She's stubborn and reclusive and rude. And smoking hot. And she awakens parts of his nature he never knew existed before. He can't help but want her to see there's a lot more to him than a nice, boring guy. They're opposites. No doubt about that. But Charles wonders if this mismatch might be exactly what both of them need.

She's been trying to get over her feelings by dating other men and interviewing for other jobs—which doesn't make Jake very happy. But Anne is determined not to put her life on hold for him. When she gets a new job offer, Jake will do anything he can to keep her, but he still only seems to want her as an employee. Anne might find him irresistible, but she's learned to resist. There are lines that he'll just never cross. But then everything changes in only one night...

Not wanting him isn't really an option.

Seducing Her Brother's Best Friend

After too many years being overlooked by men, Carol is ready to take action. She wants a man, and she knows which man she wants. Her brother's best friend, Patrick Stevenson. Patrick is funny and brainy and the sexiest man she's ever known, but he has never looked at her as anything except his friend's little sister. That's going to change. Carol isn't good at flirting. Or seduction. Or anything that requires putting herself out there. But she's going to make sure Patrick sees her as a desirable woman—and one he wants for more than one night—even if it turns her whole world upside down. He already likes her a lot. He just needs to open his eyes to how good they'd be together. After all, how stubborn can he be? Fifteen years ago, three girls were thrown together because their brothers were best friends. Now they're all grown up, and their brothers are grown up too. The Tea for Two series tells their stories.

Part-Time Husband

On a Wednesday afternoon, I ask Trevor Bentley to marry me. He might be the most arrogant, obnoxious man I know, but I need him to be my husband for a year. There are reasons. He's not going to be a real husband. Just part-time. Yes, I have to live with him. And, okay, I also have to share his bed. And, sure, he's the sexiest and most exciting thing to ever happen to my controlled, organized life. But still... It's only a part-time marriage. I'm not going to give him my heart. I know what I'm doing, and I'm too smart to fall for my husband. I hope.

a husband role, and he'll do just fine. It doesn't matter if he's the hottest man I've ever met. Work takes up all my time and energy, so I don't have room in my life for complications. I'm not going to fall into bed with him. And I'm definitely not going to fall in love. I hope.

It was the one act of rebellion in my very sheltered life. That's how I met Jack Watson. He lives next door, and he's the nicest, sexiest guy I've ever known. My time here is almost over, though. Soon I have to go back home and be the daughter my family and country expects. So there's no sense in letting Jack seduce me with his slow smile, his skillful hands, and his husky drawl. Even if I was allowed to have him for a boyfriend, Jack hates formal occasions, pretentious people, and being the center of attention. He'd never hook up with a princess. Which is why he can never know who I am.

Practice Husband

In high school, I was in love with Hunter Ness, but he friend-zoned me. Time passed. I grew up. He went to prison. And now he's going to be my husband for a year. There are reasons. He's not going to be a real husband. Just a practice husband so he can have a job and a place to live and I can finally experience parts of life I've only read about before. I'm not going to fall for my ex-con husband who only sees me as a friend. I hope.

A Princess in Waiting

I was born the youngest princess of a tiny country in the Alps, but I've never been any good at being a princess. I'm shy and bookish, and I don't know how to flirt. What better way to have some fun than to fall into an ill-advised, no-strings-attached fling with a very hot man. True, Ken isn't an ideal rebound guy. He's the sheriff, he's ten years older than her, and she's known him for years. They have nothing in common except an intense attraction that seems to come out of nowhere. But that makes it easier. I definitely don't want to put up with Henry always hanging around, acting obnoxious and looking far too sexy. My boss forced me to take on Henry as a literacy volunteer for the month of December. I don't know anything about him except he's from somewhere in Europe, and he's spoiled, entitled, arrogant, stubborn... and incredibly hot. He's the kind of guy I've been trying to stay away from. Carter wants to get his friends and family to stop trying to fix him up, so he suggests a scheme that might help them both. They can pretend they fell in love and fake an engagement until Christmas. His friends will back off, and she can use the social events in the very wealthy town of Green Valley to line up a lot of new contacts for her interior design business. All she has to do is pretend she's going to marry Carter. It should be easy. It's not like she'll ever be his bride for real.

The Mishap

Ariana Kensington has had a slight mishap. Or maybe a major one. Last Christmas, she had a hot fling with a mysterious guy at a ski lodge. She had the best time of her life with him, but they both agreed it was no-strings-attached. So she's moved on and has been living her life like it never happened. Then he turns up at her friend's wedding a year later. With two kids. And a girlfriend. He's as off-limits now as it's possible to be, so it doesn't matter how attracted to him Ariana still is. She has to stay away from him--which gets harder and harder as he decides to hang around town for the holidays. Bradley Barnes thought he'd put his steamy week with Ariana behind him, but as soon as he sees her again, his safe, stable world is blown apart. He realizes he never stopped wanting her. But she doesn't seem to even like him anymore, and he's already in a relationship that he's trying to make work for the sake of his children. He has to think about his family and his future. He can't indulge in these fantasies about a woman who will probably end up hurting him. But it's Christmas. And bigger miracles have happened. Maybe his heart can come to life again.
