A Heart of Blood and Ashes

A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge

them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

Beautiful Disaster Signed Limited Edition

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

The Lady and the Orc

He's the most feared monster in the realm. And she's what he needs to win his war... In a world of warring orcs and men, Lady Norr is condemned to a childless marriage, a cruel lord husband, and a life of genteel poverty -- until the day her home is ransacked by a horde. And leading the charge is their hulking, deadly orc captain: the infamous Grimarr. And Grimarr has a wicked plan for Lady Norr, and for ending this war once and for all. She's going to become his captive -- and the perfect snare for Lord Norr. There's no possible escape, and soon Lady Norr is dragged off toward Orc Mountain in the powerful arms of her greatest enemy. A ruthless, commanding warlord, with a velvet voice and mouthwatering scent, who awakens every forbidden hunger she never knew she had... But Grimarr refuses to accept half measures -- in war, or in pleasure. And before he'll conquer Lady Norr's deepest, darkest desires, she needs to surrender everything. Her allegiance. Her wedding-ring. Her future... And with her husband's forces giving chase, Lady Norr can't afford to play such a dangerous game -- or can she? Even if this deadly orc's plans might be the only way to save them all?

My New Roots

At long last, Sarah Britton, called the “queen bee of the health blogs” by Bon Appétit, reveals 100 gorgeous, all-new plant-based recipes in her debut cookbook, inspired by her wildly popular blog. Whether readers are newcomers to natural foods or are already devotees, they will discover how easy it is to eat healthfully and happily when whole foods and plants are at the center of every plate.

Notice

I didn't notice her before...but now I do. The shiny strands of gold in her silky brown hair. Tiny crinkles between her eyebrows when she frowns. Her passion for neatness. Once I focus on her, I can't take my eyes from my newest obsession. Ever. I need to know everything about her. Her past. Her present. The way she takes her coffee. Exactly how she smells after a spritz of perfume in the mornings. She's perfect in every way and I was blind. But, God, now do I see. I notice the organized way she arranges her clothes in her closet. How she visits the same market each Saturday. The sounds of her breathing as I lie beneath her bed in silence. Violet is mine. She just doesn't know it yet. ***WARNING*** Notice is a dark and unusual romance. Extreme sexual themes and violence in certain scenes, which could trigger emotional distress, are found in this story. If you are sensitive to dark themes, then this story is not for you. If you aren't into super obsessive stalkers, then this story is not for you.

Allie's Story

Allie's Story...of the Miracles of God is a biography of the life of one of God's bondservants, Allie Krehbiel. Allie's story has been 91 years in the making. She was raised in eastern Kentucky mining country and saved at an early age in a mainline church, but Allie really received transformation and began to serve God and preach the Gospel after the loss of her children. Her marriage was marred by physical abuse and grew out of control with the addition of ten children in a violent home. God brought her through, gave her victory, restored her family, and used her to preach the Gospel for almost 60 years. It is an amazing story of God's helping the helpless. Allie Krehbiel has been active in Christian ministry for almost six decades. She has taken the Gospel message to Israel, Mexico, Jordan, Egypt, Saudi

Arabia, and also traveled to Russia, Austria, England, Italy, France, and Canada. She held breakfast prayer meetings in the King David's Hotel in Jerusalem. Mrs. Krehbiel pioneered and pastored churches in Michigan, Texas, and Mexico. She attended Beulah Heights Bible College in the 1950s in Atlanta, GA. She preached on a local TV station in the Rio Grande Valley, and worked on Trinity Broadcasting Network's prayer line in Harlingen, Texas. She was most recently credentialed by Anchor Bay, Maryville, Illinois. A Scripture favorite: "And they overcame him by the blood of the Lamb, and by the word of their testimony..." Rev. 12:11.

Bloodied Hands

She's an innocent. Caught in the wrong place at the wrong time. My Angel is the one who got away-the only person in the world I love. When she is caught in an unsanctioned bank robbery in my territory, only my reputation protects her. She should have stayed away. Instead, she charges back into my life like a shining beacon in my otherwise bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would let her go - again. There's no white picket fence in life with a Bellandi, and she deserves so much more. I pushed her away once, but now that she's back I won't let anything else come between us. Not even Ivory herself. Disclaimer: Bloodied Hands is a full-length standalone novel with crime syndicate members and dark content. The Bellandi Crime Syndicate Series includes several full-length standalones with HEA that can be read in any order, but would present a better reading experience following the suggested reading order.

Imperial Leather

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Quarantined

*This book is part of a SERIES and NOT a standalone. A gripping, friends-to-lovers-to-enemies, dark romance. New York City-not for the faint-hearted or the sweetest of souls. The last thing I expected was to be back in this city, after all these years. And I definitely did not expect to be back in this house, where it all started. I have spent years avoiding this place, and the cold hard reality of what happened here. But I have no choice. We are all quarantined together in this house. It took the end of the world, for me to come back here and face him. Milo Sinclair. Once my legal guardian and savior in life. The person who saved me from drowning in loneliness. Who gave me everything I ever wanted. But then he took everything away from me. Plus interest. He broke me. He will not break me again. This is a dark forbidden romance. It contains discussions about the pandemic, mental health issues, mature new adults. It also contains dubious situations that some readers might find offensive. Dark romance is subjective. Some readers have found this book to be a light read while others were sensitive to the material. Milo isn't a normal romance hero, and some might not consider him a hero at ALL. So, please don't read this if any of the above bothers you. Quarantined is book one of The Quarantine Series.

Golden Chaos

Life isn't a fairytale, but for a few days I got to pretend it was. Now I'm back in my childhood bedroom in New York, eating breakup ice cream and listening to early 2000s emo music. Whatever, this was the wake-up call I needed. It's time for Ria 2.0. No more bailouts. No more half-baked projects. No more impulsive decisions. Simple, right? Except my ex-boyfriend wants to drop the ex part, the three bears aren't so willing to let their Goldilocks go, and their mother is more Wicked Witch than Mama Bear. How am I supposed to pull it together when chaos follows everywhere I go? Golden Chaos is book two of the Three Bears duet. It is a medium burn, reverse harem romance for readers 18+

Debt

"I don't know what I was thinking when I hired someone to attack me. Maybe I was bored, or lonely, or there was a void so deep inside of me that I needed something explosive to fill it. It was supposed to be safe. A thrill. A way to break through the monotony of everyday life. It was an illusion of danger that I could walk away from as soon as it was over. Except that it wasn't. Because I had been in danger long

before I ever invited it into my life. -- My mission is almost complete. The bubbling boil of vengeance that heats my blood might finally simmer. She is the last piece of the puzzle. Once I destroy her, everyone who ever hurt me will have paid their debt. It was supposed to be quick and easy, but as soon as I met her it got complicated. Very complicated."--Publisher's description.

Hereditary Genius

Galton founded the science of Eugenics and coined the word in 1883. He investigated the families of great men and thought genius was hereditary.

Psychodynamic Formulation

How do our patients come to be the way they are? What forces shape their conscious and unconscious thoughts and feelings? How can we use this information to best help them? Constructing psychodynamic formulations is one of the best ways for mental health professionals to answer questions like these. It can help clinicians in all mental health settings understand their patients, set treatment goals, choose therapeutic strategies, construct meaningful interventions and conduct treatment. Despite the centrality of psychodynamic formulation to our work with patients, few students are taught how to construct them in a clear systematic way. This book offers students and practitioners from all fields of mental health a clear, practical, operationalized method for constructing psychodynamic formulations, with an emphasis on the following steps: DESCRIBING problems and patterns REVIEWING the developmental history LINKING problems and patterns to history using organizing ideas about development. The unique, up-to-date perspective of this book integrates psychodynamic theories with ideas about the role of genetics, trauma, and early cognitive and emotional difficulties on development to help clinicians develop effective formulations. Psychodynamic Formulation is written in the same clear, concise style of Psychodynamic Psychotherapy: A Clinical Manual (Wiley 2011). It is reader friendly, full of useful examples, eminently practical, suitable for either classroom or individual use, and applicable for all mental health professionals. It can stand alone or be used as a companion volume to the Clinical Manual.

Until Tomorrow Comes

Rafael I came for war. I left with an obsession. With one look, Isa captivated me. She consumed me, drawing me into her world without ever knowing the dangers of mine. I intend to make her mine, no matter what lies I need to tell to manipulate her into falling in love with El Diablo. It should be simple enough, but secrets lurk in the depths of her multicolored eyes, and I'll do anything to understand what broke her before I had the chance. Because she's mine to break. Isa Rafael Ibarra tore through my

life like a raging inferno. Consuming every part of me he touches, he promises to show me passion and the real Ibiza. Though our tryst can never be anything but temporary, I never want to leave the man who makes me wish things were different. But there's a nightmare hiding within his multicolored gaze, a phantom rattling at the cages who wants to devour me, to take me and claim me as his. He's temptation, pushing me toward sin with his wicked touch. But the sins of the flesh are different from the sins of the mind, and as much as I hate his secrets...I will never tell him my own. *Until Tomorrow Comes* is the first book in the Beauty in Lies series and ends on a cliffhanger. This is a DARK mafia romance and contains graphic violence, mature content, and elements that may be triggering. Please read at your own discretion.

The Children of Men

Award-winning P.D. James, one of the masters of British crime fiction, plots this atmospheric and disturbing novel in the year 2021. *Children of Men* is a brilliant mystery possessing all of the qualities which distinguish P.D. James as a novelist. Under the despotic rule of Xan Lyppiatt, the Warden of England, the old are despairing and the young cruel. Theo Faren, a cousin of the Warden, lives a solitary life in this ominous atmosphere. That is, until a chance encounter with a young woman leads him into contact with a group of dissenters. Suddenly his life is changed irrevocably, as he faces agonising choices which could affect the future of mankind. PD James is the world's pre-eminent crime writer, most famous for her Adam Dalgliesh mysteries and for her bestselling titles *Death Comes to Pemberley* and *The Murder Room*. *Children of Men* was adapted into a hit film in 2006, directed by Alfonso Cuarón the film starred Clive Owen, Michael Caine and Julianne Moore.

Ulysses

For thirty years, Peter Singer's *Practical Ethics* has been the classic introduction to applied ethics. For this third edition, the author has revised and updated all the chapters and added a new chapter addressing climate change, one of the most important ethical challenges of our generation. Some of the questions discussed in this book concern our daily lives. Is it ethical to buy luxuries when others do not have enough to eat? Should we buy meat from intensively reared animals? Am I doing something wrong if my carbon footprint is above the global average? Other questions confront us as concerned citizens: equality and discrimination on the grounds of race or sex; abortion, the use of embryos for research and euthanasia; political violence and terrorism; and the preservation of our planet's environment. This book's lucid style and provocative arguments make it an ideal text for university courses and for anyone willing to think about how she or he ought to live.

Practical Ethics

The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, *SOPHIE'S WORLD* sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

Sophie's World

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological micro-

scope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your hand.”—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn't hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn't happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames's boss and lover, Katrina, reveals that she's pregnant with his baby—and that she's not sure whether she wants to keep it—Ames wonders if this is the chance he's been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel.

What Girls Are Made Of

I never wanted to be a vampire queen. But on the bright (if not sunny) side of the debacle, I've got a super-hot new boyfriend. And he just might be the perfect guy. Well, if the perfect guy ghosts you for a month and then comes back to school with a new look, a pack of friends, and a secret. But we have

bigger problems. The Drainers are back. They're singing a different song, but have they really changed? Even worse, werewolves' hearts are being ripped from their bodies—which is putting the people I love in danger. I need to figure out who is behind the murders before there's an all-out vampire werewolf war. No one is going to mess with my friends, even the ones who like to get wild and howl at the moon. Sometimes, all a girl can do is grab her tiara and start kicking some supernatural ass... The Afterlife series is best enjoyed in order. The John Blake Chronicles

"When most people think of corporate responsibility, they are focusing on a business's effect on and relationship to stakeholders. A Responsible Business sees stakeholders as full partners and meaningful instruments for the evolution of healthier communities and more successful businesses." —from the Introduction The Responsible Business offers a new and strategic approach to doing business that holistically integrates responsibility into all aspects of an organization, allowing for returns at every level, business and social. This book goes beyond the often well intentioned but limited attempts at sustainability to present a framework that allows organizations to bring responsibility into everything they do and re-imagine success. From innovation, product development, and production processes to business management, strategic planning, and shareholder development, the author shows how being a Responsible Business is a practical skill that can be applied day-to-day at every level of the business. No longer just the role of a department or the job of CSR professionals, successful responsibility and business efforts start at the business level, are then taken to the corporate level, and are finally applied throughout the organization. The Responsible Business outlines a framework for building a responsibility and consciousness infrastructure that applies a living systems view to the business and inspires all of its stakeholders, including shareholders. Throughout the book, illustrated by examples from technology to manufacturing, large and small, public and private, Sanford demonstrates how to make responsibility integral to all aspects of a business as an engine for innovation, profitability, and purpose. Praise for The Responsible Business "This is a very significant book. It makes it clear that businesses have a single boss with five interrelated aspects. The stories are among the crispest, most evocative case histories I have seen. The book is for any corporate leader trying to do the impossible: create a business that recreates the world." —Art Kleiner, editor-in-chief, strategy + business, and author, The Age of Heretics "Carol Sanford offers us a proven, practical, and systems-based approach that integrates five stakeholder groups into a business system working as an integral whole. Essential reading for leaders wanting a system framework for sustainability and business success!" —Otto Scharmer, MIT Sloan senior lecturer; author, Theory U: Leading from the Future as it Emerges; and coauthor, Presence "The Responsible Business challenges many assumptions corporate leaders, investment advisors, and sustainability experts have long taken for granted. It provides a road map that can help innovative businesses think about how to be truly transformational." —Sam Ford, Fast Company expert blogger and director, Peppercom "The powerful concepts in The Responsible Business have changed the process of sustainable development and how communities truly thrive. Indeed, these proven approaches will be the roadmap to truly achieve the deepest level of living communities." —Bill Reed, founding member of LEED System and coauthor, The Integrative Design Guide to Green Building "Critical for re-imagining the future of business. Rarely a day goes by that I do not call on this way of thinking and looking at the world. It is useful for taking on the big business decisions that so many of us face every day." —Chad Holliday, chairman, Bank of America

Detransition, Baby

From Dr. Amy Blackstone, childfree woman, co-creator of the blog we're {not} having a baby, and nationally recognized expert on the childfree choice, comes a definitive investigation into the history and current growing movement of adults choosing to forgo parenthood: what it means for our society, economy, environment, perceived gender roles, and legacies, and how understanding and supporting all types of families can lead to positive outcomes for parents, non-parents, and children alike. As a childfree woman, Dr. Amy Blackstone is no stranger to a wide range of negative responses when she informs people she doesn't have--nor does she want--kids: confused looks, patronizing quips, thinly veiled pity, even outright scorn and condemnation. But she is not alone in opting out when it comes to children. More people than ever are choosing to forgo parenthood, and openly discussing a choice that's still often perceived as taboo. Yet this choice, and its effects personally and culturally, are still often misunderstood. Amy Blackstone, a professor of sociology, has been studying the childfree choice since 2008, a choice she and her husband had already confidently and happily made. Using her own and

others' research as well as her personal experience, Blackstone delves into the childfree movement from its conception to today, exploring gender, race, sexual orientation, politics, environmentalism, and feminism, as she strips away the misconceptions surrounding non-parents and reveals the still radical notion that support of the childfree can lead to better lives and societies for all.

Childfree by Choice

A fortune teller once told Mila she'd find a man who would take her breath away. She refrained from telling her it would be literally while Mila ran for her life. Having always done what is expected of her, Mila dresses the part, only dates college boys with exemplary backgrounds, and doesn't ask questions. Not about her papa's absences or his refusal to let her set foot in her birthplace-Russia. Suffocated by the rules and unanswered questions, Mila does what she's always wanted to. She boards a plane to Moscow. She never expected to fall for a man on the way. One with unexplained wealth, tattoos on his hands, and secrets in his eyes. But it doesn't take long for his caress to become a rough grasp muffling her screams. Revenge is a dish best served cold. Unfortunately, a Russian winter is the coldest of them all, and Mila soon learns the only way to escape intact is to do the impossible and thaw her captor's heart.

tongue-in-cheek guide includes chapters on 'How to Ace Your Job Interview Without Over-acing It', '9 Non-threatening Leadership Strategies for Women', and 'Choose Your Own Adventure: Do You Want to Be Likeable or Successful?'. It even includes several pages to doodle on while men finish explaining things. When all else fails, there is a set of cut-outable moustaches inside to allow women to seem more man-like, which will probably lead to a quick promotion!

Running Around the World

A collection of women's intimate erotic thoughts by the #1 New York Times—bestselling author of *The Secret Garden* and “liberator of the female libido” (Newsday). The publication of the groundbreaking expose on women's sexual fantasies, *My Secret Garden*, ushered in a revolution in women's sexual freedom of expression. In *Forbidden Flowers*, Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds. Like *My Secret Garden* before it, *Forbidden Flowers* is a celebration of the depth, potency, and imaginative breadth of women's inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response. “The author whose books about gender politics helped redefine American women's sexuality.” —The New York Times

Virgin Sex Erotica

From global phenomenon C. S. Pacat comes the first novel in her critically acclaimed *Captive Prince* trilogy. Damen is a warrior hero to his people, and the rightful heir to the throne of Akielos, but when his half brother seizes power, Damen is captured, stripped of his identity, and sent to serve the prince of an enemy nation as a pleasure slave. Beautiful, manipulative and deadly, his new master Prince Laurent epitomizes the worst of the court at Vere. But in the lethal political web of the Veretian court, nothing is as it seems, and when Damen finds himself caught up in a play for the throne, he must work together with Laurent to survive and save his country. For Damen, there is just one rule: never, ever reveal his true identity. Because the one man Damen needs is the one man who has more reason to hate him than anyone else...
