Desired Too

Angel and Raquel possess two very strong personalities separately. They are alphas to the core. The problem comes when these two fire-filled individuals come together. One needs to be in control while the other refuses to be controlled. Angel Leonetti, the complete Alpha Male "Let me first address this 'using you' shit that you mentioned. To be clear, I asked you to be on the team for no other reason but that I trust you. You were actually the only one I trusted in that meeting, besides my father. I don't know what's up with Victor. I haven't a clue where the hostility he displayed stemmed from, but, best believe, if he says anything to me again, I won't hold back. He has you to thank for him breathing without assistance right now. Consider this his reprieve." Angel moved closer to her, as he continued, "And that ultimatum bullshit you just spat at me; that's not an option. I'm growing tired of repeating myself. I've told you already that you are who and what I want. I won't say it again." Raquel Waters, the uncontrollable Alpha Female... No matter how she felt about him, how much she wanted him, she wasn't taking his controlling caveman ways lightly. "You are so full of shit! You and I haven't seen or spoken to each other in three years; three-long-years. You know nothing about me, and I don't know shit about you. All I can say is that we know how to fuck each other's brains out with a skill that should be taught to the masses, but that's it. So what!" She moved closer to him. "I went away and grew up. I have likes and dislikes that you have no clue exist. So if you think I'm just going to sit here and let you claim me without me having something to say about it, you're sadly mistaken." Angel can't live without this woman. He refuses to. He's determined to have her no matter what. Raquel equally has a need that only Angel can fulfill. She wants him, there's no doubt about that. However, she doesn't want to sacrifice who she is to get what she wants. Will Angel be able to break down the walls of the woman he's desired since the moment they met? Will Raquel be able to surrender her free will for the man that has managed to dominated her mind, body, and soul? Can these two find a way to be together or will their fire consume them both?

Obsession

Her... Darkness wants me. I've been surrounded by darkness since the day I was born. It is all I've ever known. It consumes me, it suffocates me, and no matter how far I run, darkness is always at my heel threatening to devour me. My darkness is... fear! I never believed I could feel anything else until the moment he touched me. He has given me hope. He has allowed me to dream, to want, to desire more than I have ever thought possible. He's my protection... my safety... my future... I am his. But darkness always has a way of creeping up and casting its shadow. Will it consume me or will his love be strong enough to keep me in the light? Him.... She's my obsession and I can't seem to get her off my mind. It drives me crazy but I think about her constantly. I want her. No, I need her. I crave everything about her; her touch, her taste, her smile, her eyes, and her innocence. Just being close to her turns me on. No woman has ever made me feel this way and I can't get enough. I have to have her. Her body, her heart, her mind, and her desires belong to me. No one can ever take what's mine and make no mistake she

IS mine. I know she has a past and I know she has secrets, but no matter what comes our way I will fight for her. Her secrets I can handle but with such uncertainty from her past, will it finally catch up to her and destroy the new life she has built before I can save her?

Obsession Too

Romantic thriller with a cliffhanger in the end.... You've been warned.... Her... This wasn't supposed to happen. I wasn't supposed to fall in love. Oh, who am I kidding? I had been in love with this man since the first day I laid eyes on him. This man was tall, muscular with chiseled features, a low beard, and these unbelievable blue eyes. He was a badass, and I wanted him. I had dreamt about what it would be like to touch him, to kiss him, and to feel him inside me. And when my dreams suddenly came true, oh, how I wanted more. I not only wanted him; I deserved him. But I knew better. I wasn't the woman he deserved. I wasn't the woman that could give him everything and, believe me, he deserved everything. I should have let him go. Despite how I was feeling, I should have just let him go. It would have been the right thing to do. And, yet, I couldn't bring myself to let go. He was my obsession. I couldn't breathe without him. My heart would beat out of control. I would start to hyperventilate and I would only be thinking about leaving him. Someone help me. Someone please show me how to let go when you know you should but can't seem to bring yourself to do it. Someone show me how not to love him. Him... I want her! Plain and simple. I want Grace Michelle King. Or shall I say that I want Misty. I've wanted this woman for quite some time now, but the timing in both of our lives wasn't right. Now, it was, and I was taking full advantage of this moment, but Misty was making it hard. For some reason, her stubborn ass was holding back from me. I wouldn't allow that to hold for long, however. I planned to break her defenses, and it would be easy. Her brown complexion seemed to glow every time I was near her. She was affected by me just as much as I was affected by her. Good! Now all I needed to do was show her that loving me was the only option she had to choose. I wasn't letting her go. No matter what, she would be MINE!

"But--" Impatient, I seize her hand and drag her out of the room. She shivers. "Are you going to report me to the staff?" A frown comes onto my face. She thinks I'm going to tattletale on her? Does she think I'm a heartless b*****d? Then again, I have been growling at her (albeit unintentionally). She is probably scared of me. "I'm not going to get you in trouble," I say, only half-growling this time. "Um, then can you let go of my hand?" I look at our intertwined hands, cursing mentally. Professors aren't supposed to touch their students, and we're definitely not supposed to hold their hands. Still, I don't want to let go of her.

Building once more on the core works of *The Rational Male* by Rollo Tomassi, *Positive Masculinity* is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to *The Rational Male*, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

Control: the power to influence or direct people's behavior or the course of events. It is indicative to such words as power, command, dominance, and leadership. Hello, Let me introduce myself. My name is Andrew Pierce, known to everyone as A.P. I'm a corporate attorney on the fast-track to becoming partner at the Law Firm of Goldstein, Parker, & Foster. My tamed hair is blonde, and my eyes are blue. I stand above six feet with pure muscle covering my entire body. I exude confidence, strength, aggressiveness, power and most of all, control. Shit, if I'm to be honest here... I am the epitome of fucking control. Most people strive to have control, but they don't know the first thing about it. They use it as a means to harm, destroy or dominate. For me, control is like breathing. It's my lifeline. I must have control. I must be in control. It's not about my sick twisted need to dominate that's ingrained in me no matter what. No, control for me is simple, it's a matter of life or death. I've worked all of my life to master the art of control and believe me, it wasn't easy. I have been tested, measured, and judged, but I never allow myself to succumb to the loss of control. So imagine my damn surprise, my panic, when for the first time in forever my control falters. Shit, it happened so fast that I couldn't stop it. My breathing became erratic, and my heart beat raced so fast that I wasn't sure if I would be able to... control it. I thought this was it, and I looked around my surroundings, frantically looking for the source of my lapse, waiting to destroy the threat, when my eyes fell on...heaven. This beautiful, stunning, magnificent woman before me stole my breath away. She was the reason why my control faltered. This was dangerous for a man like me, losing control like this. I knew what I must do; however, I still couldn't move. It was that moment when I realized that for the first time in my life, I was fucked.
