Look for different spaces like terraces, windows with balconies, etc.

For the linework start placing the horizon line near the middle of the page

Use construction lines quality first

Add weight to the lines

Once you have the basic volumes, start adding textures

Outline vegetation and other atmospheric elements

Add human figure for scale

Think on the chromatic composition by using complementary colors and adjacent colors on the chromatic wheel

I decided to color vegetation with yellows and ochres for color composition

Add highlights with white gelly roll pen
