Japan: A Guide to Traditions, Customs and Etiquette

"A unique look at a unique culture. If you're trying to figure the Japanese out, this book provides another important piece of the puzzle."--Terrie Lloyd, Founder & Publisher, Jap@n Inc.; CEO LINC Media, Tokyo In Japan: A Guide to Traditions, Customs and Etiquette veteran Japanologist Boye Lafayette De Mente unlocks the mysteries of "Kata"--the cultural forms that shape and define Japanese etiquette, character, and world view to this day. These forms are responsible for creating the unique traits and talents which distinguish the Japanese people. Kata governs virtually all interactions in Japan and remains the key to understanding Japanese customs, business etiquette, and daily communication. De Mente's 70 essays include: "The Art of Bowing" "The Importance of the Apology" "The Compulsion for Quality" "Exchanging Name Cards" "The Dangers of Speaking English" "The Ritual of Tea" In these short, clear essays, De Mente unravels the complexities of Japanese culture by exploring the origin, nature, use, and influence of Kata in Japanese life. By delving into Japanese history and the collective Japanese psyche, readers will experience the modern expressions of this ancient culture and specific way of thinking.

Culture and Customs of Japan

The book gives students a deeper understanding of Japan beyond popular stereotypes of an Asian economic powerhouse."--BOOK JACKET.

Japan - Culture Smart!

Don't just see the sights—get to know the people. The Japanese people have always seen themselves as a nation uniquely apart. Their exquisite art forms and elegant culture, military prowess and technological precision, have long been the envy of friend and foe alike. Today, even as Japan adapts to a rapidly changing world, its traditional culture and consensus-based philosophy have proved remarkably resilient. Culture Smart! Japan will broaden your perception and understanding of this complex, rich, and dynamic society. It will guide you through modern Japan's shifting social and cultural maze, and equip you with the tools to avoid the pitfalls of cultural misunderstanding. It provides practical tips and

invaluable insights into people's attitudes and behavior to help make your visit a more meaningful and successful experience. Have a richer and more meaningful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.

Japanese Etiquette

The Japanese people have an extensive range of customs, rituals, and forms of etiquette for all aspects of their lives. These forms of etiquette are not only interesting for non-Japanese but also open our eyes to the fact that despite the huge strides Japan has made in terms of modern-day advancement in technologies, the age-old customs and traditions are still a deeply-embedded part of their society. They revere and respect their customs, traditions, and other forms of etiquette and expect people visiting from other countries to do so too. Similarly, the Japanese people are equally respectful of other people's traditions, customs, and etiquette and work hard to understand them so that they don't make a mistake when they visit other countries. Taking a page out of their etiquette book, it makes a lot of sense to learn about the Japanese forms of etiquette so that we can be prepared to do the right thing at the right time in the right place when we travel to Japan. Moreover, knowing about the culture of another country is a fabulous way of opening our minds and celebrating world differences. With the etiquette tips in this book, you will be able to handle the expectations of the courteous and polite people of Japan in terms of good behaviour and manners. Most of the people are happy to welcome guests and tourists with open arms and will be even more obliged to do their best to make your stay in their country happy and worthwhile if you show an effort to replicate their etiquette norms and requirements. What are you waiting for? Get this book and start learning today!

China, Japan, Korea

This book takes an unprecedented comparative approach in examining East Asia. Part in-depth reference, part handy guidebook this manual serves both travelers and students of Mainland China, Japan, and South Korea. Blending detailed maps with history and contemporary cultural similarities and differences, this book provides the most up-to-date information on the pulse of East Asia.

Japanese Culture

Why do Japanese people bow? What is Shinto? Why is cherry blossom important in Japan? This beautifully illustrated book gives an introduction into the fascinating and ancient culture of Japan. Discover their approaches to visual arts and performance, and about their important beliefs, traditions, and customs. Find out about the role of family and community in Japanese culture and explore how the culture is changing and developing in the 21st century. Each chapter focuses on a different aspect of culture, with fact boxes providing more detailed information on life for young people and biographies of key figures. A timeline, a cultural map, and suggestions for further research are also included.

Culture Wise Japan

Culture Wise guides help remove the anxiety factor when dealing with a foreign culture and help new arrivals prepare for, and alleviate, culture shock.

Vanishing Japan

This classic text of Japanese culture contains a wealth of information about traditional Japan and Japanese customs. Pawnshops and handmade paper, shoe shiners and Shinto jugglers, money rakes and mosquito netting—all these were once a familiar part of daily life in Japan. Many elements of that daily life, like the Obon dances and oreiboko apprenticeships, have no counterpart in any other culture: they are purely unique to Japan. But with the tremendous changes of the modern age, most traces of traditional life in Japan are fast disappearing, soon to be gone forever. Still, there are a few holdouts, especially in Japan's shitamachi, or working-class neighborhoods, where many of the survivors of Japanese crafts, art forms, and festivals are making their last stand. Vanishing Japan is a must-read for tourists, historians, architects, or artists who are interested in Japanese culture.

Culture Wise Japan

Featuring full-color photographs and illustrations throughout, this text is a comprehensive guide to Japanese culture. The richness of Japan's history is renowned worldwide. The heritage of culture that its society has produced and passed on to future generations is one of Japan's greatest accomplishments. In *Introduction to Japanese Culture*, you'll read an overview, through sixty-eight original and informative essays, of Japan's most notable cultural achievements, including: Religion, Zen Buddhism, arranged marriages and Bushido Drama and Art—from pottery, painting and calligraphy to haiku, kabuki and karate Cuisine—everything from rice to raw fish Home and Recreation, from board games such as Go to origami, kimonos and Japanese gardens The Japan of today is a fully modern, Westernized society in nearly every regard. Even so, the elements of an earlier age are clearly visible in the country's arts, festivals, and customs. This book focuses on the essential constants that remain in present-day Japan and their counterparts in Western culture. Edited by Daniel Sosnoski, an American writer who has lived in Japan since 1985, these well-researched articles, color photographs, and line illustrations provide a compact guide to aspects of Japan that often puzzle the outside observer. *Introduction to Japanese Culture* is wonderfully informative, a needed primer on the cultural make-up and behaviors of the Japanese. This book is certain to fascinate the student, tourist, or anyone who seeks to know and understand Japanese culture, Japanese etiquette, and the history of Japan.

Introduction to Japanese Culture

In *Japan: A Guide to Traditions, Customs and Etiquette* veteran Japanologist Boye Lafayette De Mente unlocks the mysteries of Kata — the cultural forms that shape and define Japanese attitudes, behavior and character. These forms are responsible for creating the unique traits and talents which distinguishes the Japanese people. Kata governs virtually all interactions in Japan and remains the key to understanding Japanese business etiquette as well as daily communication. In seventy short, clear essays ranging from "The Art of Bowing" and "Importance of the Apology" to "The Compulsion for Quality" and "Exchanging Name Cards\

Japan: A Guide to Traditions, Customs and Etiquette

Essays on the Iwakura Embassy, the realistic painter Takahashi Yuichi, the educational system, and music, show how the Japanese went about borrowing from the West in the first decades after the Restoration: the formulation of strategies for modernizing and the adaptation of Western models to Meiji culture. In the second half of the volume, the darker side, the pathology of modernization, is seen. The adjustment of the individual and the effects of progressive modernization on culture in an increasingly complex, twentieth-century society are recurring themes. They are illustrated with particular intensity in the experience of such writers as Natsume Soseki and Kobayashi Hideo, in the thought of Nishida Kitaro, and in the millenarian aspects of the new religions. Originally published in 1971. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Japan - Culture Smart!

A handy guide to understanding how people from every corner of Japan think, do business, and act in their daily lives Organized alphabetically for ease of use, *The Japanese Way* is an indispensable reference to the common as well as the divergent cultural traits of the Japanese. Included are 89 key traits, representing the values of a people who have been described as "enigmatic," "mysterious,"

"inscrutable," and even "unknowable." The Japanese Way provides an explanation of the varied ways in which these people celebrated holidays, interact with one another, resolve daily problems, view and deal with the outside world—as well as illuminating the rich and varied historical traditions that have shaped the modern culture of Asia's most progressive nation. Complete with a bibliography and index, The Japanese Way provides keen insights into the rich variety of customs and attitudes found among the Japanese people. Whether you are interested in Japan as a student, tourist or business traveler, this book will help you break the culture barrier--and appreciate the Japanese way.

Japan

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Japanese Manners & Customs in the Meiji Era

Whether you are traveling in luxury or with just a pack on your back, it's important that you have a safe, fun, and easy-going trip. Bad etiquette and a misunderstanding about customs can put an otherwise very exciting trip on hold faster than a bad case of food poisoning. Use this customs and etiquette book as not only your basic travel guides but be an ambassador making good impressions of the United States wherever you go. This guide will be invaluable for a safe and fun trip abroad.

The Japanese Way

This is a new release of the original 1959 edition.

Meeting with Japan

Its literature, music, art and cuisine embody the richness of Japan's renowned culture. Preserved for centuries in its highly independent and utterly unique rituals, festivals, and ethics, Japanese culture may now seem utterly Westernized—yet much of it will seem mysterious to Westerners. Introduction to Japanese Culture presents an overview, through sixty-eight original and informative essays, of some of Japan's most notable cultural achievements. From the anything-but-prosaic box lunch to the inscrutable Noh plays, these cogent essays, complemented with photographs and illustrations, reveal the tenacious cultural past still resonant in Japan's arts, festivals, and customs. They focus on the essential constants that remain in present day Japan and their counterparts in Western culture. -- Publisher description.

Japan

This book presents an authoritative and illuminating insight into the development and most important characteristics of Japanese society and culture. Approaching the subject from a number of different points of view. Originally published in 1963.

Meeting with Japan

A textbook for students in Japanese, communication, or international studies, assuming no previous background in Japanese language or culture. Donahue (Japanese studies, Nagoya Gakuin U., Japan) first surveys the perceptual barriers to communicating between Japan and North America, then examines the Japanese communication style, differences in discourse, and images of the Japanese in the mass media. Annotation copyrighted by Book News, Inc., Portland, OR

ã,† e€(ñ†)

The Japanese have ambivalent attitudes toward death, deeply rooted in pre-Buddhist traditions. In this scholarly but accessible work, authors Iwasaka and Toelken show that everyday beliefs and customs--particularly death traditions--offer special insight into the living culture of Japan.

Japanese Culture

"Originally published in Japanese, *If There Were No Japan: A Cultural Memoir* was acclaimed for its insights into Japanese life, bringing together aspects of history, culture and everyday life to paint an original and revealing portrait of the Japanese people and the pressing issues facing them today...During his decades of passionate engagement with Japan, Pulvers became close friends with many of the most gifted writers, filmmakers, actors and journalists in the country. Whether delving into ancient traditions or providing vivid accounts of contemporary customs, analyzing characters in Japanese fiction or recounting personal encounters with individuals, the author illuminates those inventive elements that have made Japanese culture and design the envy of the world--and that signal a way forward into the twenty-first century." -- Publisher's description.

Japanese Culture and Communication

Packed with colorful illustrations and fun facts about Japanese culture, celebrations, language and history, this multicultural children's book will delight children and parents alike! A wonderful look at Japanese culture and family life, *Japanese Traditions* is an intricately illustrated romp through the childhood reminiscences of author/illustrator Setsu Broderick. Told via a series of short text blocks and lighthearted illustrations based on cats, *Japanese Traditions* displays seasonal festivals and activities such as O-Bon (Festival of the Souls), O-hanami (cherry blossom viewing) and preparing for the New Year. While enjoying the charming illustrations of a family of Japanese cats, the author shares her warm childhood memories of many Japanese customs, such as gathering around the kotatsu (heated table) to stay warm, throwing soybeans to keep away ogres and hanging handmade teru-teru-bozu (fine-weather) dolls out the window to stop the rain. There are also many traditional Japanese foods, toys, games and celebrations taught through the illustrations. All in all, *Japanese Traditions* provides a magical feast for children of all ages.

Ghosts And The Japanese

With a background of technological and communication innovations, socialization research, particularly as it refers to cultural and academic learning, has become increasingly connected with the business and economic aspects of global societies. *Nationalism, Cultural Indoctrination, and Economic Prosperity in the Digital Age* examines the doctrines that society is expected not to question, particularly the influence these beliefs have on business and the prosperity of the world as a whole. This book is an essential resource for business executives, scholar-practitioners, and students who need a multidisciplinary approach to the effects of culture on cognitive strategies and professional methodologies.

If There Were No Japan:A Cultural Memoir

As Japan enters the 21st century with a new emperor, this title continues to be an indispensable guide through often enigmatic and historical idiosyncrasies of Japanese culture and politics that are often confusing to the outsider. This title includes information on the latest social developments, customs, rituals, business culture, medicine and arts.

Japanese Traditions

This volume is a multi-faceted study of the development of modernism in Japan, with authors from Japan, the United States, and Australia spanning the fields of art history, social history, and literature.

Nationalism, Cultural Indoctrination, and Economic Prosperity in the Digital Age

"*Etiquette Guide to Japan* offers an inside look at the social norms of the Japanese-when to bow, how to propose a toast, when to pay the bill, the careful art of gift-giving, how to deal with public transportation, dating, weddings, funerals, and last, but not least, how to say good-bye at the end of your stay"--Amazon.

Understanding Japanese Society

This wonderful book describes the different traditions and festivals celebrated in Japan today and how they are influenced by a love of art, nature, beauty, and ritual. Young readers will also learn how the Japanese people celebrate family occasions.

Being Modern in Japan

Be More Japan is a celebration of all things Japanese - from the country's fascinating, ancient traditions to its unique and influential modern culture. Blending both travel information and cultural insights into a single book, Be More Japan helps you understand and experience the best of Japan, both at home and abroad. Beginning with an overview of the four seasons - a key theme in Japanese culture - you'll learn about the festivals, food, fashion and flowers that change throughout the year and make this country so full of fun and variety. Then dive into the captivating culture of Japan, with topics such as art, music, food, wellness and spirituality all split into separate sections to help you pinpoint the areas that interest you. Learn about the traditional skills of the tea ceremony and calligraphy, and where you can go to see and practise them yourself. Find out more about the country's most popular sports and where to catch a game of baseball or see a martial arts exposition. For pop culture fans, there are dedicated sections on J-Pop, anime and video games, with plenty of information on the best places to enjoy them in Japan. And if you want to get a feel for modern Japanese lifestyle, you'll find enough details on topics such as transport, karaoke, ikigai, shopping and hot springs to help you make the most of even a short trip to Japan. You can pick and choose what interests you to plan your perfect trip, or explore a bit of everything to get a sense of the essentials of Japanese life and culture. And for those who can't make the trip to Japan, or who want to carry on the experience when they return, there are tips and suggestions for how to bring Japanese culture to you, and places where you can see its influence around the world.

Etiquette Guide to Japan

Assembles Westerners' descriptions of specific, modern and traditional features of contemporary Japanese society and culture
