The Healing Balm: 31 Powerful Prayers for Healing, Health, Wholeness & Longevity

YOU CAN LIVE A SICKNESS FREE LIFE! I have experienced divine healing several times in my life, but much more important, I have lived over thirty years without any ailment. The scripture says "Healing is children's bread;" it is not to be begged for but to be received. It is God's earnest desire for you to get healed and be in health. Every sickness has a spiritual root and it takes a spiritual approach for you to dominate it. Jesus called it, "the spirit of infirmities" and it manifests itself in different ways. God has promised to bring you health and cure and cause you to have abundance of peace [Jeremiah 33:6]. Jesus has taken our infirmities but why do some believers still fall sick? This is the same question God asked in Jeremiah 20:20, "is there no balm in Gilead, is there no physician there? Why then is not the health of the daughter of my people not restored? This question has been answered in this book. You will understand what it takes to: *Dominate sickness & diseases* How to receive your healing *What is in the word of God that heals?* The healing power in the name of Jesus *31 powerful prayers to receive healing, walk-in health and experience longevity* Those prayers will arm you to keep the devil off your territory. Luke 11:21-22: When a strong man armed keeps his palace, his goods are in peace but when a stronger than he shall come upon him and overcome him, he takes from him all his armor wherein he trusted and divide his spoils. I want to congratulate you because you will discover what it takes to become the stronger man. You are forever free in the name of Jesus!

Make Us One

Our nation is in turmoil over many issues these days--political, social and health related. But systemic racism and how it touches so much of society is one of the most painful. Make Us One is a 31-day devotional prayer guide that speaks into this issue. It is designed to open the heart of the reader so he or she can experience inner healing, repent where needed, and move him or her toward heart-transformation. Ultimately it is a cry for God to bring healing over this evil in our nation. Each of the powerful, insightful, scripture-based prayers is written by a national prayer leader or pastor of multiple ethnicities. It has a hard-hitting, clear, prophetic voice for our times, and a message to the Church that it cannot turn a blind eye to this issue any longer, but needs to live out Jesus' prayer in John 17, that we would be one. The book also includes short stories by people of color showing how they experienced an act of either subtle or overt racism or discrimination.

Head to Toe Healing from Autism and Other Neuroimmune Disorders - A Book of 31 Scriptural Prayers for Your Child

Jesus says in John 5:6, "Do you want to be made well?" Beloved of God, if the answer is "yes" for your child, then this prayer book is for you. God equates Himself with His Word (John 1:1;14), is Living Water, and His Word is life and health to our bodies. Thus, these prayers were written to cover your child from head-to-toe in healing, Word-drenched prayers. The Lord calls His people to be in this world, but not of this world. This includes regarding our thinking and dealings with sicknesses, diseases, and disorders like autism, PANDAS, and other neuroimmune disorders. As His covenant children, we are called to say what God says about sickness, define it as He does, and deal with it how He tells us to. In addition to the powerful, head-to-toe, prayers, this book also includes teachings and revelations on faith and healing that make it clear it's God's will to heal YOUR child and that healing was paid for by Jesus' stripes in full for him/her. Excerpt from book: "For far too long, the enemy has successfully deceived many into redefining sickness into something contrary to the Word of God. Thus, even His own people have been affected and brought under confusion by the enemy's lies. Consequently, they've settled for sickness in their bodies. As God's children, we are called to only say what He says about sickness, only define it as He does, and only do with it what He tells us to... There are many believers who are merely expressing their opinions about sickness, disease, and healing that are not based on the Word of God, so we must know His Word and will for ourselves to keep from being deceived."

BackDescription The desire of God for us is not sickness, pain and death. He created the world for the pleasure and profit of man. He never made sickness of any kind but He made all things beautiful for man to enjoy. "My dear friend, I pray that everything may go well with you and that you may be in good health, as I know you are well in spirit"- 3John 2 KJV. The desire of God is that our body, soul and spirit will prosper to His glory and praise. The enemy; the devil opened a channel to sickness and suffering when he tempted man in the Garden of Eden and man fell. This failure meant that man lost the glorious body that cannot be sick, but thanks be to God because God through the death of Christ on the cross, has brought us all round healing and divine health. Through the cross also we look forward to the complete restoration of our perfect, glorious bodies that will know no form of sickness. It is very true that God gave man the gift to cure diseases with drugs and other use of natural endowment but it does not deny the truth about divine healings and miracles. Miracles are still happening today by the power and grace of God. This can be your opportunity to witness or partake in divine healing through this book. Just believe and trust in Jesus Christ for the miracles.

Prayers for Healing is a collection of prayers and readings arranged thematically to provide morning and evening meditations for 31 days. Recognizing that attention spans are often shortened during illnesses, the authors have taken care to ensure that each section contains a selection of brief readings including scripture passages, hymn quotations, prayers, spiritual writings, and many new prayers from the authors. The themes thoughtfully cover emotional reactions to illness such as fear, anger, pain, weakness to trust, hope, and peace of mind.

Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of GOD is HERE) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray through Scriptures about healing daily. Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. The first week covers verses that reveal: God's healing nature Why people started getting sick Our need to connect with Him despite our pain How Jesus represented God as He healed The importance of asking God for what we need, and the promises in His Word regarding asking The depth of provision in Jesus's sacrifice Jesus's example of speaking to what needs changed, instead of speaking to God about what needs changed Over the course of the full 49 days you will discover: What is God and Jesus's will regarding healing How Jesus fulfilled prophetic verses of healing How God's will is accomplished What we can learn from the remarkable similarity between salvation and healing What do covenants have to do with sickness and healing How to receive the same blessings God promised His people in the Bible How God disciplines and teaches us What faith has to do with healing What we can learn about God by looking at Jesus in the gospels How sin and righteousness affects healing What the Bible teaches us about evil spirits How Jesus showed us to fight the enemy, and how to be equipped for that fight How Satan attacks, and what we can do about it What Jesus told His disciples (and us) to do What is the right atmosphere for healing How to exercise and apply Jesus's name, authority, anointing, and blood How fear and doubt play into sickness and how to overcome them How to heal the soul (thoughts and emotions) What are the promises and benefits of God, and how to claim them How fasting affects healing Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don't forget to get the free resources linked within the book! "What I love about this devotional is that it answers questions about healing (mentally, physically, spiritually and emotionally) in such a relatable way. Each devotional is loaded with Bible verses, a prayer and thought provoking questions to help you journal your journey to healing and restoration. This is a must read for anyone from the new believer to the person that's walked with Christ their whole life. You will gain new understanding of the Scriptures and insight into who God is and how He wants to heal you." — Chris Hendrix, Author of Devotional Guide to Stretching Your Faith, Devotions By Chris, DevotionsByChris.com "Healing is Here is a powerful resource for those pursuing physical healing in their bodies. Written with gentleness and humility, he addresses so many deep concepts in a way that quietly unravels the bad theology we've so often been taught. Jesus truly was Healer while on earth, and His Father is no different. This book is written in an accessible weekly format, so the ideas can be revisited easily as necessary. Healing is part of our portion as believers, so don't live another day sick. Pick up this book and get grounded in what the eternal Word has to say about wholeness in your body!" — Andrea Joy Moede, Writer, Coach, Speaker, Author of Misunderstood, Path of Truth, and God is Light, AndreaJoy.org "I had such a leap in my spirit that this book is going to be so anointed for the times we are in. The introduction and first devotional gave me a hunger to know more about healing." — Danielle Edens, Author of Breaking Out of the Cocoon, Founder of Second Chance Dreamers "John Nichols is an example of a young man whose life has been marvelously transformed when he surrendered to Christ. He now lives to share what he has learned with others. His Bible-based teaching will lead every follower of Jesus into a deeper, more joyful walk." — Joanne Hillman, Author of Listening Prayer, A Perfect Marriage, Song of Salome, and more, JoanneHillman.com

Healing is Here—Week 1

In *The Art of Healing Prayer*, Charles Ringma and Mary Dickau invite us to enter the realm of God's curative love to aid those seeking the wholeness of Christ. Implicit in this invitation is the understanding that we have opened up our own lives to God's healing grace. For this is a costly ministry, in which precious time and resources will be required of us as we pray biblically, imaginatively and sensitively for someone who may be on a very difficult journey to restoration. Although often carried out behind the scenes of much of the Church's activity, the healing ministry is one of joy and transformation. A person released from long-standing inner woundedness – from the prison of reaction, bitterness, self-pity, self-protection and fear – is one who can grow to inhabit new wide spaces of love and forgiveness. In turn, they may become a source of goodness and healing, as the 'magic' of God's grace results in eddies of life-giving love for others.

Daily Scripture Reading and Meditation

Waymond Jenkins was born in Portsmouth, Va. He had shown an interest in religion at a very young age, but he found it very confusing. Even at a very young age Waymond found many inconsistencies both in the way the scriptures were written and the way the scriptures were being taught. After abandoning church and religion altogether, Waymond became consumed by the cares of the world which would ultimately land him in a lot of troubles. While he was incarcerated, Waymond began a quest for knowledge and understanding of the Sacred Scriptures. After a thirteen year period of study and meditation, Waymond produced the great work called "How To Access The Power Of God"

How to Access the Power of God

Here is the fatal blow to the belief that God does not heal today. Written with compassion, humor, and insight, *The Hidden Power of Healing Prayer* affirms that the healing anointing and the gifts of signs and wonders are not reserved for 'super saints' or the specially gifted, but are available to every believer who carries the compassion and love of the Lord Jesus.

Selected Healing Prayers

The ministry of healing plays a vital and central part in the life of the Iona Community. It is a ministry in which justice is as important as medicine, reverence for the earth is as vital as respect for the individual person and the health of the body politic matters as much as the health of the body personal. In addition to giving a taste of the background, context and range of this work, Praying for the Dawn offers detailed resources for those who wish to introduce the ministry of healing to their own churches or groups but are unsure of where to start.

Healing Every Day

A positive transformation of the heart and soul is methodically pursued in this 31-day recovery devotional. Attitudes can improve. Good habits can solidify. Choices become healthier. Scar tissues heal and relationships can mend. By faith, we can reach beyond the fallout of our mistakes, wounded identities, hardened hearts and misfortunes. We can begin to experience the peace and joy which Christ intends for us. To fail in one's recovery is to live in defeat; it is to be miserable no matter how well-disguised. The poisoned arrows from the pit are many. Discouragement gets piled high as we look into the condemning mirror of lies pushed in front of our face each day by the accuser. Defeated under the weight of our failure and nearsightedness, we lose hope. Our Redeemer offers an amazingly reasonable answer. In-Christ, we can daily receive the power and initiative to reach above and beyond self. We're given the courage to deliberately choose Truth.

Praying for the Dawn

The purpose of this book is to connect you to the God of healing and miracles. Through the testimonies of healing in the biblical accounts of Jesus and His disciples, you will read of the keys that unlocked the doors to the realm of the miraculous for those individuals in need. What happened to those men, women and children can be your reality, because Jesus is the same compassionate healer today, as He was when He walked this earth over two thousand years ago. The conduit to connect you to His power is unchanged, and is through faith in His name and in His promises to us from His Word. Heaven has backed the integrity of the name of Jesus with power for those that will believe and trust in Him. These daily devotions will introduce you to this wonderful God and Savior and will reveal to you that His words are faithful and true to anyone who will humbly believe them and receive them into their lives. Whatever challenge you are facing, His words will instill the faith necessary to overcome any negative diagnosis or report. Let these testimonies lay a foundation of trust and assurance in you that will make God's word the final authority and prognosis over your situation.

Renewal

God heals, and He changes not at all in healing humanity. Healing is His good will for us and having good health is His perfect will for us as well. He desires to heal you any day, anytime and anywhere you are. In fact, distance is never a barrier when it comes to divine healing. So, no matter where you are, God is ready to bring healing into your body, spirit and soul right now, if you would lay hold and make good use of this bible-base book. God heals, and He does that through His word (the Bible). This is because His word is His agent for healing, miracles, signs and wonders. Again, He cannot come down physically to do it; but through the power locked up in His word, He brings healing straight-away into our bodies even as we unlock the power therein through praying right-prayer and by having unwavering faith in His word. In this book contains 31healing pills from God that will end any kind of sickness and disease in your body, and that of your loved one without delay. These pills has brought miraculous

31 Pills From God That Will Bring Healing To Your Body

Biblical scripture and prayers on healing.

Healing is Here

Until you lay alone in a hospital bed, no one truly knows how vital prayers can be to mental, physical, and spiritual health. While people will often say that they are praying for you, they are far less likely to pray with you. Many people simply don't know what to say or where to start when praying for someone who is seriously ill. In this brief booklet, Eva Juliuson helps to rediscover one of our most powerful resources. She specifically addresses the nuts and bolts of healing ministry by examining why we should pray for healing and how we should go about it effectively. Then she offers a healing service with prayers and Bible readings that is an excellent template for pastors and laypersons to use in church services, the home, a hospital, or a nursing home. Her approach lends itself equally well to use by a whole congregation or just one or two individuals.

Why do we pray the way we pray? Our temperament and the way we perceive God radically affect our spiritual life and our prayer life. As Jean Maalouf affirms, when we invite God into our lives through prayer, things are bound to happen. Love heals. And God's love is the greatest healer.

31 Days of SONshine

Have you ever wondered how to get the love you so desperately crave and desire? It first starts with loving yourself unconditionally despite the many setbacks and mistakes you may go through. It takes a lot to forgive but most people do not know to forgive the most important person in their lives, which is yourself. You have to love yourself, forgive yourself, and know-how to pick up the pieces when everything seems to be falling apart. If you can't love you, how do you expect love from the world, it's simple you can't. The *Love Prayer Devotional* offers you affirmation, scripture, and inspiration to love thyself and others. This book also includes writing space for your prayers and thoughts you may receive from this book while spending time with God in this 31-day devotional. It is a book to get you to know that you deserve nothing but God's best and it will take you on a self-help journey back to your destiny. There is purpose on the inside of you! *You Are Destined With A Purpose!*

The Prayer-Meeting and Its Improvement

Prayer meetings are no longer held at many churches and sparsely attended at others, and when held are often dry and uninteresting. Why? Lack of clear, biblical leadership has largely been the fault. It is hardly possible to over-estimate the value of the prayer-meeting, as it stands related to the life and usefulness of the Church of Christ. In fact, no other service can be compared with this in importance—for without a live prayer-meeting the church will be spiritually cold, the Sabbath services will be formal (or in some cases too informal), and the children will be fed with husks instead of provisions from the Master's table. In this book, Lewis Thompson beautifully and clearly offers solutions to the age-old complaints about prayer meetings. No more must prayer meetings be given a backseat in the list of priorities in churches today. In the chapters of this book, Thompson addresses topics such as The Importance of Prayer Meetings, How to Make Prayer-Meetings Interesting, Helps to Speaking in Public, Songs and Singing, How to Secure Prayer-Meeting Attendance, The Need for Preparation, Topics and Illustrations, Bible Readings, How to Keep the Prayer-Meetings Hot, and more.

How Should We Pray at Prayer Meetings

Indeed a call to prayer, this book gives fifty-two prayer meditations, one for each week of the year, and is suitable to use in prayer meetings or small group meetings. A short thought on the various aspects and topics of prayer is followed by three or four discussion questions geared to generate discussion on the subject presented. Each presentation is simple enough for the inexperienced group facilitator to use, and substantial enough for a pastor to build on. Biblical examples of prayer are liberally sprinkled throughout each meditation. Topics include intercessory prayer, what Jesus refused to pray for, waiting for prayers to be answered, and many more. "Jesus did not wait until He needed a miracle to discover the power of prayer. He had a track record in prayer. So should we."

The Prayer Meeting and Its Improvement

Short prayers, for the morning and evening of each day in our ecclesiastical year, by a layman

Ian Newberry says that the objective of this manual is to 'revive the flame of prayer in the heart of Christians and also revive prayer in the local church'. It is an ambitious task, but one which is achievable if you follow the steps in this book. He has produced a guide to prayer that will be of immense help to those churches wishing to inject new ideas to make the prayer meeting dynamic, attractive and organised with a window open to the needs of the congregation and community. The special layout and structure of the book enables you to fold it flat for photocopying. It contains worksheets and overhead transparency templates which enable you to lead group studies on the subject and which help embed the lessons into people's lives. It can also be used as a workbook for more intimate groups. Do you believe in prayer? God does.

My Weekly Walk with God

Behind the theme of this new volume in the popular annual Pray Now series, is the belief that everyone has a story to tell, no matter what age or stage of life they are at, and that in worship we weave our stories into the bigger story of God. Our stories are shaped by encounters with other people, with the physical world, with the variety of our own experiences and emotions, and with God. This volume offers a dynamic resource for prayer and reflection that will enable a deeper understanding of how all these kinds of encounters shape us. More than seventy short sections, each containing a scripture quotation, prayers for morning and evening, a short meditation, suggested scripture readings and a blessing, explore a rich variety of encounters: • Between Jesus and others in the Gospels - disciples, women, the young, the old, critics, enemies • The people we encounter – friends, neighbours, colleagues, family, strangers, the hostile • Encounters with the physical world – animals, weather, traffic jams, crowded cities, empty spaces • Encounters with ourselves – success, disaster, loneliness, identity, hope, fear, mystery and more • Encounters with God in prayer – how Christians across the centuries, including Julian of Norwich, St Benedict, Martin Luther, Wesley, C S Lewis and others understood and practiced prayer. Stories of Encounter is the Church of Scotland's theme for 2018 that will inform its worship and its mission throughout the coming year. At its heart is a desire to help people to tell their stories, to share those stories with others and with their communities, to reflect on their journeys of faith and ultimately their stories of encounters with God. This dynamic collection of newly written prayers, meditations and blessings will be a welcome aid for worship, for small group devotions and for personal discipleship.

Short prayers adapted for family worship in time of national judgments

'Ten Prayer Nuggets' is a practical summary to help those who lead prayer meetings in a local church or any context. The booklet assumes individual prayer is vitally essential and vibrant. The nuggets are not a methodology, or a checklist, but instead practical tips to encourage, embed, and strengthen a culture of corporate prayer in any local church. The nuggets are intended to be short and easy to grasp or attempt, so that any local church can start, establish, or grow a culture of prayer, where the prayer meeting becomes like an engine room from which all other activity is empowered.

Short family prayers, for every morning and evening of the month, and for particular occasions. By a member of the Church of England

Selected from Scripture and the writings of some of history's most influential and eloquent believers, including Charles Spurgeon, Martin Luther, and Saint Augustine, these pint-sized petitions will prepare your heart for sweet fellowship with the Lord as you seek, praise, bless, and thank Him. Perfect for devotional time or as a gift for someone special, let Short Prayers to Change Your Life give you the words to express what your soul longs to say to God.

Nearly all books on prayer are for the individual. This book is not. It is about corporate prayer. Is corporate prayer simply individual prayer in a group setting? How can those who lead prayer meetings assist each pray-er to contribute to the prayer in a meaningful manner? How are we to evaluate corporate prayer? What is the most important human factor in corporate prayer? This book is crafted around nearly 100 questions and answers to help people get the most out of a group prayer experience. You don't have to settle for just prayer or corporate prayer. You can facilitate dynamic corporate prayer.

Prayer Rain

THE MYSTERY OF PRAYER There are various realms of prayer. When you get to an uncommon realm, your prayers will begin to obtain results in an amazing way. Prayer is one of the deepest mysteries. God does not do anything without prayer. Prayer is what triggers the acts of God. God will not do anything except what is activated through prayer. God also does everything in the life of humanity and the world through prayer. Prayer is therefore a catalyst that makes all things possible. , This book will give the principles to follow if you want to get results through prayer.

Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, *From Puritanism to Postmodernism: A History of American Literature* brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury. All Will Be Well

There are prayers that can help rekindle the interest of your spouse in your marriage, even if he or she hasn't looked at you in years. In some cases, these prayers can help turn any troubled relationship to a terrific relationship in as short a time as 21 days.

The Mystery of Prayer

* Have you ever wondered how great men of God pray and prepare for crusades, healing and miracle services? * Do you see the blind seeing, the deaf hearing and lame walking and wonder, "O Lord, can you use me also?" * Do you desire to be used mightily of God to rebuke and cast out devils? * Do you desire to be used of God to bring salvation, healing, deliverance and miracles to many? * Do you have a very strong passion to save the lost and be used of God? If you answered "YES!" to any of the above questions, then this guide was written with you in mind. Jesus has called us to heal the sick and cast out devils (Mark 16:17-18). Sadly many believers don't know how to, neither do they know how to pray and prepare to function in the anointing of the Holy Spirit to do such. The good news is that how to pray and prepare to minister healing to the sick and cast out devils can be taught. The disciples of Jesus

came to Jesus and asked the Lord to teach them how to pray and Jesus went ahead to teach them how to pray (Luke 11:1-3) The disciples of Jesus saw the way God was using Jesus; they saw the Power, the healings, the miracles and the mighty acts of God in and through Jesus. They wanted to be used of God the same way and knew that Jesus' prayer life was the key to having such a mighty ministry of signs, wonders, power, healings and miracles. They asked Jesus "Master, teach us how to pray" and Jesus did. In Search of a Miracle

Good health is a great blessing. Health is like wealth. We may be blessed with many precious things in this world but if you don't have good health then you cannot enjoy them. God understands that our health plays a key role in the achievement of our spiritual goals. This workbook will help you to understand the causes of sickness and diseases and how to declare the healing of God over your lives. No one wants to be sick or diseased. Similarly God doesn't want His children to be sick. The prophetic voices in Hosea, Isaiah, and Jeremiah emphasized the healing aspects inherent in turning back to God. Ezekiel and Zechariah described God as caretaker of the sick, the weak, and the lost, while rebuking Israel for not aiding God with such efforts on behalf of the needy. Elijah, Elisha, and Isaiah invoked God's healing powers through signs, fasting, prayer, and various healing remedies. In my twenty years of ministry I have seen people being healed by the power of God from all types of sicknesses. There is nothing impossible to God because there is power in the name of Jesus. We all have access to the healing in Jesus name the only qualification we need is to believe. I pray to Father in Heaven to use this book to heal many who declare the prayers in this book. In Jesus name. Amen!

Googled is candid, authoritative and based on extensive research, including in-house at Google HQ where Ken Auletta had unprecedented access. He conducted over 150 interviews at Google with the company's founders and executives and also interviewed those in the media who are struggling to keep their heads above water. Crucially, Googled is not just a history or reportage: it's forward-looking. Auletta reveals how the media industry is being disrupted and redefined and shows how and why the worlds of 'new' and 'old' media often communicate as if residents of different planets. Googled is already being hailed as the definitive work on Google and is a crucial roadmap to how media business may be done in the future.

Praying for Inner Healing

Pastor John MacArthur will take you through the two short letters to Timothy, passage by passage, so that you can better understand Paul's instructions to church leaders and the cultural context that makes these letters so relevant today. Timothy was a close associate of Paul who was facing problems within the church that he was leading in Ephesus. In these personal letters, Paul gives practical pastoral instruction to his protégé, highlighting godliness and holy living to help Timothy fulfill his calling and effectively carry out his important tasks in the church. Paul's gentle encouragement in these letters challenges Timothy to persevere in his faith—a faith that might have been weakening under the pressure of the church and the persecution of the world. Paul's godly counsel was helpful not only to Timothy, a first-century Christian leader, but is also helpful to each of us as believers today. —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word

of God with guidance from widely respected pastor and author John MacArthur.
