

# conservation is our government now the politics of ecology in papua new guinea new ecologies for the twenty first century

[#conservation policy](#) [#Papua New Guinea ecology](#) [#environmental governance](#) [#21st century sustainability](#) [#ecological politics](#)

Papua New Guinea's government is now prioritizing conservation, signifying a critical focus on the politics of ecology. This shift involves developing and implementing new ecological strategies, aiming to address the unique environmental challenges and opportunities that arise in the twenty-first century for the nation.
