Tom Clancy's Firing Point

INSPIRATION FOR THE THRILLING AMAZON PRIME SERIES JACK RYAN . . . Tom Clancy's Under Fire is the latest breakneck Jack Ryan Jr. adventure novel from one of Clancy's most successful collaborators: Grant Blackwood. *** On a routine intelligence gathering mission in Tehran Jack Ryan, Jr. has lunch with his oldest friend, Seth Gregory, an engineer overseeing a transcontinental railway project. As they part, Seth slips Jack a key, along with a perplexing message. The next day Jack is summoned to an apartment where two men claim Seth has disappeared, gone to ground with funds for a vital intelligence operation. Jack's oldest friend has turned, they insist, leaving Jack with a warning: If you hear from Seth Gregory, call us immediately, and do not get involved. But they don't know Jack. He won't abandon a friend in need. Joined by Seth's primary agent Ysabel, an enigmatic Iranian woman who is his only clue to Seth's whereabouts, Jack's pursuit of the truth leads him across Iran, through

the war-torn Caucasus, and finally deep into territory coveted by the increasingly aggressive Russian Federation. Jack soon finds himself lost in a maze of intrigue, lies, and betrayal where no one is who they seem to be - not even Seth. It seems Seth has a secret of his own. A secret that is driving him to the brink of treachery. Racing against the clock, Jack must unravel the mystery: Who is friend and who is foe? Before it's over, Jack Ryan, Jr., may have to choose between his loyalty to his friend and his loyalty to his country.

Tom Clancy's Under Fire

Jack Ryan, Jr. is out to avenge the murder of an old friend, but the vein of evil he's tapped into may run too deep for him to handle in the latest electric entry in the #1 New York Times bestselling series. While on vacation in Barcelona, Jack Ryan, Jr. is surprised to run into an old friend at a small café. A first, Renee Moore seems surprised to see Jack, but then she just seems irritated and distracted. After making plans to meet later, Jack leaves, only to miss the opportunity to ever speak to Renee again, as the café is destroyed minutes later by a suicide bomber. A desperate Jack plunges back into the ruins to save his friend, but it's too late. As she dies in his arms, she utters one word, "Sammler." When the police show up they are initially suspicious of Jack until they are called off by a member of the Spanish Intelligence Service. This mysterious sequence of events sends the young Campus operative on an unrelenting search to find out the reason behind Renee's death. Along the way, he discovers that his old friend had secrets of her own—and some of them may have gotten her killed. Jack has never backed down from a challenge, but some prey may be too big for one man.

Tom Clancy's Full Force and Effect

The first is Dominic Caruso, a rookie FBI agent, barely a year out of Quantico, whose decisive actions resolve a particularly brutal kidnap/murder case. The second is Carusos brother, Brian, a Marine captain just back from his first combat action in Afghanistan, and already a man to watch. And the third is their cousin ... a young man named Jack Ryan, Jr.

The Teeth of the Tiger

Jack Ryan, Jr., will do anything for a friend, but this favor will be paid for in blood in the latest electric entry in the #1 New York Times bestselling series. Jack Ryan, Jr. would do anything for Ding Chavez. That's why Jack is currently sitting in an open-air market in Israel, helping a CIA team with a simple job. The man running the mission, Peter Beltz, is an old friend from Ding's Army days. Ding hadn't seen his friend since Peter's transfer to the CIA eighteen months prior, and intended to use the assignment to reconnect. Unfortunately, Ding had to cancel at the last minute and asked Jack to take his place. It's a cushy assignment--a trip to Israel in exchange for a couple hours of easy work, but Jack could use the downtime after his last operation. Jack is here merely as an observer, but when he hastens to help a woman and her young son, he finds himself the target of trained killers. Alone and outgunned, Jack will have to use all his skills to protect the life of the child.

Tom Clancy Target Acquired

Jack Ryan Jr. finds that the scars of war can last a lifetime in the latest entry in Tom Clancy's #1 New York Times bestselling series. Twenty years ago, Dr. Kathy Ryan restored the eyesight of a young Bosnian girl who had been injured during an attack in the Balkan War. Today, her son, Jack Ryan Jr. has decided

to surprise his mother by tracking down the young lady. What he finds shocks them both. The helpless child has grown into a remarkable woman. Aida Curic is a self-possessed beauty who runs a refugee agency that helps the children of her native Bosnia. Jack finds himself drawn to her, but before he can act on his feelings she's snatched off the streets of Sarajevo by kidnappers. In Jack's desperate search for Aida, he finds himself opposed by everyone from Serbian mobsters to Croatian paramilitary units. The Balkan War may have ended two decades ago, but the region still seethes with ethnic animosities. The deeper Jack plunges into this world the more he faces a disturbing truth, the scars of war fester long after the surface has healed.

Tom Clancy Line of Sight

Jack Ryan Jr. clashes with Russian intelligence in a race to find a missing agent who holds secrets vital to both sides. By the best-selling author of the Briggs Tanner series. 1 million first printing.

Untitled Clancy Campus Novel 2015

Master of explosive international intrigue Tom Clancy brings together his greatest characters and a new generation to fight the war on terror. Although his father had been reluctant to become a field operative, Jack Ryan Jr. wants nothing more. Privately training with a seasoned Special Forces drill instructor, he's honing his skills to transition his work within The Campus from intelligence analysis to hunting down and eliminating terrorists wherever he can - even has Jack Ryan Sr. campaigns for re-election as President of the United States. But what neither father nor son knows is that the political and the personal have just become equally dangerous. A devout enemy of Jack Sr. launches a privately funded vendetta to discredit him by connecting the presidential candidate to a mysterious killing in the past by John Clark, his longtime ally. A shadowy mercenary team is dispatched to capture the former Navy SEAL. With Clark on the run, it's up to Jack Ryan Jr., along with Ding Chavez, Dominic Caruso, and the rest of the Campus team, to stop a threat emerging in the Middle East: a corrupt Pakistani general has entered into a deadly pact with a fanatical terrorist to procure nuclear warheads, which can be used to blackmail any world power into submission. With the breakneck speed and military action scenes that have made him the premier thriller writer of our time, Tom Clancy delivers a novel of high-tech warfare in which the enemy within may be even more devastating than the enemy without.

Locked On

Jack Ryan, Jr. is the one man who can prevent a second Korean War in the latest thrilling entry in the #1 New York Times bestselling series. When the leader of North Korea is catastrophically injured, his incapacitation inadvertently triggers a "dead-man's switch," activating an army of sleeper agents in South Korea and precipitating a struggle for succession. Jack Ryan, Jr. is in Seoul to interview a potential addition to the Campus. But his benign trip takes a deadly turn when a wave of violence perpetrated by North Korean operatives grips South Korea's capital. A mysterious voice from North Korea offers Jack a way to stop the peninsula's rush to war, but her price may be more than he can afford to pay.

Tom Clancy Zero Hour

Jack Ryan, Jr.'s race to stop an international criminal conspiracy is intertwined with the fate of an old friend in this blistering entry in the #1 New York Times bestselling series. The CIA's deepest secrets are being given away for a larger agenda that will undermine the entire Western intelligence community. Director of National Intelligence Mary Pat Foley wants it stopped but doesn't know who, how or why. Jack Ryan, Jr., is dispatched to Poland on a different mission. The clues are thin, and the sketchy trail dead ends in a harrowing fight from which he barely escapes with his life. If that's not bad enough, Jack gets more tragic news. An old friend, who's dying from cancer, has one final request for Jack. It seems simple enough, but before it's done, Jack will find himself alone, his life hanging by a thread. If he survives, he'll be one step closer to finding the shadowy figure behind the CIA leak and its true purpose, but in the process, he'll challenge the world's most dangerous criminal syndicate with devastating consequences.

Tom Clancy Enemy Contact

President Jack Ryan faces a global threat on the verge of going nuclear in this thriller in Tom Clancy's #1 New York Times bestselling series. A North Korean ICBM crashes into the Sea of Japan. A veteran CIA officer is murdered in Ho Chi Minh City. A package of forged documents goes missing. The

pieces are there, but assembling the puzzle will cost Jack Ryan, Jr., and his fellow Campus agents precious time. Time they don't have... The challenge facing President Jack Ryan is an old one with a terrifying new twist. As the international stalemate with North Korea continues into its seventh decade, a young, untested dictator is determined to prove his strength by breaking the deadlock. Like his father before him, he hangs his plans on the country's nuclear ambitions, a program impeded by a lack of resources—until now. A recently discovered deposit of valuable minerals has caused a dramatic change in the nation's economic fortune. Coupled with their nuclear capabilities, the money from this find will make North Korea a dangerous force on the world stage. There's just one more step needed to complete this perfect plan...the elimination of the president of the United States.

Tom Clancy Full Force and Effect

INSPIRATION FOR THE THRILLING AMAZON PRIME SERIES JACK RYAN . . . The clock is ticking - and President Jack Ryan is running out of time... A US Navy Commander is attacked while having dinner with his wife by an unidentified Russian man. A CIA operative travelling on a Canadian passport is intercepted and interrogated at Tehran Airport. A team of FBI officers are arrested by Indonesian police for travelling under fake passports in Jakarta. These apparently unrelated incidents point to a compromise in US government security, and Jack Ryan and his team must find out where it is coming from. From Maryland to Macedonia, they frantically battle shadowy forces who are looking to drag the US president into a ground war with ISIS.

Tom Clancy's True Faith and Allegiance

Collects the first three adventures of Jack Ryan in a boxed set.

Tom Clancy's Jack Ryan Action Pack

The aftermath of a shocking crime sends Jack Ryan, Jr. down a path that leads to international destruction in the latest entry in this #1 New York Times bestselling series. The quiet of a Texas night is shattered by the sounds of screeching brakes, crumpling metal and, most shockingly, rapid gunfire. The auto accident Jack Ryan, Jr. thought he witnessed turned out to be a professional hit. Jack may be too late to save the victim, but he'll be damned if he's going to let the hitters escape justice. He's got just one lead - a meeting the victim was going to. When Jack shows up instead, he's drawn into the seedy underbelly of a small Texas town and the cold case of a college student who vanished from its streets. Jack is left with nothing but questions. Who wants it to look like the victim was drunk? Why does someone want an innocent witness killed? And most of all, what's a team of South African hitmen doing in the Lone Star State? His quest for answers will take Jack from a quiet Texas road to the middle of an international conspiracy - and may just cost him his life.

Tom Clancy's Target Acquired

The closest we've ever come to the end of the world "DEFCON-2 is the best single volume on the Cuban Missile Crisis published and is an important contribution to the history of the Cold War. Beyond the military and political facts of the crisis, Polmar and Gresham sketch the personalities that created and coped with the crisis. They also show us how close we came to the edge without becoming sensationalistic."—Larry Bond, bestselling author of *Dangerous Ground* Spy-satellite and aerial-reconnaissance photos reveal that one of the United States's bitterest enemies may be acquiring weapons of mass destruction and the means to use them against the American homeland. Administration officials refuse to accept intelligence professionals' interpretation of these images and order an end to spy missions over the offending nation. More than a month later, after vicious infighting, the president orders the spy missions to resume. The new photos reveal an array of ballistic missiles, capable of carrying nuclear warheads and striking deep within U.S. territory. It appears that the missiles will be fully operational within one week. This is not a plot setup for a suspense novel; it is the true story of the most terrifying moment in the 45-year Cold War between the United States and the Soviet Union: the Cuban Missile Crisis. DEFCON-2 tells this tale as it has never been told before—from both sides, with the help of hundreds of recently declassified U.S. and Soviet documents, as well as interviews with numerous former spies, military figures, and government officials who speak out here for the first time.

Meanwhile, on Gnala, Picard must help his friend undergo the ritual—and find out who is trying to sabotage their chances of completing it before they're all killed!

The First Virtue

An insidious plot for revenge has spanned several years in the life of Jean-Luc Picard, but how did this merciless vendetta get started? Like a double helix curling back on itself, the final answer lies at the very beginning... A series of terrorist attacks have heightened tensions between two alien races, bringing an entire sector to the brink of interplanetary war. While Picard, captain of the U.S.S. Stargazer, struggles to keep the peace, Lieutenant Commander Jack Crusher must team up with a Vulcan officer named Tuvok to uncover the hidden architect of the attacks, but the outcome of their quest would breed dire consequences for the future.

Doomsday World

Cut off from the "Enterprise" and fighting a charge of terrorism on Kirlos--a planet built by an enigmatic dead race called the Ariantu--Geordi, Data, and Worf try to prevent the long-dormant doomsday machinery of the Ariantu from reawakening

Reunion

Before he commanded the Starship Enterprise, Jean-Luc Picard was the captain of the deep space exploration vessel, the U.S.S. Stargazer, on an incredible twenty-two year voyage. Now Picard is reunited with his old crew for the first time in over a decade, on a mission to see his former first officer installed as ruler of the Daa'Vit Empire. The reunion turns deadly when a ruthless assassin begins eliminating the U.S.S. Stargazer crew one by one. Picard's present and former shipmates must join forces to solve the mystery of the Captain's past, before the killer strikes again.

The Valiant

The USS Stargazer, a long-range exploration ship commanded by Captain Ruhalter, is assigned to pick up descendents of the survivors of the USS Valiant, a ship that was lost at the far edge of the galaxy in the very first Star Trek Original Series episode. The evacuees claim that a deadly invasion force from outside the galaxy is nearing the United Federation of Planets. When they are ambushed by the invaders, Captain Ruhalter is killed, leaving a young Lieutenant, Jean-Luc Picard, in charge of the ship in the midst of a deadly confrontation. Picard must swiftly learn to be an effective Captain; while dealing both with a crew that has not yet come to trust his judgement and with hostile aliens more powerful than anything the Federation has encountered before.

Star Trek: The Next Generation: Stargazer: Maker

Discover Captain Jean Luc Picard's first command aboard the Stargazer in this Star Trek: The Next Generation novel. Ensign Andreas Nikolas, heartsick over the loss of his Mirror Universe lover, has resigned his post on Jean-Luc Picard's starship, the Stargazer, to seek a home on the freighter Iktoj'ni. All he wants of his new life is a chance to forget his troubles. And that's what he gets—until the Iktoj'ni is taken over by a monstrous alien with unbelievable powers and a disdain for all forms of life. Without saying why, the alien sends the freighter hurtling toward a part of space inhabited by the Ubarrak, the Federation's deadliest and most xenophobic enemy. And Nikolas, who fears that the incident will start a war, can't convince his captor to turn back. Picard's only hope of stopping the alien menace is Serenity Santana—a woman who once abused his trust in the name of her people's survival. Now she's back, asking for the captain's trust a second time. Picard desperately needs Santana's help in his struggle to save his galaxy. But will she justify his faith in her—or once again twist it to serve her own shadowy ends?

New Worlds, New Civilizations

They said it couldn't be done ... all the myriad worlds which have been sought out and explored through more than 500 television episodes and nine Star Trek movies, mapped, illustrated and brought to life in the pages of a comprehensive Star Trek atlas. From the comparatively crowded space of the Alpha and Beta Quadrants, home to Earth and Vulcan, Bajor and Betazed, the Cardassian Union and the Romulan and Klingon Empires; to the distant Gamma Quadrant controlled by the Dominion; to the far reaches of the Delta Quadrant, home space of the Borg, where of Federation explorers only the crew of the USS Voyager has ever been; NEW WORLDS, NEW CIVILIZATIONS catalogues peoples and planets from all four corners of the galaxy. Ever wondered where the blue-skinned Bolians originated from? Or what it is like on the permanently frozen homeworld of the bloodless Breen? From the first world that the first away team landed on under the command of Christopher Pike in the original pilot

episode 'The Cage' (a world that has been off-limits to the Federation ever since), to the world of the Ba'ku as seen in 'Star Trek: Insurrection', all these and many more are described and depicted in all their fascinating detail by a team of star-studded contributors. Produced in the finest tradition of bestselling Star Trek illustrated reference from Pocket Books such as *The Art of Star Trek* and *Where No Man Has Gone Before*, **NEW WORLDS, NEW CIVILIZATIONS** will be an essential addition to every Trekker's shelves.

Star Trek: The Next Generation: Death in Winter

Destinies are shattered, the Romulan Empire is shaken to its core, and Jean Luc-Picard's life is changed forever in this Star Trek: The Next Generation novel. Long before Captain Jean-Luc Picard took command of the legendary Starship Enterprise™, he fell deeply and hopelessly in love with Doctor Beverly Crusher. Though, for one reason or another, Picard never acted on his feelings, he found a measure of contentment as Beverly's close friend, colleague, and daily breakfast partner. But when Doctor Crusher leaves her position on the Enterprise to become the chief medical officer of Starfleet, the brightest light in Picard's life is taken from him. And he has hardly resigned himself to his loss when he learns that Beverly has been declared missing in action on a distant planet—and presumed dead. Kevratas is a bleak, frozen world on the far side of the Romulan Neutral Zone where the Federation has become the plague-ravaged natives' only real hope of survival and freedom. Starfleet has no recourse but to send in another team to try to save the Kevrata—and Picard is the natural choice. Critical to the success of his mission are two colleagues who served under him when he commanded the Starship Stargazer—Pug Joseph, a man with a past to live down, and Doctor Carter Greyhorse, who has served time for attempted murder—as well as a Romulan who left his people years earlier and never expected to return. Together, they follow the trail of Beverly Crusher to Kevratas, determined to succeed where the doctor failed. On the Romulan homeworld, meanwhile, the political vacuum created by the demise of Praetor Shinzon has been filled by his staunchest supporter, Senator Tal'aura. But there are those who oppose her, including Commander Donatra and the warbird fleets under her command, because of the way Tal'aura has mishandled rebellions on the Empire's subject worlds. And one rebellion in particular; the movement for self-determination on frigid Kevratas. So begins a desperate struggle—not only for the freedom of the long-oppressed Kevrata but also for the soul of the Romulan Empire. Before it's over, destinies will be forged and shattered, the Empire will be shaken to its ancient foundations, and Jean-Luc Picard's life will be changed...forever.

Dujonian's Hoard

Captain Picard goes undercover on a Starfleet mission to rescue a former officer who is now missing.

Stargazer Book Two: Progenitor

Captain Jean-Luc Picard and the crew of the USS Stargazer accompany engineer Phigus Simenon, a member of the lizard-like Gnalish, to his home planet where he intends to participate in a survival competition. The test will allow the winners to contribute to the gene pool and carry on the species. But Simenon soon realizes that his chances of survival have been sabotaged. Someone is out to kill him, and suddenly it is up to Jean Luc and the Stargazer crew to save him. Meanwhile the Stargazer itself is also in mortal danger. In an effort to save a research vessel, the Stargazer has locked on to the smaller ship, which is being pulled further and further into a deadly phenomenon every minute. Lieutenant Commander Wu, sitting in the captain's seat for the first time in her career, is forced to make a series of life-or-death decisions . . .

All Good Things...

Seven years ago, Captain Jean-Luc Picard first faced the judgment of the Q Continuum -- a race of beings with God-like powers over time and space who presumed to gauge humanity's fitness to exist in the galaxy. Seven years ago they suspended judgment, but now a decision has been reached: The

human race will be eliminated, not only in the present, but throughout time. Humanity will never have existed at all. The only chance to save mankind lies with Captain Picard. An old enemy has granted him the power to revisit his life as it was seven years before, and to experience his life twenty-five years in the future. With the help of friendships that span time and space, Picard struggles to defeat the plans of the Q Continuum. But even as he fights to save the human race from total extinction, he has been set up to be the unwitting agent of mankind's destruction. In an effort to save humanity, Picard must sacrifice himself and all those he commands and if their sacrifice fails all mankind is doomed.

Star Trek: Signature Edition: Pantheon

The Star Trek: Signature Edition series continues with this thrilling adventure featuring Commander Spock, Captain Kirk, and the U.S.S. Enterprise. From Earth to the edge of our galaxy and beyond, from the early days of warp flight to the latter half of the twenty-fourth century, humankind and its alien partners in the Federation have looked to their heroes to expand the limits of their knowledge. And as each generation's pantheon of heroes has passed on into legend, a new generation has risen to take its place. So it was with the crew of the S.S. Valiant, the first Earth vessel to cross the galactic barrier. So it was with the crew of the Starship Stargazer and her fledgling commander, Captain Jean-Luc Picard. And so it was with the U.S.S. Enterprise NCC-1701-D, the flagship of Starfleet, which Picard commanded with wisdom and temperate maturity. Over the years, Fate has woven the voyages of these three vessels into a vivid skein of treachery and sacrifice, hardship and determination, tragedy and courage—each step of the way demonstrating the immeasurable worth of the flawed but farseeing heroes who commanded them.

Secret of the Lizard People

A rescue mission turns dangerous for Data!

Shadows on the Sun

As a young doctor with a beautiful family and a promising medical career, Dr. Leonard McCoy thought he had it all. But when the woman he loved betrayed him, McCoy fled to Starfleet, hoping to lose his pain in the depths of space. Now, more than forty years later, the Enterprise™ and her crew are ordered to transport a group of mediators to the planet Ssan, a world where assassination is a time-honored tradition, and McCoy is surprised to learn that his ex-wife, now remarried, is one of the mediators. And before he can come to terms with his conflicted feelings for his former love, she and Captain Kirk are trapped on Susan, and McCoy is caught in an explosive civil war, the only one with the power to save the woman who once nearly destroyed him.

Reunion

On the planet Xhaldia, ordinary men and women are mutating into bizarre creatures with extraordinary powers. But is this a momentous evolutionary leap or an unparalleled catastrophe? The very fabric of Xhaldian society is threatened as fear and prejudice divide the transformed from their own kin. Dispatched to cope with the growing crisis, Captain Picard and the crew of the "Starship Enterprise(TM)" receive some unexpected visitors from another reality -- in the form of the group of mutant heroes known as the uncanny X-Men(R). Storm, leader of the X-Men, offers their help in resolving a situation that is agonizingly similar to the human/mutant conflicts of their own time and space. But when hostile aliens appear in orbit around Xhaldia to try and abduct the transformed for use as a superpowered force in an attack on the Federation, even the combined forces of the crew of Starfleet and the X-Men may be unable to prevent an inferno of death and destruction. Starfleet's finest crew and Earth's greatest mutant heroes will need all their powers and abilities to save the Xhaldian people and stop a deadly threat to the Federation.

Star Trek: The Next Generation: Crossover

Continuing the mission he began in "Unification," Starfleet Ambassador Spock endeavors to impart the logic of the Vulcan way to a small band of Romulans eager to unite the Romulan Empire and the planet Vulcan. But unbeknownst to them, a Romulan spy has joined the ranks disguised as a Unification sympathizer. Deceived by this traitor, Spock and his students are taken hostage. Fearful that Spock's knowledge of Federation security will fall into enemy hands, Starfleet dispatches its best ship, the U.S.S. Enterprise™ 1701-D, and most respected captain, Jean-Luc Picard, to secure the hostages'

release. Spock's former shipmate from the original Starship Enterprise™, Ambassador McCoy -- over one hundred forty years old, but still as feisty as ever -- is brought in to consult on the negotiations. Their situation is further complicated when Captain Montgomery Scott confiscates an out-of-service starship and effects his own daring rescue of Spock. Picard must now find a way to preserve the Federation's security and prevent a war while treading a mindfield of danger and deadly Romulan politics that threaten his ship, his crew, and the Federation he serves.

Star Trek - The Next Generation: Relics

Star Trek: The Next Generation: Stargazer: Three

A rift in the Mirror Universe threatens the crew of the Stargazer in this Star Trek: The Next Generation novel. Identical twins Gerda and Idun Asmund lost their human parents early in life and were raised as warriors on the Klingon homeworld. They were taught to face every danger shoulder to shoulder—regarding each other as the only certainty in a dangerous and uncertain universe. The Asmunds continued to depend on each other as helm officer and navigator on the Starship Stargazer, peril and adversity forging a bond between them as strong as tritanium. But that bond is tested when a transporter mishap deposits a mysterious visitor on the Stargazer—a beautiful woman from another universe who resembles Gerda and Idun as closely as they resemble each other. As Captain Jean-Luc Picard pits the Stargazer against a savage alien species in a gallant attempt to send their visitor home, Gerda comes to suspect the woman of treachery. But she has to wonder—is she following her Klingon instincts or succumbing to simple jealousy? Gerda needs to find out—before Picard and his crew pay for their generosity with their lives.

Legacy

A routine survey of the planet Alpha Octavius Four turns disastrous as Spock is attacked and poisoned by a huge creature and Kirk's landing party is trapped underground by a violent earthquake. As Spock fights for his life in sickbay, Scotty organizes a search for Kirk and his men. However, rescue efforts must cease when the U.S.S. Enterprise™ is called away to the Beta Cabrini system where a mining colony is under heavy attack. At Beta Cabrini, the U.S.S. Enterprise™ faces off against a Marauder named Dreen -- a man that Spock had watched his former captain Christopher Pike defeat years before. Fighting the effects of the poison, Spock struggles to his feet and takes command of the ship. Soon, Spock and Dreen are locked into a deadly game of cat and mouse -- a game driven by mad revenge that can have only one survivor!

Q's Guide to the Continuum

Captain's log, Stardate Eleventy-leven eighty six point negative nine. Charted a blah blah blah with my blah blah crew today, collecting samples of blah blah blah... Aren't you tired of surveying all the brave new worlds and startling new civilizations of the galaxy with the safe, polite, politically correct members of the Federation? After all, they only have fun when they break their own rules and leave a communicator behind on a planet of curious mimics, or travel through time to play with tribbles. Wouldn't you rather travel the stars with me? Who am I? Spelled the same way front as back: Q! You've heard of me. All-seeing, all-knowing, dashing beyond comparison. The Q have been here since the dawn of time (and in some cases, a little before that, but that's another story), and we've seen it all. But I've put it all together in a form you can understand. The title? Q's Guide to the Continuum! (Well, what did you think I would call it? Picard's Incessant Droning About Stellar Gas Formations?) Want to know what the longest-lived race in the galaxy is? It's here. Ever wonder who is the greatest mass murderer of all time? I know that, too. And are you dying to find out if a certain relative of mine ever played the harpsichord while dressed like a Victorian nobleman? Well, there are some things I won't tell you, but the rest will be revealed in Q's Guide to the Continuum! (Love that title, don't you?) Prepare to be enlightened!

Star Trek: The Next Generation: Stargazer: Enigma

Without warning, a Starfleet ship is overwhelmed by a mysterious, alien aggressor—one who appears to possess an intimate knowledge of the vessel's tactical technology. Then a second Starfleet ship

is attacked. And a third. Twenty-eight-year-old Jean-Luc Picard, captain of the U.S.S. Stargazer—a Constellation-class starship—is ordered to help form a desperate line of defense against the aggressor. But it seems nothing can stop the aliens' headlong plunge into the heart of the Federation. Or rather, nothing in front of them can. Trailing one of the alien attack formations is a tiny Starfleet shuttle with a half dozen crewmembers aboard. One of them is Picard's first officer and best friend, Gilaad Ben Zoma. Another is Arlen McAteer, the ambitious admiral who has made it his business to relieve Picard of his command. Can Ben Zoma and McAteer work together to unlock the secret of the alien assault? Or will their differences sabotage their effort—and deprive the Federation of its last hope for survival?

Reunion

Captain Jean Luc Picard accepts a courageous mission which he soon finds could be a deadly trap in this Star Trek: The Next Generation novel. In 1893 a time-traveling Jean-Luc Picard encountered a long-lived alien named Guinan, who was posing as a human to learn Earth's customs. During this "first encounter," Picard saved Guinan's life, a favor she would never forget. Five centuries later, Captain Picard, now commander of the Starship Enterprise™, brought Guinan aboard as the ship's "bartender." The hope was that her wisdom and inner peace would provide a moral grounding for Picard's crew as they experienced the dangers of space. Because he hadn't yet made his trip through time, Picard had no knowledge of his nineteenth-century meeting with Guinan. But he did remember a different first encounter with the mysterious El-Aurian—a tumultuous adventure in which Picard and Guinan would risk their lives in a maze of interplanetary intrigue, with the future of the known universe at stake. This is the story of that fateful meeting, and of a Guinan very different from the woman we think we know—a person wracked by pain and longing, shaken to the roots of her soul. A Guinan who yearns for oblivion.

Star Trek: The Next Generation: Stargazer: Oblivion

Klingon Capt. Krenn is a ruthless war strategist. But on a mission to Earth, Krenn learns a lesson in peace when his empire hatches a covert plan to shatter the Federation. Only Krenn can prevent a war—at the risk of his own life!

The Final Reflection

The U.S.S. Enterprise™ members must resolve a conflict that could be their demise. En route to Alpha Malurian Six to settle a dispute between two religions, the U.S.S. Enterprise™ first stops to do a routine check on the progress of a terraforming colony on Beta Canzandia Three—a colony whose inhabitants include Carol and David Marcus. While Spock is left behind at the terraforming colony to continue his scientific studies, the rest of the crew heads to Alpha Malurian Six to find the dispute has turned to war. As Kirk, McCoy, and Scotty search for a solution to end the conflict, a ship piloted by a Klingon faction arrives at the terraforming colony to take control of the facility. When colonists are imprisoned, Spock and David must defeat the Klingons or face certain death...
