A Comment on the Divine Comedy of Dante Alighieri. By ..., .. Vol. I.

"Inferno" is the first part of the 14th-century epic poem "Divine Comedy," written by the Italian writer Dante Alighieri. This part preceded the other two - Purgatorio and Paradiso. In the poem, Dante makes a journey through Hell, guided by the ancient Roman poet Virgil. There he sees the sufferings of those who have rejected spiritual values. Hell is depicted as nine concentric circles of torment located within the Earth, with every next circle marked by growing severity of suffering, which also corresponds to the severity of sin undertaken by a soul. The spiritual message of the poem is about the recognition and rejection of sin.

The Divine Comedy of Dante Alighieri

divdivA towering figure in world literature, Dante wrote his great epic poem *Commedia* in the early fourteenth century. The work gained universal acclaim and came to be known as *La Divina Commedia*, or *The Divine Comedy*. Giuseppe Mazzotta brings Dante and his masterpiece to life in this exploration of the man, his cultural milieu, and his endlessly fascinating works. div /DIVdivBased on Mazzotta's highly popular Yale course, this book offers a critical reading of *The Divine Comedy* and selected other works by Dante. Through an analysis of Dante's autobiographical *Vita nuova*, Mazzotta establishes the poetic and political circumstances of *The Divine Comedy*. He situates the three sections of the poem—*Inferno*, *Purgatory*, *Paradise*—within the intellectual and social context of the late Middle Ages, and he explores the political, philosophical, and theological topics with which Dante was particularly concerned./DIV/DIV/DIV

The Divine Comedy

The Divine Comedy (Italian: *Divina Commedia*) is a long Italian narrative poem by Dante Alighieri, begun c. 1308 and completed in 1320, a year before his death in 1321. It is widely considered to be the pre-eminent work in Italian literature and one of the greatest works of world literature. The poem's imaginative vision of the afterlife is representative of the medieval world-view as it had developed in the Western Church by the 14th century. It helped establish the Tuscan language, in which it is written (also in most present-day Italian-market editions), as the standardized Italian language. It is divided into three parts: *Inferno*, *Purgatorio*, and *Paradiso*.

The Divine Comedy of Dante Alighieri (1884)

This startling new translation of Dante's *Inferno* is by Ciaran Carson, one of contemporary Ireland's most dazzlingly gifted poets. Written in a vigorous and inventive contemporary idiom, while also reproducing the intricate rhyme-scheme that is so essential to the beauty and power of Dante's epic, Carson's virtuosic rendering of the *Inferno* is that rare thing—a translation with the heft and force of a true English poem. Like Seamus Heaney's *Beowulf* and Ted Hughes's *Tales from Ovid*, Ciaran Carson's *Inferno* is an extraordinary modern response to one of the great works of world literature.

Dante's Divine Comedy

Dante Gabriel Rossetti, being the son of an Italian who was greatly immersed in the study of Dante Alighieri, and who produced a *Comment on the Inferno*, and other books relating to Dantesque literature, was from his earliest childhood familiar with the name of the stupendous Florentine, and to some extent aware of the range and quality of his writings. Nevertheless-or perhaps indeed it may have been partly on that very account-he did not in those opening years read Dante to any degree worth mentioning: he was well versed in Shakespeare, Walter Scott, Byron, and some other writers, years before he applied himself to Dante.

He then read him eagerly, and with the profoundest admiration and delight; and from the *Commedia* he proceeded to the lyrical poems and the *Vita Nuova*. The Divine Comedy of Dante Alighieri: Paradiso

Durante degli Alighieri, but better known simply as Dante, was born in Florence in about 1265. He grew to be the major Italian poet of the Late Middle Ages and wrote perhaps the greatest of literary works in Italian: The Divine Comedy. In Italy, Dante is often referred to as *il Sommo Poeta* - "the Supreme Poet." Significantly he writes in the vernacular, an amalgam of Tuscan dialect, Latin and other influence and for this he is often cited as the Father of the Italian Language. As well he wrote The Divine Comedy in a three-line rhyme scheme, or the *terza rima*, a significant development and its first use, of course, is attributed to him. This major work provided influence for almost all who followed including Milton and Tennyson and has been translated into English by many world class poets including Henry Wadsworth Longfellow and Laurence Binyon. Henry Francis Cary was born in Gibraltar, on December 6th, 1772. He was the eldest son of William Cary, at the time a Captain of the First Regiment of Foot and Henrietta Brocas. Cary was educated at Rugby School and at the grammar schools of Sutton Coldfield and Birmingham, before proceeding, in 1790, to Christ Church, Oxford, where he studied French and Italian literature. He was a regular contributor at school to the *Gentleman's Magazine*, and published a volume of Sonnets and Odes. In 1797 he took holy orders and became the vicar of Abbots Bromley in Staffordshire. In 1808 he moved to London and became reader at the Berkeley Chapel and subsequently lecturer at Chiswick and the curate of the Savoy Chapel. Cary's translation of the complete *Divina Commedia* by Dante in blank verse appeared in 1814. It had to be published by Cary himself as publishers believed the risk of failure too great after the losses on his earlier rendering on *The Inferno*. The translation was brought to the notice of Samuel Rogers by Thomas Moore. Rogers made some additions to an article on it by Ugo Foscolo in the critically important *Edinburgh Review*. This article, as well as some fulsome praise from Coleridge in a lecture at the Royal Institution, led to a general

consensus of its merit. Gradually Cary's Dante took its place among standard works, passing through four editions in the translator's lifetime. Between 1821 and 1824 Cary published a series of papers in *The London Magazine* which were later collected together in book form as *Lives of The English Poets*. He also published a companion volume, *Lives of the French Poets*. In 1824 Cary published a translation of *The Birds of Aristophanes*, the celebrated Greek dramatist. By 1826 he was appointed assistant librarian in the British Museum, a post which he held for eleven years. Cary had been married to Jane Ormsby for a number of years and the couple had nine children; William Lucius, Jane Sophia, Henrietta, James Walter, Henry, Charles Thomas, Francis Stephen, John and Richard. In 1833 Cary fell ill and was granted a six month leave of absence to recuperate. He took the remaining time to travel with his son, Francis, to Amiens, Paris, Lyons, Aix, Nice, Mentone, Genoa, Pisa, Florence, Sienna, Rome (staying a month), Naples, Bologna, Verona, Venice (again staying a month), Innsbruck, Munich, Nuremberg, Frankfurt, Cologne, Rotterdam, The Hague, Amsterdam, Brussels, Ghent and Bruges. In 1841 a crown pension of 200 a year, obtained through the efforts of Samuel Rogers, was conferred on him. Cary's *Lives of the early French Poets*, and *Lives of English Poets* (from Samuel Johnson to Henry Kirke White), intended as a continuation of Johnson's *Lives of the Poets*, were published in collected form in 1846. He was buried in Poets' Corner, Westminster Abbey.

The Divine Comedy (Annotated)

Robin Kirkpatrick's masterful verse translation of *The Divine Comedy*, published in a single volume, is the ideal edition for students as well as the general reader coming to this great masterpiece of Italian literature for the first time. *The Divine Comedy* describes Dante's descent into Hell with Virgil as a guide; his ascent of Mount Purgatory and encounter with his dead love, Beatrice; and finally, his arrival in Heaven. Examining questions of faith, desire and enlightenment, the poem is a brilliantly nuanced and moving allegory of human redemption. This volume includes a new introduction, notes, maps and diagrams 'The perfect balance of tightness and colloquialism... likely to be the best modern version of Dante' - Bernard O'Donoghue 'The most moving lines literature has achieved' - Jorge Luis Borges 'This version is the first to bring together poetry and scholarship in the very body of the translation - a deeply-informed version of Dante that is also a pleasure to read' - Professor David Wallace, University of Pennsylvania Individual editions of Robin Kirkpatrick's translation - *Inferno*, *Purgatorio* and *Paradiso* - are also available in Penguin Classics, and include Dante's Italian printed alongside the English text.
